Claims Instructions

Re:

Dear Claimant:

Please find enclosed a City of Cleveland Claim form. Please complete and sign the form, and **return it to the City of Cleveland Department of Law, Utilities Claims Section**. It is important to note that the Claims Section cannot begin an active investigation into your claim(s) until this form is completed and received by the Claims Section.

If a portion of the form does not apply to your particular situation, please write not applicable, or N/A. **To adequately investigate your claim, it is essential that you accurately provide the time, date and exact location of the incident.**

If your claim involves automobile damages, you will need to submit the following documentation below:

1. A copy of your automobile title, registration or lease contract is mandatory; no auto claim will be processed without including this information.
2. Insurance coverage information, including a copy of the declarations page, is mandatory for both full and liability coverage.
3. Include two (2) estimates of costs of repair or an itemized repair bill. Two estimates are requested for claims involving a motor vehicle accident.
4. If you are claiming tire damage, the age of the tire and tire tread measurement are mandatory. Tire tread measurements can be obtained from most service stations.
5. Police report or incident report, if applicable, is very helpful.
6. Photographs of the damages to your vehicle or tire(s) and of the alleged defect that caused your damages are very helpful.
7. Any witness statements are optional.

If your claim involves personal injury, please include the following:

1. For '**Trip and Fall**' accidents you **must** include the nearest address of where you fell. ***No claim will be processed without this information.***
2. Copies of all medical reports including; doctor bills, hospital bills and pharmacy receipts.

If your claim concerns property damage other than automobile, you will need to submit the documentation below:

1. A copy of homeowner's or property insurance policy, including proof of the deductible amount.
2. A separate itemized list(s) of property damages.
3. Include a description of each item on the list, including brand name, serial number, quantity lost, purchase date or age of the item and purchase price.
4. Attach all bills, receipts, and estimates concerning the described property.
5. If your claim is for property damage to your business, please submit proof of business ownership and/or lease rights and responsibilities.
6. Any photographs of either damaged property or what allegedly caused it.

Please send these items along with your completed claim form to the ***City of Cleveland, Department of Law, Claims Section, 601 Lakeside Avenue, Room 106, Cleveland, Ohio 44114-1077***.

The completed claims package can also be submitted via facsimile to 216-664-2663 or electronically to dpuclaims@clevelandohio.gov.

Note: Where an insurance policy is applicable, it is important to note that an individual must use their own insurance policy to cover their damages. *A municipality, such as the City of Cleveland, may reimburse the deductible; however, we are not required to pay for damages that could possibly be paid by an insurance company. (See Ohio Revised Code Section 2744.05).*

Remember, your claim cannot be processed until the Claims Section receives a completed claim form. **Claims processing can take up to 90 days or more. You will be contacted in writing as soon as your claim has been investigated and fully processed.**

Sincerely,
Claims Examiner
