Our Purpose

To inspire confidence by delivering reliable, efficient city services and creating the conditions for all members of our community to thrive.

Welcome!

Dear Clevelanders,

The City of Cleveland Neighborhood Resource and Recreation Centers (NRRCs) provide resources in our neighborhoods for recreational, social, cultural, and other support services. This guide provides a list of programs and services available to members of your entire family across the city's 21 Neighborhood Resource and Recreation Centers, 1 Cultural Arts Center and 1 residential camp.

We are hard at work looking for ways to improve our NRRCs based on the feedback from our patrons in the recent community needs assessment. We are developing a citywide Parks and Recreation Master Plan because we know that recreation programs and services not only strengthen our neighborhoods, but also address the root causes of violence and toxic stress in our communities.

In addition to the expanded programs and activities we are offering in our NRRCs, we also have Social Support Services Specialists assigned to our NRRCs who can help individuals and families access free resources and support services to help them achieve a better quality of life. It is our hope that our community, both individuals and families, will take advantage of this unique service.

You can follow the progress that we are making on your behalf on our new website at www.clevelandohio.gov. Read my midterm report at [Mayor's Midterm Impact Report \(arcgis.com\)](http://arcgis.com) to learn about all this administration is doing to improve the quality of life in the community, including NRRC programs and services.

As your Mayor, my vision is for Cleveland to be a national model for city management, public safety, and neighborhood revitalization. Our Neighborhood Resource and Recreation Centers play a critical role in this vision.

Sincerely,

A handwritten signature in blue ink, which appears to read "Justin M. Bibb". The signature is fluid and cursive.
