Pipeline Infrastructure Improvements Update

Monday, July 31, 2023

**Dominion Energy Ohio Gas Pipeline Infrastructure Replacement Project –
PIR 3630 – Eliot Avenue and East 102 Street
(City of Cleveland - Ward 4 and 6)**

CLEVELAND – On Monday, July 31, 2023, Dominion Energy Ohio’s gas pipeline infrastructure replacement project will begin on the following streets:

- Eliot Avenue – South side from East 102nd Street to East 110th Street
- East 102 Street – From Marah Avenue to Heath Avenue
- Raymond Avenue – North side from East 93rd Street to East 102nd Street

The improvements include replacing the old steel mainline with a new plastic mainline in the roadway and sidewalk area. A work zone will be established which will allow two-way traffic with traffic control personnel present to help direct traffic flow. Access to adjacent driveways and businesses will be maintained throughout construction. The work on the project will take place Monday through Friday from 7 a.m. to 5 p.m.

This project is scheduled for completion in September 2023. Permanent restorations will be completed in October 2023.

Should there be any questions, please contact Matt Lenke - Hill International at 330-353-7111.

***Editor’s Note:** Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.*

About the City of Cleveland

The City of Cleveland is committed to improving the quality of life for its residents by strengthening neighborhoods, delivering superior services, embracing diversity and making Cleveland a desirable, safe city in which to live, work, play, and do business.
