**ARTICLE 1  
PURPOSE**

1) This Contract sets forth a complete agreement between the City of Cleveland, hereinafter referred to as the "City," and S.E.M.E., Local 1, hereinafter referred to as the "Union," which represents employees as specified herein. This Contract shall comply with the laws of the United States, the State of Ohio, and the City of Cleveland, and all applicable governmental administrative rules and regulations which have the effect of law.

**ARTICLE 2

3) The Union is recognized as the sole and exclusive representative for all full-time employees in the following job classifications who have successfully completed their initial probationary period for the purpose of establishing rates of pay, wages hours, and other conditions of employment, but excluding all supervisors (as defined in the National Labor Relations Act, as amended) and security employees:

**ARTICLE 3  
MANAGEMENT RIGHTS**

- 4) Except as specifically limited herein, all rights are reserved to and remain vested in the City, including but not limited to, the sole right to:
- (a) Determine matters of inherent managerial policy which include, but are not limited to, areas of discretion of policy such as the functions and programs of the City, standard of services, its overall budget, utilization of technology and organizational structure.
  - (b) Direct, supervise, and evaluate or hire employees and to determine when and under what circumstances a vacancy exists.
  - (c) Maintain and improve the efficiency and effectiveness of City operations.
  - (d) Determine the overall methods, process, means or personnel by which City operations are to be conducted.
  - (e) Suspend, discipline, demote, or discharge for just cause, or layoff, transfer, assign, schedule, promote or retain employees.
  - (f) Determine the adequacy of the work force.
  - (g) Determine the overall mission of the City.

- (h) Determine the duties to be included in all job classifications and the standards of quality and performance to be maintained.
- (i) Promulgate and enforce work rules, City orders, policies and procedures.
- (j) Require employees to use or refrain from using specified uniforms or other tools of duty.
- (k) Determine hours of work and work schedules.
- (l) Effectively and efficiently manage the work force and to utilize personnel in the manner determined by Employer to be most effective and efficient.
- (m) Take actions to carry out the mission of the public employer as a governmental unit.

5) The City shall have the right to privatize or subcontract services. Upon request, the City will provide detailed information to the Union regarding privatization/subcontracting which entails bargaining unit work. Where the Union identifies a significant increase in such privatization/subcontracting, the Union may request a meeting with the City and the City shall meet for the purpose of discussing possible alternatives to privatization/subcontracting. However, for subcontracting which would result in the direct layoff of employees or for new subcontracting/privatization which is contemplated while employees, who were performing the newly subcontracted work, are on layoff status, the City shall follow the following process:

Sixty-five (65) calendar days prior to any subcontracting the City shall meet and confer with the Union on no less than a weekly basis and the City will disclose the nature, detailed description of job performed and costs of the proposed contract. Where the City's primary objective is to achieve financial economy, improved operating efficiency, and/or better quality of service, the Union shall have the right to make an offer of a competitive alternative. If that alternative yields financial savings, improved operating efficiency, and/or better quality of service genuinely

equivalent to or greater than those the City can achieve through subcontracting, the City will accept the Union's alternative.

Should employees be subject to layoff as a result of the decision to subcontract, the City will make a good faith effort to assign those employees to vacant positions for which they are qualified or can be trained to become qualified within a reasonable period of time and the City will submit names of affected employees to the subcontractor for hiring consideration.

The City and the Union agree that if there is a disagreement regarding the above, including over the true value of the Union's competitive alternative (financial savings, improved efficiency, quality of service) the Union will have the right to submit the issue of whether or not the Union's alternative "genuinely" meets or exceeds the City's objective to final and binding arbitration by requesting arbitration with the American Arbitration Association within fourteen (14) days of the expiration of the 65-day meet and confer period.

6) Notwithstanding Chapter 4117.08 of the Ohio Revised Code, the City is not required to bargain on any subjects -- including but not limited to, those enumerated above reserved to and retained by the City under this Article. Therefore, Local 1 agrees that, during the life of this Agreement, the City shall have no obligation to bargain collectively with respect to the exercise of any rights reserved to and retained by it pursuant to either Section 41 17.08(C) of the Revised Code or pursuant to this Article of this Agreement.

#### **ARTICLE 4 UNION RIGHTS**

7) It shall not be a violation of this contract and it shall not be a cause for discharge or disciplinary action if any employee refuses to go through or work behind any lawful primary picket line, or refuses to do work normally done by primary striking members of another union, except

that the City shall not be required to pay the wages of any such employees, provided that in no case shall any employees, refuse to do any work, regardless of the existence of a lawful primary labor dispute, if, in the City's judgment, such refusal would be detrimental to the public health or safety unless the City cannot provide for the personal safety of the employees. No employee shall be required to perform a duty which is in violation of any applicable law or City ordinance.

8) An employee shall, upon request, be permitted to review all his/her personnel records files, except reference letters, in the presence of appropriate supervisor and he/she may initial and date the contents found therein. Only copies of letters of discipline, evaluations and commendations shall be made available to the employee at the time of issuance. However, any materials in the employee's personnel record which have not been seen or signed by him/her or which are more than two (2) years old at the time discipline is being considered shall not be used against him/her. The signing of any materials to be placed in an employee's personnel record does not indicate agreement by the employee as to the contents of the material but does acknowledge he/she has seen it.

#### **ARTICLE 5 NO-STRIKE**

9) The Union shall not, directly or indirectly, call, sanction, encourage, finance, and/or assist in any way, nor shall any employee instigate or participate, directly or indirectly, in any strike. For the purposes of this section, "strike" means concerted action in failing to report to duty; willful absence from one's position; stoppage of work; slowdown or abstinence in whole or in part from the full, faithful, and proper performance of the duties of employment for the purpose of inducing, influencing, or coercing a change in wages, hours, terms, and conditions of employment for the duration of this Contract or any extension thereof.

10) Violations of this paragraph may constitute an unfair labor practice as determined and remediable by the State Employment Relations Board. In the event an Unfair Labor Practice is determined by the S.E.R.B., the City will not subsequently impose discipline except as recommended by S.E.R.B.

11) It is understood that all orders of City supervisors shall be complied with during the period when a dispute is being processed through the Grievance Procedure, provided that no employee shall be required to obey an order which would jeopardize his life or cause bodily injury.

12) The City shall not lock out any employees for the duration of this Contract.

**ARTICLE 6  
LIMITED RIGHT TO STRIKE**

13) Upon or after expiration or termination of this Contract or any extensions, employees have the right to strike under Chapter 4117 of the Revised Code provided that the employee organization representing the employees has given a ten (10) day prior written notice of an intent to strike to the public employer and to the Board; however, the Board, at its discretion, may attempt mediation at any time.

**ARTICLE 7  
NON-DISCRIMINATION**

14) The City and the Union hereby state their commitments, legal and moral, not to discriminate in any manner relating to employment or representation on the basis of race, color, creed, national origin, sex (including sexual orientation, gender identity and expression), disability, or age (for those over age 40), genetic background, veteran status, or any other characteristic protected by law.

**ARTICLE 8  
UNION SECURITY**

15) The City agrees that pursuant to the provisions of Ohio Revised Code 4117 *et seq.* a majority of the employees in the bargaining unit previously elected the Union to serve as their duly authorized bargaining agent and that, pursuant to that election, the Union is duly elected, lawfully, authorized, sole and exclusive representative of all employees in the bargaining unit including all employees working in the classifications identified herein and all employees performing any work covered by this collective bargaining agreement.

16) The City will deduct regular initiation fees and monthly dues from the pay of employees in the bargaining unit covered by this Contract upon receipt from the Union of individual written authorization cards voluntarily executed by an employee for that purpose and bearing his/her signature. The City's obligation to make said deductions shall terminate automatically upon termination of the employment or transfer to a job classification outside the bargaining unit.

17) Deductions shall be made during the first and second pay period of each month. The Union shall provide the City with at least thirty (30) days advance written notice of any changes in the dues deduction amounts.

**ARTICLE 9  
UNION REPRESENTATION**

18) The City recognizes the right of the Union to select officers, stewards, alternate stewards to represent employees on grievances arising under this Contract as follows:

The alternate steward shall act as steward when the steward is absent from work. It is the responsibility of the Union to have a steward or alternate steward assigned to each work location. A local Union Officer may act when necessary in place of a steward. Local officers and stewards shall not be transferred from their respective departments or shifts during their term of office upon

mutual agreement between the City and the Union. The Union shall annually, by January 1<sup>st</sup> provide the Director of the Department of Personnel & Human Resources and the Chief Assistant Director of Law for the Labor & Employment Section of the Department of Law with written notice of the identity of all of its stewards and alternate stewards for the calendar year (name, department, division, assigned shift, work telephone number, and work e-mail address (if available)) and the name and fax number for the Union President. If there is a change in the identity of any Union stewards or alternate stewards or in the name or fax number for the Union President during a calendar year, the Union shall provide the above referenced City employees with the information for each new steward or alternate steward within ten (10) working days of the change.

19) A steward or alternate steward or local officer shall be permitted to investigate and process grievances and attend meetings provided for in the grievance procedure without loss of regular straight-time pay. Officers shall be permitted to investigate and process grievances at work locations where members are employed, and in the absence of a steward. Local Union Officers and Stewards shall be permitted to attend meetings on City property as provided by the grievance procedure without loss of regular straight-time pay. All such activity will be with prior permission of an employee's supervisor and shall be logged on forms provided by the City for that purpose.

20) One Union officer shall be permitted to attend all grievance meetings. Such meetings are not to exceed three (3) hours and shall be without the loss of regular straight-time pay.

21) It is the mutual responsibility of the City and the Union to cooperate in good faith in providing a fair and timely grievance while at the same time keeping to a minimum the time lost due to the investigation and processing of employee grievances. Any suspected abuses of this

procedure shall be brought to the attention of the Union President and/or subject the officer or steward to disciplinary action, inclusive of forfeiture of pay for any time abused.

**ARTICLE 10  
UNION VISITATION**

22) The President of the Union and/or his designee shall be admitted to the City's facilities and sites during working hours upon reasonable advance notice to the appropriate Appointing Authority or his/her designee. Such visitations shall be for the purpose of ascertaining whether or not this Contract is being observed by the parties to participate in the adjustment of grievances or to attend other meetings as provided herein. At no time shall such visitation rights interfere with the work requirements of any employee or disrupt operations in any way, unless expressly permitted by the City.

23) All deductions, accompanied by an alphabetical list of all employees for whom deductions have been made, shall be transmitted to the Union no later than the fifteenth (15th) day following the end of the pay period in which the deduction is made; and, upon receipt, the Union shall assume full responsibility for the disposition of all funds deducted. The Union shall provide the City with at least thirty (30) days advance written notice of any changes in the dues and/or fair share fee amounts.

24) The Union will indemnify and save the City harmless from any action growing out of deductions hereunder and commenced by an employee against the City (or the City and the Union jointly).

**ARTICLE II  
PROBATIONARY PERIOD**

25) New employees shall be on a six (6) month probationary period. Said period may be extended an additional ninety (90) days, upon mutual written agreement between the City and the Union.

Any probationary period served by a newly hired employee is defined as "working days." All holidays, vacation time, personal time, sick time, and approved leaves of absence do not count as working days for purposes of calculating a probationary period. This provision shall only apply to newly hired employees and shall not apply to those bargaining unit members that transfer into or are otherwise moved to a different department or classification.

**ARTICLE 12  
SENIORITY**

26) Job classification seniority is defined as an employee's length of service while holding the same classification. The employee shall receive credit for all time spent on the City's payroll in that classification. Job classification seniority would be used where applicable in other provisions of this Contract.

27) City employment seniority shall be defined as an employee's continuous length of service, effective from date of hire. City employment seniority would be applied as described in other provisions of this Contract.

28) City employment seniority shall be terminated when an employee:

- (b) is discharged for just cause;
- (c) is laid off for a period of more than twenty-four (24) consecutive months;

- (e) fails to report for work when recalled from layoff within ten (10) working days from the date on which the City sends the employee notice by certified mail (to the employee's last known address, as shown on the City's record).

29) The City will provide the Union with a list of all employees within the bargaining unit listing name, job classification, department, date of hire, and date of classification not more than twice a year upon request by the Union.

30) It is the obligation of each employee to keep the City advised of his current address and, for purposes of this Contract, the City may rely on the last address supplied by an employee.

31) An original appointment is the first appointment (hire) of an employee to the classified Civil Service of the City of Cleveland. The appointment shall be any appointment made from an eligible list, created as a result of either a competitive or non-competitive entrance examination, or by the registration of the unskilled labor class. Original appointment shall include all appointments made into the classified civil service of the City, including regular and temporary appointments, but shall not include the promotional appointment of a City employee pursuant to procedures contained in this collective-bargaining agreement. Regular employees who are promoted into a new classification pursuant to a collective bargaining unit job posting procedure shall attain "regular" or "legal" status upon successfully completing a six (6) month probationary period.

**ARTICLE 13**  
**LAY-OFFS**

32) Whenever it is necessary to reduce the working force of the City, either for lack of work or lack of funds, employees shall be laid off based upon seniority within the affected classification within their division in the following order:

37) In the event an employee is laid-off, he shall receive payment for earned, but unused vacation as quickly as possible, but not later than ten (10) days after the layoff.

38) Employees in a "Unit Leader" classification who are identified for layoff shall be permitted to bump the least senior employee in the prior classification held by that employee.

**ARTICLE 14  
RECALL**

39) Whenever any regular appointee is laid off for lack of work or lack of funds, the name of such person shall be placed at the head of the eligible list of the classification from which he/she is laid off. When two or more employees have been laid off whether at the same time or not, their names shall be placed at the head of such eligible list in order of their appointment in that classification. Such employees shall be eligible for reappointment or recall for a period of two (2) years from the effective date of the layoff.

40) Whenever the City elects to introduce new equipment or technology which could have the effect of displacing bargaining unit personnel, it shall notify the Union as far in advance as is practicable. Any retraining of bargaining unit personnel resulting from the introduction of such new equipment, or technology shall be on the same basis as is presently in effect in each of the divisions.

#### **General Leave**

49) All leaves of absence (any extensions thereof) must be applied for and granted in writing on forms to be provided by the City. An employee may, upon request, return to work prior to the

Once an employee has converted accumulated sick leave, as provided herein, the remaining unconverted hours shall be eliminated from the employee's balance.

A copy of the Agreement will be placed in each employee's file. Contributions shall not be purchased or sold for monetary value.
- (c) The City may, at its election, cancel this program by serving notice to the Union three (3) months in advance of said cancellation date. Said cancellations shall not be done on an arbitrary or capricious basis.

A temporary transfer shall not exceed thirty (30) working days except: (1) to fill a vacancy caused by an employee being on sick or other approved leave of absence; (2) to provide vacation relief scheduling; (3) to fill an opening temporarily pending permanent filling of such opening; or (4) to meet an emergency situation. The employee shall be given a written notice of said transfer if the work assignment exceeds four (4) hours. When an employee is temporarily transferred to another job classification in a higher pay band, he/she shall receive no less than fifty percent (50%) of the difference, between his/her pay and the pay of the employee he/she is replacing for any and all hours worked out of classification. However, in the case of a temporary transfer to fill in for an employee who is on an extended leave of absence, the employee shall receive one hundred percent (100%) of the classification rate after thirty (30) days. An employee temporarily transferred to another job classification in a higher pay band who is not replacing another employee will receive a five percent (5%) increase or the bottom of the pay band, whichever is greater.

57) If an assignment under this section other than the noted exception exceeds thirty (30) days, said opening shall be posted and filled. The City will not rotate temporary assignments to frustrate this section.

58) The City has sole and exclusive right to make job evaluations and job descriptions and create job classifications when it deems appropriate.

59) In the event a new classification is established by the City which is related to an existing classification in the bargaining unit, the City will promptly notify the Union prior to placing the classification into effect and grant the Union recognition. The parties agree to meet within seven (7) days of the notice to mutually agree upon the new classification and rate of pay. If an agreement cannot be reached, the matter may be submitted to arbitration for the purpose of determining a rate of pay.

60) In the event the name of a classification in the bargaining unit is changed and the work duties remain substantially unchanged, the City will promptly notify the Union of said change.

61) If a substantial change in a job occurs, the Union may ask for a meeting with the City to discuss the situation. The Union, at this meeting, must demonstrate a significant change as it relates to the skill level now required of the existing classification which would warrant an increase in pay. If the City agrees, a new rate shall be agreed to. If an agreement cannot be reached, the matter may be submitted to arbitration for the purpose of determining a rate of pay.

**ARTICLE 18**  
**PROMOTIONS AND TRANSFERS**

Once the departmental vacation schedule is determined, it shall not be changed without the consent of the involved employee(s) except in response to an operational emergency. **ARTICLE 30  
GRIEVANCE PROCEDURE**

**104)** It is mutually agreed that the prompt adjustment of grievances is desirable in the interest of sound relations between the employees and the City. The prompt and fair disposition of grievances involves important and equal obligations and responsibilities, both joint and independent, on the part of the representatives of each party to protect and preserve the Grievance Procedure as an orderly means of resolving grievances. It is the intent of the City and the Union to share information pertaining to grievances at all steps of the Grievance Procedure.

**105)** A grievance is defined as a dispute or difference between the City and employee(s) or the City and the Union concerning the interpretation and/or application of and/or compliance with any provision(s) of this Contract, including any and all disciplinary actions. A Group Grievance is a grievance filed by a group of employees relating to a single common issue or event covered by this Contract. A Policy Grievance is a grievance filed by the Union relating to a single common issue or event covered by this Contract. The grievance form shall set forth the complete details of the grievance, i.e., the facts upon which it is based, the paragraph(s) allegedly being violated, the approximate time of occurrence and the relief or remedy requested. It is understood that a written grievance may be amended by the Union at any time during the Grievance Procedure. However, all amendments must be presented prior to the start of the Step Three (3) meeting at which the amended grievance is to be heard, except in the case of grievances which begin at Step 3, in which case all amendments must be presented not later than thirty (30) calendar days prior to arbitration.

**106)** It is important that the employee's grievance(s) regarding unjust or discriminatory discharges, or wage rates/Step placement be handled promptly. Therefore, all such grievances

shall be reviewed through the Grievance Procedure beginning at Step Three (3) within ten (10) working days as in Step One (1).

**107)** Step 1: When a grievance arises, the following procedure shall be followed: An employee who believes he/she has a grievance has a right to notify his/her Union representative of the situation and to discuss the alleged violation. This discussion shall take place with regard for the City's operational needs, but as soon as is reasonably possible. The grievance shall be reduced to writing and presented to the Commissioner or Appointing Authority or his/her designee within ten (10) working days of the event(s) giving rise to said grievance. The Commissioner or Appointing Authority or his/her designee shall meet with the Steward and Union Officer within five (5) working days from the date of receipt of the grievance in an effort to resolve the grievance. Within ten (10) working days after this meeting, the Commissioner or Appointing Authority or his/her designee shall give a written answer to the Steward and Union Officer. Each grievance shall be answered separately. The answer shall set forth in detail the settlement reached between the parties and shall include the grievance number, grievant's name, and the date of the grievance hearing. Agreement on this settlement shall be noted by both parties, in writing, on the grievance answer. In the event the grievance is not resolved, the answer shall set forth in detail the reason or reasons for the denial of the grievance.

**108)** Step 1-A: Any disciplinary action involving suspension of eleven (11) days or more, or other disciplinary action which is appealable to the Civil Service Commission, may be appealed to that body, in accordance with its rules and regulations. An employee may choose to appeal such disciplinary action by filing either a grievance or an appeal to the Civil Service Commission, but in no case, shall an employee be permitted to utilize both procedures. If an employee does not file a grievance within the ten (10) day time limit, or files an appeal through both the grievance

procedure and the Civil Service Commission, the employee shall be deemed to have chosen to appeal to the Civil Service Commission. Decisions of the Civil Service Commission are not appealable through the grievance procedure.

**109)** Step 2: If the grievance is not satisfactorily settled at Step One (1), it shall be presented in writing to the employee's Director or his/her designee within ten (10) working days of the receipt of the Step One (1) answer. Within five (5) working days thereafter, the Director or his designee shall meet with the Local Union Officer. Within ten (10) working days after the Step Two (2) meeting, the Director or his designee shall give a written answer, as defined in Step One (I), to the Local Union Officer.

**110)** Step 3: If the grievance is not satisfactorily settled at Step Two (2), it shall be presented in writing to the City's Labor Relations Representative, with a copy to the affected Director or his designee, within ten (10) working days after receipt of the Step Two (2) answer. The City's Labor Relations Representative and the Union's Representative will mutually agree on a date for a meeting for the purpose of considering grievances. A complete agenda for all grievances appealed in writing to Step Three (3) will be provided by the Union prior to each meeting. Within thirty (30) calendar days of the Step Three (3) meeting, the City's Labor Relations Representative shall give a written answer, as defined in Step One (I), to the Union's Representative.

**111)** Step 4: If the Union does not accept the City's Step 3 answer, the Union shall notify the American Arbitration Association (AAA) and the City at the same time of its intent to arbitrate the grievance. The Union shall give the required notice to AAA and to the City within thirty (30) calendar days after the date of the City's written Step 3 answer. The Union's notice to the City shall be provided simultaneously to the Department of Personnel & Human Resources (c/o, the City's Labor Relations Manager) and to the Department of Law (c/o, the Chief Assistant Director

of Law for Labor & Employment). The fees and expenses of the arbitrator shall be borne equally by the City and the Union. Furthermore, the aggrieved employee, his Union representative, and any necessary witness(es) shall not lose any regular straight-time pay for time off the job while attending an arbitration proceeding. The Union will provide the City with three (3) working days advance notice of employees required to testify.

112) The parties may, by mutual agreement, choose to have a grievance involving suspension or discharge arbitrated on an expedited basis. The expedited arbitration will be conducted pursuant to the rules of the American Arbitration Association and the fees and expenses of such proceeding including those of the Arbitrator, shall be borne equally by the City and the Union.

113) Arbitration shall be the sole and exclusive means of resolving disputes under this Agreement. In the event a grievance goes to arbitration, the arbitrator shall have jurisdiction only over disputes arising out of grievances as the interpretation and/or application and/or compliance with the provisions of this Contract and such other issues as the parties are expressly requires to arbitrate before the arbitrator under the terms of this Agreement, including all disciplinary actions. In reaching his decision, the arbitrator shall have no authority: (1) to add or to subtract from or modify in any way the provisions of this Contract; (2) to pass upon issues governed by law; or (3) to make an award in conflict with law. The arbitrator shall issue a decision within thirty (30) calendar days after submission of the case to him.

114) In instances where the City objected to arbitration and the Union chose to proceed, the first question to be placed before the arbitrator will be that of arbitrability. If the arbitrator determines that the grievance is within the purview of arbitrability, the grievance will be heard on its merits before the same arbitrator.

115) All decisions of arbitrators consistent with the above paragraphs and all pre-arbitration grievance settlements reached by the Union and the City shall be final, conclusive and binding upon the City, the Union and the employees. Provided, that a grievance may be withdrawn by the Union at any time during the Grievance Procedure and the withdrawal of any grievance shall not be prejudicial to the positions taken by the parties as they relate to that or any other grievance. For purpose of this section, timeliness is counted as working days from the date of the incident or the date expressed on the face of either the answer or the appeal notice, as applicable. Extensions of time limits shall be by mutual agreement and must be verified in writing and signed by both parties. The date of occurrence of the event causing time to run is not counted in the time limit. If the last date of a period is not a regular business day, the time period runs through the end of the next regular scheduled business day. The Union shall be permitted to automatically appeal any failure by the City to timely provide an answer at Step 1 or Step 2 of the grievance procedure to the next step. The City shall be permitted to deny any grievance as untimely filed or appealed at any step of the grievance procedure. Any denial of a grievance based on timeliness which is challenged by the Union, shall be decided by the arbitrator. No reasonable request for an extension of time by the City to provide a written answer at Step 1, 2, or 3 or by the Union to appeal a Step 1 or Step 2 answer by the City shall be denied. In the event the City fails to process and/or respond to a grievance in accordance with the time parameters listed herein, the Union shall have the right to automatically advance the grievance to the next step of the grievance process.

118) In settlement for wages for the year 2024, there shall be a two percent (2%) increase added to all rates of classifications. (See attached Step Schedules B Addendum – effective April 1, 2024.)

119) Wage increases shall be effective as follows: (a) if April 1<sup>st</sup> falls in the first week of a pay period, the wage increase shall be effective at the beginning of that pay period; or (b) if April 1<sup>st</sup> falls in the second week of a pay period, the wage increase shall be effective at the beginning of the next pay period.

120) Employees not on the active payroll at the time the contract is executed are not entitled to retroactive payment of wages or other monetary benefits. Employees who are in “unpaid leave” (other than FMLA or military leave), “suspended” or “layoff” status at the time this Agreement is executed shall not be entitled to uniform allowances, clothing maintenance allowances, and tool allowances until and unless they return to “active” status.

121) A heavy-duty mechanic shall receive the truck specialist's rate when working on a unimog's transmission, drive train, gear box or engine.

122) An employee designated by management as a "lead person" shall receive a \$.75 per hour adjustment above his base rate of pay. This shall be treated the same as a shift differential. There

shall be one lead person designated for cache facility, to serve in the absence of Management. The employee designated as the lead person shall not be removed from the position except for "just cause." The City retains sole discretion over the creation or elimination of any "lead person" position.

123) An employee assigned to perform off premises vehicle recovery will receive a \$.75 per hour adjustment above the employee's rate of pay for actual hours worked performing those duties.

124) During the life of this Agreement, not more than on a quarterly basis, the parties shall meet for the purpose of discussing possible pay inequities, as they affect bargaining unit personnel. The parties shall each be entitled to have three (3) representatives attending any such meeting. Any recommendations developed by said representatives shall be presented to the Administration for its consideration, but shall not be binding on any of the parties hereto.

Employees who are "ASE" certified will receive the following payment:

1. For the first ASE certification: a \$200 annual lump sum payment
2. For a second ASE certification: a \$100 annual lump sum payment
3. For a third ASE certification: a \$100 annual lump sum payment
4. For a fourth ASE certification: a \$100 annual lump sum payment

The ASE certification payments will be cumulative up to a maximum annual payment of \$500 for an employee who has obtained four ASE certifications. The City agrees to reimburse employees for the cost of one attempt at taking the initial ASE certification test for each certification, provided the employee passes the test on the initial attempt at certifying.

Effective in 2023, the ASE certification payments will be according to the following:

1. For the first ASE certification: a \$400 annual lump sum payment
2. For a second ASE certification: a \$300 annual lump sum payment
3. For a third ASE certification: a \$300 annual lump sum payment
4. For a fourth ASE certification: a \$200 annual lump sum payment
5. For a fifth ASE certification: a \$200 annual lump sum payment

Effective in 2023, the ASE certification payments will be cumulative up to a maximum annual payment of one thousand four hundred dollars (\$1,400.00) for an employee who has obtained five (5) ASE certifications.

In addition to the ASE certification incentives listed above, effective in 2023, employees who obtain Emergency Vehicle Technician certification (“EVT”) will receive a separate, annual lump sum payment of two hundred dollars (\$200).

The City agrees to reimburse employee for the cost of one attempt at taking the initial ASE certification test for each certification or for the EVT certification, provided the employee passes the test on the initial attempt at certifying.

The City also agrees to reimburse employees for the cost of one attempt at taking the recertification test for each certification, including EVT certification, provided the employee passes the test on the initial attempt at recertifying.

The City will approve annual “ASE” certification payments and testing reimbursement for the types of certifications it has approved in the past and for other certifications that are relevant to an employee’s job duties. The City will not unreasonably withhold approval of annual “ASE” certification payments and testing reimbursement. Employees must maintain their ASE certification to receive the annual lump-sum payment.

#### **ARTICLE 32 UNIFORM ALLOWANCE**

126) The welders in the Division of Streets shall have their uniforms provided. The welder's uniforms shall be one hundred percent (100%) cotton in content. Welders and welder fabricators shall be provided with four (4) pairs of welder gloves per person per year to perform their job responsibilities.

127) The City shall provide two (2) foul weather gear outfits for each tow truck. Employees who operate such vehicles shall be responsible for said foul weather gear and shall comply with all reasonable directives and procedures related to same. The City will furnish foul weather gear to employees assigned to the airport.

128) The City shall provide one (1) pair of steel-toed shoes to each Union member annually. Effective in 2023, all employees will receive an annual cash payment of two hundred twenty-five dollars (\$225) for the purchase of approved steel-toed boots. **ARTICLE 35

**ARTICLE 36  
CONTINUOUS TRAINING**

132) Job-related training shall be administered by each division in accordance with their current practices. The City shall provide at least eight (8) hours of training by a certified trainer per year involving new equipment prior to the warranty on the equipment expiring. If an employee receives a certificate or other recognition for the completion of job-related training programs, he/she shall be entitled to include a record of such achievement in his/her personnel file.

133) The Union shall be entitled to offer the City its input into appropriate job related training programs for bargaining unit personnel.

**ARTICLE 37  
SAFETY COMMITTEE**

134) There shall be a Union-Management safety committee established in each division where the Union has representation. Each such committee shall consist of not more than four (4) representatives from each party and such representative shall meet on a quarterly basis during working hours and on City property. Union representatives to such committee shall suffer no loss in straight time pay or benefits as the result of attending such meetings.

135) Committee meetings shall be coordinated through the Manager of Employee Accident Control, who shall be an ex-officio member of each such committee and shall not be counted as one of the four (4) cited City representatives to each such committee.

136) Committees shall study safety and health related issues and develop recommendations for the respective divisions' consideration. Such recommendations shall not be binding on any of the parties and shall not be subject to the grievance procedure contained herein.

**ARTICLE 38  
LEGALITY**

137) It is the intent of the City and the Union that this Contract comply, in every respect, with applicable legal statutes, charter requirements, governmental regulations which have the effect of law, and judicial opinions, and if it is determined by proper authority that any provision of this Contract is in conflict with law, that provision shall be null and void. 140) This Contract sets forth the complete terms and conditions of employment of the employees in the bargaining unit of Local 1, as agreed upon by the City of Cleveland, and the officials of the Union; and ratified by the membership of the Union. All side-agreements executed prior to the ratification of this Agreement must be in writing, fully executed, and attached to the Agreement in order to remain enforceable. ## DRUG & ALCOHOL TESTING ADDENDUM

All employees who are required to be randomly tested under law (e.g. Department of Transportation regulations regarding employees required to have a Commercial Driver's License who drive vehicles in excess of 26,000 pounds), and all employees in Safety Sensitive Positions (identified below) shall be subject to random drug/alcohol testing. Additionally, an employee involved in any accident resulting in personal injury or one-thousand dollars (\$1,000.00) or more of property damage shall submit him or herself to post-accident drug/alcohol testing. Such testing shall be conducted in accordance with the DOT procedures. Further, when there is a reasonable suspicion to believe that an individual employee is using illegal drugs, drugs for which a prescription is required without a prescription, or alcohol at work or is under the influence of drugs or alcohol at work, such employee will be directed to report to a City-designated physician or medical clinic, on City time and at City expense, for a fitness-for-duty examination. Reasonable suspicion examinations, post-accident examinations, and random examinations for safety sensitive employees, employees on last chance agreements, and those employees with CDLs are conducted for the purpose of determining the presence of illegal drugs, non-prescribed not over the counter drugs, or alcohol in the employee tested.

An employee who is directed to submit to such examinations shall report to a City-designated physician or medical clinic, on City time and at City expense. The City's Manager of Labor Relations, or his designee, shall approve all drug/alcohol testing. This testing will include possible urine, blood, or breathalyzer exams as determined by the appropriate medical personnel. An employee who refuses to submit to drug/alcohol testing under the provisions herein shall immediately be charged with insubordination and will be subject to discharge. An employee who fails a drug or alcohol test for the second time during his/her employment with the City shall be discharged by the City.

An employee may be referred to fitness-for-duty screening if at least one (1) supervisor has a reasonable suspicion that the employee is then under the influence of alcohol or a controlled chemical substance. The circumstances supporting an allegation warranting reasonable suspicion testing shall be reduced to writing, signed by the supervisor, and copies to the employee and Union prior to testing. The demand for a urine, blood or breath specimen should be based only upon specific/objective facts and reasonable inferences drawn from those facts in light of experience that the employee is then under the influence of drugs or alcohol. In addition, employees may be referred for mandatory urine, blood, or breath, for drug and/or alcohol screening under the following circumstances:

- (a) A disciplinary probation for employees who have violated the City's drug and alcohol rules; or
- (b) For employees returning from leaves of absence if they have given management a reason to suspect possible illegal drugs, drugs for which a prescription is required without a prescription, and/or alcohol abuse. Possible reasons to suspect substance abuse include, but are not limited to, a history of excessive absenteeism not related

to a specific illness, documented evidence of deteriorating job performance or of aberrant behavior in the six months immediately preceding the leave of absence or documented involvement with drugs off the job.

An employee shall be entitled to have a Union representative present before testing is administered as long as the representation does not cause undue delay affecting the test results.

As concerns urine samples for drug testing, employees to be tested will undergo an initial screening (EMIT) test. For any positive results, a confirmatory test employing the gas chromatography/mass spectrometry (GC/MS) test will be used. The City will ensure that there is a continuous chain of custody of any sample taken from an employee. Specimen collection will occur in a medical setting. The testing procedures should not demean, embarrass or cause physical discomfort to employees. Altering or switching a specimen sample for a drug/alcohol test, or otherwise refusing to follow the established testing procedure and/or guidelines, shall be grounds for immediate suspension pending discharge.

The results of any drug or alcohol screening test will be kept strictly confidential. An employee who tests positive for drugs and/or alcohol will have the opportunity to review the test results and, if desired, a reasonable opportunity to rebut the results. Copies of test results shall be given to the City and to the individual tested. Where urine, blood have been taken, the two (2) samples will be preserved for a reasonable period of time and tested employees will have the opportunity to direct one (1) of these samples to a reputable physician or laboratory of their choosing for retesting.

Employees who may be drug or alcohol dependent are encouraged to voluntarily seek professional assistance through a reputable treatment program. The City's EAP program can provide counseling and referral. All records of an employee seeking medical rehabilitation for a drug or alcohol problem, either through EAP or otherwise, will be kept strictly confidential. Voluntary assistance should be sought before dependence affects job performance so as to not endanger fellow employees, the public or otherwise adversely impact on the employee's ability to perform his or her job duties.

Participating in the EAP program does not supplant the normal discipline and grievance procedure. An employee subjected to disciplinary charges which include substance abuse on the job will be given access to the drug or alcohol screening results, the ability to privately test the blood, urine or other samples at an independent lab and the opportunity to rebut any allegation of chemical abuse. Any charging letter issued to an employee which includes allegations of substance abuse on the job shall list the basis upon which it was determined that there was reasonable cause to believe the employee was using drugs or was under the influence of drugs or alcohol.

Any employee found to have positive screens for drugs or alcohol must be given medical clearance by a qualified physician acceptable to the City before returning to work.

An employee shall be deemed to have failed an alcohol test if:

- (1) The person has a concentration of three -hundredths of one percent or more by weight of alcohol in his blood;
- (2) The person has a concentration of three -hundredths of one gram or more by weight of alcohol per two hundred ten liters of his breath; or
- (3) The person has a concentration of 4.275 hundredths of one gram or more by weight of alcohol per one hundred milliliters of his urine.

The City is not responsible for any legal obligations and costs for claims based on the Union's duty of fair representation.

The Union shall be indemnified and held harmless by the City for any violation of an employee's constitutional, common law, or statutory rights.
