Executive Summary

ES-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The Consolidated Plan is a collaborative process whereby a community establishes a unified vision for community development actions. It offers a local jurisdiction the opportunity to shape the various housing and community development programs into effective, coordinated neighborhood and community development strategies. It also creates the opportunity for strategic planning and citizen participation to take place in a comprehensive context, and to reduce duplication of effort at the local level.

This Five-Year Consolidated Plan (FY 2021-2025) for the City of Cleveland describes the needs of low- and moderate-income residents, persons with special needs, and homeless individuals and families. The Strategic Plan section outlines the goals, strategies, partners, and anticipated financial resources that will be available to implement projects using several HUD programs: Community Development Block Grant (CDBG), HOME Investment Partnerships Program (HOME), Emergency Solutions Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA). A companion document, the Annual Action Plan, sets forth the specific projects that will be implemented during FY 2021-2022. At the conclusion of each year, the City of Cleveland submits the Consolidated Annual Performance and Evaluation Report (CAPER), describing the community’s results in implementing projects.

HUD funding is intended to assist individuals and families that earn less than 80% of the Median Family Income (MFI) in a metropolitan area. HUD defines these categories based upon household income, adjusted for family size. The maximum income for a family of four in 2021 is: \$26,500 (0-30% of MFI), \$39,300 (31-50% of MFI), and \$62,900 (51-80% of MFI).

The City estimates the following entitlement funding allocations for Year One (2020) of the 2021- 2025 Consolidated Plan. At a minimum, the City anticipates level funding throughout the implementation period of this Consolidated Plan. The total funding anticipated over the next 5 years is \$150,000,000.

	CDBG	HOME	ESG	HOPWA
2021 Allocations	\$21,569,725	\$4,893,451	\$1,852,356	\$1,773,969

Table 1 - 2021 HUD Allocations

2. Summary of the objectives and outcomes identified in the Plan Needs Assessment Overview

Demo

The 2021-2025 Consolidated Plan outlines the various activities the City proposes to carry out to achieve the federal program objectives required by HUD: provide decent housing; establish and maintain a suitable living environment; and expand economic opportunities. These objectives are combined with three performance outcome categories: availability/accessibility; affordability; and sustainability. The City is required by federal law that housing and community development grant funds primarily benefit low- and moderate-income persons. The City will undertake the following activities to achieve these objectives and outcomes:

10 Year Housing Plan

10 Year Housing Plan

The goal of the Ten-Year Housing and Investment Plan is to foster a robust housing market that will ensure everyone has access to a decent home, provide a full range of housing choices for existing residents, and attract new residents to Cleveland's neighborhoods.

A ten-year blueprint for creating and maintaining housing in the City of Cleveland. The 10 year plan will also provide financial strategies for the City and neighborhoods to support affordable housing, mixed income neighborhoods and municipal growth. The plan further evaluates existing programs are not only improving the quality of life of residents today, but also developing the building blocks to catalyze long term neighborhood revitalization.

Using data from the city, its residents, and national data sets to create informed, practical policy and investment.

This priority will invest in the following initiatives:

Strategic Initiatives, including but not limited to:

- Mayor's Transformation Initiative;
- Lead Safe Coalition;
- FHAct 50- Clark-Fulton Low Income Housing Tax Credit Initiative;
- Support housing strategies identified in the Cleveland's Neighborhood Revitalization Strategy Area Plan (NRSA Plan);
- Demolition and Board Up of Blighted buildings;
- Project Clean;
- Citywide Grants;
- CDC Activity Grants;

Safe Housing Initiatives, included but not limited to:

Demo

- Housing Rehabilitation Programs such as Senior Homeowner Assistance Program (SHAP) or Repair-A-Home (RAH) program;
- Competitive Lead Grants from U.S. Department of Housing and Urban Development (HUD);
- Affordable Housing Expansion and Preservation, including but not limited to:
- Housing Trust Fund;
- Community Housing Development Organization (CHDO) Set-Aside and project support;

Support Housing Infill Development, including but not limited to:

- Support the use of Land Bank property for the use of permanent supportive housing and other public facilities that address poverty.

Economic Opportunities

Economic Opportunities

Cleveland's objectives for expanding economic opportunities involve both the creation of more jobs for low income residents and helping those residents with the least skills to improve their employability. The Department of Community Development and Department of Economic Development are charged with working toward these objectives through a variety of program strategies. This priority will support the following initiatives:

- Storefront Renovation Program;
- Use of Land Bank property for economic development initiatives;
- Support initiatives for economic development identified in Cleveland's Neighborhood Revitalization Strategy Area Plan (NRSA Plan); and,
- Support workforce development initiatives (public services).

Ending Poverty and Racial Disparities

Ending Poverty and Racial Disparities

Ending systemic causes that allow poverty and racism to persist will continue the disparate outcomes that we see in Cleveland. Under this priority the City will invest in the following initiatives:

- Support the City/County Continuum of Care;
- Support the goal to End Chronic Homelessness;
- Provide necessary public services program identifies in the City's HUD approved Neighborhood Revitalization Strategy Areas (NRSA Plan);
- Provide necessary public services that address systemic poverty;

Demo

- Provide necessary public services that address youth violence;
- Provide necessary public services that address poverty and accessibility among the elderly;
- Support housing and public services for persons with HIV/AIDS; and,
- Support the use of Land Bank property for the use of permanent supportive housing and other public facilities that address poverty.

Neighborhood Improvements

Neighborhood Improvements

Cleveland neighborhoods have seen a persistent cycle of disinvestment that has resulted in most of the City designated as being affected by slum and blight. In order to address slum and blight and the needs of the residents of Cleveland's neighborhoods investment in public facilities, public infrastructure, reutilization of vacant land for interim or permanent uses is key to reposition for the needs of residents. Under this priority neighborhood improvements include activities such as:

- improvements to existing public facilities,
- construction of new public facilities,
- creation and maintenance of community gardens,
- the creation of parks and greenspace,
- improvements to create walkable neighborhoods,
- improvements to create bikeable neighborhoods,
- improvements to access mass transit,
- improvements to infrastructure, such as roads and sidewalks, or
- other improvements that benefit residents on a neighborhood level.

3. Evaluation of past performance

In order to provide a context for this Consolidated Plan, the City reviewed Consolidated Annual Performance and Evaluation Reports (CAPERs) submitted to HUD during 2016-2020 and HUD's subsequent Program Year- End Review Letters. The CAPER lists the City's accomplishments in meeting the goals and priorities established in the Consolidated Plan. During the last five years, the City has demonstrated timeliness in expending grant funds as prescribed by 24CFR 570.902(a)(1) which measures timeliness by requiring that entitlement grant funds available by the U.S. Treasury was less than 1.5 times the entitlement grant for the current year. The City has also demonstrated compliance with 24CFR 570.200(a) (3), the Overall Benefit Certification which requires that not less than seventy percent of the aggregate of CDBG expenditures be used for activities benefiting low-moderate income constituents.

2019-2021 Dept. of Community Development Accomplishments

4. Summary of citizen participation process and consultation process

During the development of the FY 2021-2025 Five-Year Consolidated Plan and FY 2021-2022 Annual Action Plan, the City of Cleveland Department of Community Development utilized various outreach methods, including notices in a newspaper of general circulation, public meetings, and internet postings to solicit public comment. During the 30-day public comment period, hard copies of the documents were available at the Department of Community Development and the Cleveland Public Library/Public Administration Branch. The documents were also posted on the Department of Community Development's website. For more specific details about the citizen participation process, please refer to section **PR -15-Citizen Participation**.

The Department of Community Development is also active throughout the year, consulting with the community development corporations, nonprofit organizations, and public agencies to gain input and feedback on citywide and neighborhood issues, along with departmental programs. For more specific details about the consultation process, please refer to section **PR-10-Consultation**.

5. Summary of public comments

Demo

Several informational questions were received during the public meetings, such as information requests about program and household eligibility, as well as the overall Five-Year and Annual Action Plan processes. A summary of questions and our responses is contained in the appendix.

6. Summary of comments or views not accepted and the reasons for not accepting them

All comments received were accepted. Please refer to the appendix.

7. Summary

The Process

PR-05 Lead & Responsible Agencies 24 CFR 91.200(b)

1. Describe agency/entity responsible for preparing the Consolidated Plan and those responsible for administration of each grant program and funding source

The following are the agencies/entities responsible for preparing the Consolidated Plan and those responsible for administration of each grant program and funding source.

Agency Role	Name	Department/Agency
Lead Agency	CLEVELAND	
CDBG Administrator		City of Cleveland Dept. of Community Development
HOPWA Administrator		Cleveland Department of Public Health
HOME Administrator		City of Cleveland Dept. of Community Development
ESG Administrator		City of Cleveland Dept. of Community Development
HOPWA-C Administrator		

Table 2 – Responsible Agencies

Narrative

The Consolidated Plan approach is the means to meet the submission requirements for the Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), Emergency Solutions Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA) formula programs, which are the four formula programs available to jurisdictions:

- **Community Development Block Grant (CDBG).** These funds are used for a variety of community development, neighborhood revitalization, or economic development programs, with the intent of assisting low and moderate income people and improving deteriorated areas.
- **HOME Investment Partnerships Program (HOME).** These funds are used specifically for housing related projects, such as first-time homebuyer assistance or housing rehabilitation.
- **Emergency Solutions Grant (ESG).** These funds are intended to assist persons and families who are homeless or at-risk of homelessness.

Demo

- **Housing Opportunities for Persons With AIDS (HOPWA).** In Northeast Ohio, the regional allocation of HOPWA funds from HUD is assigned to Cleveland, and that city coordinates funding for all communities in Cuyahoga County and specific surrounding counties.

Consolidated Plan Public Contact Information

PR-10 Consultation – 91.100, 91.110, 91.200(b), 91.300(b), 91.215(I) and 91.315(I)

1. Introduction

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I)).

The following are several examples of existing coordination between public and assisted housing providers and private and government health, mental health, and service agencies in Cuyahoga County that have the potential to involve Cleveland residents:

- While being treated for mental health issues that require a stay in an institutional setting, persons may be located in either a public or private facility. Upon release, it is the portion of this group in the public facilities that is more likely to be at-risk of homelessness. The Alcohol, Drug Addiction and Mental Health Services (ADAMHS) Board of Cuyahoga County, through its network of provider agencies, works to retain and add housing units for persons that are part of the mental health system caseload. The housing units can include public or assisted housing, depending upon the circumstances of the person involved.
- There are also persons released from physical health institutions that could be at-risk of homelessness, such as persons who have lost employment during their hospital stay, do not have sufficient savings to pay ongoing housing and housing-related costs during their hospital stay, and do not have a support network of other persons to assist them through this period. Social workers at physical health institutions have access to resources such as United Way of Greater Cleveland’s 211/First Call For Help, an information clearinghouse staffed 24-hours-a-day to provide information on a variety of health, housing, and human service needs. In addition to United Way and its more than 100 partner organizations, the Cleveland/Cuyahoga County Office of Homeless Services is also available to assist in an effort to prevent a homelessness situation from occurring.
- Cuyahoga Metropolitan Housing Authority police officers participate in a training program to better handle social problems they confront, such as poverty, domestic violence, drug abuse, and child welfare. The project is a partnership that includes CMHA, Case Western Reserve University, Partnership for a Safer Cleveland, and Kent State University. For example, officers will be able to refer at-risk youth and their families to social services agencies to address their problems. Counselors will respond within 72 hours for mental health, substance abuse, and child welfare needs.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness

Housing providers, and health and service agencies, in Cuyahoga County have a long record of working together to address the needs of homeless persons, including the chronically homeless, families with children, veterans, and unaccompanied youth, as well as persons at-risk of homelessness. The following are selected projects.

Guaranteed Access to Shelter

The Cleveland/Cuyahoga County Continuum of Care (CoC) and government officials, county and city departments, and non-profit housing and service providers guarantee that everyone will have access to emergency shelter, or, if a shelter is full, transportation and space at another facility.

HousingFirst Initiative (HFI)

HFI is a successful public/private partnership effort to develop permanent supportive housing and end chronic homelessness countywide. HFI moves chronically homeless persons into stable housing and then links the person to comprehensive support services on-site. About 80% of residents remain in their apartments, with almost all engaged in services. The rate of emergency room visits and hospitalizations has been substantially reduced. About 20% of the residents move on to more independent housing situations and/or reunite with family. Only a small percentage of persons return to a shelter.

Hospital Protocols for the Homeless

One difficulty for shelters, hospitals, and homeless persons who are hospitalized is when the patient is about to be discharged. If the patient has recovered sufficiently, the hospital cannot continue to keep him/her, however a shelter often does not have the medical expertise or appropriate accommodations to care for someone with more extensive medical needs. Through the Care Alliance and the CoC, a coalition of shelter providers, hospital social work staff and administrators, and local foundations implemented screening guidelines at time of discharge. If the patient is homeless at discharge but does not meet ten basic, functioning measures, the hospital sends the patient to a nursing home or alternative care facility until such time as the person can be safely discharged to a non-medical living situation.

211/First Call for Help

The United Way of Greater Cleveland administers this 24-hour/7 day-a-week hot line. This resource, developed collaboratively by United Way and social service providers, allows anyone, including homeless persons or persons at-risk of homelessness, to call with questions regarding service needs and

receive an answer or a referral on the spot. United Way also provides a searchable internet database, available free at any library.

Discharge Policies

The McKinney-Vento Act requires State and local governments to develop and implement Discharge Coordination Policies and Protocols to ensure that a person being discharged from a publically funded institution or system of care, such as a health care facility, foster care or other youth facility, or correction program and institution, is not discharged into homelessness. The CoC has adopted existing State policies and procedures or developed its own policies and procedures to address this need.

Cuyahoga County Office of Re-Entry

The Cuyahoga County Office of Re-entry addresses the needs of persons returning to Cuyahoga County from the Ohio Department of Rehabilitation and Correction. In collaboration with the City of Cleveland, United Way, and local foundations, the comprehensive re-entry strategies include housing, behavioral health access, and employment support. For youths, the Ohio Department of Youth Services' (ODYS) written policy is to return youth to their own home, if possible. Release planning for all youth begins within 60 days of admission to the facility and continues for the duration of commitment.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards and evaluate outcomes, and develop funding, policies and procedures for the administration of HMIS

Funding Allocation

The City of Cleveland is a recipient of Emergency Solutions Grant funding. The Strategic Plan section of this Five-Year Consolidated Plan describes goals, objectives and strategies for addressing the problem of homelessness. The Plan references the Cleveland/Cuyahoga County Continuum of Care's (CoC) *Blue Print for Change*, which states: "... the CoC has developed an approach to transform the current community response to homelessness to emphasize **prevention and rapid re-housing**." Among the specific strategies included in the *Blue Print for Change* plan are:

- Implement a Centralized or Coordinated Intake System whereby all persons seeking shelter are assessed immediately to determine if there are any potential options to shelter.
- Within the shelter system provide assessment and linkages to case management and mainstream social services.
- Utilize rapid re-housing resources to reduce the length of shelter stays.

The City of Cleveland's ESG allocation is made available to all interested nonprofit institutions and participating units of local government who have the capacity and interest in delivering services that

meet the priorities described above. The process is administered by the Office of Homeless Services (OHS) under the supervision of Cuyahoga County's Office of Procurement and Diversity.

Performance Standards and Outcome Evaluation

OHS is the Systems Administrator for the Homeless Management Information System (HMIS). Agencies receiving sub-awards of ESG are required to participate in the HMIS. Non-publicly funded providers are encouraged and welcome to participate in HMIS. The HUD-required sixteen data elements are entered for every client accessing ESG services.

HEARTH ACT regulations prohibit homeless data for persons who identify as victims of domestic violence (DV) from being entered into the HMIS data collection system. The DV shelter participates in an HMIS comparable data system unique to domestic violence shelter providers. The aggregated data related to numbers served, demographics of the population, and program services and outcomes is provided to the HMIS Administrator to add to the CoC aggregated numbers. Exit data is also collected. The HMIS data, combined with the DV data, enables outcomes to be evaluated based on the following measures:

- **Diversion**: 20% of persons/households, seeking shelter will be successfully diverted to alternative, safe housing.
- **Length of Stay**: Implementing rapid exit strategies will shorten the Average Length of Stay (ALOS) by 10%. The ALOS benchmark will be determined based on the 2011 Annual Homeless Assessment report (AHAR).
- **Return to Shelter**: Utilizing the 2011 AHAR, the benchmark for the percentage of persons who return to shelter from CoC funded services will be established. ESG participants who return to shelter will be tracked in HMIS and demonstrate a reduction of 5%.

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdictions consultations with housing, social service agencies and other entities

Continuum of Care	Cleveland/Cuyahoga County Continuum of Care	The Consolidated Plan Strategic Plan goals support the goals of the Continuum of Care (CoC). The Cleveland/Cuyahoga County Office of Homeless Services (OHS) serves all 59 communities in Cuyahoga County and coordinates the CoC, an extensive network of public, private, and non-profit agencies that facilitate and/or provide, either directly or indirectly, assisted housing, health services, and/or social services to persons in Cuyahoga County who are chronically homeless, homeless, or are at-risk of homelessness. Blue Print for Change http://development.cuyahogacounty.us/pdf_development/en-US/Appendix-A%202009HPRPBLue%20Print.pdf

Table 4 – Other local / regional / federal planning efforts

Describe cooperation and coordination with other public entities, including the State and any adjacent units of general local government, in the implementation of the Consolidated Plan (91.215(I))

Narrative (optional):

Describe efforts to enhance coordination with private industry, businesses, developers, and social service agencies (91.215(I)).

Private sector entities such as lenders and developers are an integral part of the City of Cleveland’s community development process. The following are several examples of existing coordination involving private industry, businesses, and developers with the City of Cleveland:

- The Cleveland Housing Advisory Board provides guidance to the City on the use of local resources for housing purposes and housing aspects of the Consolidated Plan process. The board includes representatives of for-profit and non-profit developers, rental housing developers, real estate brokers, Cuyahoga Metropolitan Housing Authority, a tenant advocacy organization, non-profit intermediaries, and neighborhood residents **(PR-10-Consultation)**.
- The Affordable Housing priority discussed in this document states that the City of Cleveland will support developers for the use of the Low Income Housing Tax Credit program and use funds to leverage LIHTC dollars for the creation of affordable rental housing **(SP-25-Priority Needs)**.
- As a method to ameliorate barriers to affordable housing, the City of Cleveland works closely with the Cuyahoga County Fiscal Office to assure timely foreclosure of tax delinquent vacant land. Most properties are transferred to the City's Land Bank and held for redevelopment. Developers of affordable housing can obtain buildable sites at \$100 per unit **(SP-55-Barriers to Affordable Housing)**.

Demo

- The City of Cleveland has a long-standing policy of monitoring Community Reinvestment Act performance of lenders and reaching agreements with lenders to substantially expand the availability and affordability of credit in its neighborhoods, emphasizing low income minority neighborhoods. The City's preference is to negotiate agreements with lenders detailing specific new loan products and lending goals for Cleveland neighborhoods. Today, investment agreements are in place with 9 local financial institutions, plus Fannie Mae and Freddie Mac (***SP-55-Barriers to Affordable Housing***).
- The City of Cleveland's Neighborhood Revitalization Strategy Area program creates jobs and economic opportunities by revitalizing business areas. One strategy in the program specifically states that the City will identify new business locations and attract new companies by working with for-profit entities to leverage new Market Tax Credits and assist with project financing (***SP-10 Geographic Priorities and Appendix***).

For examples of efforts to enhance coordination with social service agencies, please refer to other responses in this section, as well as the table in this section discussing organizations participating in the consultation process.

PR-15 Citizen Participation – 91.105, 91.115, 91.200(c) and 91.300(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

The Cleveland Department of Community noticed 4 public meeting in the Plain Dealer with the following ads:

- April 7, 2020 to public notice for a public input meeting
- April 20, 2021 public input meeting
- April 21, 2021 to public notice that the Consolidated Plan was available for public comment and the scheduling of three public hearings
- May 4, 2021 public hearing
- May 6, 2021 public hearing
- May 11, 2021 public hearing

To a significant extent, the work required to shape Cleveland’s neighborhood priorities and strategies occurs outside the specific procedural steps required for the development of the Consolidated Plan and Action Plan. Assessment of Cleveland’s housing and development needs and planning for the best use of available resources is an ongoing process. Dept. of Community Development staff members attend community meetings and work closely with residents, neighborhood-based groups, lenders, developers and other interested parties throughout the year to provide information and discuss ways to improve City programs, attract additional resources, or undertake innovative approaches to meeting identified priority needs. Other ongoing citizen participation efforts include:

- The Director of Community Development and other senior staff meet monthly with the extensive network of neighborhood-based Community Development Corporations to exchange ideas about current and future programs and policies related to the use of available resources.
- The Mayor holds Community Dialogue meetings throughout the City to give citizens the opportunity to directly express their ideas, concerns, and priorities about their specific neighborhoods. The Director of Community Development is in attendance.
- The Housing Advisory Board (HAB) meets with the Director of Community Development and staff throughout the year to provide input into City decisions on new housing policy initiatives and development projects. HAB members represent non-profit and for-profit developers, lenders, real estate brokers, the public housing authority, and interested residents.

Citizen Participation Outreach

Sort Order	Mode of Outreach	Target of Outreach	Summary of response/attendance	Summary of comments received	Summary of comments not accepted and reasons	URL (If applicable)

2	Newspaper Ad	Non-targeted/broad community	Published in the Plain Dealer Newspaper on April 21,2021 to announce draf Consolidated Plan is available for review and the scheduling of three public hearings.	See appendix for summary of comments.	All comments were accepted.	

Table 5 – Citizen Participation Outreach

Needs Assessment

NA-05 Overview

Needs Assessment Overview

Using 2011-15 Comprehensive Housing Affordability Strategy (CHAS) data provided by HUD along with aggregating data from other sources, the City has created a typology needs-based framework to select projects funded by entitlement grant funds. Priority needs were identified in the areas of housing, homelessness, special needs and non-housing community development and formed the basis for choosing specific activities for the 2020-2024 Consolidated Plan and related annual action plans.

Housing

The most common housing problem in Cleveland is cost burden. Cost burden is the fraction of a household's total gross income spent on housing costs. This was a problem for households across most income groups but the most for low income renter households. Renter households comprised 45% of total households within the lowest income group that paid 50% or more of their income on housing. Owner households within this income group comprised 13% of total households. Many of Cleveland's working-class families and individuals, the bedrock of the City's middle-class, find housing increasingly expensive and homeownership increasingly more difficult to achieve. The second most common housing problem is overcrowding, defined by HUD as more than one person per room, not including bathrooms, porches, foyers, halls or half rooms. Over 36,000 households were overcrowded across all income groups, 77% of which were renter households. Of these, 26,200 were low- to moderate- income households earning between 0-80% of the Area Median Income (AMI).

Public Housing

In 2020, The Cuyahoga Metropolitan Housing Authority (CMHA) reported that approximately 9,152 public housing households and 15,415 households utilizing Section 8 housing voucher to subsidize their housing costs. The CMHA considers these populations in most need of assistance because they are least able to transition off housing subsidies.

Homeless Needs

The 2012 Point-in-Time (PIT) Homeless Survey showed that a total of 1,675 people experienced homelessness. A increase over 2019. Approximately 106 families with children experienced homeless in 2020, a decrease from 2019. In 2020, 1,472 persons spent at least one night in a shelter which is a slight increase since 2019 but still below the peak reported in 2018. The unsheltered homeless population has almost double from 2015 to a total of 109 people. Black/African Americans experienced homelessness at higher levels than other groups.

Demo

Non-Homeless Special Needs

Non-homeless populations at-risk include seniors, persons with physical, developmental and mental health disabilities, victims of domestic violence, persons living with HIV/AIDS and immigrants. These populations require a variety of supportive services to remain safe, independent, healthy and stable.

Non-Housing Community Development

These priority needs include critical public services such as fair housing, housing counseling, job training and infrastructure and public improvements in low- and moderate-income community areas.

NA-10 Housing Needs Assessment - 24 CFR 91.205 (a,b,c)

Summary of Housing Needs

This section describes local demographic changes and common housing problems to help identify housing needs in the city of Cleveland. The four common housing problems defined by HUD include: cost burden, overcrowding, lack of a complete kitchen or lack of plumbing facilities (also defined as substandard housing). CHAS data shows that of the total 167,100 households in Cleveland, 32% live in the lowest income category with incomes under 30% of HUD Adjusted Median Family Income (HAMFI). There are a larger number of small family households, defined as a family with two to four members, living within this income category than large family households, defined as a family with five or more members. Almost 29% of households contain at least one person 62-75 years of age or older. Households with one or more children 6 years old or younger comprise 14% of the total.

Cost burden is the most common housing problem for residents in Chicago. At 45% of total households, renter households represented the highest number impacted by severe cost burden. These households spent more than 50% of their income on housing costs.

Demographics	Base Year: 2009	Most Recent Year: 2015	% Change
Population	396,815	390,585	-2%

Comments:

Describe the number and type of single person households in need of housing assistance.

According to HMIS data, in 2020, there were 1,114 single person households new to the homeless system that entered shelters, safe havens, interim housing, transitional housing or homeless prevention programs. Of these, 93% were over the age 24. Also, 72% were African American, 24% were white, 4% were of other race or multi-racial; and 0.5% of single person households identified as Hispanic/Latino. Finally, 53% of single person households entering the homeless system reported at least one disabling condition.

Estimate the number and type of families in need of housing assistance who are disabled or victims of domestic violence, dating violence, sexual assault and stalking.

Narrative being drafted.

What are the most common housing problems?

The most common housing problem in Cleveland is cost burden. By HUD standards, families that pay more than 30% of their gross income on housing are experiencing cost burden. This is a problem for households across most income groups but most significantly for low-income renter households. According to 2011-2015 CHAS data, renter households earning 0-30% AMI make up 85% of total households that are paying 50% or more of their income on housing, which is considered severe cost

burden. Owner households within this income group comprise 62% of total households paying 50% or more of income on housing.

Similar problems were seen within the 30%-50% AMI group where 14% of total households paying 50% or more of their income on housing comprise of renter households and 30% of them are owner households. Overall, a total of 35,915 households earning between 0-50% AMI have a housing cost burden of 50% or more. Another major population are the 6,615 households with no income.

The second most common housing problem is overcrowding. Over 2,609 households were overcrowded across all income groups, 83% of which were renter households. Of these, 1,678 were low- to moderate-income households earning between 0-50% AMI. Substandard housing was another problem facing a significant amount of Cleveland households. There were 3,215 households with incomplete plumbing or kitchen facilities, of which 2,045 were renter households earning within 0-50% of AMI. That is why the City has created programs to aid in the rehabilitation of housing for those suffering from the problems mentioned above.

Access to broadband is the third common housing problem. Currently, according to U.S. Census American Community Survey data, nearly 30% of Cleveland households (52,357) do not have access to broadband at home. Cleveland residents face disparities – often along geographic, racial, gender, and economic lines – in their access to at-home broadband, digital skills trainings, and workforce opportunities within the technology sector.

Are any populations/household types more affected than others by these problems?

The CHAS data shows that small related renter households and elderly renter households earning 0-30% AMI were affected more by cost burden than other household types, approximately 8,870 and 3,495 respectively. Cost burden also affected small related renter household types earning between 30%-50% AMI at 1,935 of renter household types in that income range. This highlights the need for an increase in the number of affordable housing units in Cleveland as the demand increases.

Describe the characteristics and needs of Low-income individuals and families with children (especially extremely low-income) who are currently housed but are at imminent risk of either residing in shelters or becoming unsheltered 91.205(c)/91.305(c)). Also discuss the needs of formerly homeless families and individuals who are receiving rapid re-housing assistance and are nearing the termination of that assistance

Narrative being drafted.

If a jurisdiction provides estimates of the at-risk population(s), it should also include a description of the operational definition of the at-risk group and the methodology used to generate the estimates:

Narrative being drafted.

Specify particular housing characteristics that have been linked with instability and an increased risk of homelessness

The lack of affordable housing for lower-income households has been linked with instability and an increased risk of homelessness. Rental housing costs continue to be high while financial benefits (Supplemental Security Income (SSI), Social Security Disability Insurance (SSDI)) may increase only slightly leaving individuals to pay 50% or more of their income for housing.

Instability and increased risk of homelessness by people with disabilities is often associated with lack of resources, frequent moving, living in the home of another, eminent eviction, living in a hotel or motel, and exiting an institution (such as jail or mental health facility) or a system of care (skilled nursing care). Other areas that could impact stability are prolonged unemployment, deteriorated housing, older housing stock, domestic violence, mental illness, drugs or alcohol addictions, death of a family member, medical expenses and/or another unanticipated emergency expenditure.

Discussion

Housing problems continue to impact a significant portion of the population in the city of Cleveland. Using 2011-2015 CHAS data, the City identified that 32% of total households lived in the lowest income category with incomes below 30% of HUD Adjusted Median Family Income (HAMFI). Of these, small-family households comprised the largest percentage living in the lowest income category at 32%.

Renter households were more likely to have one or more of the four housing problems defined by HUD. They comprised 62% of total households experiencing one or more of the four housing problems as compared to 31% of owner households. Approximately 50% of the renter households were living in the lowest income category. Households operating at a deficit see higher rates of homelessness, frequent changes of residence, and a multitude of other issues. The dual effect of a low income and decreasing affordable housing stock has proven extremely problematic to the elderly and those with disabilities. The elderly and disabled are often impacted by fixed income, rising medical costs, and access to services. The City seeks to address the housing problems residents experience by increasing the supply of affordable housing, reducing housing cost burden and reducing overcrowding, and facilitating investment to improve substandard housing in neighborhoods across the City, especially those that are home to households with incomes below 30% of the AMI.

NA-15 Disproportionately Greater Need: Housing Problems – 91.205 (b)(2)

Assess the need of any racial or ethnic group that has disproportionately greater need in comparison to the needs of that category of need as a whole.

Introduction

A disproportionately greater need exists when households of a specific racial or ethnic group at a given income level experience housing problems at a higher rate (10 percentage points or more) than all households in the income level. The four housing problems considered relevant by HUD are a lack of complete plumbing facilities, a lack of complete kitchen facilities, occupancy of more than one person per room, and/or housing cost burden greater than 30% of income.

0%-30% of Area Median Income

*The four housing problems are:

1. Lacks complete kitchen facilities,
2. Lacks complete plumbing facilities,
3. More than one person per room,
4. Cost Burden greater than 30%

Discussion

Within the City of Cleveland, there is a racial component with which groups experience housing problems at a greater rate.

52% of white households experience one or more of the four housing problems, where as for minority and hispanic households the number 60%.

In terms of specific housing condition issues considered relevant by HUD, a lack of complete plumbing facilities, a lack of complete kitchen facilities, and occupancy of more than one person per room are not significant issues within the City of Cleveland. These issues affect only about 2% of households. There are some issues in Cleveland related to households paying more than 50% of income for housing costs. These issues are discussed in more detail in other sections of the **Needs Assessment**.

NA-20 Disproportionately Greater Need: Severe Housing Problems – 91.205 (b)(2)

Assess the need of any racial or ethnic group that has disproportionately greater need in comparison to the needs of that category of need as a whole.

Introduction

A disproportionately greater need exists when households of a specific racial or ethnic group at a given income level experience severe housing problems at a higher rate (10 percentage points or more) than all households in the income level. The four severe housing problems considered relevant by HUD are a lack of complete plumbing facilities, a lack of complete kitchen facilities, occupancy of more than 1.5 persons per room, and/or housing cost burden greater than 50% of income.

*The four severe housing problems are:

1. Lacks complete kitchen facilities,
2. Lacks complete plumbing facilities,
3. More than 1.5 persons per room,
4. Cost Burden over 50%

Discussion

Within the City of Cleveland, there is a racial component with which groups experience severe housing problems at a greater rate.

27% of white households experience one or more of the four housing problems, where as for minority and hispanic households the number 36%.

Minorities experience inequities as it relates to severe housing problems.

In terms of specific housing condition issues considered relevant by HUD, a lack of complete plumbing facilities, a lack of complete kitchen facilities, and occupancy of more than one person per room are not significant issues within the City of Cleveland. These issues affect only about 2% of households. There are some issues in Cleveland related to households paying more than 50% of income for housing costs. These issues are discussed in more detail in other sections of the **Needs Assessment**.

NA-25 Disproportionately Greater Need: Housing Cost Burdens – 91.205 (b)(2)

Assess the need of any racial or ethnic group that has disproportionately greater need in comparison to the needs of that category of need as a whole.

Introduction:

A disproportionately greater need exists when households of a specific racial or ethnic group at a given income level experience cost burden at a higher rate (10 percentage points or more) than households as a whole. Housing cost burden is defined as spending 30% or more of income on housing costs. Severe housing cost burden is defined as spending 50% or more of income on housing costs.

Housing Cost Burden

Housing Cost Burden	<=30%	30-50%	>50%	No / negative income (not computed)
Jurisdiction as a whole	91,905	31,045	37,135	7,010
White	41,310	10,445	10,020	1,305
Black / African American	40,260	16,750	22,395	5,015
Asian	1,650	490	570	250
American Indian, Alaska Native	275	95	135	14
Pacific Islander	15	0	0	20
Hispanic	7,110	2,675	3,395	300

Table 22 – Greater Need: Housing Cost Burdens AMI

Data Source: 2011-2015 CHAS

Discussion:

Within the City of Cleveland, disproportionate need is not a significant issue, but there is a racial component with which groups experience housing problems at a greater rate.

32% of white households experience housing cost burdens, where as for minority and hispanic housholds the number 45%.

Minorties experience iniquities has it relates to cost and access to housing.

NA-30 Disproportionately Greater Need: Discussion – 91.205(b)(2)

Are there any Income categories in which a racial or ethnic group has disproportionately greater need than the needs of that income category as a whole?

Minorities as a whole experience greater rates of housing problems, severe housing problems and housing cost burdens.

If they have needs not identified above, what are those needs?

All of the needs have been identified in the Disproportionate Needs Sections: NA-15, NA-20, and NA-25.

Are any of those racial or ethnic groups located in specific areas or neighborhoods in your community?

While the City of Cleveland as a whole is diverse, there are concentrations of minority communities including:

- Blacks or African Americans on the eastside;
- Asian in the vicinity of Midtown and St. Clair Superior between Downtown and Hough; and,
- Hispanics on the westside, primarily in the vicinity Clark-Fulton neighborhood.

NA-35 Public Housing – 91.205(b)

Introduction

The assisted housing inventory is units which have been constructed with the financial assistance of federal housing programs or are occupied by persons receiving federally-based rental assistance such as the Housing Choice Voucher Program. There are two public housing agencies that operate within Cuyahoga County: Cuyahoga Metropolitan Housing Authority (Cuyahoga MHA) and the Parma Public Housing Agency (Parma PHA).

There are about 9,000 public housing units in Cuyahoga County. Almost all of the public housing developments in Cuyahoga County are in the City of Cleveland.

There are also about 14,000 tenant-based Housing Choice Voucher Program (HCVP) vouchers available in Cuyahoga County. These vouchers allow a household that qualifies for rental assistance to move into a housing unit of their choice. Countywide, about 11% of voucher holders are elderly (age 62 or higher) and about 27% of voucher holders are disabled families. In addition, about 88% of voucher holders countywide are Black/African American.

The accompanying Tables 22-25 provided by HUD are not dated. Based on data received from the Cuyahoga MHA, as of 2019, the Cuyahoga MHA had 14283 HCVP vouchers in use in Cuyahoga County. Of that total, 6,933 vouchers were within Cleveland, representing 47.6% of all HCVP vouchers, or 7.4% of all renter-occupied units in Cleveland (Table – HCVP Program, Cleveland, Selected Communities, and Cuyahoga County).

Section 504 Needs Assessment: Describe the needs of public housing tenants and applicants on the waiting list for accessible units:

“Section 504” refers to the needs assessment of units of public housing that are accessible to persons with physical disabilities.

The Cuyahoga MHA’s FY 2020 Public Housing Agency Plan noted that HUD and the Cuyahoga MHA entered into a Voluntary Compliance Agreement. As part of the agreement, Cuyahoga MHA makes 5% of its public housing units accessible to persons with disabilities, either through rehabilitation or new construction.

As part of the Voluntary Compliance Agreement, Cuyahoga MHA has implemented the following operational changes:

- Developed and maintained a computerized waiting list that documents the needs of applicants with disabilities. The Section 504/ADA Coordinator reviews and monitors this waiting list on at least a monthly basis;
- Developed and maintained a computerized transfer list that prioritizes the transfer of residents with disabilities over new admissions, according to the priorities set forth in the amended ACOP. The Section 504/ADA Coordinator reviews and monitors this transfer list on at least a monthly basis; and
- Developed and maintained a Reasonable Accommodation Log to document each reasonable accommodation request at each AMP and centrally with the Section 504/ADA Coordinator.

Cleveland MHA’s Public Housing Authority Annual Plan for Fiscal Year 2020 had a stated objective to: complete implementation of the Voluntary Compliance Agreement with HUD to make Public Housing units (5%), offices, common areas, and sites fully accessible by UFAS standards for persons with disabilities.

Most immediate needs of residents of Public Housing and Housing Choice voucher holders

Cuyahoga MHA

As of 2020, the waiting list for the HCVP program contained 10,000 families. In terms of demographic characteristics, 95% of the families have an income of 30% or less of Area Median Income, 91% of the families are minorities, and 90% of the families have children. These percentages are consistent with the characteristics of the waiting list in 2015. Cuyahoga MHA’s October 2020 lottery for the HCVP created a new waiting list of 10,000 names, which is expected to last 3-5 years.

Immediate Needs

Demo

For public housing residents and HCVP recipients, access to job training, education programs, and employment opportunities will enable families to improve their economic standing and no longer require assisted housing. To facilitate these efforts, families need reliable and affordable childcare and transportation options.

The Cuyahoga MHA also noted that with an average annual income of \$7,321 in the Public Housing program and \$10,550 in the Housing Choice Voucher program, higher incomes through employment (jobs) or enhanced benefit programs is an important need. Other needs include more focused social support programs for young women, mothers and children; opportunities for young men; and quality educational experiences for all. Another concern is access to transportation and healthcare, along with safety issues.

How do these needs compare to the housing needs of the population at large

The goals that the Cuyahoga MHA have for the families on the public housing and HCVP program waiting lists are similar to the needs of many low income renters. The persons and families at the lowest end of the income scale are most likely to be the same persons and households who are cost burdened or severely cost burdened in terms of their housing, illustrating the need for affordable housing.

Similarly, the goals that the Cuyahoga MHA have for their public housing residents and HCVP recipients are similar to the needs of many low income renters. Access to job training, education programs, and employment opportunities will enable families to improve their economic standing and no longer need assisted housing, which will also permit other families to be served.

NA-45 Non-Homeless Special Needs Assessment - 91.205 (b,d)

Introduction:

This section describes the housing needs of persons who are not homeless but require supportive housing services. The non-homeless populations with special needs include the elderly, persons with disabilities (including mental, physical, and developmental disabilities as well as persons who chronically abuse drug and alcohol), victims of domestic violence, dating violence, or sexual assault and persons living with HIV/AIDS. Also included in this section are the special needs of immigrants.

HOPWA

Current HOPWA formula use:	
Cumulative cases of AIDS reported	2,463
Area incidence of AIDS	197
Rate per population	0
Number of new cases prior year (3 years of data)	456
Rate per population (3 years of data)	0
Current HIV surveillance data:	
Number of Persons living with HIV (PLWH)	5,065
Area Prevalence (PLWH per population)	406
Number of new HIV cases reported last year	158

Table 28 – HOPWA Data

Source: Ohio Department of Health, Diagnoses of HIV and/or AIDS Reported in HIV Prevention Planning - Cuyahoga County. Data is for Cuyahoga County. Data is for 2019. Three-year data is for 2017, 2018, 2019. Rate

Data Source Comments: Per Population and Area Prevalence means per 100,000 population (ignore percent symbols).

HIV Housing Need (HOPWA Grantees Only)

Describe the characteristics of special needs populations in your community:

Elderly

According to the 2019 American Community Survey (ACS), there were a total of 81,289 Cleveland residents aged 60 and older, representing 21% of the overall citywide population. This is an increase from the 2010 census data which reported 17% seniors 60 years and above. In 2019, 21,167 or 26% of the senior population had incomes below the poverty level. This is nearly a doubling of the number of seniors were below the poverty level in Cleveland. Seniors in Cleveland are increasingly faced with limited financial resources. Currently, the annual median income is only \$21,057 for senior between 65 to 74 years and only \$17,217 for a senior 75 years and over. Thus, Cleveland seniors are increasingly vulnerable to the rising cost of necessities such as food and housing.

Persons with physical and/or developmental disabilities

Persons living with disabilities in the City include those who have hearing, vision, cognitive/developmental, mental health, ambulatory, self-care, or independent living difficulties – with many having multiple difficulties. The ACS data shows there are 71,927 persons with physical and/or developmental disabilities living in Cleveland. One fifth of black or African American residents of Cleveland have some form of disability, a higher rate than experience by other racial groups. Those with a disability have a median income the is 61% of the median income of those residents with no disability. Ambulatory difficulty (23,303) is the most common disability reported under ACS data, follow by independent living difficulty (19,187) and cognitive difficulty (19,097).

Persons with alcohol or other drug addictions

Narrative being drafted.

Immigrant community

Cleveland continues to attract for immigrants from around the world. According to the 2019 ACS, 3,829 residents were living in another country one year prior. According to 2019 ACS 5-year estimates, Cleveland is home to 26,302 foreign-born residents. The Asian population growth rate, which grew by 36% since 2010, has been the most rapid. In addition, Latinos now comprise 13% of the Cleveland's total population. Also, home ownership within the Latino population grew by approximately 28% between 2010 and 2019.

What are the housing and supportive service needs of these populations and how are these needs determined?

Narrative being developed.

Discuss the size and characteristics of the population with HIV/AIDS and their families within the Eligible Metropolitan Statistical Area:

Discussion:

Narrative being developed.

NA-50 Non-Housing Community Development Needs – 91.215 (f)

Describe the jurisdiction’s need for Public Facilities:

A city with older neighborhoods has an ongoing need to maintain public facilities. A portion of Community Development Block Grant funds are spent on neighborhood public facility projects that may include recreation and community facility renovation/repair/replacement, park improvements, and improvements to facilities housing nonprofit agencies that provide eligible services.

The City’s Emergency Solutions Grant (ESG) funds are provided to the Cleveland/Cuyahoga County Office of Homeless Services, which administers the Continuum of Care. A portion of the ESG funds may be used to assist non-profit agencies with the cost of operating and providing services at emergency shelters for the homeless.

How were these needs determined?

The City regularly undertakes an assessment of public facility needs and maintains an updated Five Year Capital Improvement Program. The document leverages many funding sources, including federal, state, county and municipal dollars, along with funds from other public agencies, foundations, nonprofit organizations, and the private sector. Federal Community Development Block Grant funds are incorporated, where appropriate, for eligible projects.

Describe the jurisdiction’s need for Public Improvements:

A city with aging infrastructure has ongoing needs. A portion of Community Development Block Grant funds are spent on neighborhood public improvement projects that include street and sidewalk improvements, as well as sewer repair/expansion/replacement.

How were these needs determined?

The City regularly undertakes an assessment of public improvement needs and maintains an updated Five Year Capital Improvement Program. The document leverages many funding sources, including federal, state, county and municipal dollars, along with funds from other public agencies, foundations, nonprofit organizations, and the private sector. Federal Community Development Block Grant funds are incorporated, where appropriate, for eligible projects.

Describe the jurisdiction’s need for Public Services:

Whatever is done to improve its physical condition, a neighborhood will not be viewed as a suitable living environment if basic service needs are not being met. Cleveland has annually utilized the maximum allowable percentage of its CDBG allocation for public service activities, with emphasis on innovative youth activity and education initiatives, meals programs and services for the elderly. A substantial portion of each year's CDBG public service budget is set aside for AIDS prevention activities. The range of services and types of persons that the City currently funds, or may fund, through nonprofit organizations includes senior citizens, persons with physical disabilities, youth, child care, transportation, substance abuse, employment/training, health, lead paint hazard screening, fair housing, and tenant/landlord counseling.

How were these needs determined?

For many years, the City has understood the social service needs of the community, and HUD funds are used to the maximum allowable limit to support social service efforts.

Housing Market Analysis

MA-05 Overview

Housing Market Analysis Overview:

Cleveland 10 Year Housing Plan

EXISTING CONDITIONS

This report analyzes key trends affecting housing demand, supply, and affordability in the City of Cleveland. The analysis will inform the Cleveland 10-Year Housing and Investment Plan, which will serve as a blueprint for housing programs, policies, and investments in Cleveland over the next 10 years, with the goal of giving Cleveland households access to decent, affordable housing and a range of housing options. This report is based primarily on data from the years 2010-2018, but incorporates earlier and more recent data where possible. Few data are yet available to capture the effect of the COVID-19 pandemic on Cleveland, but early evidence suggests that it will exacerbate existing vulnerabilities in the housing market. Key trends and conditions drawn from our analysis are summarized below.

SOCIOECONOMIC TRENDS

- The rate of population decline in Cleveland is slowing. Key demographic trends include the in-migration of younger, more educated residents; international in-migration; and aging in place.
- Household size continues to decline, with more and more households composed of just one or two members. A related trend is the increase in renter-ship as opposed to homeownership, since renter households tend to include fewer members.
- The share of both very young and senior-aged householders is growing as the share of middle-aged householders decline.
- Household incomes fell after the Great Recession and have not recovered.

THE HOUSING STOCK

- Most homes in Cleveland are single-family detached. Even in the rental market, this is true for about a third of homes. Most homes have 2-3 bedrooms, even as household sizes decline.
- Vacancy rates remain high, especially on the East Side. The number of severely deteriorated structures has declined due to demolitions, but the number of C-rated structures has grown, indicating continued maintenance challenges. Access to home improvement credit and City home repair assistance is limited.

- The volume of code violations has decreased since 2012, mostly due to a decline in condemnations.
- Home sales are rising, as are home prices. Outside investors continue to play a significant and two-edged role in Cleveland’s housing market—providing needed capital but in some cases contributing to blight.
- There is a lack of housing supply at both the high end and middle of the market, which increases cost pressure on lower-quality units and steers prospective higher-income residents to other jurisdictions.

AFFORDABILITY

- Housing costs in Cleveland have declined, but housing has actually become less affordable as incomes have dropped and as deferred maintenance costs have accrued. As a result, over 20% of residents are severely housing cost burdened - meaning they must devote more than half of every paycheck to housing. By contrast, only 15% of Ohio residents are severely housing cost burdened.
- High housing cost burdens leave residents vulnerable to displacement, not just in neighborhoods that may be gentrifying, but also in low-cost neighborhoods where a cycle of evictions repeatedly displaces low-income residents.
- Affordability challenges are exacerbated by an increasingly decentralized job market, which makes it difficult for car-less households to access employment, and by an under-performing school system.

RACIAL INEQUITIES

- Racial and ethnic inequities appear in every component of Cleveland’s housing market. Black and Hispanic residents have consistently lower incomes than White residents. They apply for mortgages at lower rates and are denied at higher rates. They are segregated into high-poverty neighborhoods with low-quality housing that is nevertheless unaffordable to many residents. Blacks are starkly overrepresented among those experiencing eviction and homelessness.
- These inequities are perpetuated in the school system and in the spatial mismatch of predominantly Black neighborhoods and stable, accessible jobs.

PUBLIC INVESTMENT

PUBLIC INVESTMENT

- Since 2014, the City has significantly reduced support for home repairs and rehab and development loans and other subsidies.

- Absent additional efforts to support private lending, City investments are unlikely to “prime the pump” for further private lending in distressed neighborhoods. Values have dropped so significantly that regulatory lending requirements have effectively redlined entire sections of the city.
- A City/County partnership is near to achieving the number of permanent supportive housing units set out by the Cleveland Housing First Initiative in 2006. But efforts to address less visible or chronic homelessness through greater housing affordability are crucial going forward.

MA-10 Number of Housing Units – 91.210(a)&(b)(2)

Introduction

THE HOUSING STOCK

- Most homes in Cleveland are single-family detached. Even in the rental market, this is true for about a third of homes. Most homes have 2-3 bedrooms, even as household sizes decline.
- Vacancy rates remain high, especially on the East Side. The number of severely deteriorated structures has declined due to demolitions, but the number of C-rated structures has grown, indicating continued maintenance challenges. Access to home improvement credit and City home repair assistance is limited.
- The volume of code violations has decreased since 2012, mostly due to a decline in condemnations.
- Home sales are rising, as are home prices. Outside investors continue to play a significant and two-edged role in Cleveland’s housing market—providing needed capital but in some cases contributing to blight.
- There is a lack of housing supply at both the high end and middle of the market, which increases cost pressure on lower-quality units and steers prospective higher-income residents to other jurisdictions.

AFFORDABILITY

Including the elderly, frail elderly, persons with disabilities (mental, physical, developmental), persons with alcohol or other drug addictions, persons with HIV/AIDS and their families, public housing residents and any other categories the jurisdiction may specify, and describe their supportive housing needs

Describe programs for ensuring that persons returning from mental and physical health institutions receive appropriate supportive housing

Specify the activities that the jurisdiction plans to undertake during the next year to address the housing and supportive services needs identified in accordance with 91.215(e) with respect to persons who are not homeless but have other special needs. Link to one-year goals. 91.315(e)

For entitlement/consortia grantees: Specify the activities that the jurisdiction plans to undertake during the next year to address the housing and supportive services needs identified in accordance with 91.215(e) with respect to persons who are not homeless but have other special needs. Link to one-year goals. (91.220(2))

MA-40 Barriers to Affordable Housing – 91.210(e)

Negative Effects of Public Policies on Affordable Housing and Residential Investment

Public policies, depending on their structure, can act as barriers to affordable housing or promote it. These public policies can originate at various levels of government, such as federal, state, or local. In addition, the level of government instituting such policies can affect a community's ability to adopt or amend those policies.

The City of Cleveland does not impose any of the following public policies, which can be barriers to affordable housing:

- growth controls
- impact fees
- exclusionary zoning
- large lot zoning
- excessive subdivision control
- rent control

Examples of public policies that do act as barriers to affordable housing choice in Cleveland, but are outside the City's control, include:

Urban Sprawl

The outward expansion of a metropolitan area into rural areas negatively impacts central cities and inner ring suburbs. In a region with minimal population growth such as Northeast Ohio, resident movement to outer ring suburbs or exurban areas spreads existing incomes and tax revenue more thinly over a larger area and expands infrastructure. This diffusion has been encouraged by federal and state policies that do not place a high enough priority on older area reinvestment.

Inadequate National Funding for the Housing Choice Voucher Program (HCVP)

This situation artificially limits the number of low-income households receiving rental payment assistance for which they qualify, thereby denying many qualifying households the ability to find affordable housing units.

MA-45 Non-Housing Community Development Assets – 91.215 (f)

Introduction

Cleveland, and in turn Cuyahoga County, is the center of the largest metropolitan area in Ohio. Industrial growth in the 19th century was stimulated by the Civil War, which increased demand for machinery, railroad equipment, and ships. Greater Cleveland has long been known as a durable goods manufacturing area. Following the national trend, however, Cleveland has been shifting to a more services-based economy. Greater Cleveland is a world corporate center for leading national and multinational companies in industries including transportation, insurance, retailing, utilities, and commercial banking and finance.

Based on the Business Activity table above, what are the major employment sectors within your jurisdiction?

Narrative being drafted.

Describe the workforce and infrastructure needs of the business community:

Narrative being drafted.

Describe any major changes that may have an economic impact, such as planned local or regional public or private sector investments or initiatives that have affected or may affect job and business growth opportunities during the planning period. Describe any needs for workforce development, business support or infrastructure these changes may create.

Narrative being drafted.

How do the skills and education of the current workforce correspond to employment opportunities in the jurisdiction?

Narrative being drafted.

Describe any current workforce training initiatives, including those supported by Workforce Investment Boards, community colleges and other organizations. Describe how these efforts will support the jurisdiction's Consolidated Plan.

Narrative being drafted.

Does your jurisdiction participate in a Comprehensive Economic Development Strategy (CEDS)?

If so, what economic development initiatives are you undertaking that may be coordinated with the Consolidated Plan? If not, describe other local/regional plans or initiatives that impact economic growth.

Narrative being drafted.

Discussion

Narrative being drafted.

MA-50 Needs and Market Analysis Discussion

Are there areas where households with multiple housing problems are concentrated? (include a definition of "concentration")

HUD defines "housing problems" as households having one or more of the following issues: living in housing that is overcrowded or in substandard condition, paying more than 30% of one's income for housing costs (cost burden) or having no/negative income.

NA 10, Table 8 shows that of the 112,455 households with incomes at 0-80% AMI, 37% (42,105 households) had 1 or more housing problems, 57% (64,000 households) had none of the 4 housing problems, and 6% (6,350 households) had no/negative income, but none of the 4 housing problems. Table 8 also shows the direct relationship between income level and the number of households experiencing housing problems. There were 30,525 households with incomes at 0-30% AMI that had 1 or more housing problems, 8,575 households with incomes at 30-50% AMI that had 1 or more housing problems, and 3,005 households with incomes at 50-80% AMI that had 1 or more housing problems. As shown on **Maps-Percent of Extremely Low Income (ELI), Low Income (LI), and Moderate Income (MI) Households with Any Housing Problems**, percentages of households with housing problems varied by Census Tract.

A "concentration" of one or more housing problems can be defined as households who experience multiple housing problems at a greater rate than the households for Cleveland as a whole. A generally accepted threshold is 10 percentage points (or greater). **Maps-Concentration of Extremely Low Income (ELI), Low Income (LI), and Moderate Income (MI) Households with Any of Housing Problems** showed that there was a 47.44% or greater (37.44% plus 10 percentage points) concentration of:

Extremely Low Income (ELI) Households with any of 4 housing problems, which occurred in most neighborhoods throughout the City, with the exception of areas with public housing development, Cleveland Hopkins International Airport, and much of the Cuyahoga Valley (**Map-Concentration of Extremely Low Income (ELI) Households with Any of Housing Problems/Public Housing Developments**).

Low Income (LI) Households with any of 4 housing problems, which occurred in parts of the near and far west side, southwest side, and near and far east side.

Moderate Income (MI) Households with any of 4 housing problems, which occurred in small pockets on the west side, southwest side, and near and far east side.

NA 10, Table 7 shows that of the housing problems experienced, very few Cleveland households with incomes at 0-80% AMI lived in housing that was overcrowded (1,990 households) or in substandard condition (2,940 households). Cost burden was by far the greatest housing problem experienced by Cleveland households with incomes at 0-80% AMI (65,815 households). **Maps-Percent of Extremely**

Low, Low, and Moderate Income Households with Overcrowding or Substandard Housing and MA-15, Maps-Severe Cost Burden show that percentages varied by Census Tract.

Are there any areas in the jurisdiction where racial or ethnic minorities or low-income families are concentrated? (include a definition of "concentration")

While Cleveland is very diverse, minorities are not evenly distributed throughout the City. Traditionally, neighborhoods were either primarily African American or primarily White. The Hispanic population has been heavily concentrated on the near west side.

Population by race and ethnic origin is shown on *HUD CPD Maps Report-Demographics*. In Cleveland, 51.86% (206,396 persons) of the population were Black or African American, 34.51% (137,335 persons) were White, 1.91% (7,583 persons) were Two or More Races, 1.64% (6,542 persons) were Asian, 0.25% (1,011 persons) were American Indian/Alaska Native, 0.12% (469 persons) were Some Other Race, 0.02% (63 persons) were Native Hawaiian and Other Pacific Islander, and 9.69% were Persons of Hispanic Origin. The percentages varied by Census Tract (***Maps-Percent Black or African American, White Persons, Two or More Races, Asian, American Indian/Alaska Native, Some Other Race, Native Hawaiian and Other Pacific Islander, and Hispanic Persons***).

A concentration of racial/ethnic persons or low-income households can be defined as person/household racial or income types that occur in an area at a greater rate (10 percentage points or greater) than the person/household types for Cleveland as a whole. Applying the 10 percentage points to each citywide racial or ethnic percentage provided a means for calculating the concentration for each of the following:

Black or African American- Using the above-cited definition of "concentration," there was a 61.86% or greater (51.86% plus 10 percentage points) "concentration" of Black or African Americans living primarily on the east side (***Maps-Concentration of Black or African Americans***).

Asian- Using the above-cited definition of "concentration," there was an 11.64% or greater (1.64% plus 10 percentage points) "concentration" of Asian persons living in Asia Town in the area just east of Downtown (***Maps-Concentration of Asian Persons***).

Hispanic Persons- Using the above-cited definition of "concentration," there was a 19.69% or greater (9.69% plus 10 percentage points) "concentration" of Hispanic persons living on the near west side (***Maps-Concentration of Hispanic Persons***).

There were no concentrations of persons from the categories of Two or More Races, American Indian/Alaska Native, Some Other Race, or Native Hawaiian and Other Pacific Islander.

Many of Cleveland's households were particularly affected by the Great Recession, and continue to struggle economically. Citywide, the 2008-12 ACS poverty rate was over 34% and the unemployment

rate was almost 20%. **NA 10, Table 6** shows there were 81,275 persons (48.39%) in Cleveland who were low income (**Maps-Percent of Extremely Low Income (ELI) and Low Income (LI) Households**).

A “concentration” of low income households (0-50% AMI) can be defined as households who experience low incomes at a greater rate than the households for Cleveland as a whole. A generally accepted threshold is 10 percentage points (or greater). Using the above-cited definition of “concentration,” there was a 58.39% or greater (48.39% plus 10 percentage points) “concentration” of Low Income households living primarily on the east side and the near west side of Cleveland (**Map-Concentration of Extremely Low Income (ELI) and Low Income (LI) Households**).

What are the characteristics of the market in these areas/neighborhoods?

A summary of the characteristics of these neighborhoods are listed below. For more detail, consult **MA-50, Attachment - Market Characteristics** in Census Tracts and <http://planning.city.cleveland.oh.us/2010census/cpc.html>:

Black or African American- Concentrations of Black or African Americans are located primarily on the east side. Median incomes are lower than the City and poverty and unemployment rates are higher. In terms of housing, some of the areas exhibit higher vacancy and rental rates, high percentages of older housing stock, lower median rents and home values, and households with a higher percentage of housing problems.

Concentrations of Extremely Low Income (ELI), Low Income (LI), and Moderate Income (MI) Households with any Housing Problems- Concentrations of ELI, LI, and MI households with any housing problems are located throughout the city. Median incomes are lower than the city and poverty and unemployment rates are higher. In terms of housing, some of the areas exhibit higher vacancy and rental rates, higher percentages of older housing stock, and lower median rents and home values.

Asian- Concentrations of Asian persons are located primarily in Asia Town in the area just east of Downtown. Median incomes are lower than the City and poverty and unemployment rates are higher. In terms of housing, some of the areas exhibit higher vacancy and rental rates, higher percentages of older rental housing stock, somewhat lower median rents and home values, and households with a higher percentage of housing problems.

Hispanic Persons- Concentrations of Hispanic persons are located primarily on the near west side. Median incomes are somewhat lower than the City, poverty is higher, and unemployment rates are mixed. In terms of housing, the areas exhibit higher vacancy and rental rates, high percentages of older housing stock, lower median rents and home values, and households with a higher percentage of housing problems.

Low Income- Concentrations of Low Income households are located primarily on the east side and the near west side. Median incomes are lower than the City and poverty and unemployment rates are

higher. In terms of housing, some of the areas exhibit higher vacancy, most areas exhibit higher rental rates, high percentages of older housing stock, lower median rents and home values, and households with a higher percentage of housing problems.

Are there any community assets in these areas/neighborhoods?

A summary of the community assets in these neighborhoods is listed below. For more detail, consult *Connecting Cleveland 2020 Citywide Plan*: <http://planning.city.cleveland.oh.us/cwp/cpc.html>

Black or African American- Concentrations of Black or African Americans are located primarily on the east side. The area roughly corresponds to Districts 4, 5, and 6 in the *2020 Citywide Plan* and encompasses roughly 16 neighborhoods. Although there are challenges, the assets do include a number of new schools, active retail districts and shopping plazas, employment centers, library branches, recreation centers, and parks. There is a broad range of housing in terms of construction period, style, size, and price, including several historic neighborhoods. In terms of transportation, the east side is served by highways at its north and south edges, and there is a network of arterial roads that also provide public transportation routes.

Asian- Concentrations of Asian persons are located primarily in Asia Town in the area just east of Downtown. The area roughly corresponds to the Goodrich-Kirtland Park neighborhood in District 3 in the *2020 Citywide Plan*. The assets of the area include proximity to downtown Cleveland, Lake Erie, and Interstate 90, warehouse and industrial buildings which can be repurposed using the Live Work zoning overlay, a large commercial/industrial district with freeway access, and the clear presence of Asian ethnic heritage in businesses, art, and neighborhood events.

Hispanic Persons- Concentrations of Hispanic persons are located primarily on the near west side. The area roughly corresponds to the Brooklyn Centre, Clark-Fulton, Detroit Shoreway, and Stockyards neighborhoods of District 2 in the *2020 Citywide Plan*. Although there are challenges, the assets do include a number of new schools, active retail districts and shopping plazas, employment centers, library branches, recreation centers, parks, and proximity to Lake Erie and the Big Creek Valley. There is a broad range of housing in terms of construction period, style, size, and price, including a number of historic neighborhoods. In terms of transportation, the neighborhoods are served by several highways, and there is a network of arterial roads that also provide public transportation routes.

Low Income- Concentrations of Low Income households are located primarily on the east side and the near west side. The area roughly includes portions of Districts 2, 3, 4, and 5 in the *2020 Citywide Plan* and encompasses all or part of roughly 16 neighborhoods. Although there are challenges, the assets do include a number of new schools, active retail districts and shopping plazas, employment centers, library branches, recreation centers, and parks. There is a broad range of housing in terms of construction period, style, size, and price, including a number of historic neighborhoods. In terms of transportation, the area is served by several highways, and there is a network of arterial roads that also provide public transportation routes.

Are there other strategic opportunities in any of these areas?

A summary of the strategic opportunities in these neighborhoods is listed below. For more detail, consult the *Connecting Cleveland 2020 Citywide Plan* at: <http://planning.city.cleveland.oh.us/cwp/cpc.html>

Black or African American- Concentrations of Black or African Americans are located primarily on the east side. The area roughly corresponds to Districts 4, 5, and 6 in the *2020 Citywide Plan*. This area encompasses roughly 16 Cleveland neighborhoods. Opportunities in the area include improved maintenance of older housing stock, increasing the homeownership rate, addressing absentee landlord issues, developing a strategy for two-family houses, repurposing vacant parcels, retail area revitalization, road and streetscape improvements, brownfield remediation, industrial area access improvements and expansion, and improved access to Lake Erie.

Asian- Concentrations of Asian persons are located primarily in Asia Town in the area just east of Downtown. The area roughly corresponds to the Goodrich-Kirtland Park neighborhood in District 3 in the *2020 Citywide Plan*. Opportunities in the area include improved maintenance of older housing stock, new housing construction in select locations, retail area parking and streetscape improvements, industrial area access and building updates, and improved connections to Lake Erie.

Hispanic Persons- Concentrations of Hispanic persons are located primarily on the near west side. The area roughly corresponds to the Brooklyn Centre, Clark-Fulton, Detroit Shoreway, and Stockyards neighborhoods of District 2 in the *2020 Citywide Plan*. Opportunities in the area include improved maintenance of older housing stock, expanding the variety of housing options, repurposing vacant parcels, retail area revitalization, road and streetscape improvements, brownfield remediation, and improved connections to Lake Erie.

Low Income- Concentrations of Low Income households are located primarily on the east side and the near west side. The area roughly includes portions of Districts 2, 3, 4, and 5 in the *2020 Citywide Plan*. This area encompasses all or part of roughly 16 Cleveland neighborhoods. Opportunities in the area include improved maintenance of older housing stock, increasing the homeownership rate, addressing absentee landlord issues, developing a strategy for two-family houses, repurposing vacant parcels, retail area revitalization, road and streetscape improvements, brownfield remediation, industrial area access improvements and expansion, and improved connections to Lake Erie.

MA-60 Broadband Needs of Housing occupied by Low- and Moderate-Income Households - 91.210(a)(4), 91.310(a)(2)

Describe the need for broadband wiring and connections for households, including low- and moderate-income households and neighborhoods.

Describe the need for increased competition by having more than one broadband Internet service provider serve the jurisdiction.

MA-65 Hazard Mitigation - 91.210(a)(5), 91.310(a)(3)

Describe the jurisdiction's increased natural hazard risks associated with climate change.

Describe the vulnerability to these risks of housing occupied by low- and moderate-income households based on an analysis of data, findings, and methods.

General Allocation Priorities

Describe the basis for allocating investments geographically within the jurisdiction (or within the EMSA for HOPWA)

Funds provided through the HUD entitlement programs will primarily focus on the neighborhoods where the majority of residents qualify as low/moderate income or the area has been designated as blighted, based on overall building conditions. Many areas qualify under both criteria. Limited activities may be carried out in higher income, non-blighted areas to address needs of specific low/moderate individuals or conditions of spot blight.

Three planning documents play a key role in targeting decisions for available neighborhood development resources. Many of the activities are carried out by the citywide network of community development corporations (attachment).

Connecting Cleveland 2020 outlines policies and strategies of citywide and neighborhood significance such as housing, retail, economic development, education, recreation, arts and culture, and safety. The Cleveland 2020 Plan provides an overview of each topic, and explains related assets, trends, challenges and opportunities. The Neighborhood Typology (version 4; Jan. 1, 2012) relates to strategic approaches to address varying neighborhood market conditions and tracks various demographic and housing data (attachments). In addition to the Typology, the Cleveland Housing Price Index Methodology (rev. Jan. 9, 2015) will show impact over time.

Reclaiming Cleveland – Target Area Plans (Sept. 2011), authored by the Dept. of Community Development, is a guide for utilizing Neighborhood Stabilization Program funds and other community development resources in a contextually-specific manner to create immediate and sustainable improvements within targeted areas substantially affected by economic decline and the foreclosure crisis (attachment). This collaborative effort involved City staff, along with non-profit development groups, local universities and Cleveland Neighborhood Progress (CNP), a citywide non-profit established in 1988 to support innovative and successful community organizations and initiatives. CNP coordinated an in-depth field survey and more than 100 meetings to assist in producing detailed target area plans.

The Depts. of Community Development and Economic Development also utilize HUD-approved Neighborhood Revitalization Strategy Areas (NRSAs) to make decisions. These designations allow additional resources to be blended with CDBG funding to provide expanded and enhanced economic development and job training activities. For example, funds are used to close financing gaps and/or leverage New Market Tax Credits.

The current NRSA boundaries were approved by HUD in 2009 and included four areas encompassing most of the City. NRSA program information was incorporated into the FY 2011-15 Consolidated Plan. Since that Five-Year Plan was issued, the Census Bureau released updated data. In early 2016, Economic Development Dept. staff analyzed the new Census data, noting that 1) the 2010 census changed some census tract boundaries, and 2) more census tracts qualified as part of NRSAs, situated at the perimeter

of Cleveland. The 2016 updated NRSA include the entire City of Cleveland except for 9 far west side census tracts and 4 south side census tracts. Also, as part of the qualification of additional areas, the 4 NRSA have been combined into 3 areas (West, South and Central; the East area was combined into the existing Central area).

As part of this Consolidated Plan submission, the City of Cleveland is including an updated NRSA boundary map (attachment), a description of NRSA strategies (attachment), and the entire NRSA Strategies & Monitoring Plan, 2016-2020 (appendix). The only 2016 strategy change is the addition of a strategy to link CDBG float loans with NRSA activities.

HOPWA funding is not geographically targeted within the multi-county funding area.

SP-25 Priority Needs - 91.215(a)(2)

Priority Needs

Table 52 – Priority Needs Summary

1	Priority Need Name	10 Year Housing Plan

	Geographic Areas Affected	Other Central NRSA West NSRA South NRSA
Associated Goals	10 Year Housing Plan	

<p>Description</p>	<p>The goal of the Ten-Year Housing and Investment Plan is to foster a robust housing market that will ensure everyone has access to a decent home, provide a full range of housing choices for existing residents, and attract new residents to Cleveland's neighborhoods.</p> <p>A ten-year blueprint for creating and maintaining housing in the City of Cleveland. The 10 year plan will also provide financial strategies for the City and neighborhoods to support affordable housing, mixed income neighborhoods and municipal growth. The plan further evaluates existing programs are not only improving the quality of life of residents today, but also developing the building blocks to catalyze long term neighborhood revitalization.</p> <p>Using data from the city, its residents, and national data sets to create informed, practical policy and investment.</p>
---------------------------	--

	<p>Basis for Relative Priority</p> <p>Housing is the foundation of a vibrant and resilient city and supports the health and well-being of all its residents</p> <p>A High Priority level was chosen because for the substantial number of Cleveland households with insufficient incomes to cover the basic operating cost of standard quality housing, a monthly rental subsidy is a requirement for obtaining decent housing for a reasonable percentage of income. It is essential that the inventory of units with federal rent subsidies attached be retaining and upgraded. The City intends to identify and address issues that may threaten the viability of buildings with Section 8 project-based assistance; encourage CMHA to maintain the existing inventory of public housing units to the fullest extent possible or provide replacement units for housing deemed obsolete; promote active tenant organizations to work with management in project-based rent assisted buildings; continue the presence of online affordable housing data to assist tenants to make housing choices; continue the full use of the Housing Choice Voucher Program; support developers to use the LIHTC program and use funds to leverage LIHTC dollars; assist in the production of fully rehabilitated or newly constructed single-family, lease-purchase homes on scattered sites; encourage maximum usage of the Ohio Housing Trust Fund's Housing Development Assistance Program; and support the use of tax-exempt bonds to provide below-market rate financing for larger affordable rental housing development projects.</p> <p>Homeownership</p> <p>A High Priority level was chosen because a strong level of homeownership and homebuyer demand is an essential component of healthy, viable neighborhoods. Creating affordable homeownership options through the rehabilitation of vacant, deteriorated houses can address both housing needs and neighborhood revitalization needs. It is also important that both new and long-term homeowners meet the financial obligations of homeownership, including maintaining the property to code standards. The City intends to assist households to buy and rehabilitate vacant homes; assure that homebuyers have access to mortgage loans at the best possible rates and terms; provide new homeowners with pre-purchase and post-purchase counseling covering both financial and maintenance, provide rehabilitation assistance to address code violations and health/safety issues; encourage the use of home repair loan programs that offer private financing at discounted rates; provide training and resources to allow homeowners to undertake maintenance and repair work on their own; and provide weatherization assistance and encourage energy efficiency, which will lower overall housing costs.</p>
2	<p>Priority Need Name</p> <p>Economic Opportunity</p>
	<p>Priority Level</p> <p>High</p>

	Population	Extremely Low Low Moderate Middle Large Families Families with Children Elderly Public Housing Residents Individuals veterans Persons with Physical Disabilities Persons with Developmental Disabilities Persons with Alcohol or Other Addictions Persons with HIV/AIDS and their Families Non-housing Community Development
	Geographic Areas Affected	Other Central NRSA West NSRA South NRSA
	Associated Goals	Economic Opportunity
	Description	<p>Economic Opportunities</p> <p>Cleveland's objectives for expanding economic opportunities involve both the creation of more jobs for low income residents and helping those residents with the least skills to improve their employability. The Department of Community Development and Department of Economic Development are charged with working toward these objectives through a variety of program strategies. This priority will support the following initiatives:</p> <ul style="list-style-type: none"> • Storefront Renovation Program; • Use of Land Bank property for economic development initiatives; • Support initiatives for economic development identified in Cleveland's Neighborhood Revitalization Strategy Area Plan (NRSA Plan); and, • Support workforce development initiatives (public services).
	Basis for Relative Priority	A High priority level was chosen because of the citywide impact to residents and workers.
3	Priority Need Name	Ending Poverty and Racial Disparities

Priority Level	High
Population	Extremely Low Low Moderate Middle Large Families Families with Children Elderly Public Housing Residents Chronic Homelessness Individuals Families with Children Mentally Ill Chronic Substance Abuse veterans Persons with HIV/AIDS Victims of Domestic Violence Unaccompanied Youth Elderly Frail Elderly Persons with Mental Disabilities Persons with Physical Disabilities Persons with Developmental Disabilities Persons with Alcohol or Other Addictions Persons with HIV/AIDS and their Families Victims of Domestic Violence Non-housing Community Development
Geographic Areas Affected	Other Central NRSA West NSRA South NRSA
Associated Goals	Ending Poverty and Racial Disparities

	<p>Description</p> <p>Ending Poverty and Racial Disparities</p> <p>Ending systemic causes that allow poverty and racism to persist will continue the disparate outcomes that we see in Cleveland. Under this priority the City will invest in the following initiatives:</p> <ul style="list-style-type: none"> • Support the City/County Continuum of Care; • Support the goal to End Chronic Homelessness; • Provide necessary public services program identifies in the City's HUD approved Neighborhood Revitalization Strategy Areas (NRSA Plan); • Provide necessary public services that address systemic poverty; • Provide necessary public services that address youth violence; • Provide necessary public services that address poverty and accessibility among the elderly; • Support housing and public services for persons with HIV/AIDS; and, • Support the use of Land Bank property for the use of permanent supportive housing and other public facilities that address poverty.
	<p>Basis for Relative Priority</p> <p>This is a high priority for Cleveland, since many of Cleveland's challenges are rooted in the systemic nature of poverty and racism. Opportunities to education, housing, healthcare and employment are determined by one's income status or race.</p>
4	<p>Priority Need Name</p> <p>Neighborhood Improvements</p>
	<p>Priority Level</p> <p>High</p>
	<p>Population</p> <p>Extremely Low Low Moderate Middle Chronic Homelessness Individuals Families with Children Mentally Ill Chronic Substance Abuse veterans Persons with HIV/AIDS Victims of Domestic Violence Unaccompanied Youth Non-housing Community Development</p>

Geographic Areas Affected	Other Central NRSA West NSRA South NRSA
Associated Goals	Neighborhood Improvements
Description	<p>Neighborhood Improvements</p> <p>Cleveland neighborhoods have seen a persistent cycle of disinvestment that has resulted in most of the City designated as being affected by slum and blight. In order to address slum and blight and the needs of the residents of Cleveland's neighborhoods investment in public facilities, public infrastructure, reutilization of vacant land for interim or permanent uses is key to reposition for the needs of residents. Under this priority neighborhood improvements include activities such as:</p> <ul style="list-style-type: none"> • improvements to existing public facilities, • construction of new public facilities, • creation and maintenance of community gardens, • the creation of parks and greenspace, • improvements to create walkable neighborhoods, • improvements to create bikeable neighborhoods, • improvements to access mass transit, • improvements to infrasture, such as roads and sidewalks, or • other improvements that benefit residents on a neighborhood level.
Basis for Relative Priority	A High priority level was chosen because the key to breaking the cycle of disinvestment is to approach neighborhood investment based on analysis of assets, the identification of assets overlooked in the marketplace and creating new market assets by sponsoring anchor projects or assuring that investments create a critical mass that can signal market improvement.

Narrative (Optional)

SP-30 Influence of Market Conditions – 91.215 (b)

Influence of Market Conditions

Affordable Housing Type	Market Characteristics that will influence the use of funds available for housing type
Tenant Based Rental Assistance (TBRA)	Currently, the City does not anticipate allocating HOME or CDBG for permanent tenant-based rental assistance. Transitional rental assistance is provided through Cuyahoga/City Continuum of Care and their partners. The City Department of Public Health will continue to use HOPWA funding for tenant-based rental assistance for those living with HIV/AIDS. The Cuyahoga Metropolitan Housing Authority (CMHA) provides TBRA through Housing Choice Vouchers.
TBRA for Non-Homeless Special Needs	At this time, there is no plan to utilize HOME or CDBG for permanent tenant-based rental assistance for Non-Homeless Special Needs. Transitional rental assistance is provided through the Cuyahoga/City Continuum of Care and their delegate agency/partners service system. In addition, through HOPWA, the city provides TBRA to those living with HIV/AIDS.
New Unit Production	Affordable housing development can and should be shared throughout all neighborhoods of Cleveland, and the City will work with elected officials, local community leaders' mission-driven and nonprofit developers, and other government agencies to increase the inventory affordable housing units. The City utilizes HUD funding to provide multi-unit loans to developers to build or rehabilitate affordable housing.
Rehabilitation	City of Cleveland offers programs designed to improve and preserve homes through rehabilitation. With most homes being built prior to 1950, Cleveland faces an increased need for rehabilitation. High foreclosure rates from the Great Recession have resulted in empty homes that will increase the need for rehabilitation funding and/or incentive programs for buyers to purchase and / rehab properties returning them to quality housing for our neighborhoods. The Senior Homeowner Assistance Program (SHAP) funded with CDBG Repair-A-Home program (RAH) to provide grants to low-moderate homeowners to repair housing, such as replace their roof and porch and help maintain their affordable unit.
Acquisition, including preservation	The City of Cleveland offers home ownership and neighborhood lending programs through funding of local Community Development Financial Institutions (CDFI) that will assist in lending to low and moderate income residents, frequent first-time homebuyers, acquire existing units. The City of Cleveland also funds preservation of existing affordable housing units through the use of HOME funds through the Department of Community Development's Housing Development Office (HDO).

Table 53 – Influence of Market Conditions

SP-35 Anticipated Resources - 91.215(a)(4), 91.220(c)(1,2)

Introduction

The City of Cleveland will continue to pursue other available federal, state and private sources to leverage entitlement grant funding for the proposed community development initiatives in the Consolidated Plan. The City will also contribute a number of local tools and incentives, including the Cleveland residential and commercial tax abatements, and the Health Homes Initiative. In addition, local funds will be allocated during the 5-year period to support the City’s Consolidated Planning priorities.

Anticipated Resources

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan \$	Narrative Description
			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
CDBG	public - federal	Acquisition Admin and Planning Economic Development Housing Public Improvements Public Services	21,569,725	700,000	0	22,269,725	0	
HOME	public - federal	Acquisition Homebuyer assistance Homeowner rehab Multifamily rental new construction Multifamily rental rehab New construction for ownership TBRA	4,893,451	600,000	0	5,493,451	0

Table 54 - Anticipated Resources

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

CDBG funds are often part of larger funding pools to implement activities. For example, Section 108 loans leverage other private and public funds for economic development projects. In addition, public service funding through CDBG can be supplemented.

HOME match requirements are met by funds provided from various sources by project partners.

ESG match requirements are met with County funds, all of which contribute to the funding pool made available to implement the programs of the Cleveland/Cuyahoga County Continuum of Care.

HOPWA funds address specific financial needs, such as ongoing rental assistance or short-term assistance with a mortgage, rent, or utility payments. These specific uses of funds represent only a portion of the financial and other support services being received by a person.

SECTION 108 funds leverage economic development opportunities within the Neighborhood Revitalization Strategy Areas (NRSAs) to increase job creating investments by closing financing gaps and leveraging other funds.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City of Cleveland currently has about 17,000 parcels in its Land Bank. Many of these parcels are in locations suitable for aggregation into larger development sites.

The City leverages CDBG with other funding sources to support creation of greenspaces and community gardens on city-owned property for use by residents, schools, faith-based groups, and nonprofit agencies.

The City uses this resources whenever possible to encourage new housing, commercial, and industrial development. In addition, the Cuyahoga

Land Reutilization Corporation partners with the City of Cleveland to acquire properties, which are either demolished or sold in an as-is condition or rehabilitated and resold.

Discussion

CDBG Float Loans

Per HUD regulations, CDBG grantees have a line of credit that covers the amount of CDBG funds available for the grantee to expend. The grantee can use the funds available in the line of credit to provide short-term financing for projects such as, but not limited to, economic development or housing.

The City of Cleveland has used Float Loans in the past. As of early 2021, the City has no outstanding CDBG Float Loans. During the FY 2021-2025 period, the City may consider using this program. If the program is used, the City will follow the regulations at 24 CFR 570.301. As stated in 24 CFR 570.301(b), each "float-funded activity" will be individually listed and described in the annual action plan. If the need for a float-funded activity occurs after a program year has started, the annual action plan will be amended to accommodate the specific activity.

Revolving Loan Fund

A revolving loan fund is established for carrying out specific activities, which, in turn, generate payments to the fund for use in carrying out the same activities.

During the FY 2021-2025 period, the City may consider establishing this type of program with CDBG funds. The revolving loan fund would be used for activities located in Neighborhood Revitalization Strategy Areas (NRSAs). The purpose of the revolving loan fund would be to undertake activities such as acquiring land and/or other activities to attract investment in NRSA areas to create jobs or provide housing for low income persons.

SP-40 Institutional Delivery Structure – 91.215(k)

Explain the institutional structure through which the jurisdiction will carry out its consolidated plan including private industry, non-profit organizations, and public institutions.

Table 55 - Institutional Delivery Structure

Assess of Strengths and Gaps in the Institutional Delivery System

The plans and strategies of this Five-Year Consolidated Plan are important and challenging. It is only through the commitment, resources, and talent of a vast array of partners— the public sector, the private market, and the nonprofit community—that Chicago has the confidence to set and meet these goals to address community needs. Working with these partners, the City has developed an institutional structure to enhance the coordination between public and private housing, health and social service agencies, and to encourage public housing residents to become more involved in management and participate in issues related to housing, such as the Lead Safe Coalition.

Particularly regarding the provision of human services, there is a great degree of public and private cooperation in Cleveland, essential in order to serve the varied needs of the City’s low and moderate-income population. Cleveland Department of Community Development has formed and participates in numerous partnerships to address multiple challenges facing the City. This allows the Department of Community Development and other organizations to maximize resources and avoid unnecessary duplication of services. Cleveland Department of Community Development staff members serve on many advisory councils and boards where information about social services is discussed.

The City of Cleveland has qualified partners capable of carrying out their activities. There are no major gaps in the institutional delivery system.

Table 56 - Homeless Prevention Services Summary

Describe how the service delivery system including, but not limited to, the services listed above meet the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth)

Institutional Delivery Structure Serving Homeless Persons

The Cleveland/Cuyahoga County Office of Homeless Services (OHS), a division within Cuyahoga County government, serves all 59 communities in Cuyahoga County, including Cleveland. The OHS coordinates the Cleveland/Cuyahoga County Continuum of Care, an extensive network of public, private, and non-profit agencies that facilitate and/or provide, either directly or indirectly, assisted housing,

health services, and/or social services to persons in Cuyahoga County who are homeless or at-risk of homelessness, including chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth. The City is actively involved with the Cuyahoga/City Continuum of Care (CoC).

Institutional Delivery Structure Serving Persons with HIV/AIDS

The HOPWA program is administered by the City of Cleveland's Department of Public Health on behalf of the multi-county metropolitan area. Primary funding is received from:

- Federal HIV Prevention Grant – Ohio Department of Health (ODH) through the Centers for Disease Control and Prevention (CDC)
- Community Development Block Grants (CDBG) – Cleveland City Council
- Housing Opportunities for Persons with AIDS (HOPWA) – U.S. Department of Housing and Urban Development (HUD)

Public funds are combined with grants and private sector resources to enable coordination and direction of the overall response to HIV/AIDS in Cleveland, Cuyahoga County, and the metropolitan area in cooperation with community-based organizations, governmental bodies, advocates, and people living with HIV/AIDS.

Describe the strengths and gaps of the service delivery system for special needs population and persons experiencing homelessness, including, but not limited to, the services listed above

Strengths

The City of Cleveland and its partners listed previously in this section will continue to utilize their experience in providing housing-related programs and public services to special needs populations such as the frail elderly, persons with physical disabilities, persons with developmental disabilities, and persons with HIV/AIDS. These activities will provide improvements or services to assist persons to remain in their homes or improve the accessibility of the community's facilities and/or infrastructure.

For persons with mental disabilities or alcohol or other drug addictions, Cuyahoga County has a strong network of public agencies and nonprofit organizations that provide housing and support services to persons with special needs. In turn, these agencies and organizations work to leverage other state and local funds, plus financial support from foundations, companies, and individuals, to carry out their programs. These providers constantly work to balance community needs, priorities, available funds, and the ability to deliver programs in a cost effective manner.

Gaps

In terms of special needs populations, the primary obstacle to fully addressing the needs outlined in the Five-Year Plan is the overall level of funds available. Federal and state budget changes related to social service programs may jeopardize the model that has been created to combine affordable housing for special needs populations with needed social services.

HOMELESS – SERVICE DELIVERY SYSTEM

Strengths

The Cleveland/Cuyahoga County Continuum of Care (CoC), a network of local government, business and non-profit organizations is coordinated through the Cleveland/Cuyahoga County Office of Homeless Services. The CoC has reached a consensus on the causes and problems of the homeless; made recommendations for effective solutions to prevent, and more efficiently serve, the homeless and potentially homeless; and is implementing methods to promote and adopt an effective countywide coordinated commitment to meet the needs of the homeless.

Gaps

The 2014 HUD NOFA response by the Cleveland/Cuyahoga County Continuum of Care (CoC) noted strengths and gaps in the institutional structure and service delivery system:

Transition by Individuals Out of Permanent Supportive Housing Units

Transition by individuals out of the HousingFirst Initiative permanent supportive housing units to more independent, stable housing has been slower than anticipated.

Maintaining the Level of Housing Stability in Permanent Housing

In 2013, 98% of participants remained in, or exited to, permanent housing, however the total number of participants is expected to rise.

Increase the Income of Project Participants

In 2013, 56% of participants accessed non-employment income sources, but that percentage could be larger.

Increase the Employment Income of Project Participants

The overall employment rate in 2013 for exiting CoC program participants was 16%. In addition to the challenges to finding employment in the current economy, the HUD emphasis on rapid re-housing shifts staff focus from helping clients get jobs while in shelter as a threshold for accessing permanent housing, to leaving shelter to Public Housing as quickly as possible.

Increase the Percentage of Persons Accessing Mainstream Benefits

In 2013, 73% of participants in CoC funded projects obtained mainstream benefits.

Assist Households with Children Through Rapid Re-housing with McKinney-Vento Act Funds

Currently, families with children are not assisted with rapid re-housing using McKinney-Vento Act funding.

Provide a summary of the strategy for overcoming gaps in the institutional structure and service delivery system for carrying out a strategy to address priority needs

SPECIAL NEEDS POPULATIONS – SERVICE DELIVERY SYSTEM

With the primary gap being the overall level of available funding, the City of Cleveland and its partners listed previously in this section will continue to seek additional sources of funds to supplement dollars available through HUD and assist more persons.

Locally, significant funding is created by two countywide human services levies, which voters have recently renewed and increased. These property tax levies provide funding to meet the needs of residents countywide, including persons with special needs. Agencies and organizations that receive these funds also work to leverage other public funds, plus financial support from foundations, companies, and individuals.

HOMELESS – SERVICE DELIVERY SYSTEM

The 2014 HUD NOFA response by the Cleveland/Cuyahoga County Continuum of Care (CoC) noted strategies for overcoming gaps in the institutional structure and service delivery system:

Transition by Individuals Out of Permanent Supportive Housing Units

The CoC is working to implement a focused “move on” policy in the HousingFirst Initiative projects to encourage 20% of current residents to move to more independent, stable housing each year, including a partnership with the Cuyahoga Metropolitan Housing Authority regarding Housing Choice Vouchers.

Maintaining the Level of Housing Stability in Permanent Housing

The CoC has created Housing Retention Specialist positions, who are involved in all cases where clients are at risk of termination or eviction. The intervention is intended to prevent the loss of housing or assistance, assure compliance with re-inspection requirements to maintain eligibility, and/or reconnect the clients with case management and other community stabilization assistance.

Increase the Income of Project Participants

Improving the percentage of participants receiving income from entry to exit will be accomplished through focused efforts to assess and link clients more quickly. Through Coordinated Entry (CE), the CoC will be better able to assess clients at shelter entrance to identify current income sources and potential benefit sources.

Increase the Employment Income of Project Participants

By emphasizing support during the rapid re-housing process, a person is able to leave the shelter without employment, and link with resources in the community to maintain housing through employment. During the shelter stay, the CoC will promote more collaboration with County Jobs and Family Services to link clients with Child Care vouchers; Work Force Development, for training that can be started while the client is in shelter; and using Motivational Interviewing to help clients identify job options.

Increase the Percentage of Persons Accessing Mainstream Benefits

The CoC will attempt to increase this percentage by continuing the strategy of using the Coordinated Entry (CE) tool, which identifies client eligibility for income supports and mainstream benefits. This is particularly helpful for veterans and chronically homeless persons.

Assist Households with Children Through Rapid Re-housing with McKinney-Vento Act Funds

Households with children will start to be funded using McKinney-Vento Act funds. First, households with children will remain a priority population. Second, more federal and local money will be directed toward this program. Third, reducing the average time from shelter entry to rapid re-housing exit will enable more families to be assisted. The former average shelter wait time, 62 days, has been reduced to 52 days. The goal is to reduce shelter stays to 30 days or less through improved coordination among shelter staff, families, and Housing Locator staff.

SP-45 Goals Summary – 91.215(a)(4)

Table 57 – Goals Summary

Goal Descriptions

1	Goal Name	10 Year Housing Plan
----------	------------------	----------------------

**Goal
Description**

10 Year Housing Plan

The goal of the Ten-Year Housing and Investment Plan is to foster a robust housing market that will ensure everyone has access to a decent home, provide a full range of housing choices for existing residents, and attract new residents to Cleveland's neighborhoods.

A ten-year blueprint for creating and maintaining housing in the City of Cleveland. The 10 year plan will also provide financial strategies for the City and neighborhoods to support affordable housing, mixed income neighborhoods and municipal growth. The plan further evaluates existing programs are not only improving the quality of life of residents today, but also developing the building blocks to catalyze long term neighborhood revitalization.

Using data from the city, its residents, and national data sets to create informed, practical policy and investment.

This priority will invest in the following initiatives:

Strategic Initiatives, including but not limited to:

- Mayor's Transformation Initiative;
- Lead Safe Coalition;
- FHAct 50- Clark-Fulton Low Income Housing Tax Credit Initiative;
- Support housing strategies identified in the Cleveland's Neighborhood Revitalization Strategy Area Plan (NRSA Plan);
- Demolition and Board Up of Blighted buildings;
- Project Clean;
- Citywide Grants;
- CDC Activity Grants;

Safe Housing Initiatives, included but not limited to:

- Housing Rehabilitation Programs such as Senior Homeowner Assistance Program (SHAP) or Repair-A-Home (RAH) program;
- Competitive Lead Grants from U.S. Department of Housing and Urban Development (HUD);
- Affordable Housing Expansion and Preservation, including but not limited to:

Consolidated Trust Fund;

CLEVELAND

104

- Community Housing Development Organization (CHDO) Set-Aside and project support;

Support Housing Infill Development, including but not limited to:

2	Goal Name	Economic Opportunity
	Goal Description	<p>Economic Opportunities</p> <p>Cleveland's objectives for expanding economic opportunities involve both the creation of more jobs for low income residents and helping those residents with the least skills to improve their employability. The Department of Community Development and Department of Economic Development are charged with working toward these objectives through a variety of program strategies. This priority will support the following initiatives:</p> <ul style="list-style-type: none"> • Storefront Renovation Program; • Use of Land Bank property for economic development initiatives; • Support initiatives for economic development identified in Cleveland's Neighborhood Revitalization Strategy Area Plan (NRSA Plan); and, • Support workforce development initiatives (public services).

3	Goal Name	Ending Poverty and Racial Disparities
	Goal Description	<p>Ending Poverty and Racial Disparities</p> <p>Ending systemic causes that allow poverty and racism to persist will continue the disparate outcomes that we see in Cleveland. Under this priority the City will invest in the following initiatives:</p> <ul style="list-style-type: none"> • Support the City/County Continuum of Care; • Support the goal to End Chronic Homelessness; • Provide necessary public services program identifies in the City's HUD approved Neighborhood Revitalization Strategy Areas (NRSA Plan); • Provide necessary public services that address systemic poverty; • Provide necessary public services that address youth violence; • Provide necessary public services that address poverty and accessibility among the elderly; • Support housing and public services for persons with HIV/AIDS; and, • Support the use of Land Bank property for the use of permanent supportive housing and other public facilities that address poverty.

4	Goal Name	Neighborhood Improvements
	Goal Description	<p>Neighborhood Improvements</p> <p>Cleveland neighborhoods have seen a persistent cycle of disinvestment that has resulted in most of the City designated as being affected by slum and blight. In order to address slum and blight and the needs of the residents of Cleveland's neighborhoods investment in public facilities, public infrastructure, reutilization of vacant land for interim or permanent uses is key to reposition for the needs of residents. Under this priority neighborhood improvements include activities such as:</p> <ul style="list-style-type: none"> • improvements to existing public facilities, • construction of new public facilities, • creation and maintenance of community gardens, • the creation of parks and greenspace, • improvements to create walkable neighborhoods, • improvements to create bikeable neighborhoods, • improvements to access mass transit, • improvements to infrasture, such as roads and sidewalks, or • other improvements that benefit residents on a neighborhood level.

Estimate the number of extremely low-income, low-income, and moderate-income families to whom the jurisdiction will provide affordable housing as defined by HOME 91.315(b)(2)

Through HOME funding, Cleveland estimates that over the next five years, approximately **780** extremely low-income, low-income, and moderate-income households will be assisted through programs that provide affordable housing (**156 HOME assisted households x 5 years**). New construction and rehabilitation of single-family and multi-family units are identified as households for this statement, not families or units.

Through Emergency Solutions Grant funding, Cleveland estimates that over the next five years, approximately **1,000** rental units will be assisted that meet the definition of "affordable housing" stated in the HOME regulations at 24 CFR 92.252 (**200 units x 5 years**).

SP-50 Public Housing Accessibility and Involvement – 91.215(c)

Need to Increase the Number of Accessible Units (if Required by a Section 504 Voluntary Compliance Agreement)

For public housing properties in Cleveland, the Cuyahoga MHA already has accessible units in its inventory. New construction work undertaken by the Cuyahoga MHA also includes provisions for accessible units. Cuyahoga MHA is not currently involved in a Section 504 Voluntary Compliance Agreement.

Cleveland MHA's Public Housing Authority Annual Plan for Fiscal Year 2021 had a stated objective to: complete implementation of the Voluntary Compliance Agreement with HUD to make Public Housing units (5%), offices, common areas, and sites fully accessible by UFAS standards for persons with disabilities.

Activities to Increase Resident Involvements

In terms of management, Cuyahoga MHA has a system in place for residents and administrators to meet on an ongoing basis to discuss management/building issues, which the City believes is appropriate for that purpose. Public housing facilities are also subject to the City building codes, when repair issues arise.

In terms of homeownership and self-sufficiency, a strategic goal of CMHA is to promote the self-sufficiency and asset development of its assisted households. CMHA partners with various community agencies and nonprofit organizations to provide programs and activities to help residents, both youth and adult, achieve self-sufficiency goals. Residents can participate in programs that include job training, health and financial literacy, youth and adult education, and home ownership. These programs are designed to help residents develop skills that will reduce or eliminate the need for government assistance.

Primary resident initiative objectives include:

- Increasing the level of employment opportunities for assisted families;
- Making available supportive services to improve the employment skills of residents;
- Making available supportive services to increase independence for the elderly and families with disabilities; and
- Increasing homeownership opportunities

A major tenant homeownership initiative is the Housing Choice Voucher Homeownership Program, which allows eligible assisted families that have completed prepurchase counseling and homeownership

training to apply to a mortgage lender and search for a home. The Housing Choice Voucher pays a portion of the homebuyer's mortgage for 15 years.

Is the public housing agency designated as troubled under 24 CFR part 902?

No

Plan to remove the 'troubled' designation

Not applicable. Neither the Cuyahoga MHA nor the Parma PHA are designated as "standard performers" by HUD.

SP-55 Barriers to affordable housing – 91.215(h)

Barriers to Affordable Housing

Public policies, depending on their structure, can act as barriers to affordable housing or promote it. These public policies can originate at various levels of government, such as federal, state, or local. In addition, the level of government instituting such policies can affect a community's ability to adopt or amend those policies.

The City of Cleveland does not impose any of the following public policies, which can be barriers to affordable housing:

- growth controls
- impact fees
- exclusionary zoning
- large lot zoning
- excessive subdivision control
- rent control

Examples of public policies that do act as barriers to affordable housing choice in Cleveland, but are outside the City's control, include:

Urban Sprawl

The outward expansion of a metropolitan area into rural areas negatively impacts central cities and inner ring suburbs. In a region with minimal population growth such as Northeast Ohio, resident movement to outer ring suburbs or exurban areas spreads existing incomes and tax revenue more thinly over a larger area and expands infrastructure. This diffusion has been encouraged by federal and state policies that do not place a high enough priority on older area reinvestment.

Inadequate National Funding for the Housing Choice Voucher Program (HCVP)

This situation artificially limits the number of low-income households receiving rental payment assistance for which they qualify, thereby denying many qualifying households the ability to find affordable housing units.

Strategy to Remove or Ameliorate the Barriers to Affordable Housing

Public policies, depending on their structure, can act as barriers to affordable housing or promote it. These public policies can originate at various levels of government, such as federal, state, or local. In addition, the level of government instituting such policies can affect a community's ability to adopt or amend those policies.

The City of Cleveland does not impose any of the following public policies, which can be barriers to affordable housing:

- growth controls
- impact fees
- exclusionary zoning
- large lot zoning
- excessive subdivision control
- rent control

Examples of public policies that do act as barriers to affordable housing choice in Cleveland, but are outside the City's control, include:

Urban Sprawl

The outward expansion of a metropolitan area into rural areas negatively impacts central cities and inner ring suburbs. In a region with minimal population growth such as Northeast Ohio, resident movement to outer ring suburbs or exurban areas spreads existing incomes and tax revenue more thinly over a larger area and expands infrastructure. This diffusion has been encouraged by federal and state policies that do not place a high enough priority on older area reinvestment.

Inadequate National Funding for the Housing Choice Voucher Program (HCVP)

This situation artificially limits the number of low-income households receiving rental payment assistance for which they qualify, thereby denying many qualifying households the ability to find affordable housing units.

Strategy to Remove or Ameliorate the Barriers to Affordable Housing

The City of Cleveland makes every possible effort to establish public policies that will remove barriers to, and facilitate the development of, decent and safe affordable housing.

Development and Land Use Controls

The City of Cleveland does not impose any of the following barriers to affordable housing: growth controls, impact fees, exclusionary zoning, large lot zoning, excessive subdivision control, or rent control.

Tax Policies

a. Tax Abatement

City policies utilize abatement of property tax to enhance the affordability of new or substantially rehabilitated housing. Properties meeting established criteria can have taxes on the increase in value

resulting from improvements abated for a period of 10 to 15 years, depending on location, housing type, and whether it is new construction or rehabilitation.

b. Tax Foreclosure - Land Bank

The City works closely with the Cuyahoga County Fiscal Office to assure timely foreclosure of tax delinquent vacant land. Most properties are transferred to the City's Land Bank and held for redevelopment. Developers of affordable housing can obtain buildable sites at \$100 per unit.

Monitoring of Community Reinvestment Act (CRA) Performance

The Federal CRA law requires financial institutions to provide public data measuring loan activity by census tract and racial group. The CRA also permits challenges to a lender's performance when the lender seeks regulatory approval for activities such as acquisitions.

The City of Cleveland aggressively monitors CRA performance and seeks to reach agreements with lenders to substantially expand the availability and affordability of credit in its neighborhoods, emphasizing low income minority neighborhoods. In the past, it became necessary to file formal objections based on CRA data. The City's preference is to negotiate agreements detailing specific new loan products and lending goals for Cleveland neighborhoods. Today, investment agreements are in place with 9 local financial institutions, plus Fannie Mae and Freddie Mac. Reinvestment commitments under these agreements have totaled more than \$6.8 billion since the first one was signed in 1991.

Fair Housing

The Department of Community Development works with the City's Community Relations Board to affirmatively further fair housing and neighborhood stabilization objectives:

- Promote cultural diversity as a positive value in the development and maintenance of stable, integrated neighborhoods.
- Assure that all protected classes of persons, as outlined in the City's Fair Housing Ordinance, have equal access to all segments of the City's housing market. The Fair Housing Ordinance covers discrimination in housing rental and sales transactions, lending, homeowners insurance, and appraisals. It also provides protection against discrimination in retail and commercial activities.

The primary enforcement vehicle is the Fair Housing Review Board and its staff, which receives individual complaints of discrimination in the housing market; monitors real estate professionals for patterns and practices which illegally restrict housing opportunities for minorities, women, and others protected under the City's ordinance; and facilitates community education programs to promote understanding of fair housing laws, appreciation of cultural diversity, and affirmative marketing of

Cleveland neighborhoods.

The Community Relations Board also contracts with local non-profit fair housing organizations to monitor real estate sales and rental activities to identify discriminatory practices.

The City of Cleveland plans to completed a new Analysis of Impediments to Fair Housing Choice plan, including a Fair Housing Plan of Action, during this 5-Year Consolidated Plan period.

In addition, the City's monitoring of lending institutions – described above – has important fair housing implications. A key factor of lender evaluation is equal access of minority borrowers to all forms of housing credit. Past CRA challenges filed by the City have been based significantly on statistical evidence of apparent discriminatory lending practices. This will continue to be a focus of all future evaluations of lending institution performance.

SP-60 Homelessness Strategy – 91.215(d)

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

Introduction

The goals of the Cleveland/Cuyahoga County Continuum of Care's (CoC) strategic plan are:

1. Reduce the number of individuals and families who experience homelessness;
2. Develop strategies and resources to move people from shelter and the streets to housing as quickly as possible;
3. Align resources to promote rapid re-housing; and
4. Increase the supply of permanent supportive housing for chronically homeless individuals, families, and youth.

Outreach

The CoC has four primary outreach efforts that operate 365/days a year: 1) PATH workers, supported by mental health funding, work early morning and in the evening visiting camps and places known to be used by homeless. PATH refers many persons to the permanent supportive housing/chronically homeless units; 2) Care Alliance, the Federally Qualified Health Center serving homeless persons, also searches streets, under bridges, and empty buildings to find street homeless; 3) Shelter Outreach – many street homeless spend some nights at the publicly funded shelters. Shelter staff attempts to engage them in permanent supportive housing/chronically homeless housing and services; 4) The CoC funds a cold weather, weekend shelter for people who refuse 'traditional' shelter. Care Alliance staff go to this site to engage these chronic homeless persons.

Once at a shelter, individual needs of homeless persons are assessed through Coordinated Entry (CE). The CoC implemented CE for Men in FY 2009, and for single women and families system wide in FY 2012. CE enables the CoC to use limited resources most effectively, by matching client need with CoC resources. CE permits a single door of entry at which a standardized HMIS assessment form is utilized, promoting consistency and quality of data entry and outcomes. CE enables every household seeking shelter to have the opportunity to be assessed for Diversion – an intervention to keep the household from entering the shelter system. CE assures that all CoC funded beds are available and being used by legitimately homeless persons. CE permits the CoC to assess housing barriers for each household and recommend an exit housing plan to be implemented by the receiving shelter. CE enables the CoC to track the Rapid Re-Housing (RRH) and permanent supportive housing referrals initiated through CE.

Addressing the emergency and transitional housing needs of homeless persons

In FY 2009, the CoC implemented CE at the 365 bed Men's Shelter to increase the percentage of referrals from the shelter to HUD funded men's transitional housing programs. In 2009, all the transitional housing programs had drug screening policies in place, with thresholds such as required sobriety for 30 days. Now, while drug testing still occurs, it is not a barrier to entry. Instead it is a diagnostic tool to determine needed services. The family shelters and transitional housing programs likewise had significant barriers for single women and families involving income, sobriety, medication compliance, and work readiness. As of June, 2012 when CE was implemented for the family shelters, these barriers have been significantly reduced. Family transitional housing is now targeted to the highest barrier families, referring households that require more interventions to programs that have more resources. Lack of income is not a barrier for referral to shelter or to access Rapid Re-Housing assistance. CE has been the mechanism to change the system.

A significant number of homeless individuals and families also have involvement with one or more systems. While the CoC is engaged with these systems to encourage more effective discharge planning, the CoC is also identifying ways to relink persons once they become homeless. Specifically, through CE and Diversion Assessment at the shelter front door, families and individuals that currently have case managers in other systems, can be contacted for interventions to prevent the client from entering shelter: a) Veterans and their families are identified and referred to the VA's Supportive Services to Veterans Families (SSVF) Project, which provides homeless prevention assistance and links clients with other VA resources; b) persons over 65 are linked with the aging system; and c) 18-24-year-old, former child welfare clients may be relinked with the agency for system resources.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again.

The HousingFirst Initiative (HFI) is the CoC's Plan to end Chronic Homelessness. Established in FY 2003, the HFI set a goal of developing 1,000 units of Permanent Supportive Housing (PSH) for chronically homeless individuals by FY 2015. In 2020, 940 units are open. The CoC is continuing to work toward the HFI production goals based on the number of chronically homeless, housing models, and costs. It also expanded its target population to include chronically homeless families and youth. To meet the deadline of ending chronic homelessness, CoC strategies include developing a new 60-70 unit project for chronically homeless individuals annually and implementing a focused "move on" policy in the HFI projects to encourage 20% of current HFI residents to move to more independent, stable housing each year. These two strategies will provide 120 – 150 units for individuals annually. The strategies for families and youth focus on negotiating with the Cuyahoga MHA for dedicated Housing Choice Vouchers and prioritizing 40% of the turnover from CoC PSH beds not currently dedicated to the chronically homeless for chronically homeless families and youth to meet the annual production goals.

The CoC is pursuing several strategies to increase the number of households with children assisted through Rapid Re-Housing (RRH). The first is to maintain households with children as the priority population for RRH. Second, the CoC is expanding financial assistance for RRH by a) re-allocating CoC program funds from Transitional Housing to RRH; b) increasing the allocation of local County Health & Human Services levy dollars; c) encouraging an increase in the use of Supportive Services for Veterans Families funds. These actions will increase the pool of funds and permit more families to be helped. The third strategy focuses on the RRH process. Presently the average time from shelter entry to RRH exit is 52 days, which is a reduction from an average of 62 days. The CoC goal is to reduce shelter stays to 30 days or less. Better coordination/communication among shelter staff, families, and RRH Housing Locator staff will further reduce the length of time from referral to housing, enabling more families to be assisted.

Help low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families who are likely to become homeless after being discharged from a publicly funded institution or system of care, or who are receiving assistance from public and private agencies that address housing, health, social services, employment, education or youth needs

Foster Care Discharge Planning

Through CE, youth aging out of foster care are identified at the shelter front door. CE staff contact the Department of Children and Family Services staff liaison to relink the client with agency services and divert them from shelter. In 2013, the CoC joined the Jim Casey Youth Opportunity Initiative to improve youth outcomes related to permanence, employment, health, education, housing, and financial capability, to prevent youth homelessness. The Jim Casey model will be replicated with the youth justice and mental health systems. Also in 2013, the CoC converted a 26 bed adult male shelter and a 26 bed adult male transitional housing program to target males aged 18-24. The objective is to have a safe emergency housing alternative for youth who are on the street, and who are less likely to go to the 365 bed men's shelter.

Health Care Discharge Planning

Although the Ohio Department of Health policy prohibits discharging people requiring ongoing medical care to shelter, the practice continues. A CoC Hospital Discharge Planning Group, established in FY 2011, focuses on the discharge policies and protocols of area nursing homes and hospitals. The group developed written "Health Status" guidelines which clearly state the minimum health status threshold to enter a shelter. This information has been distributed to all area nursing homes and hospitals. Further, the protocol states that prior to sending someone to a shelter by cab or by ambulance, the facility must call CE, who will discuss the referral in order to prevent someone who is medically inappropriate from being discharged to the shelter. Hospital and nursing home staff attend the Discharge Planning Group meetings. CE staff track medical discharges that are inappropriate. Facilities are contacted and held accountable to stop the practice.

Mental Health Discharge Planning

The Cuyahoga County Alcohol, Drug Addiction & Mental Health Services Board monitors state requirements prohibiting discharge to shelters. In addition, it provides a 10 bed mental health crisis shelter. The respite beds provide additional time for case workers to develop safe, permanent housing options for persons who may have been homeless prior to hospitalization. Chronically homeless individuals leaving the state hospital may access a permanent supportive housing/chronically homeless unit. Safe Haven placement is another option provided the client was homeless prior to the state hospital stay. Mentally ill persons living on the streets and in the shelter are prioritized for permanent supportive housing/chronically homeless units.

Corrections Discharge Planning

In 2009, Cuyahoga County and the City of Cleveland established an Office of Re-entry to link returning offenders with resources in order to reduce recidivism. A strategy to prevent homelessness that has been promoted by the Office on Re-entry is outreach to inmates to assess housing, employment, and behavioral health needs, and begin the process of linking clients with resources prior to release. Two current programs are noteworthy: a) the VA goes into the institutions and identifies veterans, provides ID's, benefit determination, medical services and housing upon release; and b) The Corporation for Supportive Housing has sponsored a program that focuses on identifying persons who have serious mental health issues, engaging with them and providing housing upon release. Both programs have documented success with reducing homelessness for these high risk populations as a result of the program interventions.

Helping low-income individuals....Narrative (continued)

Assistance from Other Public or Private Agencies

In 2013, 56% of participants accessed non-employment income sources. Improving on the percentage of participants increasing income from entry to exit will be accomplished through focused efforts to assess and link clients more quickly. Through CE, the CoC is better able to assess clients at shelter entrance to identify current income sources and potential benefit sources. The standardized data is entered into HMIS. The open HMIS system enables the agency accepting the client referral from CE to begin addressing client income issues more quickly. In addition, the State of Ohio has established an online "Benefit Bank." Using client data, case workers can identify additional income sources for which the client may qualify. Through CE, veterans are identified and referred immediately to the VA Homeless Outreach Coordinator to link the client with VA resources. Performance on income attainment is discussed at bi-monthly provider meetings.

In 2013, 73% of participants in CoC funded projects obtained mainstream benefits. The CoC will attempt to increase this percentage by continuing the following strategies. The CoC requires all providers to participate in CE, which identifies client eligibility for income supports and mainstream benefits. It

identifies veterans and links them immediately with the VA Homeless Outreach Coordinator for the CoC. Chronically homeless individuals are prioritized for permanent supportive housing. Enrolling chronically homeless clients in mainstream resources is a primary activity during the engagement and housing process. Mainstream benefit enrollment achievement is tracked through monthly HMIS reports generated by the HMIS Systems Administrator. Performance is discussed at bi-monthly provider meetings.

SP-65 Lead based paint Hazards – 91.215(i)

Actions to address LBP hazards and increase access to housing without LBP hazards

The Cleveland Department of Public Health Department (CDPH), in cooperation with the Cuyahoga County Board of Health, operates as the clearinghouse for state and federal lead testing requirements for children, local statistics, local resources and contact information, and best practice strategies to improve testing rates.

In 2020, the City of Cleveland participates and contributes resources to the Lead Safe Coalition.

The Lead Safe Cleveland Coalition is a public-private partnership formed to address the issue of lead poisoning in our community. Our approach is preventive, comprehensive, and long-term. The Coalition is made up of more than 400 members, 120 organizations, state and local governments, and families impacted by lead. The centerpiece of the coalition is the City's Rental Registry and required Lead Safe Certification for all rental units in the City of Cleveland by 2023.

How are the actions listed above related to the extent of lead poisoning and hazards?

Lead screenings may be obtained through private physicians, public health clinics, or at no charge at health centers operated by the CDPH. CDPH receives all lead test results for children under the age of 6 living in Cleveland. A case is automatically opened for a child under the age of six with lead levels of 10 ug/dL or greater and for children under the age of fourteen months with lead levels of 6 ug/dL or greater. In addition, scientific evidence indicates that children suffer adverse effects from lead at levels less than 10 ug/dl. Therefore, the current recommendation is that 5 ug/dl be used as the threshold at which to raise awareness and provide services. Services include education on lead, its effects, its sources, nutrition, development, and referrals to other social service resources.

How are the actions listed above integrated into housing policies and procedures?

The City integrates the lead-based paint issue into housing policies and procedures through the Lead Hazard Repair Program, which is designed to increase the inventory of lead-safe affordable housing and reduce childhood lead poisoning in the community. The Lead Hazard Repair Program provides lead risk assessments, identifies lead-based paint problems, and provides lead prevention information and maintenance practices to control future lead hazards. The program strives to use a single approach to address various housing, health, and safety needs for homeowners and renters.

The City will also leverage funds across its available programs to address lead hazards and work in collaboration with other public and private entities to extend lead poisoning prevention services to Cleveland residents.

The City of Cleveland has also implemented HUD's Lead Safe Housing Rule, providing educational materials, abatement of lead-based paint hazards, and safe work site practices, depending upon the specific activity. Also, City staff has been trained to administer lead paint remediation work.

In 2019, the City of Cleveland Department of Community Development was awarded a three-year \$9.7 million HUD Lead Hazard Reduction "High Impact Neighborhood" Grant. The grant includes a goal to perform lead hazard remediation work in a total of 600 housing units located in three census tracts in the Glenville neighborhood of Cleveland.

SP-70 Anti-Poverty Strategy – 91.215(j)

Jurisdiction Goals, Programs and Policies for reducing the number of Poverty-Level Families

Taken at the most basic level, the key to escaping poverty is finding and holding full-time employment with health care and other job benefits. The City of Cleveland's extensive economic development efforts are focused on retaining and creating employment generating activity in Cleveland, thereby reducing the overall poverty level. The following initiatives are specifically directed at expanding economic opportunities for low income Cleveland residents.

Workforce Development

The City of Cleveland and Cuyahoga County have joined in a collaborative workforce system, Employment Connection, to help local employers meet their human capital needs and assist residents with the tools necessary for a successful job search, including maintaining strong partnerships with business, the public sector and local educational institutions to ensure that training programs supply the skills employers seek; providing a comprehensive network of training and educational resources for basic skill remediation, skill upgrade and skill-set enhancement, as well as job search assistance; and providing employers with on-the-job and customized training opportunities for new and/or current employees.

Fannie M. Lewis Cleveland Resident Employment Law

The City of Cleveland expands economic opportunities for its residents through the Fannie M. Lewis Resident Employment Law, which requires that for any construction activity receiving \$100,000 or more in assistance under a City of Cleveland contract, 20% of the construction work hours must be performed by City of Cleveland residents and 4% of the work hours should be carried out by low income persons. Contracts funded through the CDBG and HOME Programs are included under this requirement.

Community Benefits Agreement

In February 2013, Cleveland Mayor Frank G. Jackson, along with representatives from several key business, civic, labor and trade organizations, signed a Memorandum of Understanding Regarding Community Benefits and Inclusion. This historic public-private agreement will help drive investment in Cleveland in a way that creates direct benefits for Cleveland residents by increasing pre-apprentice and apprenticeship training opportunities, connecting qualified local residents with job opportunities, increasing utilization of minority, female and locally owned business enterprises as both prime and sub-contractors, and convening a committee to monitor progress. The partner organizations are: the City of Cleveland, the Construction Employers Association, Black Contractors Group, Hispanic Roundtable, the Urban League of Greater Cleveland, Greater Cleveland Partnership, Cuyahoga Community College, the Cleveland Metropolitan School District and the Cleveland Building and Construction Trades Council.

Use of HUD Resources for Job Creation Activities

Cleveland will seek to identify specific job creating economic development projects that can be supported through the use of HUD's Section 108 financing (both in the Pooled Bond Fund and the Supplemental Empowerment Zone funding) and Economic Development Initiative (EDI) funds.

The City of Cleveland also has Neighborhood Revitalization Strategy Areas (NSRAs) and has been working to both create jobs and eliminate slum and blight in these areas. The NSRAs provide the City with greater flexibility in the use of CDBG funds. Developing an NSRA in a highly distressed area allows additional resources to be blended with CDBG funding to provide expanded and enhanced economic development and job training activities, contributing to a reduction of poverty.

How are the Jurisdiction poverty reducing goals, programs, and policies coordinated with this affordable housing plan

Cleveland uses combinations of its HUD-related funding, State of Ohio funding, local public funds and programs, along with philanthropic and private sector dollars, to provide affordable housing programs to reduce housing cost burden, which is frequent among households whose income is near the poverty line. For example, low interest or deferred rehabilitation loans, weatherization programs, and utility discounts based on household income reduce overall housing costs and makes available money for other necessities or to help pay toward educational programs or training.

When feasible, the City also takes advantage of blending rehabilitation, development, and transit opportunities. Cuyahoga County is considered the first completely built-out county in Ohio, meaning that in the future, more development will occur on previously developed sites than on undeveloped tracts of land. As noted by the Center for Neighborhood Technology's H+T Affordability Index, transportation costs associated with the location of housing have a demonstrable impact on a household's economic bottom line. Access to reliable public transportation for employment and necessities, with decreasing reliance on an automobile, will further reduce household expenditures.

Administratively, the City enforces applicable federal regulations that create economic opportunity and sustain a living wage, such as Davis-Bacon, minority and women business equal opportunity compliance, and Section 3 of the National Affordable Housing Act. Section 3 sets goals for the participation of qualified low- and moderate-income businesses and workers for HUD-funded construction projects.

More broadly, the City participates in regional efforts that strive to prevent or reduce poverty, such as the Northeast Ohio Sustainable Communities Consortium. Objectives in the NEOSCC report, Vibrant NEO 2040, include promoting investment in established communities, develop the regional economy with accessible employment opportunities, and enhance the regional transportation network.

SP-80 Monitoring – 91.230

Describe the standards and procedures that the jurisdiction will use to monitor activities carried out in furtherance of the plan and will use to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

The Department of Community Development will be responsible for monitoring all Consolidated Plan activities undertaken with Federal funds awarded to the City of Cleveland. An extensive monitoring structure is in place to assure that all statutory and regulatory requirements are being met. In 2017, the Department established a Department Manual that consolidated the variety of policies and procedures developed in the Department over time so staff would have one resource to reference in carrying out monitoring responsibilities. To date this manual has been reviewed and re-issued every quarter to ensure that the Department is adhere to the most recent requirements.

The Division of Administrative Services will carry out the following monitoring responsibilities:

- Subrecipient Performance- Staff will monitor the performance of subrecipients to assure that time schedules are being met according to the terms of the contract. Site visits will be undertaken both to monitor performance and program quality and to assure the maintenance of required supporting documentation.
- Financial Management- Financial reviews of subrecipient records will be undertaken to assure that funds are being accounted for in accordance with all applicable regulations. In addition, all agencies receiving more than \$25,000 annually will be required to have an audit performed by an independent public accounting firm.
- Davis-Bacon Compliance- The Fair Labor Standards Compliance Officer will determine which projects are subject to Davis-Bacon requirements and will monitor for full compliance.
- Fair Housing, Equal Opportunity and Section 3- Staff will monitor all HUD assisted activity to assure full compliance with Fair Housing laws, the City's EEO hiring goals and HUD Section 3 requirements concerning employment opportunities for low-income residents.
- Relocation- Staff will review all development activities to assure that any persons potentially being displaced are notified of all rights and benefits required under Federal regulations.
- Environmental and Historic Compliance- Staff will monitor development projects for compliance with all applicable Federal and local regulations regarding environmental impact and historic preservation.
- HOME Program Rental Housing Compliance- Staff will monitor HOME-assisted rental housing units for the applicable period of affordability (5 to 20 years). Monitoring will include verifying rent levels and tenant incomes, and carrying out physical inspections to assure that units are maintained to program standards.

The Division of Neighborhood Services will carry out Housing Quality

Standards monitoring responsibilities for homeowner rehabilitation, homebuyer activities and weatherization, and Lead-Based Paint monitoring for all departmental activities:

- Housing Quality Standards- Rehabilitation specialists will review all plans and specifications prior to construction activity and will inspect completed work prior to disbursement of funds. This will assure compliance with both City codes and applicable HUD standards.
- Lead-Based Paint- Trained and certified staff will oversee all aspects of implementation of the HUD lead-based paint regulations.

Performance Report

On an annual basis, progress toward meeting the goals of the Consolidated Plan will be monitored and fully evaluated, with the results presented to the public in the Consolidated Annual Performance Evaluation Report (CAPER).

Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

The City of Cleveland will continue to pursue other available federal, state and private sources to leverage entitlement grant funding for the proposed community development initiatives in the Consolidated Plan. The City will also contribute a number of local tools and incentives, including the Cleveland residential and commercial tax abatements, and the Health Homes Initiative. In addition, local funds will be allocated during the 5-year period to support the City’s Consolidated Planning priorities.

Anticipated Resources

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan \$	Narrative Description

			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
ESG	public - federal	Conversion and rehab for transitional housing Financial Assistance Overnight shelter Rapid re-housing (rental assistance) Rental Assistance Services Transitional housing	1,852,356	0	0	1,852,356	0	

Table 58 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

CDBG funds are often part of larger funding pools to implement activities. For example, Section 108 loans leverage other private and public funds for economic development projects. In addition, public service funding through CDBG can be supplemented.

HOME match requirements are met by funds provided from various sources by project partners.

ESG match requirements are met with County funds, all of which contribute to the funding pool made available to implement the programs of the Cleveland/Cuyahoga County Continuum of Care.

HOPWA funds address specific financial needs, such as ongoing rental assistance or short-term assistance with a mortgage, rent, or utility

payments. These specific uses of funds represent only a portion of the financial and other support services being received by a person.

SECTION 108 funds leverage economic development opportunities within the Neighborhood Revitalization Strategy Areas (NRSAs) to increase job creating investments by closing financing gaps and leveraging other funds.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City of Cleveland currently has about 17,000 parcels in its Land Bank. Many of these parcels are in locations suitable for aggregation into larger development sites.

The City leverages CDBG with other funding sources to support creation of greenspaces and community gardens on city-owned property for use by residents, schools, faith-based groups, and nonprofit agencies.

The City uses this resources whenever possible to encourage new housing, commercial, and industrial development. In addition, the Cuyahoga Land Reutilization Corporation partners with the City of Cleveland to acquire properties, which are either demolished or sold in an as-is condition or rehabilitated and resold.

Discussion

CDBG Float Loans

Per HUD regulations, CDBG grantees have a line of credit that covers the amount of CDBG funds available for the grantee to expend. The grantee can use the funds available in the line of credit to provide short-term financing for projects such as, but not limited to, economic development or housing.

The City of Cleveland has used Float Loans in the past. As of early 2021, the City has no outstanding CDBG Float Loans. During the FY 2021-2025 period, the City may consider using this program. If the program is used, the City will follow the regulations at 24 CFR 570.301. As stated in 24 CFR 570.301(b), each "float-funded activity" will be individually listed and described in the annual action plan. If the need for a float-funded activity occurs after a program year has started, the annual action plan will be amended to accommodate the specific activity.

Revolving Loan Fund

A revolving loan fund is established for carrying out specific activities, which, in turn, generate payments to the fund for use in carrying out the same activities.

During the FY 2021-2025 period, the City may consider establishing this type of program with CDBG funds. The revolving loan fund would be used for activities located in Neighborhood Revitalization Strategy Areas (NRSAs). The purpose of the revolving loan fund would be to undertake activities such as acquiring land and/or other activities to attract investment in NRSA areas to create jobs or provide housing for low income persons.

Table 59 – Goals Summary

Goal Descriptions

1	Goal Name	10 Year Housing Plan
----------	------------------	----------------------

**Goal
Description**

10 Year Housing Plan

The goal of the Ten-Year Housing and Investment Plan is to foster a robust housing market that will ensure everyone has access to a decent home, provide a full range of housing choices for existing residents, and attract new residents to Cleveland's neighborhoods.

A ten-year blueprint for creating and maintaining housing in the City of Cleveland. The 10 year plan will also provide financial strategies for the City and neighborhoods to support affordable housing, mixed income neighborhoods and municipal growth. The plan further evaluates existing programs are not only improving the quality of life of residents today, but also developing the building blocks to catalyze long term neighborhood revitalization.

Using data from the city, its residents, and national data sets to create informed, practical policy and investment.

This priority will invest in the following initiatives:

Strategic Initiatives, including but not limited to:

- Mayor's Transformation Initiative;
- Lead Safe Coalition;
- FHAct 50- Clark-Fulton Low Income Housing Tax Credit Initiative;
- Support housing strategies identified in the Cleveland's Neighborhood Revitalization Strategy Area Plan (NRSA Plan);
- Demolition and Board Up of Blighted buildings;
- Project Clean;
- Citywide Grants;
- CDC Activity Grants;

Safe Housing Initiatives, included but not limited to:

- Housing Rehabilitation Programs such as Senior Homeowner Assistance Program (SHAP) or Repair-A-Home (RAH) program;
- Competitive Lead Grants from U.S. Department of Housing and Urban Development (HUD);
- Affordable Housing Expansion and Preservation, including but not limited to:

Consolidated Trust Fund;

CLEVELAND

134

- Community Housing Development Organization (CHDO) Set-Aside and project support;

Support Housing Infill Development, including but not limited to:

2	Goal Name	Economic Opportunity
	Goal Description	<p>Economic Opportunities</p> <p>Cleveland's objectives for expanding economic opportunities involve both the creation of more jobs for low income residents and helping those residents with the least skills to improve their employability. The Department of Community Development and Department of Economic Development are charged with working toward these objectives through a variety of program strategies. This priority will support the following initiatives:</p> <ul style="list-style-type: none"> • Storefront Renovation Program; • Use of Land Bank property for economic development initiatives; • Support initiatives for economic development identified in Cleveland's Neighborhood Revitalization Strategy Area Plan (NRSA Plan); and, • Support workforce development initiatives (public services).

3	Goal Name	Ending Poverty and Racial Disparities
	Goal Description	<p>Ending Poverty and Racial Disparities</p> <p>Ending systemic causes that allow poverty and racism to persist will continue the disparate outcomes that we see in Cleveland. Under this priority the City will invest in the following initiatives:</p> <ul style="list-style-type: none"> • Support the City/County Continuum of Care; • Support the goal to End Chronic Homelessness; • Provide necessary public services program identifies in the City's HUD approved Neighborhood Revitalization Strategy Areas (NRSA Plan); • Provide necessary public services that address systemic poverty; • Provide necessary public services that address youth violence; • Provide necessary public services that address poverty and accessibility among the elderly; • Support housing and public services for persons with HIV/AIDS; and, • Support the use of Land Bank property for the use of permanent supportive housing and other public facilities that address poverty.

4	Goal Name	Neighborhood Improvements
	Goal Description	<p>Neighborhood Improvements</p> <p>Cleveland neighborhoods have seen a persistent cycle of disinvestment that has resulted in most of the City designated as being affected by slum and blight. In order to address slum and blight and the needs of the residents of Cleveland's neighborhoods investment in public facilities, public infrastructure, reutilization of vacant land for interim or permanent uses is key to reposition for the needs of residents. Under this priority neighborhood improvements include activities such as:</p> <ul style="list-style-type: none"> • improvements to existing public facilities, • construction of new public facilities, • creation and maintenance of community gardens, • the creation of parks and greenspace, • improvements to create walkable neighborhoods, • improvements to create bikeable neighborhoods, • improvements to access mass transit, • improvements to infrasture, such as roads and sidewalks, or • other improvements that benefit residents on a neighborhood level.

Projects

AP-35 Projects – 91.220(d)

Introduction

Funds provided through HUD formula programs will be focused primarily on neighborhoods where most residents qualify as low/moderate income; or in areas designated as blighted, based on existing building conditions. Many Cleveland neighborhoods qualify under both criteria. Limited activities may be carried out in higher income, non-blighted areas if they are addressing needs of specific low/moderate income individuals or conditions of blight.

Four planning documents play a key role in targeting neighborhood development resources: the *Cleveland Housing Plan*, *Connecting Cleveland 2020 Citywide Plan*, the *Neighborhood Typology*, and *Reclaiming Cleveland – Target Area Plans*.

The *Cleveland Housing Plan* fosters a robust housing market that will ensure everyone has access to a decent home, provide a full range of housing choices for existing residents, and attract new residents to Cleveland's neighborhoods. It will create a blueprint for programs, policies, and investment tools to achieve this goal.

The *Citywide Plan* outlines policies and strategies of citywide and neighborhood significance (e.g. housing, economic development, education, arts and culture, and safety), and the assets, trends, challenges and opportunities in Cleveland neighborhoods.

The *Typology* identifies the relative market strength of neighborhoods, and provides information to assist in the development of urban revitalization strategies.

Reclaiming Cleveland serves as a guide for utilizing community development, as well as other resources, in a contextually-specific manner to bring about immediate, targeted and sustainable improvements in areas substantially affected by economic decline or disinvestment.

Assessing Cleveland's housing and development needs and planning for the best use of available limited resources is an ongoing process. Throughout the year, Department of Community Development staff attends community meetings and works closely with residents, Cleveland's extensive Community Development Corporation network (CDCs), and other stakeholders to determine how best to improve City programs, attract additional resources, and undertake innovative approaches to meeting identified priority needs.

NOTE: The City of Cleveland anticipates that each year, Prior Year Resources will be available. Due to the fact that the dollar amount can vary and it is not assigned to specific activities as of the start of a program year, this amount and the possible Goal Outcome Indicators are not included as part of the Funding or Goal Outcome Indicator boxes in the Projects in this section.

Table 60 – Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

AP-38 Project Summary
Project Summary Information

1	Project Name	Demolition, Board-Up & Acquisition
	Target Area	City of Cleveland Central NRSA West NSRA South NRSA
	Goals Supported	10 Year Housing Plan
	Needs Addressed	10 Year Housing Plan
	Funding	CDBG: \$850,690
	Description	The Department of Building and Housing will administer a demolition program for condemned structures that pose a threat to the health/safety of Cleveland Residents
	Target Date	5/31/2022
	Estimate the number and type of families that will benefit from the proposed activities	This project does not directly benefit families, but rather the neighborhoods citywide by removing blight. There are 173,025 households, of which 78,875 are families. The majority (60%) are low and moderate income with a median income of \$47,000.
	Location Description	The Department of Building and Housing operated this program Citywide and maintains a list of blight properties
	Planned Activities	CDBG funds will be used for the demolition of condemned and vacant properties. CDBG funds will be used for the boarding of condemned or fire damaged structures that are open and pose a hazard to the surrounding community. CDBG funds will be used for the abatement of nuisances through administrative and civil actions.
2	Project Name	Housing Rehabilitation Assistance
	Target Area	City of Cleveland Central NRSA West NSRA South NRSA
	Goals Supported	10 Year Housing Plan
	Needs Addressed	10 Year Housing Plan
	Funding	CDBG: \$1,975,000 HOME: \$866,436

	Description	The Division of Neighborhood Services will provide direct assistance to low to moderate income occupants for rehabilitation, repair and maintenance of owner-occupied residential structures. Programs offered include Repair-A-Home (RAH), Senior Housing Assistance Program (SHAP), Homeowner Rehab Gap Financing (AAH); Furnace Repair; Furnace Replacement; Hot water Tank Replacement, Tree Trimming and Gutter Program. The Division also operates the following programs for owner occupants and tenants: Lead Hazard Control Program and Healthy Home Program. Citywide Project.
	Target Date	5/31/2022
	Estimate the number and type of families that will benefit from the proposed activities	At least 435 families will benefit directly from proposed activities, primarily seniors and the elderly.
	Location Description	This project operates Citywide.
	Planned Activities	Single family code compliant repair/rehabilitation assistance; Critical Repair Items for Seniors or Disabled owner occupants; Handicap Accessibility; Lead Hazard Reduction Work; Health and Safety Work in single family properties; Energy Efficiency Measures; Gutter Replacement; Tree Trimming; Furnace Repair; Furnace Replacement; Hot water Tank Replacement; Referral to Third Party and private repair financing options.
3	Project Name	Housing Trust Fund and Community Housing Development Organizations (CHDOs)
	Target Area	City of Cleveland Central NRSA West NSRA South NRSA
	Goals Supported	10 Year Housing Plan
	Needs Addressed	10 Year Housing Plan
	Funding	HOME: \$3,540,894
	Description	Through a competitive proposal process administered by the Department of Community Development, the Housing Trust Fund will provide a source of public capital for investment in housing development projects that will increase the supply of affordable housing units and/or assist in addressing housing related neighborhood revitalization strategies. Activities under this project CHDO administration support for eligible CHDOs in Cleveland.

	Target Date	5/31/2022
	Estimate the number and type of families that will benefit from the proposed activities	At least 400 families will benefit directly from proposed activities.
	Location Description	All programs are Citywide.
	Planned Activities	Provide HOME financing, including grants and loans to affordable housing projects including: <ul style="list-style-type: none"> • Lofts at Lions Mills • Hough Heritage Housing • Cedar I and II • Heritage View IV • Emerald Alliance IX & X • Circle North 1-4 Family homes • EDEN Inc. portfolio preservation • East Cedar 12 unit apartment • other 1-4 family owner occupied homes • other 1-4 family lease-purchase homes • other 5-20 unit apartment buildings • other 21+ unit apartment buildings
4	Project Name	AIDS Awareness & HOPWA (Housing Opportunities for Persons with AIDS)
	Target Area	City of Cleveland
	Goals Supported	Ending Poverty and Racial Disparities
	Needs Addressed	Ending Poverty and Racial Disparities
	Funding	CDBG: \$284,393 HOME: \$1,773,969
	Description	The Department of Public Health will contract with neighborhood-based service providers in a five-county area to develop long-term comprehensive strategies and incentives to promote community awareness about AIDS, and to provide resources to address the housing needs of persons with AIDS and related diseases and their families.2021 Entitlement FundingHOPWA \$1,773,969CDBG \$284,393
	Target Date	5/31/2022

	Estimate the number and type of families that will benefit from the proposed activities	At least 2140 families will benefit directly from proposed activities.
	Location Description	These program operate citywide.
	Planned Activities	<p>CDBG:</p> <ul style="list-style-type: none"> • HIV Prevention Education • HIV/STD Counseling, Testing, and Referral Services <p>HOPWA:</p> <ul style="list-style-type: none"> • Tenant Based Rental Assistance (TBRA) • Short-Term Rent, Mortgage, and Utility (STRMU) assistance • Permanent Housing Placement (PHP) • Supportive Services of Case Management & Nutritional Services
5	Project Name	Emergency Solutions and Homeless Prevention
	Target Area	City of Cleveland
	Goals Supported	Ending Poverty and Racial Disparities
	Needs Addressed	Ending Poverty and Racial Disparities
	Funding	ESG: \$1,852,356
	Description	As a result of continued high demand for shelter services, CDBG funds are used to supplement Emergency Solutions Grant (ESG) funds. The combined ESG and CDBG homeless services funds for shelter services are allocated through a proposal process carried out in cooperation with the Cleveland/Cuyahoga County Office of Homeless Services.2021 Entitlement FundingESG \$1,852,356
	Target Date	5/31/2022
	Estimate the number and type of families that will benefit from the proposed activities	At least 3000 families will benefit from proposed activities.

	Location Description	2100 Lakeside Ave 2227 Payne Ave 1710 Prospect Ave 3135 Lorain Ave 3470 East 152 St 2710 Walton Ave 6001 Woodland Ave
	Planned Activities	2021 Entitlement Funds 1. Shelter 2. Transitional Housing/Temporary Housing 3. Coordinated Entry 4. Diversion/Prevention 5. Rapid Rehousing
6	Project Name	NDA, CDCs and Third-Party Public Service
	Target Area	City of Cleveland Central NRSA West NSRA South NRSA
	Goals Supported	Ending Poverty and Racial Disparities
	Needs Addressed	Ending Poverty and Racial Disparities
	Funding	CDBG: \$1,513,016
	Description	The Department of Community Development will contract with various non-profit organizations to administer CDBG eligible public service activities for families, youth and senior adults. This includes \$170,000 NDA Senior Transportation. This year's funding recommendations to all public service (social service) activities can be found in the attachments.2021 Entitlement FundingCDBG- \$1,308,016
	Target Date	5/31/2022
	Estimate the number and type of families that will benefit from the proposed activities	At least 55000 families will benefit directly from proposed activities.
	Location Description	These programs operate city wide or at the community development corporation service area level.

	Planned Activities	2021 Entitlement Funding Main focus is matrix code 05 and all its sub-categories including elderly meals and socialization, after school programming, child and health care services, etc. This includes \$170,000 NDA Senior Transportation.
7	Project Name	Vacant Lot Clean-up
	Target Area	City of Cleveland
	Goals Supported	10 Year Housing Plan
	Needs Addressed	10 Year Housing Plan
	Funding	CDBG: \$1,210,999
	Description	Seasonal work crews are hired during the spring and summer to clean and cut vacant blighted city-owned lots, primarily in low/moderate income areas. These lots are targeted for redevelopment through the city's land reutilization program.
	Target Date	5/31/2022
	Estimate the number and type of families that will benefit from the proposed activities	This project does not directly benefit families, but rather the neighborhoods citywide by removing blight. There are 173,025 households, of which 78,875 are families. The majority (60%) are low and moderate income with a median income of \$47,000
	Location Description	The Division of Park Maintenance and Properties operates the program citywide during spring, summer and early fall months.
Planned Activities	Hire seasonal workers. Clean debris and cut vacant city-owned lots.	
8	Project Name	Community Gardens
	Target Area	City of Cleveland
	Goals Supported	Neighborhood Improvements
	Needs Addressed	Neighborhood Improvements
	Funding	CDBG: \$126,057
	Description	Funding supports the use of vacant, city-owned property as garden sites, provision of gardening supplies, and technical assistance to developers of neighborhood gardens. Produce generated is distributed among the Cleveland residents maintaining the sites and is donated to local food pantries.

	Target Date	9/30/2022
	Estimate the number and type of families that will benefit from the proposed activities	This project does not directly benefit families, but rather the neighborhoods citywide by removing blight. There are 173,025 households, of which 78,875 are families. The majority (60%) are low and moderate income with a median income of \$47,000.
	Location Description	The approximately 190 community gardens are dispersed throughout the entire city on vacant land, typically controlled by the City's Land Bank. A list of current community gardens is maintained by Division of Neighborhood Development.
	Planned Activities	Plowing/rototilling; provide seeds, plants, humus/fertilizer/soil amendments; soil testing of new sites; garden leadership training; newsletter; on and off site technical assistance & workshops.
9	Project Name	Storefront Renovation Program and Small Business Assistance
	Target Area	City of Cleveland Central NRSA West NSRA South NRSA
	Goals Supported	Economic Opportunity
	Needs Addressed	Economic Opportunity
	Funding	CDBG: \$49,889
	Description	Financial and design assistance provided to commercial property owners and retail business owners to comprehensively rehabilitate buildings in targeted retail neighborhood districts and targeted retail buildings. Improvements will only address the exterior appearance of commercial buildings and, as needed, restore the architectural integrity of the structure according to federal design standards. Where mixed use structures are involved (commercial/residential), program focus is the commercial presence of the building in the retail district. Exterior improvements will address maintenance, code and aesthetic items on the building as well as business signage that is within City codes; as well as functionally appropriate for the building. The Program does not address interior, residential code related items and does not result in decent, safe and sanitary units (DSS).
	Target Date	5/31/2022

	<p>Estimate the number and type of families that will benefit from the proposed activities</p>	<p>The Storefront Renovatio Program assists business, but the projects typically support the retention and creation of up to 30 jobs that in turn benefit 30 low and moderate income jobs.</p> <p>The Small Business Assistance program is is anticipated to result in the retention of at least 300 jobs, meeting the requirement of \$35,000 in assistance per job as required by 24 CFR 570.209. By focusing on our NRSAs, all the projects will be located in an NRSA where the residents’ poverty rate exceeds 20%, meeting the standard of 24 CFR 570.209(b)(2)(v)(F).</p> <p>Retention of at least 300 jobs- As stated above, these projects will be located in the City’s NRSA’s. The projects themselves will impact hundreds of jobs and help to retain the small business and social fabric of our commercial corridors.</p> <p>In turn these jobs will benefit 300 low and moderate income families.</p>
	<p>Location Description</p>	
	<p>Planned Activities</p>	<p>The Storefront Renovation Program is citywide. The Small BUiness Assistance program is Citywide.</p> <p>All Projects funded using HUD 108 or CDBG will be in a Neighborhood Revitalization Strategy. Area (NRSA). As a result, projects will meet the national objectives of area benefit under 24 CFR 570.208 (d)(5)(i).</p> <p>Other resources may be used to fund projects outside of the NRSA or will qualify under another National Objective. Over 90% of Cleveland census tracts fall within the NRSA.</p>

Funding	CDBG: \$7,600,000
Description	This program provides activity grants to nonprofit CDCs for CDBG eligible services and real estate development activities in strategic geographic areas and neighborhoods. The primary objective is to fund activities that stabilize existing housing, provide housing opportunities for low-income residents, and improve the quality of life in Cleveland neighborhoods. CDC's either operate programs that provide a direct benefit to low- and moderate-income residents or help support City programs that provide the direct benefit to low- and moderate-income residents. This year's funding recommendations CDC activities can be found in the attachments. The City is also seeking to support the creation of the Mercado on West 25th Street in the Clark-Fulton neighborhood. The Mercado is a public facility to support public service activities and small business incubator type space for businesses to service a Low/Mod Area.
Target Date	5/31/2022
Estimate the number and type of families that will benefit from the proposed activities	At least 55000 families will benefit directly from proposed activities.
Location Description	Programs funded by the NDA provide services or undertake projects within wards. Frequently projects and programs include multiple wards or citywide.

	Planned Activities	Single and Multi-family Residential Rehabilitation Model Block Acquisition, Sale and Rehabilitation New Housing Construction Storefront Renovation Commercial Tech Assistance Design Review and Retail Marketing Activities Commercial Rehabilitation/Redevelopment Vacant Land Nuisance Prevention Abatement and Reutilization Foreclosure Prevention Fair Housing Assistance Consumer Affairs Housing Program Referral Services Community Engagement Branding and Education Activities Strategic Planning Community-Based Development Organization (CBDOS) Public Services Neighborhood Facility projects
11	Project Name	Citywide Development Organizations Activities
	Target Area	City of Cleveland
	Goals Supported	10 Year Housing Plan Economic Opportunity Ending Poverty and Racial Disparities Neighborhood Improvements
	Needs Addressed	10 Year Housing Plan Economic Opportunity Ending Poverty and Racial Disparities Neighborhood Improvements
	Funding	CDBG: \$250,000
	Description	This program provides operating support to nonprofit CDCs for CDBG eligible services and real estate development activities in strategic geographic areas and neighborhoods.
	Target Date	5/31/2022
	Estimate the number and type of families that will benefit from the proposed activities	At least 100 families will benefit directly from proposed activities.

	Location Description	Programs operate Citywide.
	Planned Activities	Training and Technical Assistance to nonprofits and small businesses, Marketing and Public Relations; low interest loans for housing rehabilitation; pre-and post-purchase counseling and foreclosure prevention services; landlord-tenant rights information, workshops and referral services; tool loan rental, furnace repair and replacement services.
12	Project Name	Land Reutilization
	Target Area	City of Cleveland
	Goals Supported	10 Year Housing Plan Economic Opportunity Neighborhood Improvements
	Needs Addressed	10 Year Housing Plan Economic Opportunity Neighborhood Improvements
	Funding	CDBG: \$495,000
	Description	The purpose of the City Land Bank is to acquire vacant and abandoned tax delinquent residential property and to market the property to individuals, developers and non-profit organizations for productive reuse. The City is also seeking to support the creation of the Mercado on West 25th Street in the Clark-Fulton neighborhood. The Mercado is a public facility to support public service activities and small business incubator type space for businesses to service a Low/Mod Area.
	Target Date	5/31/2022
	Estimate the number and type of families that will benefit from the proposed activities	This project does not directly benefit families, but rather the neighborhoods citywide by maintaining and positions vacant lots for development. There are 173,025 households, of which 78,875 are families. The majority (60%) are low and moderate income with a median income of \$47,000.
	Location Description	The Land Bank current has an inventory of over 15,000 lots spread throughout the City. The Land Bank maintains the inventory.
	Planned Activities	Acquire properties, and market entire Land Bank inventory.
13	Project Name	Fair Housing and Consumer Protection
	Target Area	City of Cleveland
	Goals Supported	Ending Poverty and Racial Disparities
	Needs Addressed	Ending Poverty and Racial Disparities

	Funding	:
	Description	Equal opportunity (EO) and fair housing enforcement and education activities to reduce incidences of housing discrimination. Administered through the Office of Fair Housing & Consumer Affairs.
	Target Date	5/31/2022
	Estimate the number and type of families that will benefit from the proposed activities	264000 families will benefit indirectly from proposed activities. At least 89 families will benefit directly from proposed activities.
	Location Description	Provide fair housing and consumer protection assistance citywide.
	Planned Activities	Develop education materials; Analyze local impediments to housing choice; Provide information through community meetings, resource fairs and other outreach events; Complaint intake, investigation and case management; Increase citizens' understanding of their rights under Federal, State, and Local Fair Housing Laws.
14	Project Name	General and Program Administration
	Target Area	City of Cleveland
	Goals Supported	10 Year Housing Plan Economic Opportunity Ending Poverty and Racial Disparities Neighborhood Improvements
	Needs Addressed	10 Year Housing Plan Economic Opportunity Ending Poverty and Racial Disparities Neighborhood Improvements
	Funding	CDBG: \$5,585,085
	Description	2020 Entitlement Funds Direct program administration costs for approximately 68+ staff salaries and benefits expenses, as well as direct operating expenses for CDBG paid employees. Also included are Equipment and Indirect Costs.
	Target Date	5/31/2022

<p>Estimate the number and type of families that will benefit from the proposed activities</p>	
<p>Location Description</p>	
<p>Planned Activities</p>	<p>2020 Entitlement Funds</p> <p>Contract administration, fair housing and consumer affairs, housing development coordination, compliance monitoring, accounting services, budget administration, information services and data/mapping analysis.</p>

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The jurisdiction consists of the boundaries of the City of Cleveland, an area of 77.6 square miles. Based on the 2010 Census, the city has a population of 396,890, with 207,536 housing units. In the 2010 Census, only 27 of Cleveland’s 175 residential Census tracts did not have a majority of residents qualifying as low/ moderate income.

The median income for a household in the city was \$25,928, and the median income for a family was \$30,286. Males had a median income of \$30,610 versus \$24,214 for females. The per capita income for the city was \$14,291. 26.3% of the population and 22.9% of families were below the poverty line. Out of the total population, 37.6% of those under the age of 18 and 16.8% of those 65 and older were living below the poverty line.

Over the years an increasing percentage of the city’s population has been non-white. The segregation of African Americans from whites and of African-Americans from Hispanics exceeds the averages for many large cities. Cleveland’s African-American population is concentrated on the east side of the city and in the near eastern suburbs. Hispanics are concentrated in the city’s west side neighborhoods.

Whites are about 33 percent of Cleveland's population. Most live in areas in the West side of Cleveland, with areas further away from downtown and close to Lakewood and Parma being near exclusively white. Downtown Cleveland and Little Italy on the East side also have large white populations.

Blacks are about 52 percent of Cleveland. Most live in areas in the Eastside of Cleveland. Areas immediately south and west of downtown also have notable black populations. There is also a small West Indian population.

Hispanics are about 10 percent of Cleveland. The Clark-Fulton neighborhood has the highest concentration of Hispanics in the city. Though, other neighborhoods immediately west and south of downtown, such as Tremont, Ohio City, and Broadway, also have significant Hispanic populations. The vast majority of Hispanics in Cleveland are of Puerto Rican descent.

Geographic Distribution

Target Area	Percentage of Funds
City of Cleveland	60
Central NRSA	15
West NSRA	10
South NRSA	15

Table 61 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

Funds provided through the HUD entitlement programs will primarily be focused on the neighborhoods where the majority of residents qualify as low/moderate income or the area has been designated as blighted, based on the condition of the structures. Many neighborhoods qualify under both criteria. Limited activities may be carried out in higher income, non-blighted areas if they are addressing needs of specific low/moderate individuals or conditions of spot blight.

Four planning documents play a key role in targeting neighborhood development resources: the Cleveland Housing Plan, Connecting Cleveland 2020 Citywide Plan, the Neighborhood Typology, and Reclaiming Cleveland – Target Area Plans.

The Cleveland Housing Plan fosters a robust housing market that will ensure everyone has access to a decent home, provide a full range of housing choices for existing residents, and attract new residents to Cleveland's neighborhoods. It will create a blueprint for programs, policies, and investment tools to achieve this goal.

The Citywide Plan outlines policies and strategies of citywide and neighborhood significance (e.g. housing, economic development, education, arts and culture, and safety), and the assets, trends, challenges and opportunities in Cleveland neighborhoods.

The Typology identifies the relative market strength of neighborhoods, and provides information to assist in the development of urban revitalization strategies.

Reclaiming Cleveland serves as a guide for utilizing community development, as well as other resources, in a contextually-specific manner to bring about immediate, targeted and sustainable improvements in areas substantially affected by economic decline or disinvestment. The planning process to create the document was a collaborative effort involving not only City staff, but also representatives from non-profit development groups, local universities and Cleveland Neighborhood Progress (CNP), a city-wide non-profit established in 1988 to support innovative and successful community organizations and initiatives in Cleveland. CNP coordinated a far-reaching field survey and more than 100 meetings to assist the City in producing the detailed target area plans.

Assessing Cleveland's housing and development needs and planning for the best use of available limited resources is an ongoing process. Throughout the year, Department of Community Development staff attends community meetings and works closely with residents, Cleveland's extensive Community Development Corporation network (CDCs), and other stakeholders to determine how best to improve City programs, attract additional resources, and undertake innovative approaches to meeting identified priority needs.

The current NRSA boundaries were approved by HUD in 2009 and included four areas encompassing

most of the City. NRSA program information was incorporated into the FY 2011-15 Consolidated Plan.

Since that Five-Year Plan was issued, the Census Bureau released updated data. In early 2016, Economic Development Dept. staff analyzed the new Census data, noting that 1) the 2010 census changed some census tract boundaries, and 2) more census tracts qualified as part of NRSAs, situated at the perimeter of Cleveland. The 2016 updated NRSAs include the entire City of Cleveland except for 9 far west side census tracts and 4 south side census tracts. Also, as part of the qualification of additional areas, the 4 NRSAs have been combined into 3 areas (West, South and Central; the East area was combined into the existing Central area).

As part of this Annual Action Plan submission, the City of Cleveland is including an updated NRSA boundary map (attachment), a description of NRSA strategies (attachment), and the entire NRSA Strategies & Monitoring Plan, 2016-2020 (appendix).

Discussion

Neighborhood Revitalization Strategy Area (NRSA)

The three NRSA areas are:

- Central NRSA
- West NRSA
- South NRSA

The 2021-2022 NRSA projects are:

1. CBDO Public Services through CDCs that qualify.
2. Aggregation of Housing Units rehabilitated or constructed by partner CDCs.
3. Storefront Renovation Program
4. Small Business Assistance Program providing loans and grants.

Table 63 - One Year Goals for Affordable Housing by Support Type

Discussion

Homeless: The One Year Goal reflects new permanent supportive housing units that will be completed.
R

ehab of Existing Units/Acquisition of Existing Units: The goals in this line item reflect a combination of single and multi-family new construction, and rehabilitated single- and multi-family units. The one year goal for new construction includes 50 single family units, and 424 multi-family units (474 total).

Rehabilitated units consist of 70 single-family and 123 multi-family (193 total). The unit counts are based on project funding awards and proposed projects that have reached a stage making the project likely to occur. Per HUD instructions, the total unit count represents the production of 606 new units and 193 rehabilitated units that, by excluding acquisition units, are not counted twice.

AP-60 Public Housing – 91.220(h)

Introduction

The Cuyahoga Metropolitan Housing Authority (CMHA) expects to receive \$60,000 operating grant, \$18,400,056 capital fund grant, \$94,900,000 housing choice voucher grant (Section 8) and another \$4,839,944 in other resources during the 2021-2021 grant year. CMHA manages 9,284 public housing units and 15,269 housing choice vouchers. The most recent waiting list for public housing units is 20,226 families and the waiting list for housing choice vouchers is 5,632.

Actions planned during the next year to address the needs to public housing

During the next year, the City of Cleveland will assist CMHA in its efforts to maintain the availability of public housing units by retaining the existing inventory to the fullest possible extent or providing replacement units for housing deemed obsolete. One example of coordination activities with CMHA includes submitting appropriate funding applications that may occur. In addition, the City will continue to work with CMHA, when or where appropriate, as a financial partner in the rehabilitation or new construction of housing units.

All capital fund grant resources will go to boiler and elevator repair/replacement projects during the 2021-2022 grant year.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

In terms of management, both the Cuyahoga MHA and Parma PHA have systems in place for residents and administrators to meet on an ongoing basis to discuss management/building issues, which the City believes is appropriate for that purpose. Public housing facilities are also subject to the City building codes, when repair issues arise.

In terms of homeownership and self-sufficiency, a strategic goal of CMHA is to promote the self sufficiency and asset development of its assisted households. CMHA partners with various community agencies and nonprofit organizations to provide programs and activities to help residents, both youth and adult, achieve self-sufficiency goals. Residents can participate in programs that include job training, health and financial literacy, youth and adult education, and home ownership. These programs are designed to help residents develop skills that will reduce or eliminate the need for government assistance.

Primary resident initiatives objectives include: Increasing the level of employment opportunities for assisted families; Making available supportive services to improve the employment skills of residents; Making available supportive services to increase independence for the elderly and families with disabilities; and Increasing homeownership opportunities

A major tenant homeownership initiative is the Housing Choice Voucher Homeownership Program, which allows eligible assisted families that have completed prepurchase counseling and homeownership training to apply to a mortgage lender and search for a home. The Housing Choice Voucher pays a portion of the homebuyer's mortgage for 15 years.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

Not applicable. Neither the Cuyahoga MHA nor the Parma PHA are designated as "troubled" by HUD.

Discussion

This question intentionally left blank.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The City of Cleveland intends to coordinate its 2021 Emergency Solutions Grant (ESG) funds with those received by Cuyahoga County, along with any Homeless Crisis Response Program (HCRP) funds allocated to Cuyahoga County by the Department of Development for the State of Ohio, for programs designed to rapidly exit families, Youth, and single adults from homelessness.

These funds will be administered by the Cleveland/Cuyahoga County Office of Homeless Services (OHS), which is the designated CoC Lead Agency for the Continuum of Care (CoC). The OHS manages the Continuum of Care (CoC), a network of homeless service providers that implements homeless services and housing assistance through a Coordinated Community response to homelessness.

The goals of the CoC's strategic plan are:

- a. To assure that homelessness is Rare, Brief, and non-recurring
- b. Reduce the number of individuals and families who experience homelessness;
- c. To comply with HEARTH Act requirements that remove barriers to individuals and families accessing housing and service
- d. To adhere to CPD Notices related to Prioritization of Chronic Homeless persons and families
- e. To implement a Coordinated Entry System that is accessible, resolves homelessness, and allocates limited resources to the highest need households.
- f. To end Chronic Homelessness by 2019;
- g. To end Family and Youth Homelessness by 2020;
- h. To end Veteran Homelessness by 2018;
- i. To end all homelessness as quickly as possible;

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The CoC utilizes several outreach efforts that operate 365/days a year:

- 1) PATH workers, supported by mental health funding, work early morning and in the evening visiting camps and places known to be used by unsheltered persons. PATH refers many persons to the permanent supportive housing/chronically homeless units;
- 2) Care Alliance, the Federally Qualified Health Center serving homeless persons, also conducts street outreach on a daily basis;
- 3) The Louis Stokes Veterans Medical Center supports a Homeless Outreach Team specifically reaching out to unsheltered veterans who are identified by the coordinated community efforts;
- 4) in addition, two organizations are funded by the VA for the Supportive Services to Veteran Families (SSFV) Program which includes street outreach to veterans;

- 5) one agency receives “Runaway and Homeless Youth Act” (RHY) funding to conduct street outreach to youth, ages 14 – 21;
- 6) Shelter Outreach – many street homeless spend some nights at the publicly funded shelters. Shelter staff attempts to engage them in permanent supportive housing/chronically homeless housing and services;
- 7) The CoC funds a cold weather, weekend shelter for people who refuse ‘traditional’ shelter. Outreach teams visit this site to engage this shelter resistant group. The CoC implemented a single site, Coordinated Entry system (CES) in 2012. All newly homeless individuals and families are assessed prior to entering shelter. If possible, safe, alternative permanent housing is identified. CE utilizes mediation to reunify families to avoid a shelter stay. Domestic Violence victims, veterans, youth, and other sub populations are able to be identified at CES and linked with community resources specifically targeted to their needs.

Addressing the emergency shelter and transitional housing needs of homeless persons

Since FY 2009, the CoC has been implementing policies and practices intended to shift the shelter and transitional housing paradigm focused on facility based programming and services intended to “prepare” someone for housing, to instead, a “Housing Crisis Response System” that sees the role of shelter as a safety net for the most vulnerable and at risk, with the goal of having the shelter stay be as brief as possible. The traditional “Transitional Housing” model that permitted a residential stay of up to 24 months has been replaced with a “housing first” approach informed by client needs. All the CoC funded programs (including ESG funded activities) are low barrier in their entrance policies. There are no requirements that individuals or families undergo ‘drug testing’, comply with behavioral health medications as an entry requirement, or, for the single adult shelters, be sober at the time of entrance. Single site, longer term residential programs are referred to as “temporary housing” and target the highest barrier families and single adults, matching households that require more interventions to programs that have more resources. Lack of income is not a barrier for referral to shelter or to access Rapid Re-Housing assistance. Implementation of CE has enabled the CoC to coordinate resources to match client needs much more effectively and efficiently.

A significant number of homeless individuals and families also have involvement with one or more systems. While the CoC is engaged with these systems to encourage more effective discharge planning, the CoC is also identifying ways to relink persons once they become homeless. Specifically, through CE and Diversion Assessment at the shelter front door, families and individuals that currently have case managers in other systems, can be contacted for interventions to prevent the client from entering shelter: a) Veterans and their families are identified and referred to the VA’s Supportive Services to Veterans Families (SSVF) Project, which provides homeless prevention assistance and links clients with other VA resources; b) persons over 65 are linked with the aging system; and c) 18-24-year-old youth who have aged out of foster care, may be relinked with that the Child Welfare system for system resources and supports.

Helping homeless persons (especially chronically homeless individuals and families, families

with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

For the past 5 years, the CoC has focused on a “housing first” approach. The community has endorsed the US Interagency Council on Homelessness goal that: “Homelessness is BRIEF, RARE, and NONRECURRING”. The CoC is utilizing ESG RRH funding, State funded Homeless crisis response Program funding, and CoC Homeless Assistance PH RRH funding to provide short term rental assistance (security deposit + 4 months rent) to all populations to reduce the shelter length of stay. Shelter services are focused on assisting clients to apply for RRH and working with RRH funded Housing Locators to identify safe decent housing as quickly as possible, have the unit inspected, and move on. Cleveland has implemented a “Progressive Engagement” model for families receiving RRH which does not require that families have income in order to begin receiving RRH assistance. Two agencies are funded by the Veterans Administration to provide Supportive Services to Veterans Families (SSVF) which provides both prevention assistance to currently housed veterans or short term rental assistance to expedite veterans leaving homelessness. Both the SSVF and the RRH programs are required to provide case management to the HH during the subsidy period to assure that the household will remain stably housed after the subsidy is finished. Cleveland/Cuyahoga County are co-sponsors with the YWCA, “A Place 4 Me” of the Strategy to Reduce and End Homelessness for Youth”. Homeless youth are identified at Coordinated Entry and immediately linked with a “Navigator” to assist them to access housing and the resources required to maintain their housing.

Cleveland has been a primary partner in the HOUSING FIRST INITIATIVE, which has developed over 600 PSH units targeted to chronically homeless individuals. Cleveland expects to announce an end to chronic homelessness within the next 18 months. The HFI provides stable housing with supportive services on site. Since its inception in FY 2006, less than 2% of the participants have returned to homelessness.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

Foster Care Discharge Planning

In FY 2015, an initiative to address youth homelessness was launched by “A Place 4 Me”. A strategic plan that includes 4 major goals with detailed strategies and objectives aligned with each goal, calls out the importance of engaging the Child Welfare system to improve emancipation practices. In 2016, the Cuyahoga County Department of Children and Family Services, announced a goal to never again exit a

youth into homelessness. Specific practice changes include reorganizing the Independent Living unit; creating an Emancipation Unit; including youth and youth identified community support people in the exit planning process; forging a referral process for public housing with the local PHA; having a second review of the plan prior to ending DCFS involvement; following up on the youth frequently to determine ongoing stability in the community.

Health Care Discharge Planning

Although the Ohio Department of Health policy prohibits discharging people requiring ongoing medical care to shelter, the practice continues. A CoC Hospital Discharge Planning Group, established in FY 2011, focuses on the discharge policies and protocols of area nursing homes and hospitals. The group developed written "Health Status" guidelines which clearly state the minimum health status threshold to enter a shelter. This information has been distributed to all area nursing homes and hospitals. Further, the protocol states that prior to sending someone to a shelter by cab or by ambulance, the facility must call CE, who will discuss the referral in order to prevent someone who is medically inappropriate from being discharged to the shelter. Hospital and nursing home staff attend the Discharge Planning Group meetings. CE staff track medical discharges that are inappropriate. Facilities are contacted and held accountable to stop the practice.

Mental Health Discharge Planning

The Cuyahoga County Alcohol, Drug Addiction & Mental Health Services Board monitors state requirements prohibiting discharge to shelters. In addition, it provides a 10 bed mental health crisis shelter. The respite beds provide additional time for case workers to develop safe, permanent housing options for persons who may have been homeless prior to hospitalization. Chronically homeless individuals leaving the state hospital may access a permanent supportive housing/chronically homeless unit. Safe Haven placement is another option provided the client was homeless prior to the state hospital stay. Mentally ill persons living on the streets and in the shelter are prioritized for permanent supportive housing/chronically homeless units.

Corrections Discharge Planning

In 2009, Cuyahoga County and the City of Cleveland established an Office of Re-entry to link returning offenders with resources in order to reduce recidivism. A strategy to prevent homelessness that has been promoted by the Office on Re-entry is outreach to inmates to assess housing, employment, and behavioral health needs, and begin the process of linking clients with resources prior to release. Two current programs are noteworthy: a) the VA goes into the institutions and identifies veterans, provides ID's, benefit determination, medical services and housing upon release; and b) The Corporation for Supportive Housing has sponsored a program that focuses on identifying persons who have serious mental health issues, engaging with them and providing housing upon release. Both programs have documented success with reducing homelessness for these high risk populations as a result of the program interventions.

Discussion

Helping Low Income Individuals.... Narrative
(continued)

Assistance from Other Public or Private Agencies

In 2017, 65% of participants accessed non-employment income sources. Over the next two years, improving on the percentage of participants increasing income from entry to exit will be accomplished through focused efforts to assess and link clients more quickly. Through CE, the CoC is better able to assess clients at shelter entrance to identify current income sources and potential benefit sources. The standardized data is entered into HMIS. The open HMIS system enables the agency accepting the client referral from CE to begin addressing client income issues more quickly. In addition, the State of Ohio has established an online “Benefit Bank.” Using client data, case workers can identify additional income sources for which the client may qualify. Through CE, veterans are identified and referred immediately to the VA Homeless Outreach Coordinator to link the client with VA resources. Performance on income attainment is discussed at bi-monthly provider meetings.

In 2017, 93% of participants in CoC funded projects obtained mainstream benefits. The CoC will attempt to increase this percentage over the next two years by continuing the following strategies. The CoC requires all providers to participate in CE, which identifies client eligibility for income supports and mainstream benefits. It identifies veterans and links them immediately with the VA Homeless Outreach Coordinator for the CoC. Chronically homeless individuals are prioritized for permanent supportive housing. Enrolling chronically homeless clients in mainstream resources is a primary activity during the engagement and housing process. Mainstream benefit enrollment achievement is tracked through monthly HMIS reports generated by the HMIS Systems Administrator. Performance is discussed at bimonthly provider meetings.

AP-70 HOPWA Goals - 91.220 (I)(3)

One year goals for the number of households to be provided housing through the use of HOPWA for:	
Short-term rent, mortgage, and utility assistance to prevent homelessness of the individual or family	475
Tenant-based rental assistance	50
Units provided in permanent housing facilities developed, leased, or operated with HOPWA funds	0
Units provided in transitional short-term housing facilities developed, leased, or operated with HOPWA funds	0
Total	525

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

This question intentionally left blank.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The City of Cleveland makes every possible effort to establish public policies that will remove barriers to, and facilitate the development of, decent and safe affordable housing.

Development and Land Use Controls

The City of Cleveland does not impose any of the following barriers to affordable housing:

- growth controls
- impact fees
- exclusionary zoning
- large lot zoning
- excessive subdivision control
- rent control
- Tax Policies

a. Tax Abatement

City policies utilize abatement of property tax to enhance the affordability of new or substantially rehabilitated housing. Properties meeting established criteria can have taxes on the increase in value resulting from improvements abated for a period of 10 to 15 years, depending on location, housing type, and whether it is new construction or rehabilitation.

b. Tax Foreclosure - Land Bank

The City works closely with the Cuyahoga County Fiscal Office to assure timely foreclosure of tax delinquent vacant land. Most properties are transferred to the City's Land Bank and held for redevelopment. Developers of affordable housing can obtain buildable sites at \$100 per unit.

Issuing RFP for new AFH

The City of Cleveland is in the process of developing and receiving approval within the City of Cleveland to issue a request for proposals to undertake an Analysis of Impediments and draft a new plan to Affirmatively Further Fair Housing. It is expected that the City will procure a consultant in the current Consolidated Plan period.

Discussion:

1. Describes how input was sought into how the goals identified in the AFH inform the priorities and objectives in the consolidated plan.

In 2013, the City of Cleveland participated through the Northeast Ohio Sustainable Communities Consortium (NEOSCC) to create and adopt a Regional Analysis of Impediments to Fair Housing Choice and Fair Housing and Equity Assessment. This document prescribed 10 private sector and 6 public sector strategies to be pursued to affirm fair housing in the City of Cleveland and its surrounding communities.

Specifically, there are 3 priorities in that are informed by goals identified in the 2013 Regional Analysis of Impediments and Fair Housing Choice:

- **Priority 1- 10 Year Housing Plan**
- Providing access, increasing access and expanding the stock of affordable housing, including Rental Assistance.- \$11,300,000
- Funding for Fair Housing activities is used to directly resolve issues with housing discrimination of available affordable housing units, or where available units are failing to make reasonable accommodations.
- **Priority 2- Economic Opportunities**
- This priority addresses the Cost Burden problem for renters.
- **Priority 3- Ending Poverty and Racial Disparities**
- Continued support of public housing provides decent and safe rental housing for eligible low-income families, elderly and persons with disabilities. These informed priorities have resulted in the allocation of at least \$7,110,723 for the following projects/activities to be undertaken in the 2020-2021 grant year:
- Project # 3 Housing Trust Fund and Community Housing Development Organizations- \$4,893,451
- Through a competitive proposal process administered by the Department of Community Development, the Housing Trust Fund will provide a source of public capital for investment in housing development projects that will increase the supply of affordable housing units and/or assist in addressing housing related neighborhood revitalization strategies. This funding also is utilized to support public housing improvements and development.
- Project #5 Emergency Solutions and Homeless Prevention- \$4,540,625.00
- As a result of continued high demand for shelter services, CDBG funds are used to supplement Emergency Solutions Grant (ESG) funds. The combined ESG and CDBG homeless services funds for shelter services are allocated through a proposal process carried out in cooperation with the Cleveland/Cuyahoga County Office of Homeless Services.
- Project #12 Citywide Development Organizations Activities - \$305,000.00
- This program provides operating support to nonprofit CDCs for CDBG eligible services and real estate development activities in strategic geographic areas and neighborhoods. Services include

assisting tenants of rental properties and real estate development activities support the creation of affordable housing.

- Project #13 Fair Housing and Consumer Protection- \$90,000.00
- Equal opportunity (EO) and fair housing enforcement and education activities to reduce incidences of housing discrimination. Administered through the Office of Fair Housing & Consumer Affairs.
- Project #6 NDA, CDCs and Third-Party Public Service

The entire budget for this project is not solely directed at AFFH efforts, many of the public services funded do support AFH efforts, therefore the \$ 1,683,016 is not included in the above total, but it should be recognized as an important part of Cleveland's efforts. The Department of Community Development will contract with various non-profit organizations to administer CDBG eligible public service activities for families, youth and senior adults.

AP-85 Other Actions – 91.220(k)

Introduction:

This question intentionally left blank.

Actions planned to address obstacles to meeting underserved needs

The major obstacle to meeting underserved needs in the community is the lack of resources. Between 2006 and 2016, Cleveland's CDBG allocation declined by 21.1% and the HOME allocation by 45.7%. The peak of funding occurred in 1995 when these programs combine totaled almost \$41 million.

Since then current entitlement amounts less than 43% peak amounts. The decline in CDBG and HOME funds was offset by the receipt of federal assistance through the Housing and Recovery Act of 2008 and the American Recovery and Reinvestment Act of 2009; these funds were also needed because of the collapse of the housing market and the economy as a whole. Most of these funds have now been expended. With the continued impact of the foreclosure crisis on housing vacancy and abandonment in Cleveland neighborhoods, along with slow growth in local employment opportunities, obstacles to meeting underserved needs remain high.

Actions planned to foster and maintain affordable housing

The City of Cleveland will continue to foster and maintain affordable housing through a variety of programs directed toward renters, homebuyers, and homeowners. For additional information, refer to section AP-38 Project Summaries.

In addition, the City considers fair housing efforts to be an important tool to foster and maintain affordable housing. The Department of Community Development works with the City's Community Relations Board to affirmatively further fair housing and neighborhood stabilization objectives:

- Promote cultural diversity as a positive value in the development and maintenance of stable, integrated neighborhoods.
- Assure that all protected classes of persons, as outlined in the City's Fair Housing Ordinance, have equal access to all segments of the City's housing market. The Fair Housing Ordinance covers discrimination in housing rental and sales transactions, lending, homeowners insurance, and appraisals. It also provides protection against discrimination in retail and commercial activities.

The primary enforcement vehicle is the Fair Housing Review Board and its staff, which receives individual complaints of discrimination in the housing market; monitors real estate professionals for patterns and practices which illegally restrict housing opportunities for minorities, women, and others protected under the City's ordinance; and facilitates community education programs to promote understanding of fair housing laws, appreciation of cultural diversity, and affirmative marketing of

Cleveland neighborhoods.

The Community Relations Board also contracts with local non-profit fair housing organizations to monitor real estate sales and rental activities to identify discriminatory practices.

In August 2014, the City of Cleveland completed a new Analysis of Impediments to Fair Housing Choice plan, including a Fair Housing Plan of Action.

In addition, the City's monitoring of lending institutions has important fair housing implications. A key factor of lender evaluation is equal access of minority borrowers to all forms of housing credit. Past CRA challenges filed by the City have been based significantly on statistical evidence of apparent discriminatory lending practices. This will continue to be a focus of all future evaluations of lending institution performance.

Actions planned to reduce lead-based paint hazards

The City of Cleveland recognizes that a large proportion of elevated blood level cases occur in Cleveland.

The City will continue to utilize HUD funds to reduce childhood lead exposure in the Cleveland housing stock and will comply with federal regulations to remediate lead hazards. The City will also leverage funds across its available programs to address lead hazards and will work in collaboration with other public and private entities to extend lead poisoning prevention services to Cleveland residents.

In November 2015, the City of Cleveland Department of Community Development was awarded a three-year \$3.7 million HUD Lead Hazard Reduction Demonstration and Healthy Homes Grant. The grant includes a goal to perform lead hazard remediation work in a total of 220 housing units and address health and safety hazards in 80 income-eligible owner-occupied and rental housing units located throughout the City where a child under the age of six resides or frequents.

In Spring of 2018, the City of Cleveland applied and was awarded a second HUD Lead Hazard Reduction Grant. The \$9.1 million in funding will address 400+ housing units over three years in four census tracts in the Glenville neighborhood.

Actions planned to reduce the number of poverty-level families

Taken at the most basic level, the key to escaping poverty is finding and holding full-time employment with health care and other job benefits. The City of Cleveland's extensive economic development efforts are focused on retaining and creating employment generating activity in Cleveland, thereby reducing the overall poverty level. The following initiatives are specifically directed at expanding economic opportunities for low-income Cleveland residents.

Workforce Development

The City of Cleveland will continue to work jointly with Cuyahoga County in a collaborative workforce system, Employment Connection, to help local employers meet their human capital needs and assist residents with the tools necessary for a successful job search, including maintaining strong partnerships with business, the public sector and local educational institutions to ensure that training programs supply the skills employers seek.

Fannie M. Lewis Cleveland Resident Employment Law

The City of Cleveland will continue to enforce this local ordinance, which requires many construction activities receiving assistance through a City of Cleveland contract to hire City of Cleveland residents and low-income persons as a share of their workforce.

Community Benefits Agreement

The City and its partners will continue to emphasize this 2013 public-private agreement focusing investment to create direct benefits for Cleveland residents by increasing pre-apprentice and apprenticeship training opportunities, connecting qualified local residents with job opportunities, increasing utilization of minority, female and locally owned business enterprises as both prime and subcontractors, and convening a committee to monitor progress.

Use of HUD Resources for Job Creation Activities

Cleveland will continue to identify specific job creating economic development projects that can be supported through the use of HUD's Section 108 financing (both in the Pooled Bond Fund and the Supplemental Empowerment Zone funding) and Economic Development Initiative (EDI) funds. The City of Cleveland will also utilize its Neighborhood Revitalization Strategy Areas (NSRAs) to create jobs and eliminate slum and blight in these areas by providing enhanced economic development and job training activities.

For additional information, refer to section SP-70 Anti-Poverty Strategy, in the FY 2016-2020 Five-Year Plan.

Actions planned to develop institutional structure

The Department of Community Development recognizes that in this era of devolution of funds, effective solutions to the challenges Cleveland neighborhoods face must cross disciplinary lines. Coordination is embraced in our program operations. The Department's institutional structure for the delivery of housing and community development activities consists of a broad array of public, private and nonprofit organizations described in more detail in section SP-40. The City always seeks to strengthen this institutional structure.

Through the end of the grant year, 2020-2021, the City of Cleveland Department of Community Development will be undertaking the following to help develop the institutional structure of the

Entitlement program in the Department and with its partners.

- Standardization Policies and Procedures
- Increase public participation

Review and Implement greater use of technology

Actions planned to enhance coordination between public and private housing and social service agencies

The City of Cleveland's Department of Community Development is the lead agency for planning and administering programs funded through the four HUD entitlement programs included in the Consolidated Plan. In carrying out this responsibility, the City will continue to work in cooperation with other public entities, and by extension their networks of health, mental health, and service agencies, to provide programs and services to Cleveland residents:

- The Cleveland Department of Building and Housing, which is responsible as a subgrantee for code enforcement, building demolition and other key aspects of the City's neighborhood revitalization strategies.
- The Cleveland Department of Public Health, which is responsible as a subgrantee for developing plans for HOPWA funds and other resources for addressing the needs of persons with HIV/AIDS.
- The Cleveland/Cuyahoga County Office of Homeless Services, which is a joint effort of the city and county governments. It has primary responsibility for the development of the Continuum of Care for the
- homeless and the annual application to HUD for competitive supportive housing program funding. It also assists the City with the allocation of Emergency Solutions Grant funds.

The Cuyahoga Metropolitan Housing Authority (CMHA), which is the local public housing agency, managing more than 10,000 public housing units and administering more than 14,000 rental housing

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(I)(1,2,4)

Introduction:

This section is intentionally left blank.

Community Development Block Grant Program (CDBG) Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	0

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	90.00%

HOME Investment Partnership Program (HOME)
Reference 24 CFR 91.220(l)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

Not applicable.

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

The City uses recapture when HOME funds are used for homebuyer activities. If HOME Program funds are utilized to assist low-income homebuyers, the following loan terms and recapture provisions will be implemented to assure compliance with program regulations:

- HOME Program funds will be used as 0% deferred loans. Each loan will be secured by a subordinate mortgage and promissory note.
- The term of the loan will be equal to the required HOME affordability period.
- The loan will be reduced monthly on a pro-rata basis throughout the loan term for each month that borrower occupies the property as the borrower's primary residence. If the borrower has not disposed of, sold, refinanced, transferred, ceased to occupy the property as borrower's primary residence, or otherwise defaulted on any provision of the loan until the maturity date, then the principal amount of the loan will be forgiven.
- A property foreclosure or a transfer in lieu of foreclosure to the first mortgage holder may prematurely end the affordability period, as long as either action is not for the purpose of avoiding low-income affordability restrictions.

The following are the recapture provisions in the event of foreclosure or if the borrower decides to sell the property during the affordability period (the sale of the property must be at fair market value): the amount due to City is the outstanding loan balance payable from net proceeds. Net proceeds of a sale are the sales price minus the amount due under the first mortgage, taxes due, and any closing costs. If there are insufficient net proceeds remaining after the sale to pay the full outstanding loan balance, net proceeds will be shared under the following formula. The amount due to City will be the outstanding Loan balance at the time of the sale divided by the sum of the outstanding loan balance due to City at the time of the sale and the borrower's Investment multiplied by the net proceeds. Borrower's Investment is defined as the portion of the initial downpayment paid by the borrower combined with the value of any capital improvements made with the borrower's funds (borrower will have to document the capital investments made up to the time of sale of the property). If there are no net proceeds, the City will not recover the HOME investment.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired

with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

In the event of foreclosure, or if the borrower decides to sell the property during the affordability period (the sale of the property must be at fair market value): the amount due to City is the outstanding loan balance payable from net proceeds. Net proceeds of a sale are the sales price minus the amount due under the first mortgage, taxes due, and any closing costs. If there are insufficient net proceeds remaining after the sale to pay the full outstanding loan balance, net proceeds will be shared under the following formula. The amount due to City will be the outstanding Loan balance at the time of the sale divided by the sum of the outstanding loan balance due to City at the time of the sale and the borrower's Investment multiplied by the net proceeds. Borrower's Investment is defined as the portion of the initial downpayment paid by the borrower combined with the value of any capital improvements made with the borrower's funds (borrower will have to document the capital investments made up to the time of sale of the property).

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

Not Applicable. Cleveland does not intend to use HOME funds to refinance existing multifamily debt.

Emergency Solutions Grant (ESG) Reference 91.220(l)(4)

1. Include written standards for providing ESG assistance (may include as attachment)

Continuum of Care is managed by the Cleveland/Cuyahoga County Office of Homeless Services (OHS) which receives partial operating support from the City of Cleveland. Policies and procedures for use of ESG funds are made through the OHS and the OHS Advisory Board. Combined City and County ESG funds are allocated through a request for proposals issued by the OHS. The OHS also manages the Homeless Management Information System which generates HUD required information for the CAPER.

Because ESG is an essential component of funding for basic emergency shelter services in Cleveland, up to

60% of ESG allocations will be used for this purpose; the balance will be focused on Rapid Re-Housing (RRH) services. Policies and procedures for use of ESG funds for RRH and prevention are as follows:

Rapid Re-Housing assistance is available to homeless households under the following circumstances: sleeping in an emergency shelter; sleeping in a place not meant for human habitation (e.g. cars,

abandoned buildings, sidewalks); or fleeing domestic violence.

The purpose of RRH is to help eligible program participants quickly obtain and maintain permanent housing. A household's ability to sustain housing will not be a threshold requirement for program assistance.

Homeless prevention assistance is available under the following circumstances:

- Coordinated Entry staff have determined a Household can be diverted from shelter only if ESG assistance is made available;
- Cleveland's Department of Aging has determined an elderly person is facing imminent homelessness through loss of their current housing unless ESG assistance is provided.

Homeless prevention assistance is available to households with incomes below 30% of the area median.

Financial Assistance

In no case may financial assistance be made directly to program participants. Payments must be made to third parties, such as landlords and utility companies. Financial assistance is limited to payment of rent, rental arrears, security deposits, utility payments and deposits when the assistance is necessary for a move from homelessness to stable housing.

Tenant - based rental assistance may be provided to help households obtain and remain in suitable rental units. Rental assistance may be provided for a specific timeframe as determined through operating policies and procedures of the RRH program implementation plan. The overall objective is to assure the household does not return to homelessness.

Service providers must verify and retain documentation showing client need for assistance and calculation of ESG assistance provided.

Rental assistance may not exceed the actual rental cost, which must be in compliance with HUD's standard of "reasonableness." Rent reasonableness means the total rent charged for a unit must be reasonable in relation to rents charged during the same time period for comparable units in the private unassisted market; and must not be in excess of rents being charged by the owner during the same time period for comparable non-luxury unassisted units. ESG funds may be used to pay security and/or utility deposits, if these are required for program participants to obtain housing.

Housing Relocation and Stabilization Services

Program participants may receive assistance with housing placement and stabilization. Relocation services may include housing location, inspection and negotiation of lease terms. Stabilization services may include case management designed to link program participants to community resources and mainstream benefits and working with participants to develop a plan to prevent future housing instability.

2. If the Continuum of Care has established centralized or coordinated assessment system that

meets HUD requirements, describe that centralized or coordinated assessment system.

The City of Cleveland, through support for the Office of Homeless Services (OHS), is utilizing available ESG funds to the fullest extent possible to support services aimed at reducing the number of people entering homeless shelters, and helping those experiencing homelessness to move into permanent housing as quickly as possible. This includes the development of a single site, Coordinated Entry System for single adults, families, and youth.

Coordinated Entry (CE) enables limited available resources to be used most effectively by matching client need with the appropriate level of services. The Coordinated Entry system provides three key activities:

- a) Diversion
- b) Immediate shelter
- c) A housing plan to leave shelter

Diversion: ESG funds for homelessness prevention will be focused very specifically at the door of the shelter by diverting newly homeless persons and households. Persons seeking entry into an emergency shelter are assessed to determine if they have a safe alternative to shelter. If there is a safe, stable alternative, the household may be diverted from entering the shelter system. This diversion effort is not intended to discourage persons and families who have critical shelter needs. Diversion is intended to identify specific issues leading to homelessness that can be immediately addressed so a stay in a shelter may be avoided.

Immediate Shelter: Individuals and families who cannot be diverted and who are literally homeless will be provided a more complete assessment to determine other immediate critical needs, emergency shelter placement and barriers to accessing permanent housing. Households needing emergency shelter are provided space that night.

Housing Exit Plan: Individuals and families entering shelter have a “Housing Exit Plan” to accompany them to the shelter site. Shelter Staff are responsible for beginning to work with the individual/family, immediately to help the household leave shelter as quickly as possible.

HEARTH ACT regulations prohibit homeless data for persons who identify as victims of domestic violence from being entered into the HMIS data collection system. Victims of DV who seek emergency shelter through Coordinated Entry are assisted to access shelter in a DV shelter. If space is not available in a DV specific shelter, DV victims are referred to safe and secure shelter in a confidential shelter location and linked with a victim services provider immediately to develop a safety plan and legal protections if needed. The DV shelter participates in an HMIS comparable data system unique to domestic violence shelter providers. The aggregated data related to numbers served, demographics of the population, and program services and outcomes are provided to the HMIS Administrator to add to the CoC aggregated numbers.

3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

A small portion of the Emergency Solutions Grant (ESG) funds will be retained by the City of Cleveland for the provision of services through Cleveland's Department of Aging for elderly persons at risk of losing their home. The balance of program funds will be allocated through the Cleveland/Cuyahoga County Office of Homeless Services (OHS). The OHS has been designated by the Office of Homeless Services Advisory Board as the Collaborative Applicant and lead agency for the Cuyahoga County Continuum of Care. The City of Cleveland's ESG funds, together with Cuyahoga County's ESG funds, ESG allocations to Cuyahoga County from the State of Ohio, and local levy dollars will be awarded to experienced and qualified non-profit service providers through a competitive Request for Proposal (RFP) process. The RFP is made available to any interested non-profit provider and units of local government. The RFP process must comply with the County's Office of Procurement & Diversity requirements as described in the County's Charter.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.

The City of Cleveland, in collaboration with the Cleveland/Cuyahoga County Office of Homeless Services (OHS) consults with homeless and formerly homeless persons on a regular basis, in considering and making policies and decisions regarding facilities, services, or other assistance that will receive ESG funding, assuring City of Cleveland compliance with 24CFR 576.405(a). There are four primary ways that this communication is facilitated:

a) Continuum of Care (CoC) and ESG goals, strategies, and implementation plans are developed through the Office of Homeless Services Advisory Board, which meets every other month. The OHS Advisory Board is comprised of representatives of the City, the County, the VA, the Public Housing Authority, the Coalition for the Homeless, providers, stakeholders, and homeless and formerly homeless persons. The Advisory Board establishes subcommittees that address specific policy issues. Participation on these committees is open to anyone in the community - including homeless/formerly homeless persons. One of the Subcommittees which was established in FY2012 is the Emergency Solutions Grant Steering Committee. The HEARTH act requires communities to provide oversight to the ESG program. This Committee meets every other month and includes provider reports on implementation, clients served, performance outcomes, and emerging issues.

The Board and every committee the Board has established has benefitted from the inclusion and participation of homeless/formerly homeless individuals.

b) The City of Cleveland enacted an Ordinance in 1999 that requires ESG sub- recipients to include one or more homeless, or formerly homeless, clients on the Board of the provider organization. The OHS reviews sub-recipient compliance with this requirement annually as part of the contract award

process.

c) The local Homeless Coalition has created a group called the Homeless Congress. Homeless and formerly homeless persons attend the monthly meetings. Staff from the OHS as well as provider staff attends these meetings to be aware of client concerns, to share CoC information, and to receive feedback on CoC policies/initiatives.

d) As part of the annual Review & Ranking process for the HUD Homeless Assistance Grant NOFA, clients are solicited for input via a Consumer Satisfaction Survey. The responses have a scoring metric which is factored into the project's overall rating and ranking. If the Consumer Survey score is below a certain value, or if there is less than a 30% return rate for survey responses, the Committee automatically follows up with the provider agency and the clients to assure that client concerns are clearly articulated and responded to in a positive way.

5. Describe performance standards for evaluating ESG.

The City of Cleveland helps to develop, and supports, the ESG Performance Standards administered by the Office of Homeless Services (OHS) and approved by the Office of Homeless Services Advisory Board. The OHS has been designated by the OHS Advisory Board as the lead Homeless Management Information System agency. The CoC has selected "ServicePoint," a software solution, to support the Homeless Management Information System (HMIS). The OHS provides ServicePoint licenses, training, and support to all homeless service providers in the CoC. ESG/HUD sub-recipients are required by the HEARTH Act to participate in HMIS. Non-publicly funded providers are encouraged by the OHS to participate in HMIS. Participants are required to enter the 16 prescribed data element points into HMIS consistently, accurately, and in a timely manner. The Domestic Violence shelter participates in an HMIS comparable data system unique to domestic violence shelter providers. The aggregated data related to numbers served, demographics of the population, and program services and outcomes are provided to the HMIS Administrator to add to the CoC aggregated numbers.

The following standards are aligned with the HEARTH Act's objectives to reduce and end homelessness. The OHS Systems Administrator will provide reports monitoring outcome data on the following outcome measures:

1. Diversion: A minimum of 20% of newly homeless households seeking shelter will be successfully diverted to a safe alternative to shelter placement;
2. Length of Stay: Implementing rapid exit strategies will shorten the Average Length of Stay (ALOS) by 10%. The ALOS benchmark will be the actual ALOS of the previous year.
3. Returns to shelter: Using the percentage return rate from two years previous as the benchmark, the CoC will target reducing returns to shelter by 5% per year.

An ESG Steering Committee established by the OHS Advisory Board tracks performance outcome information on a quarterly basis and presents a report to the OHS Advisory Board annually.

CITY OF CLEVELAND

Mayor Frank G. Jackson

Consolidated Plan Public Hearing

The City of Cleveland's Department of Community Development invites you to share your thoughts on how the approximately \$150 million in Federal Program Funds will be used to revitalize Cleveland's neighborhoods during the next 5-Year Consolidated Plan and during the 2021-2022 program year. This public hearing will cover City's efforts to address housing and community development needs, development of proposed activities, proposed strategies and actions for affirmatively furthering fair, and a review of program performance. Join representatives from the Department of Community Development and Community Partners at one of the scheduled community forums listed below. This public hearing will be virtual according to the waiver issued by HUD. For more information please call Joy Anderson, Commissioner of the Division of Administrative Services. 216-664-2055.

Virtual Public Hearing

Tuesday, April 20, 2021

5:30pm-6:30pm

To participate, please email janderson2@city.cleveland.oh.us.

Frank G. Jackson, Mayor

City of Cleveland

Michiel Wackers, Director

Department of Community Development

p.d.;apr72021-C9936653-01

**PUBLIC NOTICE OF AVAILABILITY
5-YEAR CONSOLIDATED PLAN AND
2021-2022 ACTION PLAN
CITY OF CLEVELAND
DEPARTMENT OF COMMUNITY DEVELOPMENT**

In accordance with requirements of the U.S. Department of Housing and Urban Development (HUD), the City of Cleveland has drafted the **2021-2026 Consolidated Plan and 2021-2022 Program Year Action Plan**. The Action Plan, which will be available for public comment and review on April 22, 2021, is a comprehensive strategy over the next 5 year Consolidated Plan period and describes activities and programs that will be implemented during the 2021-2022 program year to address priority needs and specific objectives identified in the 2021-2026 Consolidated Plan. The Action Plan also serves as an application for Federal funds.

On January 31, 2021, the Department of Community Development introduced an Ordinance to Cleveland City Council to apply for and accept approximately \$31,389,501, from the Department of Housing and Urban Development (HUD) for the Community Development Block Grant (CDBG) Program (\$21,569,725), Home Investment Partnerships (HOME) Program (\$4,893,451), Emergency Solutions Grant (ESG) Program (\$1,852,356) and Housing Opportunities for Persons with AIDS (HOPWA) Program (\$1,773,969). Additionally, the Department of Community Development is estimating the receipt of \$2,030,000 in program income from previously funded activities. Public notice is hereby given of the availability of Cleveland's draft 2021-2022 Program Year Action Plan, which includes a listing of proposed activities, HUD funding, and Program Income the City anticipates for programs outlined below:

SUMMARY OF PROPOSED USE OF FUNDS

CDBG Program	AMOUNT
Homeowners Rehabilitation Assistance (includes an estimated \$300,000 in program income)	\$ 2,255,000
Demolition/Board Up (includes an estimated \$300,000 in program income)	\$ 850,690
Public Services: AIDS Prevention	\$ 284,393
Public Services: Third Party Not for Profit Organizations	\$ 1,513,016
Public Services: Homeless Assistance	\$ 672,308
Land Reutilization and Project Clean Activities	\$ 1,210,999
Community Gardens	\$ 126,057
Commercial Development: Storefront Renovation	\$ 309,889
CDC/Citywide Activity Grants	\$ 1,117,288
Neighborhood Development Activities	\$ 7,400,000
Administration (Direct and Indirect)	\$ 3,660,085
TOTAL CDBG (Includes \$700,000 estimated program income)	\$ 22,269,725
HOME Program	
Homeowners Rehabilitation Assistance (includes an estimated \$200,000 in program income)	\$ 866,436
Housing Trust Fund (includes an estimated \$400,000 in program income)	\$ 2,872,379
CHDO Affordable Housing	\$ 668,515
HOME Program Administration	\$ 486,121
TOTAL HOME (includes an estimated \$600,000 in program income)	\$ 5,493,451
ESG Program	\$ 1,852,356
HOPWA Program	\$ 1,773,969
GRAND TOTAL, Estimated HUD Funding	\$ 31,389,501

The Department of Community Development will hold a three public hearing to outline the proposed Consolidated Plan and 2021-2022 Action Plan, and provide an opportunity for all persons to ask questions or comment on plans and proposed activities.

DATE OF VIRTUAL PUBLIC HEARINGS
Tuesday, May 4, 2021 5:30pm – 6:30pm
Thursday, May 6, 2021 10:00am – 11:00am
Tuesday, May 11, 2021 10:30am – 11:30am
<p>This public hearings will be virtual according to the waiver issued by HUD. To participate, please email janderson2@city.cleveland.oh.us.</p>

Upon advance request, the City will provide interpretation or translation services for non-English speaking residents.

The public comment period is April 22, 2021 through May 21, 2021. A copy of the draft Consolidated Plan is available for review at www.city.cleveland.oh.us/cd, and at the following locations:

**DEPARTMENT OF COMMUNITY DEVELOPMENT
CLEVELAND CITY HALL - ROOM 320
601 LAKESIDE AVENUE**

Written and/or verbal comments should be directed to:

**DEPARTMENT OF COMMUNITY DEVELOPMENT
CLEVELAND CITY HALL ROOM 320
601 LAKESIDE AVENUE
CLEVELAND, OHIO 44114
ATTENTION: Joy Anderson**

Written comments will be forwarded to HUD, as required by Federal Regulations. For information on the Consolidated Plan and Annual Action Plan or any aspect of federally-funded programs administered by the Department of Community Development, contact Joy Anderson at 216-664-2055. Comments or objections may be emailed directly to HUD Columbus Field office using the following CPD_COVID-19EE-COL@hud.gov.

PAGE: 1/6

IDIS

Plan IDIS Year Project	Project Title and Description	Program	Project Estimate	Committed Amount	Amount Drawn Thru Report Year	Amount Available to Draw	Amount Drawn in Report Year	
2020 1	Demolition, Board-Up & Acquisition	The Department of Building and Housing will administer a demolition program for condemned structures that pose a threat to the health/safety of Cleveland Residents	CDBG	\$2,210,000.00	\$1,249,274.00	\$513,975.00	\$735,299.00	\$513,975.00
2	Housing Rehabilitation Assistance	The Division of Neighborhood Services will provide direct assistance to low to moderate income occupants for rehabilitation, repair and maintenance of owner-occupied residential structures. Programs offered include Repair-A-Home (RAH), Senior Housing Assistance Program (SHAP), Homeowner Rehab Gap Financing (AAH), Furnace Repair, Furnace Replacement, Hot water Tank Replacement, Tree Trimming and Gutter Program. The Division also operates the following programs for owner occupants and tenants: Lead Hazard Control Program and Healthy Home Program. Citywide Project.	CDBG	\$3,755,000.00	\$1,846,837.00	\$194,138.90	\$1,652,698.10	\$194,138.90
3	Housing Trust Fund and Community Housing Development Organizations (CHDOs)	Through a competitive proposal process administered by the Department of Community Development, the Housing Trust Fund will provide a source of public capital for investment in housing development projects that will increase the supply of affordable housing units and/or assist in addressing housing related neighborhood revitalization strategies. Activities under this project CHDO administration support for eligible CHDOs in Cleveland and a new NHS City of Cleveland 2nd Mortgage Homeownership Program. 2020 Entitlement Funding- HOME \$4,391,877.00	HOME	\$744,862.00	\$266,987.00	\$0.00	\$266,987.00	\$0.00
		CARES ACT Rental Assistance (\$11.3 million) This is the largest category of assistance available to residents because this is where, outside of food assistance which has an established network of providers, we are seeing the largest increase in calls for service. Rental assistance has the ability to have a significant impact in two ways. First, it will provide immediate relief to individuals on the verge of eviction. Our goal is to prevent residents from becoming homeless as a result of the coronavirus. Cleveland City Council, under the leadership of Council President Kelley, successfully negotiated a moratorium on evictions with the Housing Court. This is an important part of the effort to combat this problem.	CDBG	\$300,000.00	\$0.00	\$0.00	\$0.00	\$0.00
		Second, it will provide assistance to small landlords who have deferred rent payments from tenants during this pandemic. There are three sources of funds available to address the immediate and short-term housing needs of individuals impacted by the coronavirus. The City will partner with agencies who have experience providing short term emergency rental assistance. The agencies will work with residents to determine how much assistance they require for up to 90 days utilizing CDBG for household earning up to 80% of AMI. If further is needed for families earning up to 50% AMI, then ESG will be used for short term shallow subsidy for an additional 90 days. If further is needed for families earning up to 50% AMI, then HOME will be used for medium term shallow subsidy (TBRA) for an additional 180 days. This money is targeted to individuals without income. In order to maximize the effect of this money, it will require monthly recertification of individuals who have returned to work or have obtained unemployment benefits.	HOME	\$4,346,072.00	\$3,977,927.00	\$1,579,613.43	\$2,398,313.57	\$1,579,613.43
4	AIDS Awareness & HOPWA (Housing Opportunities for Persons with AIDS)	The Department of Public Health will contract with neighborhood-based service providers in a five-county area to develop long-term comprehensive strategies and incentives to promote community awareness about AIDS, and to provide resources to address the housing needs of persons with AIDS and related diseases and their families. 2020 Entitlement Funding HOPWA \$1,579,911 CDBG \$284,393	CDBG	\$284,393.00	\$0.00	\$0.00	\$0.00	\$0.00
		CARES Act Special Needs Assistance (HOPWA-CV \$229,922) (CDBG-CV \$229,922) This funding targets individuals with HIV/AIDS. Department of Public Health has an effective infrastructure to assist our HIV/AIDS population. These services, however, have seen immediate cost increases due to the coronavirus and our funding will support their existing efforts. Activities under this category include, but are not limited to: - Deconcentrating of shelters through the renting of hotel rooms; - Increases to sanitation costs and port-o-let rentals; - Increased staffing costs due to hazard pay; - Increased costs to quarantine individuals with compromised immune systems; - Short-term supported housing Assistance; - Workforce Development; and - Other Direct Costs related to prevent, prepare for and respond to COVID 19	HOPWA	\$1,579,911.00	\$0.00	\$0.00	\$0.00	\$0.00
		Workforce Development/ Employment Assistance - Employment is an essential focus within the coordinated response to HIV/AIDS. Employment is critical to improving the economic and personal well-being of people living with HIV/AIDS. It has been shown to impact health and can increase a person's ability to live a satisfying, productive and meaningful life. Employment can also increase self-sufficiency and reduce reliance on publicly funded benefits as well as other services. Short-Term Supported Housing Assistance Short-term supported housing facilities are an eligible activity under the HOPWA program. Short-term facilities are intended to provide temporary shelter to eligible individuals to prevent homelessness and allow an opportunity to develop individualized housing and service plan to guide the client's linkage to permanent housing.

IDIS

Plan IDIS Year Project	Project Title and Description	Program	Project Estimate	Committed Amount	Amount Drawn Thru Report Year	Amount Available to Draw	Amount Drawn in Report Year
2020 5	CV- (and 2020) Emergency Solutions and Homeless Prevention	CDBG	\$672,308.00	\$20,000.00	\$1,666.66	\$18,333.34	\$1,666.66
	As a result of continued high demand for shelter services, CDBG funds are used to supplement Emergency Solutions Grant (ESG) funds. The combined ESG and CDBG homeless services funds for shelter services are allocated through a proposal process carried out in cooperation with the Cleveland/Cuyahoga County Office of Homeless Services.						
	2020 Entitlement Funding ESG \$1,858,769						
	CARES ACT Funding Special Needs Assistance for Homeless(\$2 million) This funding targets individuals who are homeless and those with HIV/AIDS. Cuyahoga County Homeless Service has an effective infrastructure to assist our homeless population. These services, however, have seen immediate cost increases due to the coronavirus and our funding will support their existing efforts. Activities under this category include, but are not limited to:						
	- Deconcentrating of shelters through the renting of hotel rooms; - Increases to sanitation costs and port-o-let rentals; - Increased staffing costs due to hazard pay; and - Increased costs to quarantine individuals with compromised immune systems; and - Other Direct Costs related to prevent, prepare for and respond to COVID 19	HESG	\$13,762,319.00	\$10,501,324.00	\$171,759.54	\$10,329,564.46	\$171,759.54
	ESG Funds (\$4.65 million) will also be for Rental Assistance under Project 15. Please see this project for more information.						
	ESG Funds (\$500,000) will also be for Public Service as homeless outreach and prevention under Project 17. Please see this project for more information.						
6	NDA, CDCs and Third-Party Public Service	CDBG	\$1,308,016.00	\$1,817,167.00	\$479,073.47	\$1,338,093.53	\$479,073.47
	1st Amendment- Increase CARES Act ESG funds by \$5,494,002 to a total of \$11,903,550. The Department of Community Development will contract with various non-profit organizations to administer CDBG eligible public service activities for families, youth and senior adults. This includes \$170,000 NDA Senior Transportation. This year's funding recommendations to all public service (social service) activities can be found in the attachments.						
	2020 Entitlement Funding CDBG- \$1,308,016						
	CARES Act Basic Needs Assistance (\$4.25 million) Basic needs support includes funding to assist residents through: - Food banks, - Food delivery, - Utility assistance, - Senior service; - Homelessness outreach; and - Referrals to other services.						
	We will partner with agencies who have experience running these types of programs, and this will allow us to leverage additional funding and assistance.						
7	Vacant Lot Clean-up	CDBG	\$1,210,999.00	\$1,210,999.00	\$1,207,541.01	\$3,457.99	\$1,207,541.01
	Seasonal work crews are hired during the spring and summer to clean and cut vacant blighted city-owned lots, primarily in low/moderate income areas. These lots are targeted for redevelopment through the city's land reutilization program.						
8	Community Gardens	CDBG	\$126,057.00	\$0.00	\$0.00	\$0.00	\$0.00
	Funding supports the use of vacant, city-owned property as garden sites, provision of gardening supplies, and technical assistance to developers of neighborhood gardens. Produce generated is distributed among the Cleveland residents maintaining the sites and is donated to local food pantries.

IDIS

Plan IDIS Year Project	Project Title and Description	Program	Project Estimate	Committed Amount	Amount Drawn Thru Report Year	Amount Available to Draw	Amount Drawn in Report Year	
2020 9	Storefront Renovation Program and Small Business Assistance	Financial and design assistance provided to commercial property owners and retail business owners to comprehensively rehabilitate buildings in targeted retail neighborhood districts and targeted retail buildings. Improvements will only address the exterior appearance of commercial buildings and, as needed, restore the architectural integrity of the structure according to federal design standards. Where mixed use structures are involved (commercial/residential), program focus is the commercial presence of the building in the retail district. Exterior improvements will address maintenance, code and aesthetic items on the building as well as business signage that is within City codes; as well as functionally appropriate for the building. The Program does not address interior, residential code related items and does not result in decent, safe and sanitary units (DSS). 2020 Entitlement funding for the Storefront Renovation is \$309,889.	CDBG	\$309,889.00	\$472,754.15	\$167,040.95	\$305,713.20	\$167,040.95
	<p>CARES Act- Small Business Assistance</p> <p>The activities required to control COVID-19 have had a substantial impact on business operations. The effect has been hardest on our smallest businesses and on businesses that focus on personal services or rely on the gathering of large groups of people. Specifically, restaurants, salons & barbershops, and small retail have been closed and, to re-open, will have to operate with reduced capacity and make significant investments in customer and employee safety for an unforeseen period of time. Many of these businesses are owned by individuals who have traditionally been unable to access favorable or traditional credit. These businesses also have had difficulty accessing the SBA programs provided in the CARES Act.</p> <p>To alleviate the need, the City of Cleveland is prepared to undertake three programs for financing businesses:</p> <p>1) Emergency Working Capital Program: the City would provide \$10,000 loans to small businesses throughout the City to support working capital costs through the COVID-19 scenario.</p> <p>2) Emergency Working Capital Program: Specially-Impacted Businesses: the City would provide loans up to \$20,000 to small businesses in the restaurant, retail, and personal care sectors who will have to take extraordinary measures to operate their business. Up to \$10,000 of the loan will be forgivable in order to offset the costs of personal protective equipment that these businesses have had to incur</p> <p>3) Restoration Working Capital Program: the City will provide loans up to \$100,000 for businesses that are in need of patient working capital to pay bills and to overcome disruptions in their supply chains or delayed payments from vendors.</p> <p>CARES Act funding for Small Business Assistance is \$1,250,000. The Department of Economic Development shall administer these funds.</p> <p>1st Amendment- Authorize approximately \$24,000,000 in Section 108 loan funds for the purpose of City of Cleveland Department of Economic Development programs and projects, including but not limited to Fairfax Grocery and The Centennial Projects.</p>							
10	Neighborhood Development Activities (NDA) and Community Development Corporations (CDCs) Activities	This program provides activity grants to nonprofit CDCs for CDBG eligible services and real estate development activities in strategic geographic areas and neighborhoods. The primary objective is to fund activities that stabilize existing housing, provide housing opportunities for low-income residents, and improve the quality of life in Cleveland neighborhoods. CDC's either operate programs that provide a direct benefit to low- and moderate-income residents or help support City programs that provide the direct benefit to low- and moderate-income residents. This year's funding recommendations CDC activities can be found in the attachments. The City is also seeking to support the creation of the Mercado on West 25th Street in the Clark-Fulton neighborhood. The Mercado is a public facility to support public service activities and small business incubator type space for businesses to service a Low/Mod Area.	CDBG	\$8,897,288.00	\$8,133,525.11	\$3,215,101.44	\$4,918,423.67	\$3,215,101.44
11	Citywide Development Organizations Activities	This program provides operating support to nonprofit CDCs for CDBG eligible services and real estate development activities in strategic geographic areas and neighborhoods.	CDBG	\$305,000.00	\$1,834,926.00	\$152,316.43	\$1,682,609.57	\$152,316.43
12	Land Reutilization	The purpose of the City Land Bank is to acquire vacant and abandoned tax delinquent residential property and to market the property to individuals, developers and non-profit organizations for productive reuse. The City is also seeking to support the creation of the Mercado on West 25th Street in the Clark-Fulton neighborhood. The Mercado is a public facility to support public service activities and small business incubator type space for businesses to service a Low/Mod Area.	CDBG	\$495,000.00	\$495,000.00	\$66,633.69	\$428,366.31	\$66,633.69
13	Fair Housing and Consumer Protection	Equal opportunity (EO) and fair housing enforcement and education activities to reduce incidences of housing discrimination. Administered through the Office of Fair Housing & Consumer Affairs.	CDBG	\$90,000.00	\$0.00	\$0.00	\$0.00	\$0.00
14	General and Program Administration	2020 Entitlement Funds Direct program administration costs for approximately 68+ staff salaries and benefits expenses, as well as direct operating expenses for CDBG paid employees. Also included are Equipment and Indirect Costs.	CDBG	\$3,660,085.00	\$3,968,620.00	\$1,091,381.76	\$2,877,238.24	\$1,091,381.76
		CARES Act Funds Direct program administration costs for staff salaries and benefits expenses, as well as direct operating expenses for CDBG paid employees. Also included are Equipment and Indirect Costs. (CDBG-CV \$647,336)	HOME	\$487,341.00	\$0.00	\$0.00	\$0.00	\$0.00

IDIS

Plan IDIS Year Project	Project Title and Description	Program	Project Estimate	Committed Amount	Amount Drawn Thru Report Year	Amount Available to Draw	Amount Drawn in Report Year
2020 15	CV- Housing Trust Fund and Community Housing Development Organizations (CHDOs)	CDBG	\$7,410,267.00	\$0.00	\$0.00	\$0.00	\$0.00
	<p>Through a competitive proposal process administered by the Department of Community Development, the Housing Trust Fund will provide a source of public capital for investment in housing development projects that will increase the supply of affordable housing units and/or assist in addressing housing related neighborhood revitalization strategies. Activities under this project CHDO administration support for eligible CHDOs in Cleveland and a new NHS City of Cleveland 2nd Mortgage Homeownership Program.</p> <p>2020 Entitlement Funding- HOME \$4,391,877.00</p> <p>1st Amendment- Increase Rental Assistance by \$1,760,267 and provide \$250,000 in funds to help ensure housing passes first inspection for ESG rental assistance.</p> <p>CARES ACT Rental Assistance (\$13 million) This is the largest category of assistance available to residents because this is where, outside of food assistance which has an established network of providers, we are seeing the largest increase in calls for service. Rental assistance has the ability to have a significant impact in two ways. First, it will provide immediate relief to individuals on the verge of eviction. Our goal is to prevent residents from becoming homeless as a result of the coronavirus. Cleveland City Council, under the leadership of Council President Kelley, successfully negotiated a moratorium on evictions with the Housing Court. This is an important part of the effort to combat this problem.</p> <p>Second, it will provide assistance to small landlords who have deferred rent payments from tenants during this pandemic. There are three sources of funds available to address the immediate and short-term housing needs of individuals impacted by the coronavirus.</p> <p>The City will partner with agencies who have experience providing short term emergency rental assistance. The agencies will work with residents to determine how much assistance they require for up to 180 days utilizing CDBG for household earning up to 80% of AMI. If further is needed for families earning up to 50% AMI, then ESG will be used for medium term shallow subsidy allowable under the regulations. If further is needed for families earning up to 50% AMI, then HOME will be used for medium term shallow subsidy (TBRA) allowable under the regulations.</p> <p>This money is targeted to individuals without income. In order to maximize the effect of this money, it will require monthly recertification of individuals who have returned to work or have obtained unemployment benefits.</p>	HOME	\$1,000,000.00	\$0.00	\$0.00	\$0.00	\$0.00
16	CV- AIDS Awareness & HOPWA (Housing Opportunities for Persons with AIDS OHH20-FHW002)	CDBG	\$229,922.00	\$0.00	\$0.00	\$0.00	\$0.00
	<p>The Department of Public Health will contract with neighborhood-based service providers in a five-county area to develop long-term comprehensive strategies and incentives to promote community awareness about AIDS, and to provide resources to address the housing needs of persons with AIDS and related diseases and their families.</p> <p>2020 Entitlement Funding HOPWA \$1,579,911 CDBG \$284,393</p> <p>CARES Act Special Needs Assistance (HOPWA-CV \$229,922) (CDBG-CV \$229,922) This funding targets individuals with HIV/AIDS. Department of Public Health has an effective infrastructure to assist our HIV/AIDS population. These services, however, have seen immediate cost increases due to the coronavirus and our funding will support their existing efforts. Activities under this category include, but are not limited to:</p> <ul style="list-style-type: none"> - Deconcentrating of shelters through the renting of hotel rooms; - Increases to sanitation costs and port-o-let rentals; - Increased staffing costs due to hazard pay; - Increased costs to quarantine individuals with compromised immune systems; - Short-term supported housing Assistance; - Workforce Development; and - Other Direct Costs related to prevent, prepare for and respond to COVID 19 <p>Workforce Development/ Employment Assistance - Employment is an essential focus within the coordinated response to HIV/AIDS. Employment is critical to improving the economic and personal well-being of people living with HIV/AIDS. It has been shown to impact health and can increase a person's ability to live a satisfying, productive and meaningful life. Employment can also increase self-sufficiency and reduce reliance on publicly funded benefits as well as other services.</p> <p>Short-Term Supported Housing Assistance Short-term supported housing facilities are an eligible activity under the HOPWA program. Short-term facilities are intended to provide temporary shelter to eligible individuals to prevent homelessness and allow an opportunity to develop individualized housing and service plan to guide the client linkage to permanent housing.</p>	CDBG	\$229,922.00	\$0.00	\$0.00	\$0.00	\$0.00
		HOPWA	\$229,922.00	\$0.00	\$0.00	\$0.00	\$0.00

Plan IDIS Year Project	Project Title and Description	Program	Project Estimate	Committed Amount	Amount Drawn Thru Report Year	Amount Available to Draw	Amount Drawn in Report Year	
2020 17	CV- NDA, CDCs and Third-Party Public Service	The Department of Community Development will contract with various non-profit organizations to administer CDBG eligible public service activities for families, youth and senior adults. This includes \$170,000 NDA Senior Transportation. This year's funding recommendations to all public service (social service) activities can be found in the attachments. 2020 Entitlement Funding CDBG- \$1,308,016 CARES Act Basic Needs Assistance (\$4.25 million) Basic needs support includes funding to assist residents through: - Food banks, - Food delivery, - Utility assistance, - Senior service; - Homelessness outreach; and - Referrals to other services. We will partner with agencies who have experience running these types of programs, and this will allow us to leverage additional funding and assistance. 1st Amendment- Increase funding for basic needs by \$510,000 Basic Needs Assistance (new amended amount is \$4.76 million) Basic needs support includes funding to assist residents through: - Food banks, - Food delivery, - Utility assistance, - Senior service; - Homelessness outreach; - Foreclosure Prevention; - Referrals to other services; and - Broadband Assistance. We will partner with agencies who have experience running these types of programs, and this will allow us to leverage additional funding and assistance.	CDBG	\$4,760,000.00	\$10,702,724.00	\$3,723,131.61	\$6,979,592.39	\$3,723,131.61
18	CV- Storefront Renovation Program and Small Business Assistance	Financial and design assistance provided to commercial property owners and retail business owners to comprehensively rehabilitate buildings in targeted retail neighborhood districts and targeted retail buildings. Improvements will only address the exterior appearance of commercial buildings and, as needed, restore the architectural integrity of the structure according to federal design standards. Where mixed use structures are involved (commercial/residential), program focus is the commercial presence of the building in the retail district. Exterior improvements will address maintenance, code and aesthetic items on the building as well as business signage that is within City codes; as well as functionally appropriate for the building. The Program does not address interior, residential code related items and does not result in decent, safe and sanitary units (DSS). 2020 Entitlement funding for the Storefront Renovation is \$309,889. CARES Act- Small Business Assistance The activities required to control COVID-19 have had a substantial impact on business operations. The effect has been hardest on our smallest businesses and on businesses that focus on personal services or rely on the gathering of large groups of people. Specifically, restaurants, salons & barbershops, and small retail have been closed and, to re-open, will have to operate with reduced capacity and make significant investments in customer and employee safety for an unforeseen period of time. Many of these businesses are owned by individuals who have traditionally been unable to access favorable or traditional credit. These businesses also have had difficulty accessing the SBA programs provided in the CARES Act. To alleviate the need, the City of Cleveland is prepared to undertake three programs for financing businesses: 1) Emergency Working Capital Program: the City would provide \$10,000 loans to small businesses throughout the City to support working capital costs through the COVID-19 scenario. 2) Emergency Working Capital Program: Specially-Impacted Businesses: the City would provide loans up to \$20,000 to small businesses in the restaurant, retail, and personal care sectors who will have to take extraordinary measures to operate their business. Up to \$10,000 of the loan will be forgivable in order to offset the costs of personal protective equipment that these businesses have had to incur 3) Restoration Working Capital Program: the City will provide loans up to \$100,000 for businesses that are in need of patient working capital to pay bills and to overcome disruptions in their supply chains or delayed payments from vendors. CARES Act funding for Small Business Assistance is \$1,250,000. The Department of Economic Development shall administer these funds. 1st Amendment- Increase CARES Act funding for Small Business Assistance by \$750,000, for a total amount of \$2 million. The Department of Economic Development shall administer these funds.	CDBG	\$2,000,000.00	\$0.00	\$0.00	\$0.00	\$0.00
19	CV- General and Program Administration	2020 Entitlement Funds Direct program administration costs for approximately 68+ staff salaries and benefits expenses, as well as direct operating expenses for CDBG paid employees. Also included are Equipment and Indirect Costs. CARES Act Funds Direct program administration costs for staff salaries and benefits expenses, as well as direct operating expenses for CDBG paid employees. Also included are Equipment and Indirect Costs. (CDBG-CV \$647,336) 1st Amendment- Increase of \$200,000 for direct program administration. Direct program administration costs for staff salaries and benefits expenses, as well as direct operating expenses for CDBG paid employees. Also included are Equipment and Indirect Costs. (new total CDBG-CV \$847,336)	CDBG	\$847,336.00	\$0.00	\$0.00	\$0.00	\$0.00

The City of Cleveland proposes to establish three Neighborhood Revitalization Strategy Areas (NRSA).

In 1995, the City of Cleveland established only one NRSA, made up of the areas designated as the Empowerment Zone. In 2009, the City requested to expand the existing NRSA and establish three additional NRSA areas to afford the City greater flexibility in the use of CDBG funds. The City is now seeking to change the NRSA's because more census tracts are now eligible. The NRSA helps the City target funding and establish goals to allow additional resources to be blended with CDBG funding to provide expanded and enhanced housing development, lending, economic development and job training activities, reduce slum and blight as well as to reduce the poverty and homeless rates within its boundaries.

Benefits of a Neighborhood Revitalization Strategy

HUD is encouraging CDGB entitlement grantees to develop comprehensive neighborhood revitalization strategies. The benefits are described in amendments to the CDBG regulations, and are as follows:

During the next five years, the following strategies will be undertaken with the goals of creating jobs and economic opportunities, and revitalizing the neighborhood and its business areas.

Assist business owners with façade/tenant improvements. Using CDBG and/or other funds, the City of Cleveland will assist business owners with improvements that will enhance existing businesses or create new businesses and create job opportunities for low to moderate-income persons in the NRSA.

Link job opportunities with local residents, especially low-moderate income persons. All businesses receiving City assistance in the NRSA's will be subject to the Workforce Development Agreement. The WDA requires that employers list jobs with the Workforce Investment Act Ohio Means Jobs office, which will link local unemployed residents with jobs.

Provide Section 108 loan assistance to leverage New Market Tax Credits for economic development opportunities within the NRSA. The City of Cleveland, working with for profit and non-profit partners, will work to identify new business locations and attract new companies to the area. Section 108 loan assistance will be used to leverage New Market Tax Credits and provide financing.

Vacant Property Initiative. The City of Cleveland will continue to work to revitalize vacant, underutilized property in the NRSAs including providing Phase I and Phase II site assessments and seeking State and Federal funds for Brownfield remediation with the goal of assembling parcels for attraction of new businesses.

Work with local foundations and community institutions to create cooperative businesses and public benefit corporations which create jobs, provide on-the-job-training and build equity for neighborhood residents. The City of Cleveland will use New Market Tax Credits and Section 108 funds to establish cooperatives working with the Evergreen Fund as well as other public benefit corporations.

Job Creation/Retention as Low/Moderate Income Area Benefit: Job creation activities undertaken pursuant to the strategy may be qualified as meeting area benefit requirements, thus eliminating the need for a business to track the income of persons that take, or are considered for, such jobs and allows for job retention (24 CFR 570.208(a)(1)(vii) and (d)(5)(i))

CDBG Float Loan. The City of Cleveland will utilize Float Loans to acquire land and attract investment in NRSA areas that will create jobs or provide housing for low-income persons. The loans must be adequately guaranteed or pledge future program income from CDBG or other sources in the Economic Development Department.

Aggregation Housing Unit Accomplishments. The City of Cleveland will use the flexibility to aggregate accomplishments for rehabilitation and new housing construction, where 51 percent of the total number of units will be occupied by low- and moderate-income households. Any homeownership assistance provided under 24 CFR 570.201(n) will continue to comply with the requirement to be provided only to low- and moderate-income households.

Community Based Development Organization (CDBO) offered public services within an NRSA. The City of Cleveland will partner and fund needed public services to stimulate revitalization, job training and economic opportunities for neighborhood residents. Public services offered in this arraignment are exempt from the public services cap. Specific programs the City is seeking to funds under this strategy are: Legal Services addressing housing issues, Transportation Service around employment, Child Care Services that support working parents, Housing Counseling, Not Direct Homeownership Assistance, Tenant/Landlord Counseling, Job Placement, and Employment Training.

1st or 2nd Home Purchase Appraisal Program. The City of Cleveland will partner with a CBDO(s) and fund public services to assist existing and prospective homeowners to obtain accurate appraisals. In consultant with Banks, CDCs, and residents, issues surrounding inaccurate appraisals a commonplace. Many appraisers are depending on out-of-date information and utilizing properties that are not appropriate comparable, such as distressed and foreclosed properties rather than arm's length transaction. This program would provide existing homeowners who are looking to refinance or improve their property, or prospective homeowners obtain appraisals from appraisers who understand Cleveland's housing market and are utilizing up-to-date information. This program would also be available to residents who have obtained a potentially inaccurate appraisal but would like a second appraisal to assist in providing accurate data for their lending needs.

Establish one or more Community Development Financial Institutions (CDFI). The City of Cleveland will partner with one or more institutions to create one or more CDFIs serving the City of Cleveland. Establishing one or more CDFIs will provide access to lending to the underserved City of Cleveland residents.

Monitoring

Monitoring of the various activities described in the Strategies will be a continuous and ongoing process. To ensure that planning will continuously reflect the successes and lessons learned from previous activities, the City will monitor the effectiveness of its programs and initiatives, and prepare reports for submission to the U.S. Department of Housing and Urban Development as required by the program regulations.

The City will enter into binding subrecipient contract agreements with organizations receiving federal funds. These agreements will provide a basis for enforcing the goals and objectives of the Consolidated Plan, the federal rules and regulations, and time-frame to achieve the stated accomplishments. The agreements will contain remedies in the event of a breach of the provisions by the subrecipient parties.

The overriding goal of monitoring is to ensure that services are provided as prescribed in the subrecipient contract, and to identify deficiencies and remedial actions. The emphasis is on prevention, detection and correction of problems. Toward this end, all monthly and quarterly reports submitted by the subrecipients will be thoroughly examined to ensure compliance.

Communication is key to a good working relationship with the subrecipient agencies. Monitoring is an ongoing process involving continuous subrecipient communication and evaluation. The staff of the [Department of Community Development and](#) Department of Economic Development is experienced in subrecipient monitoring criteria and techniques.

Contents of the Neighborhood Revitalization Strategies

The City of Cleveland Consolidated Plan is designed to provide for the economic empowerment of the low- and moderate-income residents of a particular neighborhood and other long-term improvements within a reasonable period of time through a variety of methods, including economic development and revitalization. The Consolidate Plan clearly describes how the areas meet much of the criteria for the establishment of a NRSA. Detailed below are descriptions of how these criteria are satisfied:

Boundaries: The City of Cleveland has identified the neighborhood boundaries for which the strategies apply. As shown below, all highlighted census tracts (listed also in Tables 1.1-1.4) will be included in each NRSA respectively, and those areas are contiguous:

Proposed Neighborhood Strategy Areas

-  West NRSA
-  South NRSA
-  Central NRSA
-  Added from 2000 NRSA

Demographic Criteria:

CENTRAL NRSA: 56.20% (10,230 of 18,204 acres) of the designated area is zoned/used for residential purposes and it contains 76.66% (48,575 of 63,367 households) low- and moderate-income households, meeting the requirements for designation as a NRSA.

SOUTH NRSA: 72.74% (5,552 of 7,633 acres) of the designated area is zoned/used for residential purposes and it contains 73.63% (19,987 of 27,146 households) low- and moderate-income households, meeting the requirements for designation as a NRSA.

WEST NRSA (Vers.2): 58.43% (9,297 of 15,911 acres) of the designated area is zoned/used for residential purposes and it contains 70.05% (42,460 of 60,617 households) low- and moderate-income households, meeting the requirements for designation as a NRSA.

Consultation: The establishment of the NRSA is in keeping with the goals and objectives set forth in the Consolidated Plan. In particular, Section 1.F. of the Consolidated Plan points out that the provision of decent and affordable housing cannot be separated from the broader issues of neighborhood quality and condition. Residents require quality safety, services and economic opportunities that will be improved and expanded through an increase in meaningful commercial

activity within struggling areas. Furthermore, the same section acknowledges the importance of income tax revenue as it relates to neighborhood revitalization, and understands that the current pattern of tax revenue erosion must be reversed. As described in the introduction of the Consolidated Plan, the goals and objectives were developed through consultation with the area’s stakeholders, including residents, owners/operator of businesses and financial institutions, non-profit organizations, and community groups.

Assessment: The Consolidated Plan includes assessments of the economic conditions of the areas and an examination of the opportunities for economic development improvement and the problems likely to be encountered.

Economic Empowerment: Through the creation and retention of jobs within the NRSA’s, the low- and moderate-income residents of the areas will be empowered by the resulting substantial revitalization. Every new job created in an area brings with it new support needs. When people work in an area, they tend to spend in that same area. As new jobs are created and old jobs are retained, local businesses will begin to see an increase in sales activity, and thus reinvest that income into the neighborhood through expanded services and improved facilities. Furthermore, by increasing the number of jobs in an area, the NRSA activities will also increase the availability of employment opportunities for the local residents.

PERFORMANCE MEASURES:

The strategies outlined above are designed to create economic development activities that will revitalize the business districts of the NRSAs, provide a viable retail and service area for the surrounding residential areas and create job opportunities for residents. The goal is that the outcomes of these strategies will result in the economic empowerment of low to moderate-income residents and a community that has diverse and vibrant business districts. The desired outcomes and benchmarks include:

Strategy	Outcome	Baseline Data	Benchmark
<u>Aggregation Housing Unit Accomplishments.</u>	<u>Housing Units will be rehabilitated or constructed.</u>	<u>Many buildings in commercial districts were built in the 1920s and 1930s and the storefronts are in extremely deteriorated conditions.</u>	<u>Complete the rehabilitation of 50 housing units and Complete the new construction of 50 housing units.</u>
<u>Community-Based Development Organization (CDBO) offered public services within an NRSA.</u>	<u>Residents of the NRSA areas will receive greater access to services that support housing and economic opportunities</u>	<u>90.5% of Cleveland’s housing stock was constructed before 1978 and need access to a variety of resources. Overall unemployment is 19.2%*, with many block groups as high as 30.12**%; this is well above the county average.</u>	<u>Serve 5,000 NRSA residents with service that housing and economic opportunities</u>
<u>1st or 2nd Home</u>	<u>Residents and</u>	<u>The city of Cleveland sees</u>	<u>Provide 100 1st and</u>

<u>Appraisal Program.</u>	<u>buyers will receive access to accurate appraisals that can provide access to affordable lending.</u>	<u>lending and 2/3 the rate of lending that other communities in Cuyahoga county receive when compared to incomes and housing prices. This results in an annual shortfall of \$300,000,000.</u>	<u>2nd home appraisals.</u>
<u>Creation of one or more CDFIs</u>	<u>Underserved residents will receive access to lending.</u>	<u>Utilized Home Mortgage Disclosure Act (HMDA) data to benchmark and track lending in Cleveland.</u>	<u>Complete 50 loans to Cleveland residents.</u>
Assist property owners and business owners with façade/tenant improvements.	Deteriorated storefront facades are upgraded to a presentable and marketable appearance.	Many buildings in commercial districts were built in the 1920s and 1930s and the storefronts are in extremely deteriorated conditions.	Provide technical assistance and/or funding to improve the storefronts of 30 businesses, including incorporation of green and sustainable project components.
Provide employment opportunities to low-income residents.	Area residents have access to jobs.	Overall unemployment is 19.2%*, with many block groups as high as 30.12**%; this is well above the county average.	150 residents are placed in jobs through Workforce Development Agreements within 5 years.
Provide Section 108 loan assistance to leverage New Market Tax Credits for economic development opportunities within the NRSA.	Neighborhood is revitalized through economic development projects that create jobs.	Overall unemployment is 19.2%*, with many block groups as high as 30.12**%; this is well above the county average.	100 living wage jobs are created.
Vacant Property Initiative	Neighborhood is revitalized by removal of blighting structures and brownfields.	The City of Cleveland NRSA's contain many brownfields and many vacant structures which are a blighting influence.	Complete 20 Phase I's, 10 Phase II's and assemble at least 2 remediated sites. Demolish at least 50 condemned structures.
Work with local foundations and community institutions to create cooperative	Local residents earn equity as well as being paid a living wage and	Overall unemployment is 19.2%*, with many block groups as high as 30.12**%; this is well	At least one (1) Cooperative Business and one (1)Public Benefit

businesses which create jobs and build equity for neighborhood residents.	having benefits, which allows them to escape poverty.	above the county average.	Corporation is established.

As the creation and retention of jobs within the NRSA will serve as an effective method by which to accomplish the goals and objectives set forth in the Consolidated Plan, tracking of progress towards this end will serve as a quantifiable measurement of success. Our goals and benchmarks for each NRSA are as follows:

Central NRSA: We have a 5 year goal to create or retain over 200 full time equivalent (FTE) jobs within the NRSA. We have established as benchmarks the creation or retention of at least 40 jobs every year.

West NRSA: We have a 5 year goal to create or retain over 175 full time equivalent (FTE) jobs within the NRSA. We have established as benchmarks the creation or retention of approximately 35 jobs every year.

South NRSA: We have a 5 year goal to create or retain over 84 full time equivalent (FTE) jobs within the NRSA. We have established as benchmarks the creation or retention of approximately 17 jobs every year.

The methodology used to arrive at these benchmarks is based on the concept that at least one major-impact project (assumed to create or retain at least 40 full time jobs) will be completed each year within the largest NRSA (Central). The benchmarks for the two smaller NRSA's were determined using a ratio based on total acres compared to the Central NRSA. For example, the total acreage of the West NRSA is 87% the size of the Central NRSA; therefore the 5-year benchmark for the West NRSA is set at 175 jobs, or 87% of 200.

If these benchmarks and goals are achieved, the residents of the NRSA's and the City overall will benefit from a much needed introduction of new income into the local economy and the increases in tax revenues that will result.

Ordinance No.

AN EMERGENCY ORDINANCE

Notifying Council of the final budget allocations received from HUD for the 2021 Community Development Block Grant, Home Investment Partnerships Grant, Emergency Shelter Grant, and the Housing Opportunities for Persons with Aids Grant; and to amend Sections 2 through 15 of Ordinance No. 73-2021, passed March 1, 2021 relating to the grants.

WHEREAS, under Ordinance No. 73-2021, passed March 1, 2021, this Council authorized the Director of Community Development to apply for and accept the 2021 Community Development Block Grant, Home Investment Partnerships Grant, Emergency Shelter Grant, and the Housing Opportunities for Persons with Aids Grants; and

WHEREAS, Ordinance No. 73-2021 contained estimated amounts of the grant funds to be received and estimated amounts allocated to recipient programs; and

WHEREAS, Ordinance No. 73-2021 required that once the City receives the final budget allocations that additional legislation would be submitted to Council with the final numbers received for the grants and recipient programs; and

WHEREAS, the City has received the final budget allocations; and

WHEREAS, this ordinance constitutes an emergency measure providing for the usual daily operation of a municipal department; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF CLEVELAND:

Section 1. That, as required by Ordinance No. 73-2021, the estimated and final budget allocations for the following grants are as follows:

	<u>2021 Estimated Amounts</u>	<u>2021 Final HUD Allocations</u>
Community Development Block Grant (“CDBG”)	\$20,198,701	\$21,569,725
Home Investment Partnerships (“HOME”)	\$4,629,743	\$4,893,451
Emergency Shelter/Solutions Grant (“ESG”)	\$1,771,215	\$1,852,356
Housing Opportunities For Persons With Aids (“HOPWA”)	\$1,390,145	\$1,773,969

Ordinance No.

Section 2. That Sections 3 of Ordinance No. 73-2021, that the Director of Community Development is authorized to conduct the Programs listed in Section 3, as described in the file attached as File No. _____-A, passed March 1, 2021, are amended to read as follows:

Section 3. That the Director of Community Development is authorized to expend the amounts shown in this Section, plus program income and any other prior year balances and the amounts are appropriated for the following purposes:

			2021 Estimated	2021 Final
	Funding	RLA	Amounts	Amounts
Project Clean	CDBG	2021- <u>0003</u>	\$1,160,690	\$1,210,999

Storefront Renovation	KIOSK	2021- <u>010</u>	\$50,000	\$50,000

Section 4. Contracting.

(a) That the Directors of the Departments of Community Development, Public Works, Public Health, Building and Housing, and Aging are authorized to enter into one or more contracts with those entities or individuals described in the file for the applicable Program for the purposes allowed under the applicable Program and following the appropriate federal regulations governing the use of CDBG, HOME, ESG, and/or HOPWA funds.

(b) That the Directors of Community Development and/or Building and Housing, as appropriate, are authorized to make one or more written standard purchase and/or written requirement contracts under the Charter and the Codified Ordinances of Cleveland, Ohio, 1976, for the period during the grant terms, for each or all of the following items: labor, materials, equipment, supplies, and services needed to implement the grants and for the rental of furniture and other household articles to supply and accommodate displaced persons during any Program performed under the grants as described in the file, to be purchased by the Commissioner of Purchases and Supplies on a unit basis, for the Departments of Community Development and Building and Housing as appropriate. Bids shall be taken in a manner that permits an award to be made for all items as a single contract, or by separate contract for each or any combination of the items as the Board of Control determines.

(c) That the costs of the contract or contracts shall be charged against the proper appropriation accounts and the Director of Finance shall certify the amount of

Ordinance No.

any purchase or procurement under the contract, each of which purchases or procurements shall be made on order of the Commissioner of Purchases and Supplies by a delivery order issued against the contract or contracts and certified by the Director of Finance.

(d) That, unless expressly prohibited by the grant agreements, under Section 108(b) of the Charter, purchases or procurements made under the grant agreements may be made through cooperative arrangements with other governmental agencies. The Director of Community Development may sign all documents and do all things that are necessary to make the purchases or procurements, and may enter into one or more contracts with the vendors selected through that cooperative process.

(e) That the Directors of Community Development and/or Building and Housing as appropriate are authorized to accept monies in repayment under the Programs listed in the file and to utilize repayments for making additional expenditures under the Programs, and the funds are appropriated for that purpose.

(f) That the Director of Building and Housing is authorized to collect from persons or entities from whom the City is collecting demolition costs an amount equal to any amount spent for services related to collection of demolition cost, such as title searches, credit bureau reports, and document filing fees. Any funds collected shall be deposited into Fund No. 14.

(g) That the Director of Community Development is authorized to enter into rebate agreements with those entities and individuals described in the file using CDBG and Kiosk funds.

Section 5. Consultant and Professional Services.

That the Directors of Community Development and Public Health are authorized to employ by contract or contracts one or more consultants or one or more firms of

Ordinance No.

consultants for the purpose of supplementing the regularly employed staff of the several departments of the City of Cleveland in order to provide professional services necessary to provide services needed to assist the City with the Programs listed in the file.

The selection of the consultants for the services shall be made by the Board of Control on the nomination of the Director of Community Development and/or Public Health, as appropriate, from a list of qualified consultants available for employment as may be determined after a full and complete canvass by the Director of Community Development and/or Public Health, as appropriate, following applicable federal regulations, for the purpose of compiling a list. The compensation to be paid for the services shall be determined by the Board of Control. The contract or contracts authorized shall be prepared by the Director of Law, approved by the Director of Community Development and/or Public Health, as appropriate, and certified by the Director of Finance.

Section 6. Memorandum of Understanding and Reimbursement.

(a) That the Director of Community Development shall enter into a memorandum of understanding prior to expenditure of funding with the following Departments:

	Department
Project Clean	Department of Public Works
AIDS Prevention	Department of Public Health
AIDS Related Services	Department of Public Health
Demolition and Board-Up	Department of Building and Housing
SHAP and CHORE	Department of Aging

(b) That CDBG funds as shown in Section 1 are appropriated from Fund No. 14 for costs of the Departments incurred from Fund 15.

Ordinance No.

(c) That HOPWA funds as shown in Section 1 are appropriated from Fund No. 19 for costs of the Department of Health incurred from Fund 15.

(d) That ESG funds as shown in Section 1 are appropriated from Fund 19 for costs of the Department of Aging incurred from Fund 15.

Section 7. Loans.

(a) That the Director of Community Development is authorized to accept monies in repayment of loans and fees authorized in this ordinance and to deposit those monies in Fund Nos. 13, 14, and 19, as appropriate, and to utilize the repayments and other program income in a revolving fund for making additional expenditures under the Programs, and such funds are hereby appropriated for that purpose.

(b) That the City is authorized to accept promissory notes, naming the City of Cleveland as payee, and mortgages, naming the City of Cleveland as mortgagee, and any other security instrument executed to evidence and secure repayment of loans made under the Programs described in the file.

(c) That the Director of Community Development is authorized to enter into forbearance agreements with any recipient of a validly existing loan administered by the City, and to charge and accept fees to cover costs incurred in the preparation of loan documents, closing, and servicing costs. Such fees shall be deposited into Fund Nos. 13, 14 or 19, as appropriate. The revenues generated as a result of charging fees are appropriated for additional program and operating expenses for eligible activities.

Section 8. Neighborhood Development Activities Council Member Written Approval.

That prior to entering into or amending those contracts or memorandums of understanding, or expending any Neighborhood Development Activity funds, the Director of Community Development shall receive written approval from the Council member whose ward line item is to fund the activity or program, provided that the

Ordinance No.

amount for such activity or program does not exceed the amount allocated for the Council member's ward pursuant to the relevant Community Development Block Grant plan.

Section 9. That this ordinance is declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.

2021 Program Descriptions

- 1. Project Clean-** Seasonal work crews are hired during the spring and summer to clean and cut vacant blighted city-owned lots, primarily in low/moderate income areas. These lots are targeted for redevelopment through the city's land reutilization program. The purpose of the City Land Bank is to acquire vacant and abandoned tax delinquent residential property and to market the property to individuals, developers and non-profit organizations for productive reuse. Funding supports the use of vacant, city-owned property as garden sites, provision of gardening supplies, and technical assistance to developers of neighborhood gardens. Produce generated is distributed among the Cleveland residents maintaining the sites and is donated to local food pantries.
- 2. Community Gardens-** Funding supports the use of vacant, city-owned property as garden sites, provision of gardening supplies, and technical assistance to developers of neighborhood gardens. Produce generated is distributed among the Cleveland residents maintaining the sites and is donated to local food pantries.
- 3. Demolition and Board-Up-** The Department of Building and Housing will administer a demolition program for condemned structures that pose a threat to the health/safety of Cleveland Residents.
- 4. Public Service Activities-** The Department of Community Development will contract with various non-profit organizations to administer CDBG eligible public service activities for families, youth and senior adults. This includes Senior Transportation. The City is also seeking to support the creation of the Mercado on West 25th Street in the Clark-Fulton neighborhood. The Mercado is a public facility to support public service activities and small business incubator type space for businesses to service a Low/Mod Area.
- 5. CDC/Citywide Support-** This program provides activity grants to City-wide organizations or Community Development Corporations for CDBG eligible services, public facility activities, economic development activities and real estate development activities in strategic geographic areas and neighborhoods. The primary objective is to fund activities that stabilize existing housing, provide housing opportunities for low-income residents, and improve the quality of life in Cleveland neighborhoods. City-wide organizations or Community Development Corporations either operate programs that provide a direct benefit to low- and moderate-income residents or help support City programs that provide the direct benefit to low- and moderate-income residents.
- 6. Storefront Renovation-** Financial and design assistance provided to commercial property owners and retail business owners to comprehensively rehabilitate buildings in targeted retail neighborhood districts and targeted retail buildings. Improvements will only address the exterior appearance of commercial buildings and, as needed, restore the architectural integrity of the structure according to federal design standards. Non-commercial buildings will also be eligible where a retail storefront will be created. Where mixed use structures are involved

(commercial/residential), program focus is the commercial presence of the building in the retail district. Exterior improvements will address maintenance, code and aesthetic items on the building as well as business signage that is within City codes; as well as functionally appropriate for the building. The Program does not address interior, residential code related items and does not result in decent, safe and sanitary units (DSS). Assistance will come in the form of grants, rebates, loans or forgivable loans.

- 7. Home Repair-** The Division of Neighborhood Services will provide direct assistance to low to moderate income occupants for rehabilitation, repair and maintenance of owner-occupied residential structures. Programs offered include Repair-A-Home (RAH), Senior Housing Assistance Program (SHAP), Homeowner Rehab Gap Financing (AAH); Furnace Repair; Furnace Replacement; Hot water Tank Replacement, Tree Trimming, Gutter Program and Paint Program and other programs proposed or under development. The Division also operates the following programs for owner occupants and tenants: Lead Hazard Control Program and Healthy Home Program. Citywide Project. Assistance will come in the form of grants, rebates, loans or forgivable loans.
- 8. SHAP and CHORE-** Department of Aging provides support to the Department of Community Development's SHAP Program, CHORE program, and other programs under Home Repair programs in the form of applicant identification, applicant intake and associated program support with Department of Aging staff. Assistance will come in the form of grants, rebates, loans or forgivable loans.
- 9. Housing Trust Fund-** Through a competitive proposal process administered by the Department of Community Development, the Housing Trust Fund will provide a source of public capital for investment in housing development projects that will increase and preserve the supply of affordable housing units and/or assist in addressing housing related neighborhood revitalization strategies. The goals of the Housing Trust Fund program are: provide decent affordable housing to lower-income households; expand the capacity of nonprofit housing providers; strengthen the ability of organizations to provide housing, and; leverage private-sector participation. Programs under this section include Homeownership Program, Single-Family Gap Financing Program, Multi-Family Gap Financing Program, Model Block Program and other programs proposed or under development. Assistance will come in the form of grants, rebates, loans or forgivable loans.
- 10. General Administration-** Direct program administration costs for staff salaries and benefits expenses, as well as direct operating expenses for federal entitlement funded employees. Also included are Indirect Costs and associated public information and planning activities.
- 11. Strategic Initiatives, Facilities & Neighborhood Development Activities-** This program provides activity grants to variety of entities for CDBG eligible services, public facility activities, economic development activities and real estate development activities in strategic geographic areas and neighborhoods. The primary objective is to fund activities that stabilize existing housing, provide housing opportunities for low-income residents, and improve the quality of life in Cleveland

neighborhoods. Entities either operate programs that provide a direct benefit to low- and moderate-income residents or help support City programs that provide the direct benefit to low- and moderate-income residents. Neighborhood Development Activities are intended to ensure that funding is allocated throughout the City. Assistance will come in the form of grants, rebates, loans or forgivable loans.

12. Homeless Services (ESG) and Emergency Solutions- As a result of continued high demand for shelter services, CDBG funds are used to supplement Emergency Solutions Grant (ESG) funds. The combined ESG and CDBG homeless services funds for shelter services are allocated through a proposal process carried out in cooperation with the Cleveland/Cuyahoga County Office of Homeless Services.

13. AIDS Related Services and AIDS Prevention- The Department of Public Health will contract with neighborhood-based service providers in a five-county area to develop long-term comprehensive strategies and incentives to promote community awareness about AIDS, and to provide resources to address the housing needs of persons with AIDS and related diseases and their families.

DEVELOPMENT, PLANNING AND SUSTAINABILITY COMMITTEE

CONSOLIDATED PLAN BUDGET HEARINGS

SCHEDULE

Tuesday, FEBRUARY 9, 2021 @ 9:00 AM TO NOON

Opening Statement

Chapter 1 Budget (Overview)

Chapter 2 General Administration

Chapter 3 Housing and Development Programs

- Housing Repair Assistance Programs
- Healthy Homes Initiative

Tuesday, FEBRUARY 9, 2021 @ 1:30 PM TO 4:30PM

Chapter 3 Housing and Development Programs (*continued*)

- Housing Trust Fund
- CHDO: Affordable Housing
- Model Block
- Middle Neighborhoods Initiative

Chapter 4 Land Reutilization Programs

- Lot Clean Up
- Land Bank
- Vacant Lot Infrastructure Maintenance Program
- Community Gardens

Wednesday, FEBRUARY 10, 2021 @ 9:00 AM to NOON

Chapter 5 Commercial Revitalization-Storefront Renovation

Chapter 7 Neighborhood Development Activities

Chapter 8 CDC Activity Grants

Chapter 9 Citywide Development Support Agencies

Wednesday, FEBRUARY 10, 2021 @ 1:30PM to 4:30PM

Chapter 10 Public Services

- Third Party Social Services

Chapter 11 Banking Relations, Consumer Affairs and Fair Housing

Chapter 6 Demolition and Board Up

Thursday, FEBRUARY 11, 2021 @10:00AM-NOON

Chapter 12 CDBG Homeless Assistance and Emergency Solutions Grant

Chapter 13 CDBG AIDS Prevention and HOPWA

Reconciliation

DEVELOPMENT, PLANNING AND SUSTAINABILITY COMMITTEE
CONSOLIDATED PLAN BUDGET HEARINGS

TABLE OF CONTENTS

CHAPTER 1 – BUDGET

CDBG/Federal Home Grant Formula (1993-2020)	1-1
HUD Formula Allocation Grants.....	1-2
2021 Consolidated Plan Budget.....	1-3
HUD Formula Allocation Grants – Entitlement Allocations.....	1-5
Proposed 2021-2022 Federal Home Investment Partnership Budget.....	1-6
Public Service Line-Item Budget.....	1-7

CHAPTER 2 – ADMINISTRATION

General Administration.....	2-1
Organizational Chart.....	2-2
Indirect Cost Allocation Plan.....	2-3

CHAPTER 3 – HOUSING AND DEVELOPMENT PROGRAMS

Housing Repair Assistance Programs.....	3-1
Community Engagement/Healthy Homes.....	3-11
Housing Trust Fund.....	3-14
CHDO: Affordable Housing.....	3-19
Model Block.....	3-20
Middle Neighborhoods Initiative.....	3-23

CHAPTER 4 – LAND REUTILIZATION

Project Clean and Lot Clean Up Program.....	4-1
Land Reutilization Program.....	4-2
Vacant Lot Infrastructure Maintenance Program.....	4-4
Summer Sprout Community Gardening Program.....	4-5

CDBG STARTED IN 1975
HOME STARTED IN 1992

**DEPARTMENT OF COMMUNITY DEVELOPMENT
HUD FORMULA ALLOCATION GRANTS 2021-2022**

PROGRAMS	Actual 2018	Actual 2019	Actual 2020	Projected 2021	2021 - 2020 \$ +/-(-)	2021 - 2020 % +/-(-)
COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)	21,089,347	21,154,188	21,719,035	20,198,701	(1,520,334)	(7.00%)
HOME INVESTMENT PARTNERSHIPS (HOME)	4,861,218	4,512,419	4,873,413	4,629,743	(243,670)	(5.00%)
EMERGENCY SHELTER/SOLUTIONS GRANTS (ESG)	1,739,682	1,796,770	1,864,435	1,771,215	(93,220)	(5.00%)
HOUSING OPPORTUNITIES FOR PERSONS WITH AIDS (HOPWA)	1,241,586	1,402,636	1,463,310	1,390,145	(73,165)	(5.00%)
TOTAL ALL PROGRAMS	28,931,833	28,866,013	29,920,193	27,989,804	(1,930,389)	(6.45%)

The 2021-22 estimates are based upon 2020-21's actual budget awards with a 7% decrease being projected for the Community Development Block Grant. An 5.0% decrease is projected for The HOME Investment Partnership Grant. The Emergency Shelter/Solutions Grant (ESG) is estimated to receive an decrease of 5% over the 2020-21 grant. The Housing Opportunities for Persons With AIDS Grant (HOPWA) is projected to receive a 5% decrease over the 2020-21 grant. HUD has not released or notified grantees of their specific awards. It is unknown when notification will occur and it is unlikely to come prior to CDBG budget hearings on February 10-12. If we do not get final grant amounts before the hearings, we will use estimates for the budget hearings, and the estimates will be adjusted based on final awards. We have taken this approach in past years when we have not received final allocations in advance of the hearings.

**DEPARTMENT OF COMMUNITY DEVELOPMENT
 PY2021 (2021-2022)
PUBLIC SERVICE LINE ITEM CAP**

A) CAP CALCULATIONS:

CDBG 1983 Public Service Line-item Budget	\$4,731,000
(15% of formula or 1982/83 PS budget)*	
Est. CDBG PY2021 program income \$ 700,000	
15% of program income =	<u>105,000</u>
 Total CDBG Public Service Line-Item cap	 \$4,836,000

B) PROJECTED PUBLIC SERVICE PROGRAMS:

AIDS Prevention Program	\$ 264,485
Third Party Social Service Agencies	1,316,455
Homeless Services	625,246
Senior Tree Trimming Services	69,750
CHORE program Administration	280,000
Senior Transportation Connection	<u>100,000</u>
Subtotal	\$2,655,936

NDA Allocation (Maximum \$75,000x17) = \$ 1,275,000

GRAND TOTAL \$3,930,936

BALANCE AVAILABLE TO REACH CAP \$ 905,064

*As per Section 570.201(e) (2) of CFR, Grantees can allocate 15% of the entitlement amount and 15% of the actual previous year's CDBG program income amount for the eligible public service activities.

The exception to the above rule is as follows:

- 1) Grantees that allocated more than 15% of the entitlement amount during the 1982 or 1983 CDBG budget for the public service category can continue to allocate that amount for the public service category.

The City of Cleveland allocated \$4,731,000 for the public service category in the 1983 CDBG budget. This amount is higher than the \$3,134,805 or 15% of the estimated 2021 CDBG entitlement of \$20,898,701. Therefore, the higher amount of \$4,731,000 plus 15% of the PY2021 program income is used by the City for the calculation of the PY2021 budget public service cap.

DEPARTMENT OF COMMUNITY DEVELOPMENT
ORGANIZATION CHART

DEPARTMENT OF FINANCE
2021 INDIRECT COST ALLOCATION PLAN

The proposed CDBG PY 2021 indirect cost line item budget is based on the 2008 Indirect Cost Allocation Plan (CAP) prepared by OBM staff in conjunction with local consultants from Maximus, Inc. The Indirect cost rate for CDBG is 17%. Per the Finance Director for the City of Cleveland this amount for 2017 was \$0.

The CAP allocates billing rates based on the allowable costs of services provided by the City on a centralized basis to its Departments and Divisions. The purpose of the CAP is to ensure that Enterprise funds, Federal and State awards and other grants bear their fair share of central service costs recognized under state and federal guidelines and allowed under law.

Indirect Cost charges for CDBG for last 5 years are as follows:

2011	185,000
2012	185,000
2013	285,000
2014	285,000
2015	285,000
2016	285,000
2017	0
2018	285,000
2019	285,000
2020	285,000
2021	285,000

Note:

The cost in 2011 and 2012 was \$285,000 but the difference was paid from grants.

**DEPARTMENT OF COMMUNITY DEVELOPMENT
PY2021 CDBG COUNCIL COMMITTEE HEARING**

SECTION I: BACKGROUND INFORMATION

Program: **HOUSING REPAIR ASSISTANCE PROGRAMS**

Responsibility: Division of Neighborhood Services

Contact: Louise V. Jackson, Commissioner

Service Area: Citywide

SECTION II: PROPOSED PY2021 CDBG/HOME ALLOCATION \$3,584,074

**PROPOSED PY2021 CDBG/HOME PROGRAM
INCOME ALLOCATION \$500,000**

PY2018	PY2019	PY2020
\$4,088,290	\$3,487,790	\$5,214,341

A total budget amount of \$5,214,341 (See Section III.) is proposed for the Repair-A-Home Program (RAH), Senior Homeowner Assistance Program (SHAP), Program Administration and SHAP/CHORE Administration. An additional estimated \$300,000 in program income is expected to be generated from previous year’s CDBG & HOME loans and is available to these programs.

SECTION III: PROPOSED PY2021 PROGRAMS

	CDBG	HOME	TOTAL
A. Repair-A-Home Program (RAH)	0	500,000	500,000
B. Senior Homeowner Assistance Program (SHAP)	930,000	0	930,000
C. Program Administration	900,000	462,974	1,362,974
D. SHAP/CHORE Administration-Aging	280,000	0	280,000
E. Furnace/Hot Water Tank Replacement	265,050	0	265,050

I. Lead Hazard Control	0	0	0
TOTAL	2,261,100	962,974	3,584,074

A. REPAIR-A-HOME PROGRAM (RAH)

The program is designed to assist low to moderate income homeowners with code required repairs to their primary residence. The primary residence must be classified either as a one (1) or two (2) family dwelling only. The residence must be repaired or

rehabilitated per the City's Priority Scope of Services. The repairs are provided to the eligible homeowner through a 50% forgivable loan through the City.

PY2021 COUNCIL COMMITTEE HEARING / Housing Repair Assistance Programs

The Program is available on a citywide basis. All applicants must own and occupy their primary residence for a minimum of one (1) year, and be current on their property taxes.

Clients must also meet a debt to income ratio and not have any active liens against the home. Based on HUD 2020 income guidelines, loans are limited to applicants with annual incomes of less than \$42,600 for single person households and \$48,650 for two-person households. The maximum loan amount for single family properties is \$60,000, and for a two-family property it is \$80,000. Refer to Page 3-7 for items included in the Priority Scope.

B. SENIOR HOMEOWNER ASSISTANCE PROGRAM (SHAP)

The program is designed to assist low income seniors or disabled homeowners with the repair of two (2) critical health and safety repairs to their primary residence. The primary residence must be classified either as a one (1) or two (2) family dwelling unit, and work will only be done in the unit occupied by the homeowner. Eligible repairs could include: roof and gutters, porch(s), whole house electrical, whole house plumbing, wheelchair ramp or lift. The repairs are provided to the eligible homeowner in the form of a grant.

The program is available on a citywide basis, but is targeted towards seniors and disabled adults who are referred to the program by the Department of Aging. Applicants are eligible for services once every 10 years. All applicants must own and occupy their primary residence for a minimum of one (1) year, and be current on their property taxes or be current on an approved payment plan for a minimum of three (3) months; plan must also be current at the time service is rendered. Based on HUD 2020 income guidelines, grants for these repairs are limited to applicants with annual incomes of less than \$18,650 for single person households and \$21,300 for two-person households. The average grant amount for each item repaired for a single-family structure is \$12,000 and \$14,000 for each item repaired in a two-family structure.

C. PROGRAM ADMINISTRATION

In addition to administering the RAH and SHAP Programs, the Division of Neighborhood Services provides training, technical, inspections, and administrative support services for other housing programs such as the Lead Hazard Control Program, Healthy Homes, third party CDC housing programs; programs funded with ward-based Neighborhood Development Activities support; and Neighborhood Equity Fund projects.

D. SHAP/CHORE ADMINISTRATION-AGING

SHAP is augmented by and compliments the Cleveland Department of Aging (CDA) Chore Program. Chore workers provide home maintenance tasks to enable eligible older and or disabled clients to age in place.

PY2021 COUNCIL COMMITTEE HEARING / Housing Repair Assistance Programs

E. SENIOR INITIATIVE PROGRAM

The Senior Initiative provides Cleveland's older adults and adults with disabilities assistance to help them avoid becoming victims of scam contractors and to avoid citations for housing violations. This initiative is a cooperative effort across the Departments of Aging, Building and Housing, Community Development, Public Health and Law.

F. FURNACE REPLACEMENT & HOT WATER TANK REPLACEMENT PROGRAMS

The program is designed to assist low income (50% of median income) homeowners with emergency furnace replacement or hot water tank replacement. The primary residence must be classified either as a one (1) or two (2) family dwelling only. The replacement is only provided to the unit of the eligible homeowner in the form of a grant.

The program is available on a citywide basis by calling Community Housing Solutions (CHS). All applicants must own and occupy their primary residence for a minimum of one (1) year. Based on HUD 2020 income guidelines, grants for these repairs are limited to applicants with annual income of less than \$26,600 for single person households and \$30,400 for two-person households. This is a collaborative program between the Department of Community Development and Community Housing Solutions.

G. FURNACE REPAIR PROGRAM

The program is designed to assist low-income homeowners with minor furnace repairs. The primary residence must be classified either as a one (1) or two (2) family dwelling only. The repair is only provided to the unit of the eligible homeowner in the form of a grant.

All applicants must own and occupy their primary residence for a minimum of one (1) year. Based on HUD 2020 income guidelines, grants for these repairs are limited to applicants with annual income of less than \$26,600 for single person households and \$30,400 for two-person households. The program is available on a citywide basis by calling Community Housing Solutions.

H. TREE TRIMMING ASSISTANCE PROGRAM FOR SENIORS

The program is designed to assist low-income seniors or disabled homeowners with hazardous tree or branch removal that is on their own property. The primary residence must be classified either as a one (1) or two (2) family dwelling only. The repair is provided to the eligible homeowner in the form of a grant.

This is a collaborative program between Cleveland Departments of Aging, Public Works and Community Development. The program will only remove major tree nuisances that threaten safety or damage. Minor tree nuisances are not eligible. Applicant eligibility is

PY2021 COUNCIL COMMITTEE HEARING / Housing Repair Assistance Programs

based upon the guidelines utilized for the SHAP Program.

The Program is available on a citywide basis. All applicants must own and occupy their primary residence for a minimum of one (1) year. Based on HUD 2020 income guidelines, grants for these repairs are limited to applicants with annual incomes of less than \$18,650 for single person households and \$21,300 for two-person households.

The Division of Park Maintenance and Properties determines if a tree is in a hazardous condition. The program will not take care of the roots unless the tree is uprooted—that is, the root ball came up as the tree fell over, leaving an open hole in the ground and caused a safety issue that requires the stump to be removed. This program will not restore the turf; the hole will be filled in if necessary as determined by the Division.

When a tree is pruned away from a structure, it will be pruned to a distance of 20 feet, which is standard building clearance.

The program will mitigate risk of trees determined to be extreme or high risk.

Examples of extreme or high risk trees may include:

- The tree is damaging the roof of a structure
- The tree is dead
- The tree has dead limbs greater than 3" in diameter
- The tree has a broken or hanging limb greater than 3" in diameter
- The tree has large vertical or horizontal cracks on the trunk or limbs
- The tree has a poor overall form and lacks symmetry
- The tree has poor branch attachment
- The tree has a 30 degree lean toward valuable property
- The tree has a cavity, or opening, in the trunk
- The tree has decayed roots
- The tree lost root support due to decay or root cutting from construction

Exclusions from the CTAPS program

The following conditions do not result in an extreme or high risk tree and will not be mitigated under the CTAPS program:

- The tree drops leaves, fruits, seed pods, etc. and creates a mess
- The applicant is tired of raking leaves
- The tree's roots are growing into the water and sewer pipes
- The applicant is having water back up due to tree roots in the pipes

I. GUTTER CLEANING PROGRAM

The program is designed to assist y and disabled adults with cleaning their gutters to aid in increasing the life of the existing roof. Eligibility is based on the guidelines utilized for the SHAP Program. Assistance is available as a grant. The gutter cleaning season will

be in two cycles: October 1 through November 30 and April 1 through June 30. Gutters will not be cleaned from December through March due to weather and July through

PY2021 COUNCIL COMMITTEE HEARING / Housing Repair Assistance Programs

August due to excessive amount of leaves on the trees. Gutters should be intact and in good repair

A visual assessment will be done to determine the present condition. Based on HUD 2020 income guidelines, grants are limited to applicants with annual incomes of less than \$18,650 for single person households and \$21,300 for two-person households.

J. LEAD HAZARD CONTROL PROGRAM

The Lead Hazard Control Grant Program was created to protect children from lead-based paint hazards. The program is designed to maximize the combination of children protected from lead poisoning and housing units where lead-hazards are controlled. All identified interior and exterior lead-based paint hazards are to be controlled so that the housing unit will achieve "clearance" in order to confirm that all hazards have been properly addressed. The clearance process includes both a visual evaluation and dust-wipe sampling.

The scope of work eligible for the program will be determined by the Lead Inspection/Risk Assessment completed by the Risk Assessor. If the total cost of the unit is greater than the average unit cost, the occupant/landlord is encouraged to contribute to the cost with in-kind work or additional financial resources. All programs participants are encouraged to provide assistance to the project by either performing some of the required measures and/or making a financial contribution of \$600.00 or more per unit.

Based on HUD 2020 income guidelines, assistance is limited to owner occupants (80% of median) with annual incomes of less than \$42,600 for single person households and \$48,650 for two person households or tenants (50% of median) with annual incomes of less than \$26,600 for single person households and \$30,400 for two-person households.

WARM & HEALTHY HOMES

Warm and Healthy Homes is not a stand-alone program. The Lead Hazard Control Program will conduct healthy home interventions in homes of low income children and/or elderly residents living in sub-standard housing in the City of Cleveland where it has been determined there is a lead hazard. There will be a lead, health and safety home inspection.

Homes will be screened to determine health and safety hazards covered by the program. Homes of eligible families will undergo a risk assessment. Work scope and specifications will be developed to address multiple hazards, including lead, excess moisture, faulty combustion appliances, pest infestation, pesticide exposure, asthma

triggers, contaminated dust and dirt, radon, inadequate ventilation and/or accidental hazards.

Based on HUD 2020 income guidelines, assistance is limited to owner occupants (80% of median) with annual incomes of less than \$42,600 for single person households and \$48,650 for two person households or tenants (50% of median) with annual incomes of less than \$26,600 for single person households and \$30,400 for two-person households.

PY2021 COUNCIL COMMITTEE HEARING / Housing Repair Assistance Programs

SECTION IV: OTHER REFERRAL SERVICE PROGRAMS

EXTERIOR HOME REPAIR PROGRAM

The program offers one time assistance to Cleveland residents who reside in and own single or two family homes in need of exterior health, safety or maintenance repairs. Assistance is in the form of a loan with a 0%, 1%, 2% or 3% interest rate. The repayment term is dependent upon the amount of disposable income available. Special terms are available based on the applicants' ability to pay. All program participants must have exterior code violations identified by the Department of Building and Housing.

Eligible repairs include: roof replacement, porches, steps, window repair or replacement, doors, vinyl siding, repair of walkways/driveways, driveway replacement, **(only if considered health and safety threats)**, exterior carpentry as needed, chimney repair or rebuilt and tuck pointing of exterior foundation.

To provide grant dollars to low and moderate income Cleveland homeowners for exterior maintenance of their home.

EXTERIOR PAINT PROGRAM

This Paint Program provides a valuable incentive to homeowners and tenants to maintain the exterior of their home and aid in reducing lead based paint hazards. To be eligible, an applicant must be a City resident and live in a one or two family structure that is being painted, and be of either low or moderate income.

The Paint Program provides grants of up to \$600 for exterior paint and paint supplies for owner occupants and up to \$400 for tenants. Funds granted will not exceed the cost of the exterior paint and supplies. Labor is not included. The entire property must be painted to qualify for the program. Paint vouchers are used to process payment to paint vendors. Lead regulations must be followed when houses are painted. To ensure compliance, a pre-inspection is conducted to verify property needs to be painted and that safe work practices will be followed. A certified Risk Assessor must do the final clearance exam. Final clearance as defined by the regulations is a visual clearance of the work site completed by a State Certified Lead Risk Assessor.

All painting must be completed and inspected by October 31, to be eligible for reimbursement in the same year. Requests for reimbursement must be accompanied by a copy of the original receipts dated after application approval. Income guidelines is 100% of Area Median Income.

**PY2021 COUNCIL COMMITTEE HEARING / Housing Repair Assistance Programs
WHAT TYPES OF REPAIRS ARE ELIGIBLE?**

The types of rehabilitation repairs that are eligible are outlined in the priority scope of services. Note: Elective rehabilitation items (e.g. kitchen remodeling, decks) cannot be done through the City of Cleveland.

Priority Scope of Services

- Mechanical Systems and Roof
- Heating (Furnace and Ducts)
- Electrical (Including Smoke and CO2 Detectors)
- Plumbing
- Roofing
- Gutters, downspouts, crocks
- Lead Hazard Reductions (As required by the repair work)

Exterior Code Violations

- Painting, tuck pointing (siding only when exterior walls are deteriorating)
- Stairs, railings and porches
- Door/Window repair
- Chimney pointing and repair

Kitchen and Baths

- Kitchen - sink and base cabinets, flooring
- Bathroom - tub, tub wall, water closet, vanity, flooring
- Other - violations

Other

- Repair only of walkways/driveways (only if considered health and safety threats)
- Exterior carpentry as needed
- Any building or housing code violations that may be outstanding must be corrected first
- Mechanical systems - heating, plumbing and electrical must be brought up to code standards

SECTION III: PROPOSED PY2021 PROGRAM

The Housing Trust Fund will provide a source of public capital for investment in housing development projects that will increase the availability of affordable opportunities for lower income households.

A. HOUSING DEVELOPMENT PROJECTS

Selection Criteria:

The Housing Trust Fund (HTF) will provide public capital for investment in housing development projects that will preserve existing affordable units or increase the supply of new or rehabilitated units that are affordable to lower income households. **Selection of projects will be competitive, based on the following criteria:**

1. Feasibility of the project as indicated by site control, project financing structure, financial commitments and marketability.
2. Capacity of the applicant to initiate construction within one year of HTF award.
3. Quality of design and construction of the proposed project.
4. Relationship to a strategic approach to revitalization in the area surrounding the project. Projects which are an integral part of a credible, comprehensive neighborhood revitalization strategy will have an advantage.
5. Extent to which sustainability, environmentally sensitive, energy efficiency or "green" principles are reflected in the proposal.
6. Extent to which the project represents a catalyst for achieving an innovative approach to neighborhood revitalization goals.

7. Rate at which resources will be returned to the Trust Fund through payments of principal and interest.
8. Subsidy analysis to extent in which HTF financing is needed to make project feasible.
9. Total cost and total subsidy per unit.

Eligible Projects:

- New construction or substantial rehabilitation residential projects with construction costs of at least \$25,000 per unit.
- Units to be developed may be rental or for sale.
- Transitional and supportive housing facilities designed to assist the homeless are eligible.
- Proposals for scattered site projects should be part of the implementation of a model block or other comprehensive neighborhood revitalization plan.

Maximum Request:

Awards should not exceed \$600,000 (\$1,200,000 for permanent supportive housing) and will be underwritten subject to HUD HOME regulations. Consideration for projects whose requests exceed the maximum will be reviewed on a case-by-case basis based on project complexity, strategic importance, and available funding.

Eligible Participants:

Developers may be for-profit or non-profit.

Eligible Locations:

City-wide

Eligible Uses:

Funds can be used as short-term or long-term secured financing for project development costs. These may include, but are not limited to:

- costs of land assemblage
- demolition and site preparation
- site improvements
- construction costs
- costs of obtaining permits, zoning approvals, etc.
- consultant, architectural, legal, audit, mortgage and other fees
- carrying charges and costs of financing
- measures to increase efficient use of energy
- buyer financing incentives
- marketing

Policy on Cleveland Green Building Standard

All housing development projects receiving assistance through the Housing Trust Fund must comply with the requirements of the Cleveland Green Building Standard. This will assure that

all future Housing Trust Fund projects are designed and built using practices that reduce building operating costs, prevent unhealthy living environments, conserve energy and natural resources and contribute to improved regional land use patterns.

The Cleveland Green Building Standard is based on the nationally recognized Enterprise Green Communities Criteria, which has been specifically designed to address affordable housing needs. Substantially equivalent green evaluation systems in the U.S. Green Building Council's Leadership in Energy and Environment (LEED) Program and the National Association of Home Builders' National Model Green Home Building may also be used to verify compliance with the Cleveland Green Building Standard. Developers will be required to secure verification of compliance through certified third party raters.

Terms and Conditions of Housing Trust Fund Financing:

Housing Trust Fund allocations will generally be in the form of secured loans, which can be subordinate to other financing sources. Repayment terms will be structured to the needs of each project. Some loans may include terms related to forgiveness upon meeting conditions related to project completion and maintenance of affordability.

Application Requirements

1. Project description including plans, drawings and specifications.
2. Developer's credentials and experience.
3. Evidence of site control.
4. Construction bids or firm estimates.
5. Project feasibility and financing, including evidence of private financial commitments.
6. Relocation plan (if applicable).
7. Development schedule.
8. Importance of the project to furthering neighborhood and city strategies.
9. Marketing and/or management plan.
10. Plan for meeting Cleveland Green Building Standard

Project Selection Process

Selection will be through a competitive process open to all eligible projects. Applications will be submitted to the Director of Community Development for staff review. Funding decisions will be made by a loan committee consisting of the Director of Community Development and other appropriate staff members. Loan Committee recommendations will be submitted to City Council for legislative approval. RFPs may be solicited annually or multiple times throughout the calendar year dependent on available funding. Proposals for small scale (1-20 units) may be accepted, evaluated, and awarded on a rolling basis contingent on available funding.

SECTION IV: PROGRAM PERFORMANCE SUMMARY

Projects listed on the following page received HOME allocations from the 2019 Housing Trust Fund.

HTF awards are subject to final underwriting and limited to the amount needed to provide affordable housing.

SECTION V: SINGLE FAMILY GAP FINANCING

The Single Family Gap Financing Program is a pilot program that will rehabilitate vacant, single family houses to be sold to low-income households. The Single Family Gap Financing Program will develop into a replacement program for the Afford-A-Home Program.

The Single Family Gap Financing Program is modeled on the Neighborhood Stabilization Program. The pilot program provides construction financing, forgiving the construction loan in an amount equal to the difference between the documented rehabilitation costs and the final sales price, and converting a portion of the construction loan to a second mortgage for an income-qualified buyer.

The Single Family Gap Financing Program provides financial loan assistance to Developers or General Contractors. The Developer or General Contractor must acquire and renovate the house and must sell the house to a low income homebuyer. The Developer or General Contractor must ensure that each homebuyer receives and completes at least 8 hours of homebuyer counseling from a HUD-approved housing counseling agency before obtaining a mortgage loan. The Developer or General Contractor must also ensure that the homebuyer obtain a mortgage loan from a lender who agrees to comply with bank regulators' guidance for non-traditional mortgages and must not permit the homebuyer to obtain subprime mortgages. The homebuyer must reside in the property during the five year HUD-required Affordability Period.

The program increases the affordability of owning a home for low-income households by providing a zero percent second mortgage and requiring each Single Family Gap Financing property to be rehabbed according to the City's Green Building Standards in order to be eligible for tax abatement.

**DEPARTMENT OF COMMUNITY DEVELOPMENT
PY2021 COUNCIL COMMITTEE HEARING**

SECTION I: **BACKGROUND INFORMATION**

Program: **Model Block Program**

Responsibility: Department of Community Development

Contact: Mike McBride, Housing Development Office Manager

Service Area: Citywide, within clusters of activity to be identified

SECTION II: **PY2021 ALLOCATION \$0**

This activity is funded with prior year balances and program income funds

SECTION III: **PROPOSED PY2021 PROGRAM**

The Model Block initiative is based upon the premise that a concentration of vacant building rehabilitation and existing owner’s investment in exterior enhancement will create benefits including:

- 1) The restoration and improvement of the existing housing stock in Cleveland communities.
- 2) Increase in residential property sales and values, and
- 3) Spearhead residential pride,
- 4) Commercial market confidence;
- 5) Stimulate investments of financial and sweat equity resources into our neighborhoods.

The Model Block program will provide a source of public investment capital to remove blight and preserve neighborhood buildings in focused areas. The program will have two components:

- 1) Occupied Residential Property Exterior Work. A matching grant for occupied neighborhood residential property to support exterior repairs that address blighted conditions that could result in code violations; and
- 2) Vacant Property Acquisition and Stabilization. A grant to assist with purchase and stabilization of vacant properties planned for rehabilitation. After a property is selected, funding will pay for clean out, roof and wall repair, and bringing it into full compliance with a vacant property standard modelled after the Hamilton County Land Bank’s Historic Structure Stabilization program and vacant building maintenance license (VBML) standard. Properties will be made secure and weather tight, but will still require significant additional renovation for an end user. This process essentially “mothballs” the building, preventing further decay until the end use is finalized and development is fully funded.

MODEL BLOCKS PROJECTS

Selection of projects will be competitive, based on the following criteria:

1. Feasibility of the project as indicated by site control, project financing structure, financial commitments and marketability.
2. Extent to which project is located in CD priority target area and in close proximity to other identified projects using model blocks funding and/or supported by other community based housing, economic development or other programs and initiatives.
3. Projects must be an integral part of a credible, comprehensive neighborhood revitalization strategy.
4. Commitment to adhere to high quality of design and construction of the proposed project.
5. Amount of additional funding leveraged.
6. Subsidy analysis to extent in which acquisition and development costs are reasonable.
7. The individual activities must all address eligible activities that meet the National Objectives for HUD's Community Development Block Grant program.

For Occupied Residential Property Exterior Work

8. Capacity of the applicant or CDC partner to initiate construction within one year of Model Block award.
9. Plan and explanation of how CDC will work with the residents, including a plan to approach, advise, counsel, and generally assist residents and to identify properties to be referred;
10. Priority will be given to owner occupied properties.

For Vacant Property Acquisition and Stabilization

11. Capacity of the applicant or CDC partner to initiate construction within two years of Model Block award.
12. Potential to catalyze additional investment in buildings.

Eligible Projects:

1. For Occupied Residential Property Exterior Work
2. Exterior repair and restoration.
3. Meet secretary of the interior renovation standards.
4. Addresses potential code violations.
5. Residential occupancy
6. Must meet standards for Lead Hazard Control

7. For Vacant Property Acquisition and Stabilization
8. Acquisition and stabilization of vacant buildings with residential dwelling units
9. Acquisition costs must be nominal and not represent a market premium
10. Projects are limited to target areas experiencing a vacancy problem and demolition pressure.

Maximum Request:

For Occupied Residential Property Exterior Work

Awards will be limited to \$10,000 per residential unit.

For Vacant Property Acquisition and Stabilization

Awards will be limited to \$25,000 per residential unit

Eligible Participants:

For Occupied Residential Property Exterior Work

501c3 Community Development Corporations and building owners

For Vacant Property Acquisition and Stabilization

Developers may be for-profit or non-profit.

Eligible Locations:

City-wide within priority areas in proximity to transit, commercial districts, employment and other opportunities. Areas must be experiencing focused investment.

SECTION I: BACKGROUND INFORMATION

-
Agency Name: Cleveland Department of Community Development

Program: Middle Neighborhoods Initiative

Contact: Jason Powers, Program Manager

Service Area: Citywide (Targeting areas within Cleveland neighborhoods)

SECTION II: PROPOSED 2021 ALLOCATION \$ 0.00

<u>PY2018</u>	<u>PY2019</u>	<u>PY2021</u>
\$0.00	\$0.00	\$0.00

SECTION III: PROGRAM DESCRIPTION

This activity is funded through non-block grant sources

In 2018 the Cleveland Foundation and City of Cleveland Department of Community Development funded the Middle Neighborhoods initiative (MNI) with two goals: (1) identify Cleveland's MN, and (2) develop programs, policies and intervention strategies to solve the challenges in these places.

Preliminary research by the Middle Neighborhoods Initiative has found areas of Cleveland with housing and population conditions that reflect "critical neighborhood" levels throughout the city in diverse locations. These areas have distinct cultures, identities and histories but share conditions that can be addressed through a series of next-practices for the community development field.

Nationally, there are competing definitions of critical neighborhoods. Some refer to critical neighborhoods as those where a city's working and critical-class families live. Others define them as neighborhoods where incomes and home prices are close to citywide medians. However, all commonly agree that critical neighborhoods are neither high poverty nor affluent areas. Critical neighborhoods' housing markets are neither regionally competitive nor deeply distressed. They are neighborhoods with uncertain futures, whose conditions and housing values might improve or fall into decline.

Reversing market failure in deeply distressed neighborhoods and avoiding future market failure, in as many neighborhoods as possible is a primary goal for Cleveland's critical neighborhoods. Beyond the baseline goal of avoiding future market failure, we set the progressive goal of increasing home values to equitable levels which are reached when homes with similar housing stock, in neighborhoods with similar amenities, have similar values regardless of neighborhood demographics.

Cleveland's critical neighborhoods are home to a majority of its total population and school aged children. They are made up of a representative population of Cleveland's Black, White and Latinx communities, with household incomes ranging from seventy-eight to ninety-two percent AMI. It is estimated they contribute 45% of the City's residential taxes. Stabilizing these areas is of central importance to maintaining Cleveland's city services.

It is also crucial to addressing racial disparities, since the recession will further erode the value of equity held by Black homeowners and small landlords. Median home prices in Cleveland's critical neighborhoods declined by 43% after the last economic recession, and the recovery has varied widely by neighborhood geography with some approaching their original values and others lagging behind. Losing that ground again would substantially affect expectations for generational wealth transfer. Given the limited resources in our region Cleveland must focus attention where there is existing strength, demonstrated need and clear potential. These recommendations provide actions to help critical neighborhoods become engines of middle-class wealth accumulation once again and buffers against future downturns for their residents.

SECTION IV: FUNDING SUMMARY

Program Term 2019-2021	Department Allocation \$0.00	Council Allocation (by Ward) \$0.00
-------------------------------	-------------------------------------	--

SECTION V: PRIOR YEAR ACCOMPLISHMENTS

Over the course of the last 1.5 years this program has partnered with local CDCs, city leadership, members of council and a vast network of practitioners and researchers around the country to understand how "middle neighborhoods" should be defined and understood in Cleveland. The initial work of identifying these places required subjective analysis, neighborhood conversations and historic evaluations of place. Concurrently, in partnership with Case Western Reserve University, MNI set about developing a neighborhood typology (Neighborhood Development Index or NDI) that provides a baseline picture of Cleveland and the surrounding municipalities. The development of this tool incorporated nearly 150 Cleveland area development data points along with subjective and qualitative analysis by CDCs Directors, City staff and analysts at the CWRU. By combining these data along with an iterative process of adjusting outputs to ensure block-by-block changes were accurately depicted we have created a next level tool for our community development field.

SECTION VI: PROPOSED PY2021 PROGRAM

Over the next 12 months MNI will complete and publish the tool; the next stage will be critical. Following publishing MNI will begin a rollout of training conversations for CDCs and nonprofit partner staff. Additionally, we will begin the process of advocating the use of this singular tool as a baseline for Council legislative conversations and Administrative policy making. It is integral to the success of our programs that the scarce resources within the CD ecosystem are appropriated strategically and consistently. One of the key findings of the MNI was the miscommunication and underutilized of resources by City of Cleveland and its CDCs partners. The reduced efficacy of programs is related to several challenges, however the lack of a cohesive planning tool and framework is one of the more obvious needs we can adjust. The NDI supports the work of CDCs throughout the city and can provide unique insights to support distressed, stable, trending, and gentrifying places equally. Middle Neighborhoods was able to adjust the initial mission of "finding Middle Neighborhoods" to providing this universal tool.

The next stage of work will be aligning our work around it. With a baseline understanding of "where" achieved the next two years will be an opportunity for MNI to implement pilot interventions in these types

of places. MNI has identified three categories of middle neighborhood in the City of Cleveland. Category 1 are place with a median income of 75% AMI and have moderate to heavy indicators of distress. These communities have past the state of decline and are very close to a place where MN interventions are not suitable. Category 2 areas are experiencing a declining transition as disinvestment dominates the real estate and commercial landscapes. Neighborhood filtering has led to a decline in incomes and home values, but these areas still reflect areas with enough intrinsic stability to benefit from several MN interventions. Finally Category 3 places are mostly found in Cleveland's suburbs with only 11 block groups defined as such within the city's borders. These places represent the true MN and can provide significant stability and strength to build from.

Over the past 2 years MNI has developed a series of recommendations and intervention strategies that can be used in these three places to affect positive change. A unique homeowner renovation loan should be deployed in C3 places where consumer choice still exists and homeowners of moderate incomes are able to invest. Large scale marketing efforts to share the stories of place in C2 and C3 neighborhoods can also benefit from the quality assets in these communities. Additionally, a hybrid model of strategically deploying CDBG funds through the city to retrofit and support rehab in C1 areas along with neighborhood project grant supports to establish and improve local assets can create a spark of new investment and stem the decline. The next two years will require MNI to continue it work partnering with local financial institutions, nonprofits and the City of Cleveland to implement these tools and begin the work of analyzing program achievements and determining if and, if so, to what extent success can be forged by these pilot investments.

The goal of stabilizing these places remains a critical piece to Cleveland's neighborhood success in the next century, and these tools must be tested to see how and where a turnaround is possible.

Cleveland's MNI is focused on delivering unique and specific strategies to areas often overlooked by the City of Cleveland and its community development ecosystem. Though often misunderstood as representing the "middle" of incomes, socio-economic class or home values the reality is that MNI as uncovered three subsets of neighborhoods each representing different populations, incomes and neighborhood characteristics. Within Cleveland approx. 90 block groups of MN are home to on average \$40,549 or 72% AMI, and another 88 block groups contain households with average incomes of 45,082 or 80% AMI. Only 16% of Cleveland's MN are between the 80-120% AMI threshold that defines the national middle. As such the majority of the MN targeted areas are made up of low income households. Within these areas the average home value ranges from \$52-\$80 ft² by comparison stable home values are typically defined as \$100-150ft². These neighborhoods have consistently depressed home values that are often the results of historic redlining and contemporary discriminatory housing practices. Cleveland's MN, as identified by C1, C2 and C3 places are home to 43% white, 47% black and 8% Hispanic populations, reflecting the general population of Cleveland and revealing that our targeted areas can provide support to create equitable community development practices. Overall the targeted populations for MN work are truly representative low- and moderate-income communities. Within these places are varied ethnicities, ages and economic classes. What ties them together are their nature as stable, yet declining, places and targeted geographies for investment.

**DEPARTMENT OF COMMUNITY DEVELOPMENT
PY2021 COUNCIL COMMITTEE HEARING**

SECTION I: BACKGROUND INFORMATION

The City of Cleveland’s Land Reutilization (Land Bank) Program is designed to acquire vacant land and market it to individuals, developers, and non-profit organizations for redevelopment. The goal is to contribute to the economic, social and environmental betterment of the City through redevelopment of city-owned land. Since 2015, the Land Bank has worked with numerous community development corporations and residents in programing Model Block & Neighborhood Stabilization Program strategies to transform distressed areas throughout the city with strategic demolitions, yard expansions and the installation of attractive public green spaces.

SECTION II:

Program: **Project Clean and Land Bank Lot Clean Up Program**

Responsibility: Division of Park Maintenance and Properties

Contact: Richard Silva, Commissioner

Service Area: Citywide

SECTION III: PROPOSED PY 2021 ALLOCATION \$1,160,690

<u>PY2018</u>	<u>PY2019</u>	<u>PY2020</u>
\$1,210,999	\$1,210,999	\$1,210,999

SECTION IV: PROPOSED PY2021 PROGRAM

Funds will be used to finance a lot cleaning and cutting program for City-owned Land Bank properties managed by the Division of Park Maintenance and Properties. Project Clean is an adult work employment program.

In the fiscal year 2019 – 2020, the allocation will be used for labor costs and will enable the Division to hire seasonal workers for a 28-week period.

SECTION V

Lot crews are responsible for cleaning, cutting and trimming lots and removal of debris following grass cutting.

SECTION II: PROPOSED PY2021 ALLOCATION \$495,000

<u>PY2018</u>	<u>PY2019</u>	<u>PY2020</u>
\$320,000	\$495,000	\$495,000

SECTION III: PROPOSED PY2021 PROGRAM

The purpose of the City of Cleveland’s Land Reutilization Program (‘Land Bank’) is to acquire tax foreclosed, vacant property and make it available to individuals, developers, and non-profit organizations for productive re-use. The program aims to contribute to the economic, social and environmental betterment of City neighborhoods by removing blight and fostering reinvestment. New investment may be in the form of residential and commercial construction, yard expansion for an adjacent homeowner, or ‘green’ improvements such gardens and parks.

The Land Bank vets development proposals through an application process in order to ensure that vacant property is transferred to responsible parties committed to restoring it to beneficial use. An interested party must submit a written application to the Land Bank office and outline the details of the proposed project. Three types of applications-- Side Yard, Development, and Agriculture/Garden—have their own Guide that outlines important information such as unique application requirements, procedures and policies for assessing proposals, and site plan considerations.

<u>PY2018</u>	<u>PY2019</u>	<u>PY2020</u>
N/A	\$0.00	\$0.00

SECTION III: PROPOSED PY 2021 PROGRAM

This activity is funded with prior year balances and program income

The acquisition of vacant lots owned by the City occurs via a number of paths that include, but are not limited to tax lien sale, urban renewal, eminent domain, donation, land swap, etc. The acquisition type determines whether the land is taxable or not, or is added to the land bank, or becomes other City of Cleveland land. The current land holdings is vast, and as a result, there are occasions where substandard conditions on a parcel may require immediate attention. The Department of Community Development has developed a program to provide maintenance to parcels under the jurisdiction of the department to address conditions that are hazardous.

Eligibility guidelines for maintenance targets severe conditions as a priority. Coordination and agreements already exist for certain vacant land conditions that include grass cutting, debris removal, and tree maintenance. The program will include maintenance to parcel sidewalks, walls constructed on and around parcels for specific purposes (e.g. retaining walls), and sink holes on parcels that are considered major. The Department of Community Development exercises an option to operate the program with assistance of other city departments, or contract directly with vendors that have the ability and capacity to carry out the program mission.

Program: **Summer Sprout Community Gardening Program**

Responsibility: Department of Community Development

Contact: Stephanie Ashford

Service Area: Citywide

SECTION II: PROPOSED PY 2021 ALLOCATION: \$117,233

<u>PY2018</u>	<u>PY2019</u>	<u>PY2020</u>
\$126,057	\$126,057	\$126,057

SECTION III: PROPOSED PY 2021 PROGRAM

Summer Sprout coordinates the use of vacant lots owned by the City, neighborhood agencies and private owners as community gardens. The Department of Community Development will enter into a contract with a non-profit organization for the administration of the program.

Eligibility guidelines require that potential locations are designated by the City, the Cleveland Schools, or a non-profit organization (or if private, have permission from the private owner), and have a minimum of five gardeners pledged to work on the site. Once authority to use the land has been obtained, an application requesting participation in the Summer Sprout program is sent to the non-profit organization administering the program. The application records the name, address and phone number of the potential gardeners. When approved, the gardeners' site is plowed or rototilled in the Spring (at the beginning of the season) or in the Fall (at the end of the season). Gardeners at each site are provided: vegetable seeds, plants, humus, soil amendments as needed, and fertilizer. Gardeners are required to maintain sites and to clear them by tilling in the Spring or Fall. The non-profit organization administering the program will provide technical assistance to gardeners, including advice on proper garden development and maintenance, gardening techniques, and problem solving.

Costs include: plowing or rototilling of each site, providing seeds, plants, humus/fertilizer/soil amendments as needed, partial payment of water fees, and lead testing of new garden sites. Gardeners will receive organized help with garden leader meetings, leadership training, a bi-monthly newsletter, and on and off site technical assistance. In addition, the non-profit organization administering the program will provide workshop opportunities, education services and libraries for the Summer Sprout gardeners.

**DEPARTMENT OF COMMUNITY DEVELOPMENT
PY2021 COUNCIL COMMITTEE HEARING**

SECTION I: **BACKGROUND INFORMATION**

Program: **Storefront Renovation Program**

Responsibility: Neighborhood Development

Contact: Terri Sandy, Manager - Commercial Revitalization Section

Service Area: Low and Moderate Income Areas / Slum and Blighted Areas

SECTION II: **PROPOSED PY2021 ALLOCATION: \$ 309,889**

<u>PY2018</u>	<u>PY2019</u>	<u>PY2020</u>
\$452,000	\$452,000	\$ 452,000

SECTION III: **PROPOSED PY2021 PROGRAM**

The goal of the **Storefront Renovation Program** is to keep Cleveland’s neighborhood retail districts economically strong, visually attractive and competitive in a regional shopping market while also providing goods and services to the surrounding areas’ residents. Rebate funds are utilized to provide project rebates to Storefront Renovation Program (SRP) applicants who complete comprehensive exterior renovations on all visible elevations of eligible building types as seen from the main street and/or install new business signage on already rehabilitated buildings in retail districts of the city.

In PY2021, the citywide Storefront Program rebate incentives will continue to offer 50% rebate incentives introduced on July 1, 2020 for Program Year 2020-21 as described below.

- Building Rebate (with or without tenant signage): 50% not to exceed \$50,000
- Architectural Rebate: 100% not to exceed \$5,000
- Sign Rebate: 50% not to exceed \$5,000 per business use (if tenant signage is not included in the building rebate OR for sign-only projects on already renovated buildings)

The Mayor’s Neighborhood Transformation Initiative Program: In areas designated as Mayor’s Neighborhood Transformation (NTI) multiple City Departments are working to increase the number of renovation projects and private investment that occurs in these areas. The Storefront Program’s rebate scale has been altered to act as an incentive to increase the number of projects that will successfully complete comprehensive building rehabilitations. These NTI retail district areas are:

- Buckeye Road: E. 93rd. Street to S. Moreland Blvd.;
- Clark-Fulton:
 - Clark Ave.: from Fulton Road to W. 25th St.;
 - Fulton Road: from Clark Ave to I-71;
 - West 25th: from Clark Ave. to I-71.
- Glenville Circle North:
 - E. 105th Street: from Superior Ave. to Wade Park;
 - Superior Ave: from E. 105th to Lakeview Road.

The rebate scale for the Mayor's NTI areas is:

- Building Rebate (with or without tenant signage): 65% not to exceed \$50,000
- Architectural Rebate: 100% not to exceed \$5,000
- Sign Rebate: 50% not to exceed \$5,000 per business use (if tenant signage is not included in the building rebate OR for sign-only projects on already renovated buildings)

In PY2021, the City's SRP staff consists of three employees: the Storefront Program Manager and two Design Specialists: one full-time and one part-time, who assist in the roles of Project Managers as well. The Design Specialists' services include: conceptual designs, historic building research, project specifications writing, bids review and construction monitoring assistance to all SRP applicants. All renovations are completed in accordance with the design standards established in *The Cleveland Storefront Renovation Program Design Manual*, which is based on the Secretary of the Interior's Standards. The full-time Design Specialist also acts as the Historic Compliance Officer for the Department of Community Development. The City's Storefront Program Manager manages all of the program's administrative functions, as well as providing direct technical assistance to all SRP applicants from application phase to payout of the rebate. The SRP Manager and SRP staff also plan and conduct the annual Storefront Awards event. While the Storefront Awards event was not held in 2020 and will not be held in-person in 2021, all SRP applicants that completed projects in 2019 and 2020 will be mailed framed, certificates signed by the Director and the Mayor, and a SRP Photo Sampler Souvenir book acknowledging their private investment and significant role in contributing to keeping and growing Cleveland's retail districts as welcoming, attractive and economically strong places to shop and visit. In PY 2021, the SRP will continue to be assisted by two Consultants who will both provide technical assistance to Storefront Program applicants.

The SRP staff will continue to partner with Community Development Corporations (CDC) staff to work cooperatively to market the Storefront Program to new eligible building and sign-only applicants.

\$950,000	\$535,889	\$1,000,000

SECTION III: PROPOSED PY2021 PROGRAM OBJECTIVES

CDBG funds will be used for the demolition of condemned and vacant properties.

CDBG funds will be used for the boarding of condemned or fire damaged structures that are open and pose a hazard to the surrounding community. CDBG funds will be used for the abatement of nuisances through administrative and civil actions.

SECTION IV: PROGRAM PERFORMANCE SUMMARY

(See Handouts.)

**DEPARTMENT OF COMMUNITY DEVELOPMENT
PY2021 CDBG COUNCIL COMMITTEE HEARING**

SECTION I: BACKGROUND INFORMATION

Program: **NEIGHBORHOOD DEVELOPMENT ACTIVITIES (NDA)**

Responsibility: Division of Administrative Services

Contact: Joy Anderson, Commissioner

Service Area: Citywide

SECTION II: PROPOSED PY2021 ALLOCATION **\$7,400,000**

<u>PY 2018</u>	<u>PY 2019</u>	<u>PY2020</u>
\$7,430,000	\$7,400,000	\$7,400,000

SECTION III: PROPOSED PY2021 PROGRAM

The Neighborhood Development Activities Program (NDA) budget of \$7,400,000 or \$435,294 per ward, supports community development and other CDBG-eligible activities benefiting low and moderate income persons and areas in the City. NDA activities are generally categorized as housing, commercial development, public service and other special activities.

Within the housing category, varied activities including acquisition/rehabilitation, second mortgage loans, rehabilitation loans and revolving loans are funded. NDA funds also supplement third party agency administrative costs associated with housing, rehabilitation, commercial and other redevelopment activities.

In 2020, 81% of NDA Program funding went to Community Development Corporations (CDCs) through the CDC Activity Grant Program for CDBG-eligible housing programs, commercial development and related public service activities.

\$1,112,644	\$1,112,644	\$1,121,932*

*includes funds from prior-year balance

SECTION III: PROPOSED PY2021 PROGRAM

The Community Development Corporation (CDC) Activity Grant Program supports non-profit, neighborhood-based organizations that are engaged in CDBG-eligible housing activities, commercial development and related public service activities. Seventeen (17) neighborhood-based development organizations received grants in PY2020 (*July 1, 2020-June 30, 2021*).

Through an RFP released on December 4, 2020, agencies will propose activities that are appropriate for their service area; and that are consistent with the *Connecting Cleveland 2020 Citywide Plan* and other approved neighborhood plans. Proposals must describe program staffing, steps agencies will take to arrive at measurable accomplishments and benchmarks that can be reported on a quarterly basis. Funding will cover a 12-month performance period and will be comprised of Departmental and Neighborhood Development Activity allocations.

Funding decisions will be based on the following criteria:

- Consistency with the 2020 Citywide Plan, community needs, citywide redevelopment plans and the agency’s Neighborhood Strategic Plan;
- Organizational capacity and ability to produce eligible accomplishments relative to the proposed activities;
- Past performance;
- Demonstrated ability to manage programs and CDBG requirements.

Funding recommendations will be presented to City Council in May 2021.

Eligible Applicants

To be eligible for funding under the CDC Activity Grant Program, each applicant must meet the following standards:

**PY 2021 CDBG COUNCIL COMMITTEE HEARING / Community Development Corporation
(CDC) Activity Grant Program**

- Be incorporated as a nonprofit organization. Maintain 501(c)(3) tax-exempt status and have a current Statement of Continued Existence.
- Maintain By-laws approved by the agency's board of directors.
- At least 80% of the board of directors must be representative of the service area's residential, institutional and economic segments; at least 40% of the total board must be residents of the service area.
- Engage in community development activities primarily within an identifiable geographic area of the City of Cleveland.
- Actively engage in outreach efforts, methods and procedures to secure public input into its program development.
- Have at least three (3) full years of operational experience in implementing housing, commercial and/or industrial development activities. This includes completion of an independent audit for each of those three years, along with approval of the audits by the agency's Board of Directors.
- The ability to cover at least two months of costs to be reimbursed under the proposed CDBG contract using non-CDBG funding sources.
- Must be currently carrying out development activities pursuant to a written neighborhood strategy or plan, developed with the input of the community and formally approved by the board of directors.

The primary objectives of the CDC Activity Grant Program are to create and maintain affordable housing opportunities and to maintain commercial services in low to moderate income areas. CDC Activity Grants must be used for programs or services that result in tangible neighborhood improvements to real property that can appropriately be recognized as reportable accomplishments, as defined by CDBG regulations.

Eligible Uses of Grant Funds

CDC Activity Grant funds can be used for:

- Reasonable professional staff and administrative costs related to the production of eligible accomplishments.
- Overhead related to the production of eligible accomplishments.
- Professional and Technical service fees (e.g., consultants, legal and accounting services, related agency administration or program delivery) related to the production of eligible accomplishments.

Funding Limitations

- Special purpose organizations are not eligible for CDC Activity Grant Program funding
- Effective June 1, 2021, Multi-Family Housing Rehabilitation and New Construction are no longer administered through the CDC Activity Grant Program. A separate proposal and budget (*through the Department's Housing Development Office*) are required for projects under these categories.
- Only Community Housing Development Organizations (CHDOs) and Community Based Development Organizations (CBDOs) can propose Public Service activities. At least 51% of the CDC Board members must be low or moderate income residents of the service area, owners or senior officers of private establishments and other institutions located in the service area, or representatives of low and moderate income neighborhood organizations in the service area. Representation on the CDC's Board cannot be the members' only nonprofit service to qualify.

**PY 2021 CDBG COUNCIL COMMITTEE HEARING / Community Development Corporation
(CDC) Activity Grant Program**

- Public Service activities carried out under this Program will be capped at 15% of the total grant amount.
- Funding for Interim Assistance activities (Area Clean-Up Campaigns, Land Reutilization Programs, Greening Projects) is capped at 20% of the total grant amount.
- No more than 3% of the total grant award can be used for activities classified by HUD as planning or public information.
- Housing Referral Services are capped at 15% of total housing development expenses, and can only be funded in conjunction with activities that create or improve residential units for low and moderate income persons.

SECTION IV: PROGRAM PERFORMANCE SUMMARY

PY 2020 FUNDING AWARDS

Time of Performance: July 1, 2020 to June 30, 2021

Ward(s) Served	Agency Name	Departmental Award	Total Contract
16	Bellaire Puritas Development Corporation	\$62,000	\$492,000

**DEPARTMENT OF COMMUNITY DEVELOPMENT
PY2021 COUNCIL COMMITTEE HEARING
Citywide Development Assistance Program**

SECTION I: BACKGROUND INFORMATION

Agency Name: CHN Housing Partners, successor to Neighborhood Housing Services of Greater Cleveland, Inc.

Contact Person/Phone: Kevin J. Nowak (216) 574-7100, Executive Director
Kate Carden (216) 325-1150, Director of Financial Mobility

Service Area: Citywide

SECTION II: PROPOSED PY2021 ALLOCATION – To Be Determined

<u>PY2018</u>	<u>PY2019</u>	<u>PY2020</u>
\$75,000	\$61,000	\$50,000

SECTION III: PROGRAM DESCRIPTION

Agency will conduct a Homebuyer Education Program providing technical assistance to homeowners and prospective homeowners through an 8-hour (4 day) pre-purchase counseling course. Subjects include budgeting, credit scores, how to shop for and apply for a mortgage, and home maintenance. Each participant is also encouraged to attend a 1-on-1 counseling session after the course has concluded. Program graduates receive a certificate and are eligible for other CHN programs and services.

SECTION IV: PROGRAM ACCOMPLISHMENTS

On July 1st, 2019, NHS and CHN consolidated all programming under the CHN Housing Partners (CHN).

Between June 1, 2019 and June 30, 2020, NHS of Greater Cleveland (NHS) and CHN Housing Partners (CHN) educated 161 individuals through the Homebuyer Education Program, including 97 Cleveland residents. The COVID19 pandemic greatly reduced participation in classes during the first two quarters of 2020. CHN has set up a virtual platform and, between July 1, 2020 and December 31, 2020 served 148 individuals through the Program, 77 of which were Cleveland residents.

CHN provides homeownership support to participants of its flagship Lease Purchase program, through which residents can purchase the home they've been renting once the 15-year tax compliance period has ended. Over 1,000 residents have taken title to these homes in the City of Cleveland. Throughout their tenancy, CHN provides ongoing homebuyer education to residents

to promote good credit, savings, and spending behaviors. Success story: In August of 2019, a program participant purchased her home through CHN. As a result of the homeownership and

financial counseling received at CHN, they increased their credit score by over 100 points, reduced their derogatory debt, and increased their savings by over \$600.

Prospective homeowners also have access to additional support from CHN to ensure successful homeownership, including energy and weatherization services, free income tax preparation, computer and digital training, and utility discount programs, among others. CHN anticipates that the number of Homebuyer Education participants will increase significantly in PY20 as a result of the consolidation of agencies' programming. Also, beginning in 2021, CHN Housing Capital, a subsidiary of CHN Housing Partners, will provide mortgage lending to individuals that may not be able to access financing through traditional lenders. Those obtaining mortgages through CHN Housing Capital will be required to attend homebuyer education classes prior to purchase. CHN is also administering Down Payment Assistance and Home Repair loans for Cuyahoga County and Cleveland, including through the Mayor's Transformation Alliance.

SECTION I: BACKGROUND INFORMATION

Agency Name: Cleveland Neighborhood Progress
 Program: Community Financial Centers (CFC)
 Contact: Andrew Harris, Manager of Fund Development/216-312-6848
 Service Area: Citywide

SECTION II: PROPOSED 2021 ALLOCATION (To be Determined)

<u>PY2018</u>	<u>PY2019</u>	<u>PY2020</u>
n/a	n/a	\$75,000

SECTION III: PROGRAM DESCRIPTION

Community Financial Centers (CFC) provide free financial coaching to mitigate residential displacement, improve financial health in a comprehensive manner, and to stabilize the residential and commercial fabric of Cleveland communities. Services include one-on-one coaching for credit and debt reduction, tax preparation, and home purchase counseling. Community Financial Centers are based at Cleveland Neighborhood Progress, and at various CDCs and public spaces throughout the City of Cleveland.

CFC partners with the Northeast Ohio Hispanic Center for Economic Development and Esperanza, Inc. to assist Hispanic clients.

SECTION IV: FUNDING SUMMARY

Program Term	Department Allocation	Council Allocation (by Ward)
7/1/2020-6/30/2021	\$75,000	\$0

SECTION V: PRIOR YEAR ACCOMPLISHMENTS

CFC works to provide targeted strategic financial coaching to Cleveland’s residents, with the aim of improving their overall financial health in a comprehensive manner. Whether the individuals we serve aim to improve their credit worthiness or to make a major purchase like a new home. In Cleveland, providing these services to our most vulnerable residents (especially the significant unbanked or underbanked) is essential.

CFC had far-reaching impact throughout Cleveland in 2020: we held 3820 coaching sessions with 1013 clients and served 770 businesses. CFC coaches helped 336 Cleveland-based businesses secure \$2,665,000 in COVID small business relief grants, PPP, and EIDL support. Clients saw an average credit score improvement of an impressive 75 points. In 2020, CFC/Hebrew Free Loan Association clients secured 48,142 in loans from home repairs to education to small business and had an impressive 85% loan payoff rate.

Further, CFC hosted the Hispanic Business Center FIT Lending Circle. This lending circle had 10 participants, with six of those actively participating in the workshops. Participants were assisted in negotiating a total of \$14,152 in collection and debts. One participant secured \$1,000 from the lending circle, and purchased equipment for her business that allowed her to scale up her operations. This allowed her to transition from Section-8 to her own market-rate housing. She was able to negotiate \$6,000 in collection debt off of her credit report. This success story is illustrative of the impact CFC has throughout the City.

SECTION VI: PROPOSED PY2021 PROGRAM

For the PY2021 program, CFC will support small business and entrepreneurship, workforce development, and homeownership in an effort to improve the financial stability of LMI individuals, especially the working poor.

Further, CFC will sustain engagement with small business Covid grant recipients, and expand pre- and post-purchase housing support; and facilitate the MetroHealth Employer Housing Assistance Program, which provides down payment assistance and home renovation financing. Specifically, CFC will:

- 1.) Perform Personal/Small business financial health assessments;
- 2.) Support business planning process & development (start-up ventures);
- 3.) Support business growth & strategy (emerging/growth ventures);
- 4.) Offer in-depth business assessments;
- 5.) Offer business concept analysis & feasibility reviews;
- 6.) Offer asset-building financial capability workshop series and HUD Approved Homebuyers' Education Workshop Series;
- 7.) Identify "mortgage ready" clients (i.e. those less than a year away from homeownership readiness);

- 8.) Support the Neighborhood Progress-administered and KeyBank-funded 'Comprehensive Community Development in Buckeye & Glenville' program, leveraging the Mayor's Neighborhood Transformation Initiative;
- 9.) Offer accelerated credit building and/or savings program for clients in financial distress; and
- 10.) Perform oversight of the MetroHealth Home Repair Program.

Lastly, CFC envisions the following measurable outcomes for PY2021:

- 1.) 200 total clients served across Cleveland
- 2.) 20 clients secure homeownership
- 3.) 21 clients supported with home repair financing
- 4.) 50 small businesses supported (at exploration, start-up, and existing stages)
- 5.) Through the KeyBank Home Repair Program:*

 - a. Deliver financial education to 75 residents in Buckeye and Glenville; and
 - b. Provide 65 residents financial coaching as part of their participation in the home repair, renovation, or purchase programs.

*Note: these clients are part of the 200 total clients referenced in Item 1 of this list.

**DEPARTMENT OF COMMUNITY DEVELOPMENT
 PY2021 COUNCIL COMMITTEE HEARING
 Citywide Development Assistance Program**

SECTION I: BACKGROUND INFORMATION

Agency Name: **Cleveland Restoration Society (CRS)**

Contact Person/Phone: Kathleen H. Crowther, President
 (216) 426-3105 (direct)

Service Area: Citywide

SECTION II: PROPOSED 2021 ALLOCATION (To be Determined)

	<u>PY2018</u>	<u>PY2019</u>	<u>PY2020</u>
Stabilizing Neighborhoods	\$25,000	\$25,000	\$ 25,000
Heritage Home Loan	\$0	\$30,000	\$169,000*

SECTION III: PROGRAM DESCRIPTION

Overview

The Cleveland Restoration Society (CRS) provides a wide range of technical assistance to property owners and organizations seeking to rehabilitate Cleveland’s vast inventory of older and historic structures. Each year, CRS works directly with over 700 individual homeowners needing to repair older homes providing impartial technical assistance on all manner of repair issues. CRS works directly with council representatives to provide historic preservation expertise. CRS partners extensively with community development corporations in Cleveland. CRS is a respected Member of the National Trust for Historic Preservation and is a prior recipient of its highest organizational honor, the Trustees Award for Organizational Excellence.

Historic preservation is a well-established revitalization tool with much additional potential in Cleveland. The economic power of historic preservation has been demonstrated by two studies conducted by Cleveland State University’s (CSU) Center for Housing Research and Policy on homes participating in CRS’s Heritage Home Program (HHP). CSU found that houses within one-tenth mile of a Heritage Home Program loan property had a disproportionate increase in values, compared to similar houses which were not near Heritage Home projects. CSU also found that owners of an HHP property stayed in their houses substantially longer than owners of other comparable properties. Finally, CSU found the foreclosure rate on HHP homeowners was one-seventh the rate of the County average.

Commitment to Equity and Diversity: Raising up and valorizing Cleveland’s African American cultural heritage is fundamental to the mission of the Cleveland Restoration Society and represents a social cohesion strategy to dignify accomplishments and build bridges. Since its founding in 1972 by an inter-racial group of concerned citizens, CRS has been a diverse organization starting with its Board of Trustees and later, its professional staff. CRS’s initiatives in the area of African American heritage have been supported by CDBG funding for Ward 1 as

well as national funders and represent cutting-edge work. Recently, CRS has been awarded a \$50,000 African American Civil Rights grant from the National Parks Service to implement a Civil Rights Trail in Cleveland. As the Civil Rights Trail takes shape CRS may look to CDBG funding for various trail sites. At least 47% of the organization's budget is directed to Cleveland's underserved populations.

The three endeavors described below will be a focus of the staff's activities in 2021:

- 1) Historic Properties Program – directly investing in and advocating for endangered and potentially catalytic properties;
- 2) Stabilizing Cleveland's Historic Neighborhoods - A Partnership with the City of Cleveland's Building & Housing Department – collaborating to save, when possible, historic or notable properties; and
- 3) African American Civil Rights Trail – Sharing the story of Cleveland's struggle for Civil Rights through place-making designed to highlight significant events from 1965-1976 and connect them to the present movement for equity and social justice.
- 4) Heritage Home Program – Continuing to provide free, independent and impartial technical advice to the owners of houses in the City of Cleveland that are at least 50 years old and to facilitate low interest loans to owners of such homes who want to borrow to improve their homes.

HISTORIC PROPERTIES PROGRAM

CRS has accelerated efforts to intervene in situations involving potential demolition of catalytic properties. Such intervention can involve direct investment in properties, legal intervention, advocacy and the convening of task forces of interested parties.

Dall-Mays Houses

CRS will seek CDBG/NDA funding for the rehabilitation of the Dall-Mays Houses at 2225 and 2229 E. 46th Street in Central. The houses were built by Andrew and James Dall, noted Scottish masons in Cleveland during the late nineteenth century. They were owned and lovingly cared for by James and Frances Mays for over 40 years starting in 1975. During her lifetime, Frances Mays hoped to turn one of the houses into a house museum. With Frances deceased and James in a nursing home, the properties are vacant and condemned. In 2018 and 2019, CRS contracted with 1st Choice Roofing to tarp the roofs of these properties. This action protected them through Cleveland winters. In 2020, CRS led a campaign to stabilize the properties. Cooperation was secured from the Building & Housing Department to surgically remove failing porches from the homes. Once that was completed, the interior of the homes were cleaned out over a two-week period. Following that, the windows were stabilized and secured against the weather and vandalism. Finally, 1st Choice Roofing was contracted to add all new roofing and gutter systems at both properties. This work is almost complete and represents over \$80,000 of investment in

the homes. On-going maintenance to other areas of the homes and yard, along with monitoring the properties were carried out by family members throughout the year. Architectural studies and

renderings, along with the development of house histories were created to share the vision of how these homes can contribute to the community in the future. Finally, preservation easements were placed on the homes, and an outstanding mortgage lien was forgiven by KeyBank.

Historic Properties Goals for 2021:

1. Continue to meet with the task force monthly.
2. Meet with stake holders such as Community Development Corporations, City Planning, and local affordable housing experts to investigate how redevelopment of the Dall-Mays properties can contribute to the neighborhood.
3. Engage the neighborhood with an introduction to area residents. Engage with the broader community through education programing and CRS media.
4. Move to secure neighboring vacant land.
5. Continue to fundraise towards further structure stabilization

STABILIZING CLEVELAND'S HISTORIC NEIGHBORHOODS

*In PY2020, the Department of Community Development awarded a grant of \$169,000 for the Heritage Home Loan Program, as requested. Fully funding this program through the Department's line-item allowed CRS to offer its below market rate financing to eligible households, citywide. Before making this significant award, below market rate financing was only available in areas (wards) that provided NDA support. Full funding from CD consequently reduced the need for supplemental NDA support from City Council in PY 2020.

Pursuant to the Stabilizing Cleveland's Historic Neighborhoods CDBG grant, CRS has partnered with the City of Cleveland's Building & Housing Department to review properties in the pipeline for demolition that are located in historic districts. CRS staff reviewed each property to assess architectural integrity, condition and rehabilitation potential. CRS will continue to monitor proposed demolitions in historic districts, while working with the community development corporations and council members to effect a historic preservation outcome for those buildings that have significance and reuse potential.

Assuming continued funding for Stabilizing Cleveland's Historic Neighborhoods, and supplemental funding from NDA for 2021 are:

- 1) Continue to monitor potential demolitions within designated historic districts; and
- 2) Work with CDCs to monitor and work toward rehab of buildings with architectural merit;
- 3) Determine appropriate intervention for selected properties. Possibilities include utilizing the Heritage Home ProgramSM technical assistance; utilizing CDBG funds and revolving fund assets for stabilization or to assist with rehab; using CRS publications and social media to market properties.

AFRICAN AMERICAN CULTURAL HERITAGE

Lee-Harvard Cultural Heritage Project:

With CDBG funding, CRS has been working in the Lee-Harvard neighborhood of Cleveland for several years to strengthen the profile of the Lee-Harvard neighborhood in the larger community,

making the public aware of its distinctive mid-century architecture and its rich history. Building community pride and helping to attract new residents will secure its future economic stability, resilience and sustainability. This area's rich history was not well documented until late 2019 when CRS published "The Making of Cleveland's Black Suburb in the City: Lee-Seville & Lee-Harvard." This 132 page book is the culmination of four years of work and research and has been well received by neighborhood residents and by scholars alike. In 2020, CRS worked to highlight the book through a series of virtual book discussions. CRS sold over 180 copies of the book across the country in the 2020 year despite the pandemic which prevented gatherings to promote the book. CRS developed virtual programming related to the book, and partnered with the Harvard Community Services Center to produce a nomination for an Ohio Historic Marker in the Lee-Seville neighborhood. The marker details the history of Old Miles Heights and Mayor Arthur R. Johnston. While the Ohio History Center was unable to fund the marker in 2020, CRS has been strongly encouraged to resubmit for the 2021 round in May as this subject matter directly relates to the 2021 special initiatives of the Ohio Marker program.

With continued funding from CDBG and NDA, goals for Lee-Harvard in 2021 are:

- 1) Continue to offer the Heritage Home ProgramSM;
- 2) Continue to share Lee-Seville and Lee-Harvard's history. Concentrate on local media, neighborhood development practitioners, block clubs, decision-makers and essential players such as Cleveland Neighborhood Progress.
- 3) Continue to pursue place-making initiatives such as the Ohio Historic Marker program
- 4) Offer tours and additional history programs that focus on the unique architectural and cultural history of the neighborhoods.
- 5) Coordinate with residents to plan a celebration and install markers in the Myrtle-Highview Historic District.
- 6) Work to stabilize the Arthur R. Johnson home to prevent further deterioration of this Cleveland Landmark.

Sacred Landmarks Support Initiative:

In 2020, Cleveland Restoration Society's Sacred Landmarks Support Initiative conducted site visits and produced comprehensive building assessments for Cory United Methodist and East Mount Zion Baptist Church. This work by the Sacred Landmarks committee led to a deeper relationship with both churches. CRS went beyond the traditional work of the committee in assessing the structure, to provide grant and fundraising assistance to these important congregations.

East Mount Zion Baptist Church is situated in the heart of the Cleveland Clinic Campus and has been under the scrutiny of the Clinic for some time. While initially planning to sell the church to the Clinic, the events of 2020 caused a slow-down that resulted in East Mount Zion reflecting upon its purpose and mission within Fairfax and greater Cleveland. This has led to a stop in negotiations and now the church is contemplating a capital campaign with the goal of

rehabilitating the structure and working in partnership with the Clinic to directly support the health and well-being needs of the immediate community. CRS has been advising the church as they move through this process, form a 501(c)(3) organization, and pursue additional historic designation.

2021 goals for furthering the historic rehabilitation and continued community engagement of East Mount Zion Baptist Church include:

- 1) Presenting the conditions assessment to the full board of trustees at East Mount Zion.
- 2) Pursuing funding to engage specialized historic architects to complete a feasibility study of the unique serpentine stone on the structure and advising on the process of recladding.
- 3) Nominating the church to the National Register of Historic Places.
- 4) Providing the church with continued fundraising and grant assistance.

One of the most well-known and important sites for Civil Rights in Cleveland is Cory United Methodist Church. After the Sacred Landmarks committee provided the conditions assessment to Cory UMC, CRS became aware of a unique grant opportunity honoring sites involved in African American Civil Rights. If successful, this opportunity that would allow the church to execute high priority building maintenance and repairs to the structure, and allow CRS to complete a nomination to the National Register of Historic Places for the church. Working in partnership with Cory leadership, CRS submitted a grant request for \$500,000 to the National Park Service. CRS is continuing to work with the church to seek other funding opportunities that could benefit this highly significant sacred landmark. Simultaneously, Cory UMC is launching a campaign to raise funding for necessary repairs and grant matches.

Goals to aid the historic Cory UMC in financing important repairs and sharing its most-important history in 2021 include:

- 1) Engaging with the church to become a site on the African American Civil Rights Trail in Cleveland.
- 2) Nominating the structure to the National Register of Historic Places
- 3) Completing other grant opportunities such and the National Trust for Historic Preservation African American Cultural Heritage Action Fund.

HERITAGE HOME PROGRAMSM

During the first half of 2012, CRS made a number of significant changes in its Heritage Home ProgramSM that have been benefiting the homeowners in the City of Cleveland ever since and that will benefit them for years to come. CRS negotiated with KeyBank relating to the rate of interest provided on loans under the Program to Cleveland homeowners. The Program now has a fixed interest rate of 1.4% on loans up to 10 years from KeyBank. Third Federal Savings and Loan offers a 2.99% interest rate on a loan up to 15 years. These are the best rates available anywhere for rehab loans.

The Program has the following features:

1. The homeowner is provided free technical assistance on any maintenance, repair or rehab questions. This is a very time intensive effort involving CRS staff but an effort that is highly valued by owners of older homes. It is the “Heart and Soul” of the program.
2. The structure must be zoned as residential and not involve more than 3 residential units.
3. The project must either maintain or improve the property consistent with its architecture and design. We have a “do no harm” philosophy.
4. The Owner of the home need not reside in it.
5. There is no income limit for the homeowner.
6. The homeowner will have to meet KeyBank or Third Federal’s credit requirements and there will need to be adequate equity in the home after the project to be good security for the loan.
7. KeyBank and Third Federal will lend up to 85% of the after-rehab appraised value of the property (minus any existing mortgage loans).
8. The Program cannot fund loans on properties with a value over \$750,000.
9. The Program cannot fund luxury items such as hot tubs or swimming pools.

In 2020 our production numbers were greatly increased by the city-wide letter from Mayor Frank Jackson in the fall:

- The number of inquiries about the Program from Cleveland residents – 4,738 in 2020 – a new record compared to the previous high of 2,440 in 2019.
- The number of instances where CRS provided technical assistance to Cleveland residents- 1,198 in 2020 – a new record compared to the previous high of 873 in 2016.
- The number of instances where CRS staff did an on-site visit or virtual visit evaluation of a Cleveland structure- 878 in 2020 – a new record compared to the previous high of 631 in 2019.
- The number of loan applications from Cleveland residents -97 in 2020.
- The number signed loans for Cleveland homeowners- 25 in 2020.

Looking at our results on the basis of the CDBG program year, in the first 6 months of the 2020-2021 CDBG year (7/1/2020 - 12/31/2020), CRS has:

- Responded to 3,614 inquiries about the Program
- Provided 896 instances of technical assistance to Cleveland Residents valued at \$27,673,371
- Made 708 On-Site Visits and Virtual Visits

- Received 69 loan applications
- Facilitated 10 loans to Cleveland residents totaling \$460,650.

And during the full 2019-2020 CDBG year (7/1/2019 - 6/30/2020), CRS:

- Responded to 2,492 inquiries about the Program
- Provided 800 instances of technical assistance to Cleveland residents on projects valued at \$16,766,995

- Made 559 On-Site Visits and Virtual Visits
- Received 74 loan applications
- Facilitated 33 loans to Cleveland residents totaling \$1,838,926.40.

Clearly, the interest of Cleveland residents in the Program continues to be strong.

Through this Program, the Cleveland Restoration Society:

- **Helps homeowners complete a substantive historic rehabilitation of a foreclosed or challenged property (such as fire damage).** The combination of a very-low interest rate, “after-rehab” appraisal, and CRS’s personalized assistance with finding reliable contractors, drawing up appropriate contracts, and assistance with construction disputes make the CRS program especially helpful. A couple years back, the homeowners bought a house on

Franklin Blvd. for \$9,000. The after-rehab appraisal came in at \$275,000 so the homeowners were able to borrow up to \$247,500 at 1.4% fixed rate interest converting the worst house on the block to one of the best.

- **Helps make it possible for people to move back into the City of Cleveland.** By giving technical assistance prior to purchase, helping homeowners find contractors, and offering low-interest loans for “after rehab” value, CRS makes it easier to purchase and rehabilitate homes that have often suffered neglect.
- **Helps fight blight and stabilizes neighborhoods.** Since 1992, CRS has become receiver of three houses and two-six unit apartment buildings through Cleveland Municipal Housing Court. Typically, these buildings were condemned, boarded, and scheduled for demolition. These homes were purchased, rehabilitated, and occupied strengthening the City’s tax base. CRS has also purchased and rehabilitated a house as a “model project” and relocated an endangered and architecturally significant building on Jay Avenue. Each of these situations turned the worst house in the neighborhood into the best house and increased the property values and tax assessed values of the entire neighborhood! Our HHP staff has written

specifications for the rehab of homes in several of Cleveland’s Model Block neighborhoods including Newton Avenue, Old Brooklyn, Slavic Village and Clark Fulton

- **Helps other home repair programs.** CRS works cooperatively with several other home repair programs. Referrals are made to the Cleveland Housing Network (CHN), and Community Housing Solutions when they would better match a homeowner’s needs.

SECTION I: BACKGROUND INFORMATION

Agency Name: Empowering and Strengthening Ohio People/East Side Organizing Project, Inc. (ESOP)

Program: Foreclosure Prevention Counseling

Contact: Michael Billnitzer/216-361-0718

Service Area: Citywide

SECTION II: PROPOSED 2021 ALLOCATION To be Determined

<u>PY2018</u>	<u>PY2019</u>	<u>PY2021</u>
\$0.00	\$49,660	To be Determined

SECTION III: PROGRAM DESCRIPTION

ESOP is a HUD-approved Homebuyer Education Agency with 7 individually HUD-certified housing counselors that provides financial literacy education, pre-purchase counseling, and foreclosure prevention services for homeowners at-risk of losing their homes. ESOP often acts as intermediary on behalf of homeowners to acquire a loan modification and to obtain funds to pay and/or offset delinquent account balances. Education programming -now virtual and in-person- includes: housing and financial education workshops, one-on-one coaching and counseling that covers budgeting and credit management, accessing affordable mortgage products, homeownership readiness and property maintenance.

SECTION IV: FUNDING SUMMARY

Program Term	Department Allocation	Council Allocation (by Ward)
6/1/2020-5/31/2021	\$49,660	\$0

SECTION V: PRIOR YEAR ACCOMPLISHMENTS

Despite the challenges ESOP faced in 2020 trying to reach our clients – who are also the most vulnerable to the Coronavirus and in greatest need of our financial wellness and housing stability services – ESOP closed the year on a growth trend for both financial and housing education workshop delivery and one-on-one coaching. Impressively, the ESOP team provided individual financial counseling to 260 clients in 2020 versus 278 clients in 2019.

Although the ESOP team was sheltering-in-place and had to completely reinvent our service-delivery model to reach clients virtually, we were able to achieve the following impactful outputs related to Foreclosure Prevention Counseling:

- Provided property tax counseling to 121 clients who were delinquent in property taxes

- Offered Zero-Interest Senior Property Tax Loans to older adult homeowners who could not obtain payment plans with the Cuyahoga County Treasurer
- Obtained mortgage modifications for 30 clients
- Launched the Senior Small Dollar Loan, a zero-interest and fee-free loan product coupled with virtual one-on-one counseling to provide a safe and sustainable financial alternative to predatory and payday lenders. The loans can be used for housing expenses.
- Began supporting the City of Cleveland’s Rental Assistance program as a referral partner to CHN Housing Partners
- Created a Virtual Services Model for Older Adults that, through partnerships, bridges the digital divide by addressing the needs for technology training, internet connectivity, and linkage to financial, housing stability, and other basic needs services

To help new and future homeowners sustain mortgages, stay current on property taxes, and maintain their homes, in 2020 ESOP’s Homebuyer Education served 129 attendees who completed the course. Of those graduates, 69 residents became mortgage ready through pre-purchase counseling.

ESOP Realty (dba Branches Real Estate) has also strategically staffed up for 2021 and is in a position of growth for the year ahead to serve Cleveland’s low-to-moderate income (LMI) residents.

SECTION VI: PROPOSED PY2021 PROGRAM

ESOP is honored to have received the largest \$1 million contract award of \$2 million of funding that Cuyahoga County obtained for its Mortgage Assistance Program (MAP). MAP offers mortgage payment assistance to homeowners who have been impacted by COVID-19 via a zero-interest, deferred loan of up to \$2000 that are payable upon sale or transfer of the property. ESOP expects to launch this service in January 2021 to enhance our foreclosure prevention services and connect residents with wraparound resources.

Additionally, in PY2021, ESOP will expand affordable housing options by growing our realty services. In 2015, ESOP developed ESOP Realty – Ohio’s first non-profit real estate agency – to help people transcend poverty and access economic mobility by making the dream of homeownership a reality, especially for LMI residents in historically underserved communities.

In 2019, we developed a sustainability model wherein ESOP Realty collaborates with community development corporations (CDCs) and land banks. As part of this model, ESOP Realty is rebranding and finalized a dba (or “doing business as”) as Branches Real Estate in January 2021.

Aligned with the growth plan, Branches Real Estate hired two new staff members:

- a second full-time Real Estate Agent, allowing us to strategically develop and manage the current team of 7 CDCs partners (including the Cuyahoga Land Bank, University Circle, Inc. Metro West Community Development, Slavic Village Development, and Burten, Bell, Carr Development Inc.)
- a Homeownership Manager who will continue growing homebuyers education and pre-purchase counseling – including offering services in Spanish

ESOP, in partnership with ESOP Realty dba Branches Real Estate, will also launch three new homeownership workshops in 2021:

- **Aging in Place: Know your Housing Options** to focus on helping older adult clients and caregivers understand their housing and transition options as they age and be able to better afford and manage their homes
- **Know Your Options Before You Buy** to further assist potential home buyers in assessing new construction properties to meet their needs

- **Know Your Options Before You Sell** to serve first-time home sellers

These workshops and services will be available to all City of Cleveland residents, and we look forward to sharing more details with you.

SECTION I: BACKGROUND INFORMATION

Agency Name: Housing Research & Advocacy Center dba Fair Housing Center for Rights and Research

Program: Fair Housing and Investigation Program

Contact: Carrie Pleasants/216-361-9240

Service Area: Citywide

SECTION II: PROPOSED 2021 ALLOCATION: To Be Determined

<u>PY2018</u>	<u>PY2019</u>	<u>PY2020</u>
n/a	n/a	\$15,000

SECTION III: PROGRAM DESCRIPTION

The Fair Housing Center for Rights and Research provides Fair Housing Education and direct assistance with Fair Housing complaints. Services include complaint investigation, community education events and distribution of literature on Fair Housing. The agency partners Cleveland Neighborhood Progress, Cuyahoga Metropolitan Housing Authority (CMHA), Emerald Development and Economic Network, Inc. (EDEN), the City of Cleveland and CDCs to expand program outreach.

SECTION IV: FUNDING SUMMARY

Program Term	Department Allocation	Council Allocation (by Ward)
8/1/2020-7/31/2021	\$15,000	\$0

SECTION V: PRIOR YEAR ACCOMPLISHMENTS

The Fair Housing Center has received and processed fair housing complaints from 45 families in the City of Cleveland YTD (08/01/20 – 01/14/21) on the following bases: race, familial status, sexual orientation, sex (sexual harassment) criminal history, disability and retaliation. The majority of these complaints are ongoing, but 5 have already been resolved with the granting of a reasonable accommodation or modification following the direct assistance from FHC, 15 have been resolved by the client who either decided not to pursue the matter or engaged with outside council, and one has been filed with the OCRC.

The Fair Housing Center is also conducting outreach and distributing literature. We have participated in two virtual outreach events (one zoom meeting with community members, the other a Twitter Chat) and distributed materials both electronic and in paper form to partner agencies and City departments.

SECTION VI: PROPOSED PY2021 PROGRAM

The Fair Housing Center proposes to continue to provide needed direct assistance to Cleveland residents with intake and processing of fair housing complaints. Our services will continue to include comprehensive complaint investigation, referral of non-fair housing issues to the appropriate community partners, community education events and distribution of literature on fair housing. The Fair Housing Center will continue to conduct outreach virtually as necessary, and hopes that circumstances will allow us to partner with the City of Cleveland office of Fair Housing and other department and well as other Community Partners to begin participating in outreach events in person again sometime in PY2021. We will continue to have materials available in a variety of ways both digitally and in paper format.

SECTION I: BACKGROUND INFORMATION

Agency Name: Legal Aid Society of Cleveland

Program: Right to Counsel Cleveland

Contact: Colleen Cotter/216-861-5273

Service Area: Citywide

SECTION II: PROPOSED 2021 ALLOCATION To Be Determined

<u>PY2018</u>	<u>PY2019</u>	<u>PY2020</u>
n/a	n/a	\$75,000

SECTION III: PROGRAM DESCRIPTION

Legal Aid provides free legal representation to Cleveland households facing eviction via staff attorneys, contract attorneys and pro bono volunteers. Residents with eviction notices from Cleveland Municipal Court’s Clerk of Courts receive a Notice of Eligibility card with the summons. That Notice is followed-up by additional outreach coordinated by Legal Aid and United Way. Tenants who qualify for representation, but do not call Legal Aid before their court date may still have access to free legal counsel. In this instance, tenants are referred to Legal Aid during their Housing Court Zoom hearing and the case is continued. Social Service referrals and other supports are also provided by United Way 211, as needed.

SECTION IV: FUNDING SUMMARY

Program Term	Department Allocation	Council Allocation (by Ward)
6/1/2020 – 5/31/2021	\$75,000	

SECTION V: PRIOR YEAR ACCOMPLISHMENTS

93% of households represented in Cleveland Housing Court by a Legal Aid attorney avoided displacement in the first 6 months of Cleveland’s Right to Counsel (RTC). Additionally, thanks to tenants having legal help, more than \$3.8 million of rent relief has been distributed within Cleveland, preserving income of landlords. Also from July 1, 2020 – December 31, 2020:

- More than 1,600 tenants have reached out to inquire about RTC services;
- Nearly 3,000 informational letters and brochures have been sent to residents of households with an eviction filing;
- More than 2,000 people have visited FreeEvictionHelp.org;
- Legal Aid has provided services to 323 individuals under the RTC program (household members helped via cases closed + cases currently opened); and
- Of the cases concluded, outcomes achieved included:
 - eviction or involuntary move prevented in 65 of 70 concluded cases where eviction prevention was a goal (92.9% success)

- move delayed by 30 days or more in 17 of 19 cases where delay was a goal (82.9% success)
- damages mitigated in 17 of 19 cases where damages were at issue (89.5% success).

Pre-COVID-19, there were about 9,000 evictions filed annually in Cleveland Housing Court. The majority of these evictions involved Black female-headed households with minor children. In this COVID-19 era, the households facing eviction have similar demographics. A significant increase in eviction filings is anticipated as rent assistance depletes and various tenant protections expire.

In this COVID-19 era, RTC together with rental assistance and various new tenant protections have “flattened the curve” – temporarily – on a mounting eviction crisis. As the expiration of various tenant protections and the spend-down of rental assistance is anticipated, 2021 could be the year of an eviction spike. **As of December 2020, more than 11,000 Cuyahoga County residents have applied for rental assistance, and those residents lost an aggregated \$148 million in annual income.** Without additional resources focused on legal representation in Cleveland Housing Court (for more than just those covered by the current ordinance), the ripple effects of these evictions will hold Cleveland back for decades.

Beyond the above figures, the impact of the program can be seen via stories of people served. Marissa is a young single mother who works as a Certified Nursing Assistant. As the coronavirus pandemic took the world by storm in March, her hours were cut significantly. In early September, just weeks before her daughter’s first birthday, Marissa’s landlord filed for eviction. Even though she offered her landlord a late rental payment, he refused to accept it. (Ohio is one of only a small handful of states without a pay-to-stay option.) On top of everything, the roof over a bedroom in the apartment collapsed while Marissa and her daughter were out one day. The landlord made no repairs and has not evaluated the rest of the building for safety issues.

As she reviewed the documents sent to her from Cleveland Housing Court, which detailed her rights and the legal proceedings to come, Marissa noticed a pamphlet describing Cleveland’s Right to Counsel with the phone number for Legal Aid. “I was hesitant to call at first,” says Marissa, “but I’m so glad I did.” A Legal Aid attorney prepared Marissa’s case for the hearing in Cleveland Housing Court. A motion to dismiss was filed based on a three-day notice that should not have been served during the initial CDC eviction moratorium. Legal Aid also helped Marissa apply for rental assistance funds. Once the CDC eviction moratorium took effect and it was determined Marissa was eligible, Legal Aid helped Marissa fill out a declaration to protect her under the moratorium, which extends through December 31, 2020.

During the continuance of the case, the Legal Aid attorney filed a motion to halt the proceedings and a notice that the plaintiff was served with the CDC Declaration. However, since the landlord – who was representing himself, pro se – never appeared for the virtual hearing, the eviction portion of the case was dismissed.

Safe from eviction, Marissa is currently working towards securing a new residence for her and her daughter while her Legal Aid attorney continues to fight for her to be compensated for the trouble of living in a home with unsafe conditions. “I’ve loved working with [my Legal Aid attorney],” says Marissa. “I can send her a text whenever I need anything. If I hadn’t contacted Legal Aid, I wouldn’t have known about the rental assistance programs, and I would have lost my case.”

For Marissa and the hundreds of other Cleveland residents, RTC has created housing stability. The City of Cleveland's initial annual support of RTC is leveraged with private philanthropy to complete a \$2.4 million annual program budget. An increase of funding for PY2021 can help us further meet the increased need.

SECTION VI: PROPOSED PY2021 PROGRAM

The COVID-19 pandemic has compounded the economic, systemic, and racial factors influencing eviction in the community. Emerging evidence has shown that there are links between eviction and excess mortality. Nationally, researchers found that lifting eviction moratoria led to an additional 433,700 COVID-19 cases and 10,700 associated deaths.¹

For PY2021, Legal Aid requests funds to continue to support this RTC program. The RTC legislation passed by Cleveland City Council requires that tenants whose income is below 100% of the federal poverty guidelines and who have a child in the household receive legal assistance if faced with an eviction action. The staff required for this program include paralegals, staff attorneys and supervising attorneys.

Clevelanders facing eviction can apply for representation using various methods, including, calling Legal Aid's intake line, completing an online intake form on Legal Aid's website, or starting the application online at FreeEvictionHelp.org. When it is again safe to gather indoors, households will also be able to apply for help on-site at Legal Aid offices during designated intake hours.

Additionally, Legal Aid works with many referral partners to reach households who may be eligible. Legal Aid's Intake Group evaluates each application for representation and conducts an intake interview. Households who meet the eligibility requirements for Legal Aid and pursuant Cleveland's Right to Counsel Ordinance are assigned a Legal Aid attorney (or, when needed, a Legal Aid pro bono volunteer or contract attorney).

Looking towards the PY2021 Program, Legal Aid will deliver high quality representation to the RTC households. In contrast to brief service models or "lawyer for the day" models, and pursuant to the Ordinance, RTC is a full legal representation model, requiring adequate time for RTC lawyers to develop the legal strategy and defenses for each represented household. Legal Aid and the Cleveland Municipal Court have worked together to create a process for tenants who appear for their eviction hearing to be screened for RTC eligibility. If their household is RTC eligible, the Court regularly grants a one-week continuance so that the household can benefit from full representation.

Additionally, to provide holistic solutions for Legal Aid clients, Legal Aid has available skilled social workers to provided services and warm referrals. Legal Aid also partners with many community agencies to provide supports for vulnerable populations. With this work, Legal Aid

¹ <https://nlihc.org/resource/new-research-indicates-evictions-increase-covid-19-cases-and-deaths#:~:text=Nationally%2C%20the%20researchers%20found%20that,cases%20and%2010%2C700%20associated%20deaths>

increases the availability and accessibility of affordable housing, improves housing stability, prevents unjust evictions, and improves local housing conditions.

As the RTC program grows, more clients will learn of their rights and will come to Legal Aid for assistance. Therefore, the number of clients served each year will grow. In addition, given COVID-19 and the high demand for rent assistance, it is clear that Cleveland's current RTC Ordinance, as written, fails to meet the need for eviction representation. Seniors, those living between 100-200% of the Federal Poverty Level, families with dependents over 18 due to a disability or other factors, and others do not qualify for this protection. Legal Aid is representing these vulnerable groups with other staff, outside of the RTC program but cannot currently meet the need. As more data becomes available, Cleveland may want to examine the limits of the RTC law and identify paths to protecting additional low-income and vulnerable people.

**DEPARTMENT OF COMMUNITY DEVELOPMENT
 PY2021 COUNCIL COMMITTEE HEARING
 Citywide Development Assistance Program**

SECTION I: BACKGROUND INFORMATION

Agency Name: **Northeast Ohio Hispanic Center for Economic Development**
 Contact Person/Phone: Jenice Contreras

SECTION II: PROPOSED 2021 ALLOCATION To Be Determined

<u>PY2018</u>	<u>PY2019</u>	<u>PY2020</u>
\$35,000	\$43,750	\$30,060

SECTION III: PROGRAM DESCRIPTION

Agency supports the growth of small businesses by providing group-based and one-on-one counseling to pre- venture, start-up and existing entrepreneurs. Services include business planning, loan packaging, a 3-week program teaching Quick Books, and a Financial Management Program. Classes are taught in English and Spanish.

SECTION IV: PY 2020 PROGRAM ACCOMPLISHMENTS

Clients Served	387
Business Starts	45
Jobs Created	111
Jobs Retained	104
Capital Infusion	\$3 M
Sales Increase	\$3.22 M
Counseling/Training Hours	1870.79

Approximately 53% of NEO Hispanic Center clients are pre-venture businesses, 40% are in the startup phase, 6% are existing “healthy”, 1% are existing “declining” businesses and 67% Español monolingual or limited English. One of the Center’s focus areas is working with hyper-local, “shadow businesses”---those operations not legally recognized as a business, to help them graduate to a legitimate status.

The Center provides one-on-one business advising through two FTE general business advisors and three businesses consultants who provide accounting, financial management and marketing advice. Additionally, the Center utilizes a Start, Build, Grow model of small, group and individual based trainings meant to address common small business concerns. “Start” walks pre-venture clients through the Business Model Canvas in an effort to clarify and define their business idea and goals. “Build” works with existing businesses, which never had or need to improve a business plan, and gets them to business plan completion. “Grow” caters to “high-impact” businesses that are looking to grow (loans, new hires, additional location, etc.) but need a plan of action. This “Grow” phase utilizes businesses advisors GrowthWheel Certification to access impact-driven worksheets and plans.

Further constituents include organizations, such as Community Development Organizations, that are looking to stabilize, rejuvenate and develop commercial districts. This includes the neighborhoods of Tremont, Ohio City, Clark-Fulton, Old Brooklyn, Gordon Square, University Circle and Collinwood.

NEOHCED is currently working with the City of Cleveland and the Stockyard, Clark-Fulton & Brooklyn Centre Community Development office on a cultural placemaking initiative that will noticeably brand the Clark-Fulton neighborhood as La Villa Hispana. This initiative involves streetscaping, business development, and infrastructure improvement that will result in a revitalized and stabilized commercial district. The pillar project to this initiative is Centro Villa 25 (formerly: El Mercado), a Latino marketplace comprised of 20 neighborhood resident-owned food and service-based businesses. These businesses have either started or grown out of open-air summer market program, La Placita over the last four years. In 2016, NEOHCED successfully identified and signed a purchase option for an empty warehouse that will be repurposed into the marketplace. In 2019, the property was acquired. This is a two-year development and buildout timeline.

SECTION III: PROPOSED PY 2021 PROGRAM

The Third Party Social Services Program provides funding through a competitive process to nonprofit agencies and City departments for services that directly impact low to moderate income Cleveland residents.

In February, the Department will send Requests for Proposals to current grantees and agencies that have requested applications throughout the year. Beginning in March, the Department and a Review Committee that includes designated City Council staff will jointly review applications and make recommendations for funding, using the following criteria:

- The proposed activity must be effective in meeting an identified need, as evidenced by the previous year's performance data;
- Special consideration will be given to activities that stabilize neighborhoods and to initiatives that provide skill-building opportunities form youth, 14-18 years old.
- The agency's staff is capable of carrying out the program, as evidenced by experience and overall performance record in the delivery of services.
- Information in the application allows for a thorough and informed analysis of the proposed activity.
- The cost per person served does not exceed the average cost per person served for similarly funded CDBG programs.
- Program delivery costs which directly benefit the recipients should comprise 80% or more of the proposed budget, while Program administration costs should not exceed 20% of the budget.

PY2021COUNCIL COMMITTEE HEARING/Third Party Social Services

SECTION IV: PY2020 Allocations

In PY 2020, the Department of Community Development awarded 55 grants to 43 non-profit organizations for social services, including seven organizations providing Teen Center operations, financial literacy education, job readiness programming and other skill-building activities for youth, 14-19 years old.

Beginning on Page VI-9, is a list of Third Party Social Services funded in PY2020.

Policy on Eligible Third Party Non-Profit Applicants/Fiscal Agent Requirements

A. Eligible Applicants

Agencies applying for CDBG funds must meet the following requirements:

- Be incorporated as a nonprofit organization.
- Be in operation for at least three years.
- Have a current Statement of Continued Existence issued by the Secretary of the State of Ohio.
- Maintain tax-exempt status (501)(c)(3) with the U.S. Treasury (as evidenced by a federal identification number). Agencies that do not have 501(c)(3) tax exempt status at the time of submission of this application *will not be considered for funding*.
- Currently maintain a Constitution and bylaws approved by a board of trustees.
- **For recently formed organizations**, have at least two (2) full years of operational experience in implementing community development activities.
- For organizations that have more than two full years of operational experience and whose total agency budget is \$100,000 or more, an independent audit must be completed for the past fiscal year. The audit, along with a board resolution approving the audit, must be provided to the Department of Community Development. Any findings, material weaknesses, or other items noted by the audit and the audit's management letter must be corrected or in the process of being corrected at the time of application. A description of actions taken must be included with this application. Agencies whose total annual budget is less than \$100,000 but greater than \$25,000 must have an independent audit within the past two fiscal years. An audit is not required for agencies whose total annual budget is \$25,000 or less.
- Maintain sufficient financial resources to cover at least two months of costs from non-CDBG sources, to be reimbursed under the proposed CDBG contract. This requirement is particularly

important at the end of each calendar year when the City's Finance Department ceases processing of financial transactions until mid-January/February.

PY2021 COUNCIL COMMITTEE HEARING/Third Party Social Services

B. Requirements for Fiscal Agent

- Agencies that have not been in operation for three (3) years and/or do not have completed audits approved by their board of trustees are required to retain a nonprofit agency that meets the requirements listed above to serve as fiscal agent during the term of the contract with the Department.
-
- After the selection of the FISCAL AGENT, a meeting must be scheduled with the Department to discuss procedures that must be followed by both the fiscal agent and the agency. These meetings must be held immediately after the contract with the City is signed and prior to incurring any costs under that contract. A copy of the contract between the agency and fiscal agent must be provided to the Department and must include a detailed scope of services defining all tasks to be performed by the Fiscal Agent.
- The duties of the Fiscal Agent should include the following tasks which are generally expected to be performed by grantees:
 1. Serve as the agent for the agency for the purpose of receiving and disbursing the CDBG funds, as specified within the contract.
 2. Account for all expenditures and disbursement of cash under the contract
 3. Update all agency financial records and prepare periodic financial statements relating to the CDBG funds under the contract with the City.
 4. Prepare monthly requests for disbursement to be submitted to the Department of Community Development.
 5. Insure the allowability of costs under the contract with the City, as per the applicable HUD regulations and OMB Circular A-122.
 6. Insure the payment of all taxes in a timely manner.
 7. Prepare unaudited financial statements upon request by the Department or the agency.
- At the end of the contract period, the Fiscal Agent is to provide the City with a comprehensive report on all activities conducted during the term of the contract with the City.

PY2021 COUNCIL COMMITTEE HEARING**

BANK RELATIONS AND COMMUNITY REINVESTMENT

BACKGROUND

In 2019, the Department reorganized the Office of Fair Housing & Consumer Affairs (FHCA) and split the office into three separate sections one the Office of Consumer Affairs under the Division of Neighborhood Services and the other the Office of Fair Housing under the Division of Neighborhood Development and the finally the Bank Relations and Community Reinvestment under the Office of the Director.

Bank Relations continues to foster partnerships with banks, nonprofits, federal regulators, and advocacy groups to increase lending and access to safe and affordable banking services for residents and businesses in the City of Cleveland, especially for low- and moderate-income households. Additionally, we leverage the City's Ordinance to achieve this goal through monitoring and enforcing Cleveland's 1994 Community Reinvestment Act (CRA) as well as State and Federal laws.

SECTION I: Bank Relations and Community Reinvestment

The City of Cleveland's CRA Program and banking services ordinance began in 1991 to increase access to credit and related services in the City of Cleveland especially to minority and low-income persons and businesses in city neighborhoods.

Objectives of the program are to: (1) review data on loans, investments and services in the city of Cleveland, (2) negotiate commitments with area lenders, (3) monitor the progress of financial institutions toward meeting the goals and objectives stated in their agreements (4) create partnerships that provide for the exchange of information, and (5) develop a process to evaluate applications for receipt of city deposits based on their service and investment in Cleveland neighborhoods, to residents and for businesses.

Contact: Aisha Weeks, Bank Relations Manager

Service Area: Citywide

The program uses the federal Community Reinvestment Act (CRA) to secure commitments from local institutions to increase their investment in the city's neighborhoods in order to improve access to financial services by city residents and businesses.

2019-2020 OFFICE ACCOMPLISHMENTS

Community Reinvestment Initiative:

- Leverage relationships with executive directors of CDCs and other community partners (CHN, VCC, Famicos, YWCA, Community Financial Centers, Cleveland Neighborhood Progress) to gather input on community needs in the areas of LMI mortgage lending, consumer credit needs, Safe and Affordable banking, Financial Capability and small business development and prepare policy and programmatic recommendations which are reflected in the Dept. of Community Development's four-year CRI priorities.
- Drafted Community Reinvestment Plan, establishing Community Reinvestment priorities reflecting community investment needs and provide a foundation for CRI discussions with financial institutions in 2020.
- Developed a Community Reinvestment Survey and distributed to 14 financial institutions, followed by one-on-one bank meetings to discuss reinvestment strategy, inform of City priorities and gather data of bank Covid-19 response and community impact.

Bank Outreach and Community/Partner Engagement

- Organized Chemical Bank Tour of the Glenville neighborhood. The goal of the tour was to highlight the assets of the Glenville neighborhood, discuss community needs and scouted possible new branch locations as a part of Chemical Bank's retail branch expansion in 2020. Chemical now TCF Bank opened a branch off of Chester in 4Q 2020.
- Conducted presentation at John Hay High School on the history of Redlining and Housing Discrimination and the legacy of federal housing policy on Cleveland neighborhoods.
- Presented at Akron Cleveland Association of Realtors (ACAR) meeting in St. Clair Superior neighborhood, sharing with Realtors new and catalytic City projects and programs and highlighted City's reinvestment goals.
- Presented at the Ohio Fair Lending-Brown Bag on the City's Banking Services Ordinance and local and national reinvestment strategies.

Bank On Coalition

- Work in collaboration with Enterprise to develop and implement an effective strategy to launch Bank ON Cleveland Coalition.
- Organized and successfully held two prelaunch panel discussions/forums and Financial Roundtables, with participants representing over 14 banking institutions, nonprofits, City, County representatives along with Federal Financial Regulatory authorities.
- As a result of engagement and outreach, secured the commitment of two financial institutions to develop a Bank On certified account that meets the needs of unbanked LMI residents.

Lead the City of Cleveland's engagement in Community Benefit Agreement and CRA Campaigns:

- Conduct policy research and partner with national advocacy organizations, provide recommendations that inform the City's response to national policy changes (2019):
 - Coordinated response to the Office of the Comptroller Currency-ANPR changes to the Community Reinvestment Act and drafted CRA letter for the Mayor's Office sent to the OCC.
 - Engaged our CDC network, presented at CDC meeting, provided template, research, and talking points to assist CDC staff in drafting a CRA letter to the OCC.

PY2021 COUNCIL COMMITTEE HEARING**

OFFICE OF CONSUMER AFFAIRS

BACKGROUND

In 2019, the Department reorganized the Office of Fair Housing & Consumer Affairs (FHCA) and split the office into three separate sections one the Office of Consumer Affairs under the Division of Neighborhood Services and the other the Office of Fair Housing under the Division of Neighborhood Development and the finally the Bank Relations and Community Reinvestment under the Office of the Director.

The reorganized Office of Consumer Affairs under the Division of Neighborhood Services continues to provide assistance to residents from fraudulent, unfair, deceptive, and unconscionable business practices, by monitoring and enforcing the Cleveland's 1972 Consumer Protection Code, as well as State and Federal laws.

SECTION I: Consumer Affairs

Consumer Affairs educates the public regarding scams and fraudulent business practices. It works with the media, holds public neighborhood forums, and works cooperatively with private and governmental consumer agencies. It interacts with various levels of government to impact key consumer issues, ranging from Public Utilities Commission of Ohio (PUCO) on rate matters to banking practices. This office investigates complaints to determine whether a vendor has engaged in unfair practices with a Cleveland consumer. It then works to resolve the issues that are found and attempt to negotiate a fair settlement of the complaint. Along with investigative field work, the findings may result in prosecution. In refocusing the educational aspects of Consumer Affairs a greater emphasis is placed on financial literacy education and programming.

Contact: John Mahoney, Administrative Manager
 Office of Consumer Affairs

Service Area: Citywide

Financial Literacy, Homeownership Counseling, and Foreclosure Prevention

Community Development is a funding partner and Executive Committee member of the Community Financial Centers (CFC). The funds have gone to provide the data tracking software for the initiative (Sales Force), as well as in-kind staff time and oversight. Along with local partners (Cleveland Neighborhood Progress, Enterprise Partners, and Neighborhood Housing Services) have established the Community Financial Centers (CFC) which has created the local capacity to provide an intensive certified financial counselor training program to ensure consistent quality and knowledge among the counselors. The counselors will provide 1 on 1 counseling to residents, create financial goals and monitor the steps taken to reach the goals. The need for financial literacy impacts all levels of resident's lives; from credit scores affecting job applications, to qualifying for local banking services, to qualifying for auto, mortgage and

personal loans. Improving financial literacy and credit scores will give residents more and better choices for loans and steer them away from payday lenders and rental centers with high fees and questionable marketing practices. The residents will also be referred to other services such as, but not limited to: pre and post homeownership counseling, rights and responsibilities, assistance with credit repair, debt collection, and money management.

OFFICE OF FAIR HOUSING

BACKGROUND

In 2020, the Department reorganized the Office of Fair Housing under the Office of the Director.

The Office of Fair Housing continues to provide assistance in order to achieve fair and equal housing choice for all residents, by monitoring and enforcing the Cleveland’s 1976 Fair Housing Codes, as well as State and Federal laws.

SECTION I: Fair Housing

The Fair Housing Office and Board was formed to ensure that Clevelanders receive fair and equal treatment in relation to housing. The primary goal of Fair Housing is to prevent and/or resolve housing discrimination due to race, religion, color, sex, sexual orientation, gender identity or expression, national origin, age, disability, ethnic group, Vietnam-era or disabled veteran status, familial status, marital status or ancestry. In addition, the Office of Fair Housing and Board promotes the principles of the City of Cleveland's Diversity Statement.

<u>PROPOSED PY2021 ALLOCATION</u>			\$90,000
	<u>PY2018</u>	<u>PY2019</u>	<u>PY2020</u>
	\$85,950	\$85,950	\$90,000

Bank relations are funded from the Director’s Office.

PROGRAM ACTIVITIES FOR PY2021

The Office of Fair Housing and the Fair Housing Board will:

- Undertake activities to cause compliance with Fair Housing laws and principles;
- Provide information on fair housing throughout the community through outreach, training and educational seminars, both online and in-person;
- Maximize cost effective means of marketing and advertising the fair housing protections;
- Increase landlord and real estate professional awareness of fair housing laws to deter occurrences of discriminatory practices;
- Continue fair housing objectives, particularly those in the Analysis of Impediments to Fair Housing Choice and Action Plan;
- Continue to work with fair housing organizations throughout the community;
- Investigate complaints by residents to determine if any Fair Housing laws have been violated or additional training or mediation is needed to address issues uncovered by the investigation.

2020 Statistics:

Category	2018	2019	2020
Individuals Assisted with Minor Housing Issues (Resolved in less than 24 hours)	83	64	14
Individuals Assisted with Complex Fair Housing/Public Accommodations Issues (Resolved in more than 24 hours)	6	4	2

SECTION II: PROPOSED ALLOCATION \$623,454

PY2018	PY2019	PY2020
\$623,454	\$623,454	\$672,308

SECTION III: PROPOSED PY 2021 PROGRAM

As a result of continued high demand for shelter services, CDBG funds are used to supplement Emergency Solutions Grant (ESG) funds. The combined ESG and CDBG homeless services funds for shelter services are allocated through a proposal process carried out in cooperation with the Cleveland/Cuyahoga County Office of Homeless Services. A full listing of shelter providers funded in 2020 is under the Emergency Solutions Grant Program description in this document. The specific use of the 2020 CDBG allocation (including some recaptured funds) was as follows:

YWCA of Greater Cleveland – Norma Herr Women’s Center	\$200,000
Frontline Service, Inc. – Northpoint Temporary Housing Prog.	\$195,500
Lutheran Metropolitan Ministry - 2100 Lakeside Men’s Shelter	\$185,808
Fairhill Partners - Senior Guest House	\$26,000
Catholic Charities Corporation - Bishop Cosgrove Center and St. Augustine Center	<u>\$65,000</u>
	\$672,308

Since 2005, both the men and women shelters expanded operations:

- On January 1, 2005, Lutheran Metropolitan Ministry assumed operation of the 2100 Lakeside Avenue Shelter, and the building ownership transferred to Cuyahoga County.
- At the end of January 2008, Aviation High School (which had been used to handle overflow from 2100 Lakeside) was closed at the request of the Federal Aviation Administration (FAA). This closing was coordinated with the opening of North Point Temporary Housing facility at 1550 Superior Avenue, to address the needs of individuals who have a myriad of barriers to housing stability, such as: sporadic employment histories, illiteracy and limited skills, no high school diploma or GED and criminal backgrounds.
- In November 2010, the fully renovated and expanded women’s shelter, now known as the Norma Herr Women’s Center, was opened at 2227 Payne Avenue. The City of Cleveland contributed \$1,000,000 in CDBG-R stimulus funds toward completion of the project. In 2018, management of this shelter transitioned from Frontline Service to YWCA of Greater Cleveland.

- In 2014, a single front door to the housing and services for individuals and families experiencing a housing crisis was established in Cuyahoga County. Called "Coordinated Entry" it enables the community to match limited resources with the highest need households. Coordinated Entry is a best practice and a requirement for communities to comply with the HEARTH Act.

Because of limitations on the availability of City and HUD funds for shelter services, Cuyahoga County has annually committed over \$6 million in Health and Human Services levy funds for homeless assistance through the Office of Homeless Services; in 2020, Health and Human Service funds committed exceeded \$8 million. In addition, more than \$28 million in Continuum of Care and state Housing Trust Funds are leveraged with CDBG dollars.

EMERGENCY SOLUTIONS GRANT (ESG) PROGRAM

ESTIMATED ALLOCATION: \$1,771,215

In 2012, HUD restructured the Emergency Shelter Grant program as the Emergency Solutions Grant program. In addition to the previously eligible homeless shelter services, ESG funds can now also be used to support the types of activities that had previously been funded through the Homeless Prevention and Rapid Re-Housing Program (HPRP). HPRP was created as part of the stimulus bill to help prevent persons from becoming homeless and to help those who are in shelters to find housing as quickly as possible. HPRP funding terminated at the end of July 2012. Beginning in 2012, HUD has provided an increased level of ESG funding specifically to allow prevention and rapid re-housing activities to be continued. Cities can continue to assist emergency shelter services at previous levels of funding.

The ESG Program requires local matching funding for homeless shelter and services on a dollar for dollar basis. For 2020, Cuyahoga County committed over \$8 million in Health and Human Services levy funds for homeless assistance, through the Office of Homeless Services.

Prevention/Rapid Re-housing Activities

The Coordinated Intake System for the homeless shelters is helping persons seeking shelter to identify other housing options through a Diversion discussion, whenever possible. Families that enter a shelter will be assisted in moving out as soon as possible through the Rapid Re-housing Program, which provides:

- case management and linkage to mainstream services and benefits
- housing location and placement services
- temporary rental and utility assistance, including security deposits.

Cleveland/Cuyahoga County Office of Homeless Services is the primary administrator for the use of Emergency Solutions Grant funds for homeless prevention and rapid re-housing activities, with ongoing responsibility for contracting, monthly payments and the extensive HUD data collection and reporting requirements of the program. The City's ESG funds will be supplemented by County and State ESG funds and local County revenues.

The Office of Homeless Services will conduct an RFP process for qualified non-profit agencies for the provision of program services.

The Department of Aging will provide prevention and housing relocation services specifically for seniors that are faced with the loss of housing. ESG funding for the Department of Aging will be administered directly through the Department of Community Development.

Emergency Shelter Activities

As in past years, it is proposed that ESG funds for emergency shelter services be allocated through a proposal process, carried out in conjunction with the Cleveland/Cuyahoga County Office of Homeless Services. Cuyahoga County's ESG funds will be awarded through the same process.

Recipients of ESG funds must be non-profit organizations providing shelter and related services for the homeless. The funds may be used for rehabilitation and operating costs of emergency

shelters and transitional housing for homeless prevention and for certain essential services for the homeless.

Applications for ESG funds will be made available to eligible non-profit agencies in June. Recommendations of specific agencies to be funded in 2021 will be presented to City Council before summer recess through legislation authorizing expenditure of the funds.

The allocations of ESG to emergency shelter and service providers for 2020 were as follows:

Journey Center for Safety and Healing (formerly Domestic Violence & Child Advocacy Center)	\$97,000
Lutheran Metro Ministry - 2100 Lakeside Avenue Men's Shelter (Overhead)	\$564,192
Frontline Service, Inc. – Gateway Disabled Men's Shelter Services	\$260,000
Salvation Army - Zelma George Shelter	\$207,251
West Side Catholic Center	\$51,000
Department of Aging – Prevention Services	\$60,000
Cuyahoga County Office of Homeless Services	\$819,924
Grand Total	1,831,770*

***Total includes re-programmed ESG balance funds**

**Emergency Shelter Grant Program
Program Descriptions**

\$97,000 Journey Center for Safety and Healing (formerly Domestic Violence Center)

Trauma-focused shelter for women and their children who are victims of domestic violence. The shelter has a total of 45 beds.

\$564,192 Lutheran Metropolitan Ministry - 2100 Lakeside Avenue Men's Shelter

Emergency shelter with a daily capacity of 400 men.

\$260,000 Frontline, Inc. – Gateway Disabled Men's Shelter Services

Shelter services for homeless men with mental illness or other disabilities.

\$207,261 Salvation Army - Zelma George Shelter

Shelter and supportive services for homeless individuals and families. Located at the Harbor Light Complex on Prospect Avenue, shelter capacity is approximately 110 persons or 36 families.

\$51,000 West Side Catholic Center

Shelter and transitional housing services for homeless single women and homeless women with children. Shelter capacity is 32 persons or 10 families.

\$60,000 Department of Aging

Case Management services for seniors (60+ years of age) and adults with disabilities (50-59 years of age) who are at great risk of becoming homeless.

\$819,924 – Cuyahoga County Office of Homeless Services

Administration of ESG and Rapid Re-Housing assistance programs and services. In 2020, the Rapid Re-Housing Program was leveraged with other federal and state funds to serve 363 households; including single adults, youth and families.

Parents that participated in NEON group education session.	56	50	112%

PY2021 CDBG COUNCIL COMMITTEE HEARING / AIDS Prevention Program

Detailed information about each agency funded under this program for the current year (PY2020) follows:

Funded Agencies (PY2020) (46)

Funded Cycle: July 1, 2020 – June 30, 2021

Center for Community Solutions/AIDS Funding Collaborative (AFC), \$70,000

The AIDS Funding Collaborative, a private/public partnership, provides leadership, funding and infrastructure support to strengthen the capacity with Northeast Ohio in the fight against HIV/AIDS. The AFC goal is to lessen the impact of the HIV/AIDS epidemic in our community through the support of prevention, education, direct treatment and services, capacity building, public policy, and advocacy activities. This grant will allow the Cleveland Department of Public Health to fully participant on the AFC, and leverage additional monies into the community for the fight against HIV/AIDS.

Circle Health Services, High Risk HIV Education and Training \$110,000

Circle Health Services provides free medical, mental health and other needed services to members of the community who have difficulty accessing care. The HIV testing program provides counseling, STD/HIV education and HIV testing to youth seeking healthcare through the Circle Health Teen Clinic and general clients seeking medical and or social services at various locations of the Center or Circle Health Services.

Northeast Ohio Neighborhood Health Services (NEON)/Youth-Adolescent Awareness Program (YAAP) \$55,000

YAPP provides prevention services and education to teens that test positive or who are at high risk for STD infection at NEON's Superior, Collinwood, Southeast and East Cleveland Health Centers. Through one-on-one counseling sessions, at-risk youth and their parents receive intensive education on HIV/STDs.

Cleveland Department of Public Health Administration, \$49,393

The Cleveland Department of Public Health provides administrative grant oversight, grant monitoring both fiscal and programmatic services. Testing, Counseling and Referral Services in the City Health Centers. Also provides outreach, general HIV/STD/PrEP education and health awareness activities to various high-risk populations.

Department of Public Health Administrative Cost:	\$ 49,393

SECTION I: BACKGROUND INFORMATION

Program: **Housing Opportunities for Persons with AIDS (HOPWA)**
 Responsibility: Department of Public Health
 Contact: Brian Kimball, Interim - Director of Public Health
 Jeannie Citerman-Kraeger, HOPWA/CDBG Grant Administrator
 Service Area: Greater Cleveland Metropolitan Area: Cuyahoga, Geauga, Lake, Lorain, and Medina

SECTION II: PROPOSED 2021 ALLOCATION: \$1,390,145

<u>2017 (43)</u>	<u>2018 (44)</u>	<u>2019 (45)</u>	<u>2020 (46)</u>
\$1,096,050	\$1,241,586	\$1,402,636	\$1,579,911

SECTION III: PROPOSED PY2021 (47) PROGRAM

The HOPWA program provides resources for meeting the housing and support services needs of persons living with HIV/AIDS and their families. Cleveland is designated by the Department of HUD as the qualifying city within the Eligible Metropolitan Statistical Area (EMSA) to apply for and administer the funds.

SECTION IV: 2020 ACCOMPLISHMENTS

The following summarizes the use of the 2020 allocation of \$1,402, 636

2019-2020 GRANT IMPACT (INDIVIDUALS SERVED)	
Total Individuals Receiving Rental Assistance	416
Total Individuals Receiving Utility Assistance, only	83
Total Individuals Receiving Housing Case Management/Support Information	918
Total Family Units Receiving Housing Assistance	408
Total Individuals Receiving Food Center Services	884
Total Individuals Receiving Transportation Services	82
Total Units of Service	2791

Detailed information for each agency funded under this program for the current year (year 46) is on the following pages:

PY2021 CDBG COUNCIL COMMITTEE HEARING / HOPWA

Funded Agencies (Year 46)

Funding Cycle: June 1, 2020 – May 31, 2021

AIDS TASKFORCE OF GREATER CLEVELAND = \$641,758

The AIDS Taskforce of Greater Cleveland is Ohio's oldest and largest AIDS Service Organization. Established in 1983, the AIDS Taskforce of Greater Cleveland is the primary provider of both community-based HIV prevention education, and of direct, non-medical services to people with HIV/AIDS.

COMMUNITY BASED INDEPENDENT HOUSING PROGRAM - \$258,580

Community Based Independent Housing Program provides case management, advocacy and consistent housing services to those with HIV/AIDS in Cleveland and neighboring areas.

SHORT TERM RENT, MORTGAGE AND UTILITY ASSISTANCE - \$340,000

A-RAP (AIDS Rental Assistance Program) has received HOPWA funds since 1995 to prevent emergency payments for housing related needs, rental, mortgage or utility payments for low-income HIV/AIDS individuals in order to prevent the loss of housing or termination of utilities. Additionally, clients receive financial counseling and education to improve their ability to manage their financial resources.

NUTRITION SERVICES - \$43,178

The FACT Program provides supplemental food, hot meals and nutritional assessment, hygiene bags, educational seminars and dietary counseling.

EMERALD DEVELOPMENT and ECONOMIC NETWORK INC. (EDEN) – \$630,000

EDEN, Inc. exists to develop, provide, and encourage the availability of safe, decent, affordable housing and housing support services for persons who are low-income, mentally ill, and/or disabled.

TENANT BASED RENTAL ASSISTANCE - \$483,000

Tenant Based Rental Assistance (TBRA) began receiving HOPWA funding in 2009 to provide permanent housing resources to people living with HIV/AIDS. These resources are designed to be flexible and client centered. TBRA is used to create vouchers that can pay for an apartment in a scattered site or permanent housing facility.

PERMANENT HOUSING PLACEMENT - \$185,000

Permanent Housing Placement is a new project for this grant year to provide housing assistance to people living with HIV/AIDS. These resources are for costs associated with locating housing and placement in housing.

SHORT-TERM SUPPORTED HOUSING - \$10,000

A new program in 2020, these resources assist with Short-Term Supported Housing, to prevent homelessness. The funds are used to place individuals or families in hotels for up to 60-days, in order to divert them from shelters or the streets.

PY2021 CDBG COUNCIL COMMITTEE HEARING / HOPWA

NUEVA LUZ URBAN RESOURCE CENTER-PROYECTO LUZ (NLURC) – \$260,580

Nueva Luz, Urban Resource Center- Proyecto Luz (“Project Light”) is a faith-based AIDS service organization targeting the Latino population on Cleveland’s west side. Established in 1999, the agency has grown to provide case management, nutrition, and housing identification services to people living with HIV/AIDS and prevention education to populations at risk.

CASE MANAGEMENT SERVICES - \$215,580

Nueva Luz housing case management services provides housing identification, referrals, counseling, monitoring, and placement to Latinos living with HIV/AIDS. Within the context of a faith-based culturally competent program, Proyecto Luz is uniquely equipped to provide services to populations less likely to utilize mainstream AIDS service organizations.

NUTRITION SERVICES - \$45,000

The Nutrition Program provides supplemental food, nutritional assessment, hygiene bags, educational seminars and dietary counseling to people living with HIV and AIDS. The project coordinator completes home visits with clients unable to travel to Proyecto Luz to assess their housing situation and nutritional needs.

OHIO MEANS JOBS\CLEVELAND CUYAHOGA - \$89,400

A collaborative workforce system of the City of Cleveland and Cuyahoga County that helps local employers meet their human capital needs and assists job seekers to find success.

WORKFORCE DEVELOPMENT - \$89,400

Providing Workforce Development, in the American Job Center, through the new “Getting to Work” program as a supportive service for Persons Living with HIV/AIDS (PLWHA) seeking employment, training and opportunities.

CLEVELAND DEPARTMENT OF PUBLIC HEALTH - \$47,573

The Cleveland Department of Public Health provides administrative oversight of the grant monitoring both fiscal and programmatic services and reporting.

DEPARTMENT OF PUBLIC HEALTH – ADMIN - \$47,573

DEPARTMENT OF PUBLIC HEALTH - ADMIN	\$47,573
Prior Year Balance from PY17	\$42,633.33
Prior Year Balance from PY19	\$106,766.67
CONTRACT AGENCIES	<u>\$1,681,738</u>
TOTAL FUNDED	<u>\$1,729,135</u>

COMMUNITY DEVELOPMENT BLOCK GRANT PY2021 Council Briefing Document

Eligibility Criteria for an Activity meeting a National Objective

Federal law requires that any activity assisted with CDBG funds (in whole or part) **must** address one of three National Objectives.

- Activities benefiting low and moderate income persons
- Activities which aid in the prevention or elimination of Slum or Blight
- Activities designed to meet community development needs having a particular urgency

Activities benefiting low and moderate income persons/households

Priority is placed on qualifying activities under this objective. (HUD requires that a minimum of 70% of total annual expenditures must benefit low/mod individuals and/or households).

Activities that benefit low and moderate income households/persons fall under four categories:

- **Area Benefit Activities:** Qualify as addressing the low/mod objective if the activity benefits all residents in a particular area (service area) where at least 51% of the residents are low mod persons (based on the most current census data).

The service area (defined by appropriate census tracts/Block Groups using common sense judgment) must be identified and documented in the activity's file prior to funding and implementation.

Examples of area benefit activities are physical/capital infrastructure improvements such as, parks, playgrounds, sidewalks and streets, storefront renovation and neighborhood facilities.

- **Limited Clientele Activities:** Qualify as addressing the low/mod objective if at least 51% of the program/activity recipients are low or moderate income. This is determined by the total household income of the recipient's family.

These activities are considered direct benefit activities and benefit a specific group of people (rather than all residents in a particular service area).

Examples of limited clientele activities are elderly and youth services, meal programs, job training and child day care. An application/sign-up process is generally needed for this type of activity.

- **Housing Activities:** Qualify as addressing the low/mod objective if the unit assisted (one unit structure) is occupied by a low/mod household. Two unit structures must have at least one unit occupied by a low/mod household. Two unit structures with more than two units must have at least 51% of the units occupied by low/mod households.

These activities are considered direct benefit activities.

PY2021 Council Briefing Document/Criteria for Activity Eligibility

Example of Housing activities are new construction of housing or repair/rehabilitation of existing housing.

- **Job Creation or Retention Activities:** Quality as meeting the low/mod objective if at least 51% of the permanent jobs created or retained are filled by, or available to low/mod income persons.

These activities are considered direct benefit activities. Activities qualifying under this category are generally direct economic development assistance to (for-profit) businesses.

Aid in the Prevention or elimination of Slum or Blight Conditions

If an activity fails to qualify as a benefit to low and moderate income persons, it may address this national objective.

- **Slum/Blight Area Basis:** Qualifies as a slum/blight “area basis” activity if:
 - ⊗ The project area meets the definition of a slum, blighted, deteriorated or deteriorating area under state or local law;
 - ⊗ Throughout the area there is a substantial number of deteriorated or deteriorating buildings;
 - ⊗ Documentation is maintained by the recipient on area boundaries and the condition which qualified the area at the time of its designation; and,
 - ⊗ The assisted activity is designed to address one or more of the conditions that contributed to the deterioration of the area.

An activity may also address the slum/blight national objective on a “**spot basis**”; however, this objective is valid only if it is for acquisition, clearance/demolition, relocation, historic preservation and building rehabilitation (only to the extent necessary to eliminate specific conditions detrimental to public health and safety).

Meet Community Development Needs Having a Particular Urgency

To address this national objective, an activity must be designed to alleviate existing conditions which the City certifies:

- ⊗ Pose a serious and immediate threat to the health or welfare of the community;
- ⊗ Are of recent origin or recently became urgent;
- ⊗ The City is unable to finance it on its own; and,
- ⊗ Other resources or funds are not available.

This objective is rarely used to qualify CDBG activities.

FY 2020 Income Limits Summary

Selecting any of the buttons labeled "Explanation" will display detailed calculation steps for each of the various parameters.

FY 2020 Income Limit Area	Median Family Income Explanation	FY 2020 Income Limit Category	Persons in Family							
			1	2	3	4	5	6	7	8
Cleveland-Elyria, OH MSA	\$76,000	Very Low (50%) Income Limits (\$) Explanation	26,600	30,400	34,200	38,000	41,050	44,100	47,150	50,200
		Extremely Low Income Limits (\$)* Explanation	16,000	18,250	21,720	26,200	30,680	35,160	39,640	44,120
		Low (80%) Income Limits (\$) Explanation	42,600	48,650	54,750	60,800	65,700	70,550	75,400	80,300

The **Cleveland-Elyria, OH MSA** contains the following areas: Cuyahoga County, OH; Geauga County, OH; Lake County, OH; Lorain County, OH; and Medina County, OH.
