**On Call Professional Survey Services**

---

Please be advised that the City of Cleveland, through its Director of the Department of Port Control, hereby publishes Addendum No. 2 to the Request for Qualifications: **On Call Professional Survey Services**, dated July 14, 2015.

This addendum number two (2) serves to address the following questions received via email:

- **Will the tasks under the proposed surveying services contract be strictly boundary, easement, lease lot, ALTA, etc. type tasks or can they also possibly include topographic and other design/construction/planning/FAA certification related surveys?**

**Response**

**The tasks will include all types of land surveying.**

- **What is the proposed total contract value per year and over the total life of the contract? (Not individual task order amounts, but total of all task orders under the current contract(s).**

**Response**

**Contract length will be (1) year with (3) one- year options for renewal. The contract amount will be determine based on qualifications and negotiations with the chosen and most qualified firm.**

- **Who is/are the incumbent firm(s) holding the current contract(s) and what is/are their total contract value(s)?**

**Response**

**KS Associates, Michael Benza and DLZ were previous contractors. The total dollar amount of their contracts would need to be requested through the Public Record Request Process available through the City Cleveland.**

- **Are there any tentative task orders at this time that they are anticipating issuing under the proposed contract? If so, can you share a representative listing of them so we can get an idea of the type of work one can expect?**

**Response**

**At this time, there are no pending tasks waiting on this RFQ to be awarded.**

**DEADLINE FOR SUBMISSION OF STATEMENT OF QUALIFICATIONS:**
