Rocky River Drive Concrete Repair Project Traffic Advisory Lorain Avenue to McKinley Avenue (Ward 17)

CLEVELAND – Beginning September 27, 2023, weather permitting, the City will start Phase 2 concrete repairs on Rocky River Drive from Lorain Avenue to McKinley Avenue. A portion of the street will be closed, one lane of traffic will be maintained north bound. A complete closure is not expected to occur. No on-street parking will be permitted for the duration of the project in the affected areas and no parking signs will be posted.

Phase 1 was completed in the winter of 2021-2022 from Munn Road south to Lorain Road. Phase 2 consists of concrete repairs from Munn Road north to McKinley Avenue and is expected to last approximately 8 weeks, weather permitting.

DETOUR ROUTE:

Left on McKinley Avenue, Right on South Marginal Road, Right on Warren Road, Right on Lorain Road, Right on Rocky River Drive.

The project includes repairing broken concrete pavement and adjusting sunken or damaged utility castings. The work will take place during the hours of 7 a.m. to 5 p.m. The concrete repair project is expected to complete by the end of November 2023.

Should there be any questions, please contact the City of Cleveland's Construction Inspector, Eric Faehner at 216-857-3028.

***Editor's Note:** Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.*
