**FOR IMMEDIATE RELEASE:**

**May 9, 2024**

**South Moreland, Shaker Square,  
North Moreland Improvements  
Traffic Advisory**

**Griffing Avenue to Larchmere Boulevard  
(City of Cleveland – Wards 4 and 6)**

**Expect additional traffic notices as improvements continue**

**CLEVELAND** – Beginning Monday, May 13, 2024, the City of Cleveland will begin construction on the southeast quadrant of Shaker Square. The current detour for the southwest quadrant of Shaker Square will be removed and a new detour installed as follows below for approximately a month. The current work on North Moreland from Griffin Avenue to Larchmere Avenue will continue along with the existing maintenance of traffic plan.

**Overall Project Description:**

The project includes resurfacing of South Moreland, Shaker Square, and North Moreland from Griffing Avenue to Larchmere Boulevard. Work will include milling of existing asphalt and replacement, base repairs, utility casting adjustments, ADA compliant ramps, replacement of concrete curbs and walks as needed, pavement markings and signage. Safety improvements include realignment of intersections at Livingston, Ashwood, and Hampton Roads. A new mast-arm signal will replace the existing span wire signal at Drexmore. New pavement layout will include bike lanes, new left-turn lanes, and parking lanes as appropriate.

**Construction Traffic Detours:**

The upcoming construction and traffic detours will be as follows:

- At the southeast quadrant of Shaker Square as water main replacement is being performed traffic will be detoured east from the intersection of Shaker Square and Drexmore Road, then north on Van Aken Boulevard, and then west on Shaker Boulevard. The southeast quadrant is scheduled to be opened for traffic in mid-June 2024.

- Patrons of the Shaker Square Animal Hospital, Captain Tony's Pizza, and the Cleveland Breakfast Club are advised to utilize the parking lot off of Drexmore Road.
- The current work on North Moreland from Griffin Avenue to Larchmere Avenue will continue along with the existing maintenance of traffic plan.
- The next phase of construction will be north side of Shaker Square. A traffic advisory will be issued detailing the traffic detours associated with this phase of construction.

Construction zones will be installed and advanced warning signs will be placed outside of the work area informing the public of the construction work and any changes in the traffic patterns.

The work on this project will generally take place Monday through Friday between the hours of 7 a.m. to 5 p.m. The overall project is scheduled for completion in October 2024.

Questions? Contact the City of Cleveland's Construction Inspector, Cecil Benson at 216-857-7648.

***Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.***

***Thank you for your patience and cooperation during this important public improvement project.***

### **About the City of Cleveland**

The City of Cleveland is committed to improving the quality of life for its residents by strengthening neighborhoods, delivering superior services, embracing diversity and making Cleveland a desirable, safe city in which to live, work, play, and do business.
