Welcome!

Dear Clevelanders,

The City of Cleveland Neighborhood Resource and Recreation Centers (NRRCs) provide resources in our neighborhoods for recreational, social, cultural, and other support services. This guide provides a list of programs and services available to members of your entire family across the city's 21 Neighborhood Resource and Recreation Centers, 1 Cultural Arts Center and 1 residential camp.

Welcome to the new Director of Parks and Recreation, Alexandria Nichols. Her most recent employer was the City of Shaker Heights, and she brings a wealth of knowledge and experience to Recreation. Alexandria looks forward to building the new parks and recreation department which will include recreation services, parks, forestry, and other special facilities.

We are also excited to share that the Department of Recreation has instituted CivicRec, a membership and interactive online catalog of all of the activities, programs and events offered in our Neighborhood Resource and Recreation Centers. This online catalog is organized in a variety of ways: by NRRC, program, or category. I urge you to complete your FREE membership (**see page 20**) so that you are able to take advantage of what is being offered in your Neighborhood Resource and Recreation Center.

In addition to the expanded programs and activities we are offering in our NRRCs, we also have Social Support Services Specialists assigned to our NRRCs who can help individuals and families access free resources and support services to help them achieve a better quality of life. It is our hope that our community, both individuals and families, will take advantage of this unique service.

The City of Cleveland also welcomes Janelle Bass Hawthorne as Director of News and Multimedia Communications at TV20. Janelle is a multi-award winning journalist, news leader and long-time volunteer in Cleveland. Bass Hawthorne is leading the relaunch of TV20. For all of your City of Cleveland news and programming updates you can watch TV20 on-air and online.

As your Mayor, my vision is for Cleveland to be a national model for city management, public safety, and neighborhood revitalization. Our Neighborhood Resource and Recreation Centers play a critical role in this vision.

We are looking forward to a fun-filled fall seasonal session!

Sincerely,

Justin M. Bibb
Mayor, City of Cleveland

Cleveland Care Calls is an automated telephone reassurance system being offered to Cleveland Seniors 60 and over or adults 18-59 with a disability by the **Department of Aging and Public Safety**.
