ADDENDUM NO. 5

The bid due date is February 7, 2025, and bids must be date stamped by 11:59 a.m. that day.

Issue clarification:

In the appendices for the Re-Bid contract documents the addenda for the original bid were attached. To prevent misinterpretation of the answer for question No. 9 in Addendum No. 3 in the appendices we are clarifying the response. In the Traveling Screens Improvements Re-Bid, all structural steel coating will be repaired and recoated. It is estimated that about 15% of the steel surfaces are badly corroded requiring rust removal and repair prior to coating with the remainder of the exposed surfaces.
