ADDENDUM NO. 2

Bids are due Friday, March 21, 2025, before 12:00 p.m. and must be date stamped. The last day for questions is Friday, March 14, 2025, at 12:00 p.m.

Including a copy of the new Davis Bacon Wage Rates.

Including a revised C-10, Supplemental General Conditions. See attachment.

Answers to questions received:

1. Are permit fees waived for the project?

Answer: The Cleveland Division of Water's (CWD) LSLR team will obtain permits for road openings in the City of Cleveland (City). However, the contractor is responsible for making sure they are able to do work in any of the municipalities Cleveland Water serves.

2. Is a licensed electrician required?

Answer: No.

3. Is a licensed plumber required?

Answer: No.

4. Is the city or the contractor required for no parking?

Answer: CWD's LSLR program will be distributing preconstruction notices, which will notify residents of no parking. However, we HIGHLY encourage the contractor to post no parking signs.

5. Who is responsible for obtaining right of entries?

Answer: No. CWD's LSLR program will be responsible.

6. Can roads be closed to local traffic only?

Answer: Yes.

7. Are there any materials testing requirements?

Answer: No.

ADDENDUM NO. 2

8. Are there any special software requirements?

Answer: No.

9. Who is responsible for the scheduling services?

Answer: The contractor.

10. If hydro-vac exploration is needed and based on results, how will we be compensated?
Finding lead vs galvanized vs copper?

Answer: Compensation will be derived from Bid Schedule of Item No. 1, Investigation: Active Curb Stop Locating, Assessing, Operating & Material Identification.

11. Has there been any investigation if there is rock or can we expect rock during the excavation? Geotech Reports.

Answer: Portions of the service system do have mains in sandstone and shale. The vast majority of our soil composition in the service system is clay.

12. The bid refers to tapping certifications. Can you explain in detail what that entails?

Answer: See the attached, revised C-10, Supplemental General Conditions.

13. Will the quantities be within +/- 5% of the estimated quantities shown in the bid documents?

Answer: See Instructions to Bidders, A-14 b for details.

14. Can a contractor be awarded multiple contracts?

Answer: Yes.

15. If/when a main is exposed and a break occurs, what is the compensation associated with that main break?

Answer: Compensation will be covered under, Bid Schedule of Item No. 6, Miscellaneous Crew Hours.

ADDENDUM NO. 2

16. When digging by trees is a conflict, who makes the approval for the root trimming and what products for trees are required post root trimming?

Answer: CWD LSLR Management will make approvals. An aerosol pruning spray would be used post root trim.

17. We have a technique where we use a mole to pull the new copper pipe through the old, galvanized piping without having to use open trench, excavation in residential or commercial property. Would Cleveland Water allow us to do this or does the new pipe have to be in a new trench or the same trench but on top of the old pipe?

Answer: Yes. CWD would be open to allowing different techniques of replacing connections.

18. The addendum states that all nine packages are identical. Does this mean that all bid requirements are exactly the same? If so, can we submit an identical bid for all nine LSLR open bids?

Answer: Each bid should be a separate submission. For example, if you are submitting a bid for File No. 25-25, all corresponding documents should reference the documents contained in File No. 25-25 and so forth.

19. During the pre-bid meeting, it was mentioned that Tapping Certification classes would be postponed until after the bid completion due to challenges in contacting LSLR project leads. Can this certification be completed before the Notice to Execute (NTE) of the project, and if so, will it be recognized within our bid?

Answer: See the attached, revised C-10, Supplemental General Conditions

20. Although we have registered as a CSB, we have not yet received our certification. Can our registration status be recognized, and can we consider pending as pending for the purpose of this bid?

Answer: In the case of a bidder applying for certification during the bidding process, the bidder should notify the Office of Equal Opportunity (OEO) that they have submitted an application and request it to be expedited due to them. bidding on a contract. A bidder can notify the OEO certification team at 216.664.4155 to request expedition of their application.

ADDENDUM NO. 2

21. Is it permissible for us to act as a Prime Bidder on the project while also being included as a subcontractor on another Prime Bidder's submission?

Answer: Yes, a contractor can bid as a Prime as well as be a subcontractor on another Prime Bidders bid.

22. If we are both a CSB and a Prime Bidder, would that fulfill the 20% CSB utilization requirement, or would we still need to engage additional CSB subcontractors to meet this standard?

Answer: A certified Prime Bidder cannot claim subcontractor credit for their own company within their own bid. The OEO requests that bidders who are certified should also make a Good Faith Effort to meet the goals established on the project by utilizing other certified firms. Certified firms bidding as a Prime are eligible for evaluation bid discounts for their designations as a Cleveland Small Business (CSB), Minority Business Enterprise (MBE) or Female Business Enterprise (FBE) as well as the Local Producer Enterprise (LPE).

23. Given there are nine open bids, is it necessary to submit a separate bid bond for each, or would one bond suffice to cover all nine?

Answer: A separate bid bond is required for each bid submission.

Note: Contracts subject to the Davis-Bacon Act are generally required to pay at least the applicable minimum wage rate required under Executive Order 14026 or Executive Order 13658. Please note that these Executive Orders apply to covered contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but do not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(1).

If the contract is entered into on or after January 30, 2022, or the contract is renewed or extended (e.g., an option is exercised) on or after January 30, 2022:	. Executive Order 14026 generally applies to the contract. . The contractor must pay all covered workers at least \$17.75 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in 2025.
If the contract was awarded on or between January 1, 2015 and January 29, 2022, and the contract is not renewed or extended on or after January 30, 2022:	. Executive Order 13658 generally applies to the contract. . The contractor must pay all covered workers at least \$13.30 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on that contract in 2025.

The applicable Executive Order minimum wage rate will be adjusted annually. If this contract is covered by one of the

Appendix B

Executive Orders and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must still submit a conformance request.

Additional information on contractor requirements and worker protections under the Executive Orders is available at <http://www.dol.gov/whd/govcontracts>.

** Workers in this classification may be entitled to a higher minimum wage under Executive Order 14026 (\$17.75) or 13658 (\$13.30). Please see the Note at the top of the wage determination for more information. Please also note that the minimum wage requirements of Executive Order 14026 are not currently being enforced as to any contract or subcontract to

Appendix B

which the states of Texas, Louisiana, or Mississippi, including their agencies, are a party.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at <https://www.dol.gov/agencies/whd/government-contracts>.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (iii)).

The body of each wage determination lists the classifications and wage rates that have been found to be prevailing for the type(s) of construction and geographic area covered by the wage determination. The classifications are listed in alphabetical order under rate identifiers indicating whether the particular rate is a union rate (current union negotiated rate), a survey rate, a weighted union average rate, a state adopted rate, or a supplemental classification rate.

Union Rate Identifiers

A four-letter identifier beginning with characters other than ""SU"", ""UAVG"", ?SA?, or ?SC? denotes that a union rate was prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2024. PLUM is an identifier of the union whose collectively bargained rate prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in

Appendix B

processing the wage determination. The date, 07/01/2024 in the example, is the effective date of the most current negotiated rate.

Union prevailing wage rates are updated to reflect all changes over time that are reported to WHD in the rates in the collective bargaining agreement (CBA) governing the classification.

Union Average Rate Identifiers

The UAVG identifier indicates that no single rate prevailed for those classifications, but that 100% of the data reported for the classifications reflected union rates. EXAMPLE: UAVG-OH-0010 01/01/2024. UAVG indicates that the rate is a weighted union average rate. OH indicates the State of Ohio. The next number, 0010 in the example, is an internal number used in producing the wage determination. The date, 01/01/2024 in the example, indicates the date the wage determination was updated to reflect the most current union average rate.

A UAVG rate will be updated once a year, usually in January, to reflect a weighted average of the current rates in the collective bargaining agreements on which the rate is based.

Survey Rate Identifiers

The ""SU"" identifier indicates that either a single non-union rate prevailed (as defined in 29 CFR 1.2) for this classification in the survey or that the rate was derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As a weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SUFL2022-007 6/27/2024. SU indicates the rate is a single non-union prevailing rate or a weighted average of survey data for that classification. FL indicates the State of Florida. 2022 is the year of the survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 6/27/2024 in the example, indicates the survey completion date for the classifications and rates under that identifier.

?SU? wage rates typically remain in effect until a new survey is conducted. However, the Wage and Hour Division (WHD) has the discretion to update such rates under 29 CFR 1.6(c)(1).

State Adopted Rate Identifiers

The ""SA"" identifier indicates that the classifications and

Appendix B

prevailing wage rates set by a state (or local) government were adopted under 29 C.F.R 1.3(g)-(h). Example: SAME2023-007 01/03/2024. SA reflects that the rates are state adopted. ME refers to the State of Maine. 2023 is the year during which the state completed the survey on which the listed classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 01/03/2024 in the example, reflects the date on which the classifications and rates under the ?SA? identifier took effect under state law in the state from which the rates were adopted.

WAGE DETERMINATION APPEALS PROCESS

1) Has there been an initial decision in the matter? This can be:

- a) a survey underlying a wage determination
- b) an existing published wage determination
- c) an initial WHD letter setting forth a position on a wage determination matter
- d) an initial conformance (additional classification and rate) determination

On survey related matters, initial contact, including requests for summaries of surveys, should be directed to the WHD Branch of Wage Surveys. Requests can be submitted via email to davisbaconinfo@dol.gov or by mail to:

Branch of Wage Surveys
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

Regarding any other wage determination matter such as conformance decisions, requests for initial decisions should be directed to the WHD Branch of Construction Wage Determinations. Requests can be submitted via email to BCWD-Office@dol.gov or by mail to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2) If an initial decision has been issued, then any interested

Appendix B

party (those affected by the action) that disagrees with the decision can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Requests for review and reconsideration can be submitted via email to dba.reconsideration@dol.gov or by mail to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210.

END OF GENERAL DECISION"

C-10 PIPE TAPPING QUALIFICATIONS

Before Notice to Proceed, awarded Contractors shall demonstrate their experience to tap iron water mains one of two ways.

A. Tapping Experience

A Contractor may provide documentation demonstrating the iron pipe tapping (as outlined in C-24, Service Connection Work) experience of existing staff:

In the previous five years, staff have successfully completed, through projects or through the course of business, a minimum of 50 water service line replacements, each requiring tapping iron mains for ¾" and 1" service connections. The documentation shall include, for each employee cited, the following:

- i. Project Name
- ii. Owner
- iii. Year completed
- iv. Contact person and telephone number for the Project
- v. Name of employee completing taps and his / her parent company name
- vi. Size and number of water mains tapped

B. Cleveland Certification

Contractor employees proposed to tap mains for ¾" and 1" service connections and replacing service connections can have their abilities verified by the City.

- a. This experience shall be verified for each employee of the Contractor and any Subcontractors that may be tapping mains, by obtaining a Water Main Tapping Certification from CWD after completing a tapping and service line installation course and passing a skills test. CWD will be offering such classes and tests as needed.
- b. A copy of this certification for each employee who will be completing taps must be obtained before Notice to Proceed.

Notice to Proceed shall not be issued until all of the Contractor's employees proposed to perform pipe tapping work have demonstrated the necessary qualifications to the City's satisfaction.
