SUMMARY:

Bidders on certain City contracts, recipients of Assistance, and any of their prospective subcontractors must disclose any wage theft or payroll fraud violations over the last three years. Unless they receive a waiver from the City's Fair Wage Employment Board, violators are placed on the City's Adverse Determination List, which prevents them from entering into new contracts with or receiving Assistance from the City. This disclosure requirement and the waiver process are set forth in Chapter 190 of the Codified Ordinances of Cleveland, Ohio, 1976 ("Chapter 190").

INSTRUCTIONS:

Pursuant to Chapter 190, the information requested on this document must be provided by any person or entity bidding on or making a proposal for a Construction or Improvement Contract or a Service Contract, or applying for Assistance, and any of their prospective subcontractors.

A-12 PAYMENT DISCOUNT WHEN USED TO DETERMINE LOWEST AND BEST BID

But if, notwithstanding the provisions of this paragraph such bid is determined to be the lowest and best bid, the City reserves the right to accept the terms named in the bid if such terms are to the advantage of the City as a basis for payment of invoices only, but not in any case as a basis for determining the lowest and best bidder.
- b. The City will take a discount of two percent (2%) on payments made within thirty (30) days from receipt of articles, commodities, materials, supplies, equipment or services, unless the bidder indicates otherwise on the space provided on the Schedule of Items bid.

- a. Under a requirement contract, a contractor shall supply all the City's requirements during the term for the articles, commodities, supplies, materials, services or equipment set forth in the *Invitation to Bid*. See GENERAL CONDITIONS, Section B-24, Duration of Contract.
- b. If the *Schedule of Items* in the *Invitation to Bid* is marked "requirement contract," then all quantities stated in the *Schedule of Items* are the City's good-faith estimates only. The City shall place each order under the

contract, whether singly or cumulatively more or less than the estimated quantities set forth in the *Schedule of Items*, by a Delivery Order against the contract and separately certified.

A-15 LIMITATION OF PERIOD OF CONTRACT

If the proposed duration of the contract would deprive the City of the best available market price, the bidder may offer an alternate bid as to duration of the contract, setting forth in the bid the longest period of time it can furnish and deliver the proportionate amount of items at the firm price set forth in the bid. No other provision of the Invitation to Bid shall be subject to an alternate bid unless specifically requested.

A-16 BID DISCOUNTS - APPLICABLE TO BIDS FOR GOODS AND SERVICES PURCHASE CONTRACTS AND PUBLIC IMPROVEMENT CONTRACTS IN EXCESS OF FIFTY THOUSAND DOLLARS (\$50,000).

a. Bid Discounts under Sections 187.03 and 187.05. If the bid of any prime contractor that is a CSB, MBE, FBE or a CSB, MBE or FBE joint venture is no more than five percent (5%) higher than the lowest actual bid for a contract that is not from a CSB, MBE, FBE or a CSB, MBE or FBE joint venture, the contracting department shall apply a Bid Discount of five percent (5%) to the CSB, MBE, FBE or CSB, MBE or FBE joint venture bid for the purpose of establishing a Comparison Bid. The City of Cleveland shall use the following ranking in determining who receives the preference:

1. Where the disparity study has determined that a disparity exists, the bid discount shall go to the bidders who are certified by the City as members of the specific MBE/FBE group for which the proven disparity exists. No other bidders shall receive any preference under Sections 187.03 and 187.05 at the prime contractor level.
2. Where no disparity has been proven, or when no bids are received from groups for which a proven disparity exists, the bid discount shall go to certified CSB bidders certified by the City as located within the city limits of Cleveland. No other bidders shall receive any preference under Sections 187.03 and 187.05 at the prime contractor level.
3. Where no disparity has been proven, or when no bids are received from groups for which a proven disparity exists, and no bids were received from certified CSB firms certified by the City as located within the city limits of Cleveland, the bid discount shall go to Certified CSB bidders certified by the City as located within Cuyahoga County. No other bidders shall receive any preference under Sections 187.03 and 187.05 at the prime contractor level.
4. In addition to any bid discounts at the prime contractor level, all prime contractors shall receive a bid discount of 5% of the total dollar amount of all CSB, MBE and/or FBE certified by the City that the prime contractor properly documents as subcontractors in their bid, for the purpose of establishing a Comparison Bid.
5. The total Bid Discount awarded to any bidder on a bid pursuant to Sections 187.03 and 187.05 shall not exceed \$50,000.00.

b. Bid Discounts under Section 187A.02(a): Application of Bid Discount - A Contracting Department shall apply a Bid Discount of two percent (2%) to a bid received from a Local Producer (LPE); two percent (2%) to a bid received from a Local Food-Producer (LPE); and two percent (2%) to a bid received from a Local Sustainable Business (SUBE); provided that the maximum total Bid Discount applied under Section 187A.02 (a) shall not exceed four percent (4%). Bid Discounts applied under Section 187A.02 (a) shall be in addition to any Bid Discount applied under Sections 187.03 and 187.05. The maximum amount of any Bid Discounts applied under this Section 187A.02 (a) shall not exceed \$50,000.

c. Maximum Cumulative Amount of All Bid Discounts:

The maximum cumulative amount of all Bid Discounts that may be applied to the bid under Sections 187.03, 187.05, and 187A.02 shall not exceed \$75,000.00, or nine percent (9%), whichever is lower.

d. Comparison Bid to Determine Lowest and Best Bidder:

The City shall determine the Comparison Bid by totaling all applicable Bid Discounts under Sections 187.03, 187.05, and 187A.02. The City shall use the Comparison Bid in determining the lowest and best or lowest responsible bidder for the purpose of awarding the contract. If more than one CSB, MBE, FBE, LPE, SUBE or CSB, MBE, FBE LPE, SUBE joint venture prime contractor in the respective category submits a bid that is no more than five percent (5%) higher than the lowest actual bid that is not from a CSB, MBE, FBE, LPE, SUBE or from a CSB, MBE, FBE, LPE, SUBE joint venture, the contracting department shall recommend the CSB, MBE, FBE, LPE, SUBE, or CSB, MBE, FBE, LPE, SUBE joint venture submitting the lowest bid, after the inclusion of all applicable prime and subcontractor discounts, as the lowest and best or lowest responsible bidder.

The City shall use the Comparison Bid amount determined by applying the bid discounts described in Articles A-16A and A-16B, above for evaluation purposes only; the City shall use the actual bid amount for the purposes of bid approval and contract award.

e. City of Cleveland Certification required: For the purpose of determining a bidder's eligibility for bid discounts, the City shall only consider bidders with valid certificates issued by the City of Cleveland's Office of Equal Opportunity. The certifications must be active on the date and time of the deadline for bid submission. Expired certification holders and pending certifications cannot be considered for calculation of bid discounts. Certifications from other public or private entities cannot be considered.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

must obtain your correct taxpayer identification number (TIN), which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid).
- Form 1099-DIV (dividends, including those from stocks or mutual funds).
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds).
- Form 1099-NEC (nonemployee compensation).
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers).
- Form 1099-S (proceeds from real estate transactions).
- Form 1099-K (merchant card and third-party network transactions).
- Form 1098 (home mortgage interest), 1098-E (student loan interest), and 1098-T (tuition).
- Form 1099-C (canceled debt).
- Form 1099-A (acquisition or abandonment of secured property).

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

Caution: If you don't return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding*, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued);
2. Certify that you are not subject to backup withholding; or
3. Claim exemption from backup withholding if you are a U.S. exempt payee; and
4. Certify to your non-foreign status for purposes of withholding under chapter 3 or 4 of the Code (if applicable); and
5. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting is correct. See *What Is FATCA Reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding. Payments made to foreign persons, including certain distributions, allocations of income, or transfers of sales proceeds, may be subject to withholding under chapter 3 or chapter 4 of the Code (sections 1441-1474). Under those rules, if a Form W-9 or other certification of non-foreign status has not been received, a withholding agent, transferee, or partnership (payor) generally applies presumption rules that may require the payor to withhold applicable tax from the recipient, owner, transferor, or partner (payee). See Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*.

The following persons must provide Form W-9 to the payor for purposes of establishing its non-foreign status.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the disregarded entity.
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the grantor trust.
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust and not the beneficiaries of the trust.

See Pub. 515 for more information on providing a Form W-9 or a certification of non-foreign status to avoid withholding.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person (under Regulations section 1.1441-1(b)(2)(iv) or other applicable section for chapter 3 or 4 purposes), do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515). If you are a qualified foreign pension fund under Regulations section 1.897(f)-1(d), or a partnership that is wholly owned by qualified foreign pension funds, that is treated as a non-foreign person for purposes of section 1445 withholding, do not use Form W-9. Instead, use Form W-8EXP (or other certification of non-foreign status).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a saving clause. Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if their stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first Protocol) and is relying on this exception to claim an exemption from tax on their scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include, but are not limited to, interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third-party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester;
2. You do not certify your TIN when required (see the instructions for Part II for details);
3. The IRS tells the requester that you furnished an incorrect TIN;
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only); or
5. You do not certify to the requester that you are not subject to backup withholding, as described in item 4 under "By signing the filled-out form" above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier.

What Is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all U.S. account holders that are specified U.S. persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you are no longer tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

- **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note for ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040 you filed with your application.

- **Sole proprietor.** Enter your individual name as shown on your Form 1040 on line 1. Enter your business, trade, or "doing business as" (DBA) name on line 2.

- **Partnership, C corporation, S corporation, or LLC, other than a disregarded entity.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

- **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. Enter any business, trade, or DBA name on line 2.

- **Disregarded entity.** In general, a business entity that has a single owner, including an LLC, and is not a corporation, is disregarded as an entity separate from its owner (a disregarded entity). See Regulations section 301.7701-2(c)(2). A disregarded entity should check the appropriate box for the tax classification of its owner. Enter the owner's name on line 1. The name of the owner entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For

example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, enter it on line 2.

Line 3a

Check the appropriate box on line 3a for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3a.

IF the entity/individual on line 1 is a(n) . . .	THEN check the box for . . .
• Corporation	Corporation.
• Individual or • Sole proprietorship	Individual/sole proprietor.
• LLC classified as a partnership for U.S. federal tax purposes or • LLC that has filed Form 8832 or 2553 electing to be taxed as a corporation	Limited liability company and enter the appropriate tax classification: P = Partnership, C = C corporation, or S = S corporation.
• Partnership	Partnership.
• Trust/estate	Trust/estate.

Line 3b

Check this box if you are a partnership (including an LLC classified as a partnership for U.S. federal tax purposes), trust, or estate that has any foreign partners, owners, or beneficiaries, and you are providing this form to a partnership, trust, or estate, in which you have an ownership interest. You must check the box on line 3b if you receive a Form W-8 (or documentary evidence) from any partner, owner, or beneficiary establishing foreign status or if you receive a Form W-9 from any partner, owner, or beneficiary that has checked the box on line 3b.

Note: A partnership that provides a Form W-9 and checks box 3b may be required to complete Schedules K-2 and K-3 (Form 1065). For more information, see the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

If you are required to complete line 3b but fail to do so, you may not receive the information necessary to file a correct information return with the IRS or furnish a correct payee statement to your partners or beneficiaries. See, for example, sections 6698, 6722, and 6724 for penalties that may apply.

Line 4 Exemptions

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) entered on the line for a FATCA exemption code.

A—An organization exempt from tax under section 501(a) or any individual retirement plan as defined in section 7701(a)(37).

I—A common trust fund as defined in section 584(a).

J—A bank as defined in section 581.

K—A broker.

L—A trust exempt from tax under section 664 or described in section 4947(a)(1).

M—A tax-exempt trust under a section 403(b) plan or section 457(g) plan.

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, enter "NEW" at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have, and are not eligible to get, an SSN, your TIN is your IRS ITIN. Enter it in the entry space for the Social security number. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/EIN. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or Form SS-4 mailed to you within 15 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and enter "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, you will generally have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon. See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier, for when you may instead be subject to withholding under chapter 3 or 4 of the Code.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third-party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information, such as your name, SSN, or other identifying information, without your permission to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax return preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity, or a questionable credit report, contact the IRS Identity Theft Hotline at 800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 877-777-4778 or TTY/TDD 800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Go to www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and territories for use in administering their laws. The information may also be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payors must generally withhold a percentage of taxable interest, dividends, and certain other payments to a payee who does not give a TIN to the payor. Certain penalties may also apply for providing false or fraudulent information.

GENERAL CONDITIONS

- B-1 CONSIDERATION OF BIDS.**
All bids received in conformity with the Invitation to Bid shall be endorsed with the contract or advertisement name or number and name and address of the bidder. All bids, immediately after being read, shall be tabulated and summarized and shall become public record in the office of the Commissioner of Purchases and Supplies.
- B-2 UNACCEPTABLE BIDS.**
No bid will be accepted from, nor a contract awarded to, any person, firm or corporation that is in arrears or is in default to the City upon any debt or contract, or is a defaulter as surety or otherwise upon any obligation to the City, or has failed to perform faithfully on any previous contract with the City of Cleveland.
- B-3 REJECTION OR ACCEPTANCE OF BIDS.**
The City through the Board of Control shall have the right to reject any or all bids, parts of such bid, and reserves the right to waive any informalities in the bid. In addition to bid price and discount, the City reserves the right to consider all elements entering into the question of determining the responsibility of the bidder. Any bid which is incomplete, conditional, obscure, contains additions not called for, or irregularities of any kind, may be cause for rejection of the bid.
- B-4 EVIDENCE OF ABILITY TO FULFILL CONTRACT.**
Bidders must present evidence to the Commissioner of Purchases and Supplies, when required by him to do so, to show they are fully competent and have the necessary source of supply, facilities and pecuniary resources to fulfill the conditions of the contract and specifications.
- B-5 WITHDRAWAL OF BID.**
No bid may be withdrawn after it has been deposited with the Commissioner of Purchases and Supplies.
- B-6 TIME OF AWARD.**
The Board of Control of the City of Cleveland shall make an award or reject all bids not later than the second regular meeting of said Board following the opening of bids, unless further time is required to analyze bids, to investigate responsibility of any bidder, or in the absence of a time limitation for acceptance set forth in the bid.
Any extension of time beyond the date fixed by the successful bidder or the fourth regular meeting of the Board of Control, whichever event shall occur first, shall be subject to agreement between said bidder and the Board.
- B-7 AWARD CONTRACT.**
No contract shall be awarded without the approval of the Board of Control, and then only to the lowest and best bidder.

B-8 PERFORMANCE BOND.

A. Contracts for the purchase of articles, supplies, commodities, materials, equipment or services shall be secured by a bond in the form and content prescribed by and acceptable to the Director of Law, with good and sufficient sureties and in an amount equal to at least twenty-five percent (25%) of the contract price on materials supplied and at least fifty percent (50%) of the contract price on services supplied. A check is not acceptable in place of a performance bond. A performance bond is not required for standard purchase and requirements contracts awarded in the amount of \$500,000.00 or less, except that standard purchase and requirements contracts that are labor and materials contracts including, but not limited to painting, carpentry, plumbing, electrical, masonry, landscaping, snow plowing, fencing and trucking over \$100,000 but not more than \$250,000 shall require a bond of at least twenty-five percent of the contract price, and over \$250,000 but not more than \$500,000 shall require a bond of at least fifty percent of the contract price. The above policy notwithstanding, the City of Cleveland reserves the right to require a performance bond in various amounts or to modify the performance bond requirement whenever it is determined to be in the best interest of the City of Cleveland to do so.

B. No performance bond will be required on any contract in the amount of \$100,000 or less issued pursuant to this Invitation to Bid (ITB). Any contract over \$100,000 but not more than \$250,000 shall require a bond of twenty-five percent (25%) of the contract price, and any contract over \$250,000 shall require a bond of fifty percent (50%).

B-9 RELEASE OF BOND.

Whenever a performance bond is required, the performance bond will not be released until all the provisions of the contract have been fulfilled.

B-10 CANCELLATION OF CONTRACT.

The City shall have the right to cancel this contract on five (5) days written notice if, in the opinion the Commissioner of Purchases and Supplies, the delivery of materials, supplies or equipment or the performance of work or services are not in accordance with contract specifications and the contractor fails to cure such deficiencies or comply with the contract specifications within ten (10) days after receipt of notice of default from the City, except where fulfillment of its obligation requires activity over a period of time and it has, within ten (10) days of the default notice commenced such activity. Additionally, the City shall have the right to cancel this contract, without cause, upon fifteen (15) days written notice upon the determination of the Board of Control of the City, expressed through its resolution, to do so.

B-11 SUBCONTRACTING OR ASSIGNMENT OF CONTRACT.

a. The contractor shall not subcontract, sublet, assign, transfer, convey or otherwise dispose of the contract, its duties, rights, title or interest in it or in any part thereof, or assign, by power of attorney or otherwise, any of the monies due or to become due under the contract, except, in each instance, with the prior written authorization of the Board of Control of the City, expressed through its resolution, and then only upon such terms and conditions as may be agreed to by said Board. No such subcontracting, subletting, assignment, transfer, conveyance or other disposal of the contract shall be valid until filed in the office of the Commissioner of Accounts.

b. Prior written Board of Control consent is required for a City contractor to add a subcontractor, or to substitute one subcontractor for another subcontractor, under a City contract.

c. The City assumes no obligation to pay, and will not pay, a contractor for any work and or services performed by a sub-contractor on the contract prior to Board of Control approval of that sub-contractor.

d. The Director will not grant any City contractor additional time to meet project deadlines, and will not authorize or pay additional compensation or delay damages of any kind arising from the contractor's inability to add or substitute a subcontractor because the contractor failed to submit the approval request and supporting documentation at least 3 (three) weeks in advance of the date the additional or substitute sub-contractor is needed.

e. The Office of Equal Opportunity shall evaluate each subcontractor addition and substitution for increased CSB, MBE, or FBE participation even if the original contract had no certified sub-contractor participation.

Comply/Exception: _____

D-3 Depth of Planting

Prior to planting, locate and expose the root flare/trunk flare at the top of the root ball. The planting hole depth shall be equal to the distance between the exposed root flare/trunk flare and the bottom of the root ball. Do not excavate any deeper than the depth needed to keep the root flare/trunk flare equal to the finished grade of the surrounding soil.

Comply/Exception: _____

D-4 Tree Lawn Preparation

Holes may be dug by hand, mini-excavator, stump grinder, other approved equipment at specified location. **Augers are not acceptable.** Walls of the planting hole shall be dug so that they are sloped. The planting hole shall be **at**

least two times the diameter of the root ball. For example, if a 2-inch caliper tree has a minimum root ball diameter of 24 inches, the top diameter of the planting hole shall be 48 inches.

The bottom of the hole shall be deep enough to have the root flare/trunk flare level with the surrounding soil grade. This is accomplished by first locating the root flare/trunk flare. Expose the root flare/trunk flare prior to placing the B&B tree in the planting hole. Doing so allows the Contractor to measure planting hole depth. The planting hole depth shall be equal to the distance between the root flare/trunk flare and the bottom of the root ball.

The root ball shall sit on undisturbed subsoil. Holes should be excavated only on the day the tree is planted. The Contractor is responsible for ensuring open holes are protected from pedestrian traffic until planted.

Comply/Exception: _____

D-5 Backfilling Tree Lawn Areas

Tree lawn planting holes shall be backfilled with the **existing, excavated soil**. Any soil amendments shall be mixed in prior to filling the hole.

Backfill the sides of the planting hole halfway with soil and firmly pack into place. Continue the process as the hole is being filled, using water to help soil settle around the root ball & fill in spaces. The root flare/trunk flare should be **clearly visible** upon completion of the planting.

D-6 Tree Pit Preparation

The planting hole shall be prepared as follows:

- a. Excavate to within 6" of every side of the tree pit and to a depth that will allow the root ball to rest on undisturbed, compacted soil and such that the root flare/trunk flare is at the finished hardscape grade once mulched.
- b. Excavation shall include removal of fill and disposal of any materials encountered within the limits of the work. Soil excavated from tree pits shall be disposed of off-site at the Contractor's expense.
- c. Expose the root flare/trunk flare prior to placing the B&B tree in the planting hole. Doing so allows the Contractor to measure planting hole depth. The planting hole depth shall be equal to the distance between the root flare/trunk flare and the bottom of the root ball.
- d. Tree grates shall be removed during planting operations and delivered to 750 East 88th Street.
- e. Trees shall be centered in the tree pit.

Tree pit tree plantings are less common than tree lawn tree plantings and the Contractor should not expect to perform D-6 specifications for more than 10% of locations.

Comply/Exception: _____

D-7 Backfilling Tree Pits

Once the tree pit soil has been excavated and removed per D-6 specification, use the planting mix soil per D-19 specification to backfill the tree pit. Soil may need to be raised or lowered in the tree pit as appropriate to allow for grade adjustments. **Soil must be properly compacted at the bottom of the hole to prevent settling below grade.**

D-8 Surplus Excavation

All excess materials, rocks, and debris must be stored in containers and disposed of off-site throughout the project at the contractor's expense.

D-9 Planting

After using the root flare/trunk flare to determine the depth of the planting hole (D-3 and D-6), dig the planting hole two times wider than the diameter of the top of the root ball.

Lift trees from the bottom of the root balls or with belts or lifting harnesses of sufficient width so as not to damage the root balls or trunk. All plants shall be handled by the root ball, not by the branches or trunk to avoid damaging the root ball and trunk.

All nursery stakes, tags, wire, cordage and twine shall be removed and disposed of by the contractor. Rope and twine shall be removed from the trunk.

Completely remove the burlap from the sides of the root ball then remove the burlap from the planting hole.

Remove the sides of the wire basket from the planting hole before backfilling the planting hole. The only portion of the wire basket remaining in the hole should be underneath the root ball.

Planting is not permitted when the soil is saturated or frozen.

Any trees not properly planted shall be rejected for 90% payment. The Contractor shall make corrections to the planting within 10 days to the satisfaction of the Urban Forestry Section. The Contractor shall bear all costs associated with correcting the improperly planted tree.

Comply/Exception: _____

D-10 Watering Trees

Thoroughly water all trees during planting when backfilling the planting hole (D-5). In addition, the contractor shall apply five gallons of water per inch in caliper

plus an additional five gallons per tree. Watering shall take place the day of planting. Apply water using very low pressure to avoid runoff. When planted, watered and fully settled, the tree shall be vertical.

Trees shall be watered weekly throughout the growing season. For trees planted in the fall, trees shall be watered until leaf drop **AND** resume the following spring. For trees planted in the spring, trees shall be watered weekly until leaf drop the following fall. The Contractor may need to increase or reduce the frequency of watering based on weather conditions, resulting soil water content or other factors.

Comply/Exception: _____

D-11 Staking

Stakes shall be used to secure newly planted trees. Staking should consist of two (2) two-inch wood stakes. Install stakes **outside** of planting hole in undisturbed soil. Trees should be secured to the installed stakes using Arbor Tie® or other approved flat woven polypropylene material. Do not use a cinch knot or similar to affix the tie to the trunk. Knots are permitted on stakes, not the trunk of the tree.

Stakes shall be installed at the time of planting, and shall be removed by the Contractor at the end of the guarantee period. Any tree that is not vertical at the end of this time shall be rejected and replaced by the Contractor at no cost to the City.

Comply/Exception: _____

D-12 Mulching Trees

Mulching material shall be rough hardwood chips created by tree care chipping operations or equivalent as approved by Urban Forestry.

Mulch shall be uniformly applied around trees within 48 hours after planting.

For tree lawn plantings, mulch shall be applied to a depth of three (3) inches and to a **radius** (with the tree being the center of the circle) of two (2) feet. For tree pit plantings, mulch shall be applied to a depth of three inches and cover the **entire surface area** of the tree pit.

Mulch shall not come within three (3) inches of the trunk of the tree when mulching is complete.

Comply/Exception: _____

D-13 Trunk Guards

Newly planted trees shall have trunks protected from damage. **Trunk guards should be rigid, plastic mesh to allow for air and light penetration.** The Contractor shall maintain the trunk guards throughout the guarantee period. Any trunk guards damaged, shall be replaced at no cost to the City. Trunk guards displaced by mowers, string trimmers, etc., shall be reset and stabilized throughout the guarantee period. **The trunk guard product requires prior approval of Urban Forestry before installation.** The City will be responsible for the removal of trunk guards.

Tree guard height shall be between four and five feet tall. Install the bottom of the guard at least 4 inches into the soil to make sure it doesn't get knocked off the tree. The trunk guard, when installed, shall be stable and properly secured.

D-14 Root Pruning

Girdling, circling, broken or damaged roots should be pruned off cleanly, removing only to offending portion. Girdling or circling roots with a diameter of ½ inch or smaller may be able to be pruned off if they cannot be repositioned at the time of planting. Girdling or circling roots larger than ½ inch in diameter that cannot be repositioned, shall result in a rejection of the tree.

D-15 Branch Pruning

Top pruning of broken or crossing branches shall be done according to recognized arboricultural standards as set forth by the American National Standards Institute (ANSI) A300-Part 1- 2017. Broken central leaders shall result in a rejection of the tree.

Comply/Exception: _____

D-16 Clean-Up

Upon completion of the work, the Contractor shall remove from the site: cordage, wrapping, nursery stakes and extraneous materials, except those necessary for maintenance.

D-17 Lawn Restoration

Any lawn area damaged by the Contractor shall be repaired at no expense to the City with quality perennial grass seed mix or sod that must be approved by the City. The grass/turf area shall be established by the end of the guarantee period to a full thick stand with minimal weeds.

D-18 Tree and Site Maintenance

Maintenance shall begin immediately after each tree is planted and continue until the guarantee period ends. The guarantee period begins on the day Urban Forestry or his/her designee inspects the tree and ends twenty-four (24) months thereafter.

Planting areas shall be maintained during the life of contract. **Maintenance shall consist of watering, weeding, mulching, repairing stakes, repairing trunk guards, and resetting trees to upright positions.**

Planting areas and trees shall be protected at all times against damage of all kinds for the duration of the maintenance period. If a tree becomes damaged, injured, or vandalized, it shall be replaced **one time** as directed by Urban Forestry at no additional cost to the City.

Watering shall take place throughout the two growing seasons in the guarantee period. A minimum of 20 gallons shall be applied at weekly intervals. See D-10 specification. Water shall not be applied in a manner that damages plants, stakes or adjacent areas.

Damages resulting from these operations shall be immediately repaired at the expense of the Contractor.

Comply/Exception: _____

D-19 Planting Mix Soil – for Tree Pit Installations

A two-gallon sample of planting mix soil shall be submitted to Urban Forestry for approval prior to use. The sample shall include the manufacturer's analysis. If the soil is mixed by the Contractor, the soil must be tested by a recognized soil testing lab. The Contractor shall provide Urban Forestry with the test results.

The appropriate mix ratio should be:

<u>Mix component % by moist volume</u>	
Imported Topsoil unscreened	45-50%
Coarse sand	40-45%
Compost	10%

Final tested organic matter should be between 2.75 and 4% (by dry weight).

- A. Imported Topsoil Definition: Fertile, friable soil containing less than 5% total volume of the combination of subsoil, refuse, roots larger than 1-inch diameter, heavy, sticky or stiff clay, stones larger than 2 inches in diameter, noxious seeds, sticks, brush, litter, or any substances deleterious to plant growth. The percent (%) of the above objects shall be controlled by source selection not by screening the soil. Topsoil shall be suitable for the germination of seeds and the support of vegetative growth. Imported Topsoil shall not contain weed seeds in quantities that cause noticeable weed infestations in the final planting beds.
- B. Coarse Sand Definition: Clean, washed, sand, free of toxic materials. Coarse Sands shall be clean, sharp, natural Coarse Sands free of limestone, shale and slate particles. Manufactured Coarse Sand shall not be permitted.
- C. pH shall be lower than 7.0.
- D. Compost Definition: Blended and ground leaf, wood and other plant based

material, composted for a minimum of 9 months and at temperatures sufficient to break down all woody fibers, seeds and leaf structures, free of toxic material at levels that are harmful to plants or humans. Source material shall be yard waste trimmings blended with other plant or manure based material designed to produce Compost high in fungal material.

Comply/Exception: _____

D-20 Documentation of Stock Source

In accordance with the U.S.D.A. Hardiness Zone Map, planting stock will be accepted when grown for a minimum of 2 years on state inspected growing ranges within designated plant Hardiness Zones 2, 3, 4, 5 and 6 that the seed source, root stock and/or grafted stock is from within U.S.D.A. Hardiness Zones 2, 3, 4 or 5. Any stock that grown outside these zones, must include proper documentation that the seed source, rootstock and/or grafted stock is from U.S.D.A. Hardiness Zones 2, 3, 4 or 5. The City of Cleveland Urban Forestry Section reserves the right to make final approval of planting stock, where verification of hardiness to zones 2, 3, 4, and 5 is in question.

Plant stock without identification labels on all individually shipped plants and on all bundles, bales, flats, or boxes of plants shall be rejected. Plants shall be labeled by either a common or botanical name (or sometimes both), size, and quantity contained in the bale, flat, box, etc.

D-21 Transportation to Receiving Site

Trees transported in an open vehicle must have protective covering over them. Larger trees; balled and burlapped or machine moved, that have broken dormancy must be wrapped to prevent foliage from drying out.

Trees transported in closed vehicles must have adequate ventilation and/or refrigeration to prevent overheating damage or sweating, which prematurely breaks dormancy.

Deciduous trees must arrive in a dormant condition unless specified otherwise. (Example – If extended planting season is approved, container grown or balled and burlapped trees, which have broken dormancy, may be planted).

Comply/Exception: _____

D-22 Delivery

If all the plant stock documentation is acceptable, Urban Forestry shall examine the plant stock for proper storage, transport, and handling in the truck before it is unloaded. Plant stock must arrive in good condition. Although a Contractor may be capable of bringing unhealthy, undersized, poorly formed, or otherwise

substandard plants into compliance by the end of the Guarantee period, these plants must be rejected.

D-23 Temporary Storage

Trees held, shipped, and stored for installation, until planted, must be watered and protected so the roots are moist at all times. Trees are perishable and an acceptable tree can become unacceptable in a short time through improper care. Contractor assumes all risk and expense of temporary storage.

Comply/Exception: _____

D-24 Planting Season

The planting seasons are weather dependent. Generally, fall planting season runs from October 1st, to December 31st. The planting season for spring begins March 15th, and ends by May 31st. No tree planting shall take place if the soil is frozen or saturated.

Comply/Exception: _____

D-25 Tree Planting Locations

The Contractor shall send an email to the Urban Forestry Manager with daily planting locations shown in sequential order each morning before 9 AM.

Urban Forestry will make every effort to mark a line on the curb/pavement at each location to ensure proper tree placement. When a location is not marked ahead of time, the Contractor will utilize the tree pictorial (Appendix A) to ensure the tree is planted in the correct, pre-determined location. If the Contractor has any question about the exact location where the tree should be planted, call Urban Forestry to make a site visit determination within 24 hours.

Urban Forestry reserves the right to delete any item or items due to inability to obtain specified trees or other reasonable cause.

Comply/Exception: _____

D-26 Guarantee

The Contractor guarantees that all trees shall remain alive and healthy until the end of a two (2) year guarantee period.

Contractor replaces, as specified, and at his/her expense, any dead trees and any trees that in the opinion of Urban Forestry have become unhealthy or unsightly or have lost their natural shape due to dead branches, improper maintenance, or any other cause due to Contractor's negligence. Contractor will bear the entire cost of all corrective actions. All corrective actions and replacements will be performed within a timeframe determined by Urban Forestry.

The period of guarantee shall begin on the date when Urban Forestry performs the initial inspection (to approve 90% payment) and shall continue for a period of twenty-four (24) months thereafter. If at any time during said period of guarantee, any defects or omissions become apparent in the work, or if it becomes apparent that any of the work is not in accordance with the requirements of the contract documents, or if any work constructed under this contract requires repairs due to defects in materials or workmanship, or for any other cause which may be attributed to the work which is being done or has been done by the Contractor, all as determined by Urban Forestry, who will notify the Contractor to rectify such defects or omissions, or to make the repairs so required.

If the Contractor fails to begin to rectify such defects or omissions after preliminary acceptance, or if such rectification or repair work is not made in a manner satisfactory, the Contractor shall not be paid for that tree.

If it is necessary to remove any part of the work to rectify defects or omissions or to repair defects in materials or workmanship, or if any part of the work becomes damaged due to such rectification or repairing, all such shall be replaced or repaired, all to the satisfaction of the City. The guarantee provisions shall also apply to all rectified or repaired work.

Claims by the Contractor that the owner's maintenance practices or lack of maintenance results in dead or dying trees will not be considered if such claims have not been documented by the Contractor during the guarantee period.

D-27 Replacement of Tree Material

All trees that are dead or not found to be in vigorous condition shall be replaced by the Contractor at his/her expense with tree material of the specified species or variety, size and quality meeting the specifications.

D-28 Substitutions

The Contractor must make every reasonable effort to obtain the specified trees. If the Contractor is unable to locate trees, written documentation must be supplied to the Urban Forester that trees are unavailable. **The Contractor shall submit a list of possible substitutions for approval.** The Urban Forester will then determine if the substitution is acceptable. The substitute may be accepted or a different substitution may be requested. This retains "right tree, right place" intent and provides fairness to unsuccessful bidders who may have added extra costs for materials that are more expensive due to limited availability.

Any and all substitutions shall be approved by Urban Forestry.

NURSERY STOCK

D-29 B&B Trees

All trees shall meet the ANSI Z60.1-2014 American Standard for Nursery Stock.

All trees should be healthy, vigorous and well-grown, showing evidence of proper root and canopy pruning, single-trunk, with branching height not less than 1/3 or more than 1/2 of the height of the tree. No tree should have a branch greater than or equal to 1/3 the diameter of the trunk. All trees shall be between 1 3/4" and 2 1/2" inch caliper unless otherwise approved.

All B&B trees shall have ball shape and size conforming to ANSI Z60.1-2014 standards. Root flare/trunk flare will be easily visible on root balls. Root balls shall be adequately protected at all times from sun, heat, freezing, and drying.

Trees listed (B&B) Balled and Burlap, shall be delivered with firm, compact, natural balls of earth wrapped and tied in burlap. Trees with fractured root balls or malformed root balls will be rejected.

D-30 Documentation of Stock Source

In accordance with the U.S.D.A. Hardiness Zone Map, planting stock will be accepted when grown for a minimum of 2 years on state inspected growing ranges within designated plant Hardiness Zones 2, 3, 4, 5 and 6 that the seed source, root stock and/or grafted stock is from within U.S.D.A. Hardiness Zones 2, 3, 4 or 5. Any stock that is grown outside these zones, must include proper documentation that the seed source, rootstock and/or grafted stock is from U.S.D.A. Hardiness Zones 2, 3, 4 or 5. The City of Cleveland Urban Forestry Section reserves the right to make final approval of planting stock, where verification of hardiness to zones 2, 3, 4, and 5 is in question.

D-31 Insect and Tree Disease

For the City of Cleveland to consider accepting bids for B&B stock from nurseries that reside in counties considered infested by Emerald Ash Borer, Asian Longhorned Beetle, Hemlock Woolly Adelgid, Gypsy Moth, Spotted Lanternfly, or Walnut Twig Beetle the bidder must provide state of origin documentation and either a state phytosanitary certificate or a current nursery stock certificate with an additional declaration or equivalent documentation attesting to compliance with this harmonization plan.

A COPY OF CURRENT NURSERY CERTIFICATES, WHICH LISTS REGISTRATION NUMBER AND EXPIRATION DATE, WILL BE REQUIRED TO BE SUBMITTED TO URBAN FORESTRY PRIOR TO DELIVERY OF NURSERY STOCK.

D-32 Licensed Nursery Grown

The vendor agrees to source trees under this contract from a licensed nursery. Licensed nurseries are businesses which produce & sell winter-hardy trees, shrubs, perennials or other nursery stock. These differ from nursery stock dealers as

nurseries are responsible for the production of the nursery stock. Nursery stock produced by licensed nurseries are inspected by public officials to prevent the spread of pests and diseases.

Comply/Exception: _____

D-33 Preliminary Acceptance

Urban Forestry inspects planting work to verify completion and begin guarantee period.

After trees are inspected, the Contractor will be notified of any corrections that need to be made. The Contractor will not be paid the initial 90% until all corrections have been made and approved. After corrections are made, Urban Forestry will re-inspect and approve initial 90% payment within 30 days.

It shall be the Contractor's responsibility to submit invoices for completed work immediately upon completion to initiate the inspection and approval process.

D-34 Final Inspection and Final Acceptance

At the **end** of the guarantee period, Urban Forestry inspects trees to determine final acceptance.

Contractor requests this inspection in writing at least fourteen (14) days before the scheduled date.

Upon completion and re-inspection of all repairs or replacements necessary Urban Forestry shall certify, in writing, that the project has received final acceptance.

Final acceptance of tree material shall be for general conformance to the contract and shall not relieve the Contractor of responsibility for full conformance to the contract documents.

D-35 Payment

Payment shall be made to the Contractor as follows:

90 percent of contract sum upon receipt and preliminary acceptance of tree planting.

10 percent of contract sum after final inspection and final acceptance.

Comply/Exception: _____

D-36 Delivery Inspections

Trees will be inspected upon delivery to the designated receiving site and the City of Cleveland Urban Forestry Section reserves the right to reject those which

do not meet the (ANSI Z60.1-2014) standards that have dry roots, broken tops, poor branch structure, or have been otherwise damaged during shipment.

All B&B planting stock delivered to the designated receiving site, even if it is unloaded from the delivery truck, will not be considered accepted by the City of Cleveland until it has been thoroughly inspected and approved by the City of Cleveland Urban Forester or representative.

All B&B trees shall have solid, compact soil balls properly dug, balled and burlapped and shall be placed in the proper sized wire basket. All ropes, tarps and/or other equipment used to secure the trees while in transit shall be the responsibility of the contractor to retrieve at his expense.

DOUBLE BALLED AND BURLAPPED OR PROCESSED BALLED TREES WILL NOT BE ACCEPTED. The City of Cleveland Urban Forestry Section also reserves the right to break open one or two soil balls on B&B trees when acceptance of a tree shipment is in question. This shall be at the contractor's expense.

The root flare/trunk flare should be at the soil line on the top of ball. If the uppermost roots are 4" or more below the top of the soil ball, the plant must be rejected.

D-37 Plant Stock Inspection

If transport and handling of plant stock are acceptable, Urban Forestry shall inspect plants for compliance and acceptance either in the delivery truck or as they are unloaded. Accept only plants specified in the plan or pre-approved substitutions that meet the health and vigor criteria for acceptance.

D-38 Plant Stock Labels

Urban Forestry shall reject plant stock without identification labels on all individually shipped plants and on all bundles, bales, flats, or boxes of plants. Plants are labeled by either a common or botanical name (or sometimes both), size, and quantity contained in the bale, flat, box, etc.

D-39 Root Ball Inspection

Urban Forestry shall inspect root balls to ensure no root balls are broken or loose. Test by pulling on the stem or crown of the ball. If the stem or crown moves and the ball does not, the ball is broken. A broken root ball indicates torn fine woody and fibrous absorbing roots which are necessary for proper water and nutrient uptake. Broken root balls will be rejected.

D-40 Inspecting Roots

Healthy plants begin with healthy roots. A combination of woody and fibrous roots throughout a well-balanced root structure is necessary for proper water and nutrient uptake. A balanced root system spreads out and uniformly anchors

the plant in an upright position. In the nursery, plant stock should receive consistent care and be periodically transplanted or root pruned to promote healthy and absorbing roots. The proper root depth is when the first order root is at or slightly above the soil line.

Urban Forestry shall reject plants with undersized, insufficient, unbalanced, damaged, or improperly stored, transported or handled root systems. Dysfunctional root systems result in plants that are prone to being tipped or blown over and have restricted uptake of moisture and nutrients.

Urban Forestry shall reject plants with encircling roots that cannot be properly repositioned during installation. Stem encircling roots over time may result in stem-girdling roots that cause lack of vigor, uneven growth, and failure during high winds or decline as nutrient uptake is cut off.

D-41 Inspecting Top Growth

Trees shall be rejected if a central leader is absent or damaged; or if a central leader cannot be trained after cutting back competing multiple leaders. **Shoots** Deciduous trees have bud scale scars marking nodes created by the terminal bud. Typically, in northern climates, spaces between (internode) each bud

scale scar or branch whorl (node) indicates one year's growth. In a year under moisture and temperature conditions which are very favorable for growth, plants which have a tendency to exhibit "free growth" (paper birch, poplar, apple, ginkgo, several types of maple & larch) may put on more than one flush of new shoot growth. Urban Forestry expects at least 4 inches of shoot growth for plants that have received good nursery care. For fast growing trees such as poplar, there may be 8-inches or more of growth. Short spaces between nodes (bud scale scars/whorls) indicate years when the plant was stressed. Short or stunted needles or smaller leaves also indicate stress. Urban Forestry shall reject plants with shoots that are limp or wilted.

Buds

Urban Forestry shall check bud vitality on deciduous trees by splitting open one or two buds. Look for green tissue, which are the unopened leaves and/or flowers. Plants with shriveled, dried out, or dead buds shall be rejected. Dead buds may fall off when touched, brushed, or split. Urban Forestry shall reject plants with new buds that are limp or wilted.

D-42 Inspecting for Wounds

Examine the trunk, stem, and branches for wounds or bruises. These can provide an avenue for diseases and insects to enter and may increase the chance of sunscald and frost crack formation. Wounds are identified by discoloration or scraping of the bark. Trees are sometimes delivered with a protective sleeve of cardboard or plastic around the trunk and with the branches tied together. The sleeves and tied branches limit wounds to the trunk and branches during transport but they can also hide existing wounds. Cut the twine and remove the sleeve or slide it up to examine plants for damage.

Urban Forestry shall reject plants with cankers; localized sunken, raised and discolored dead areas. Cankers usually form around a dead bud, branch, stub, or a stem wound. Urban Forestry shall reject plants with frost cracks. Frost cracks are vertical cracks in the bark which occur in winter. Plants with cracks or wounds caused by weed whips or mowers in the nursery shall be rejected.

Balled & burlap plant stock with more than 4 inches of soil depth above the root flare/trunk flare shall be rejected. Excess soil above the root flare/trunk flare can in time result in stem encircling roots, which can then lead to stem girdling roots. Plant stock may be accepted provided the excess soil is less than 4 inches and can be removed without damaging the root system of the plant.

D-43 Nursery Inspections

Urban Forestry, at its discretion, may inspect and mark nursery stock purchased under this contract before digging. The contractor shall provide nursery name(s), location(s) and the name and contact information for each nursery so Urban Forestry can coordinate in person tree selection.

D-44 INSPECTIONS/QUALITY ASSURANCE

The Division of Urban Forestry will perform inspections at its discretion. If the work is not completed to the satisfaction of the City and in accordance with these specifications, a penalty of \$200 will be assessed for each quality assurance/quality control inspection. The penalty amount and/or aggregate of penalty charges will be deducted from the contractor invoice(s).

The contractor shall be notified if the work is not performed to the satisfaction of the Urban Forestry Manager with the expectation that said items shall be completed within two (2) weeks. No invoices will be paid until the work is completed as specified

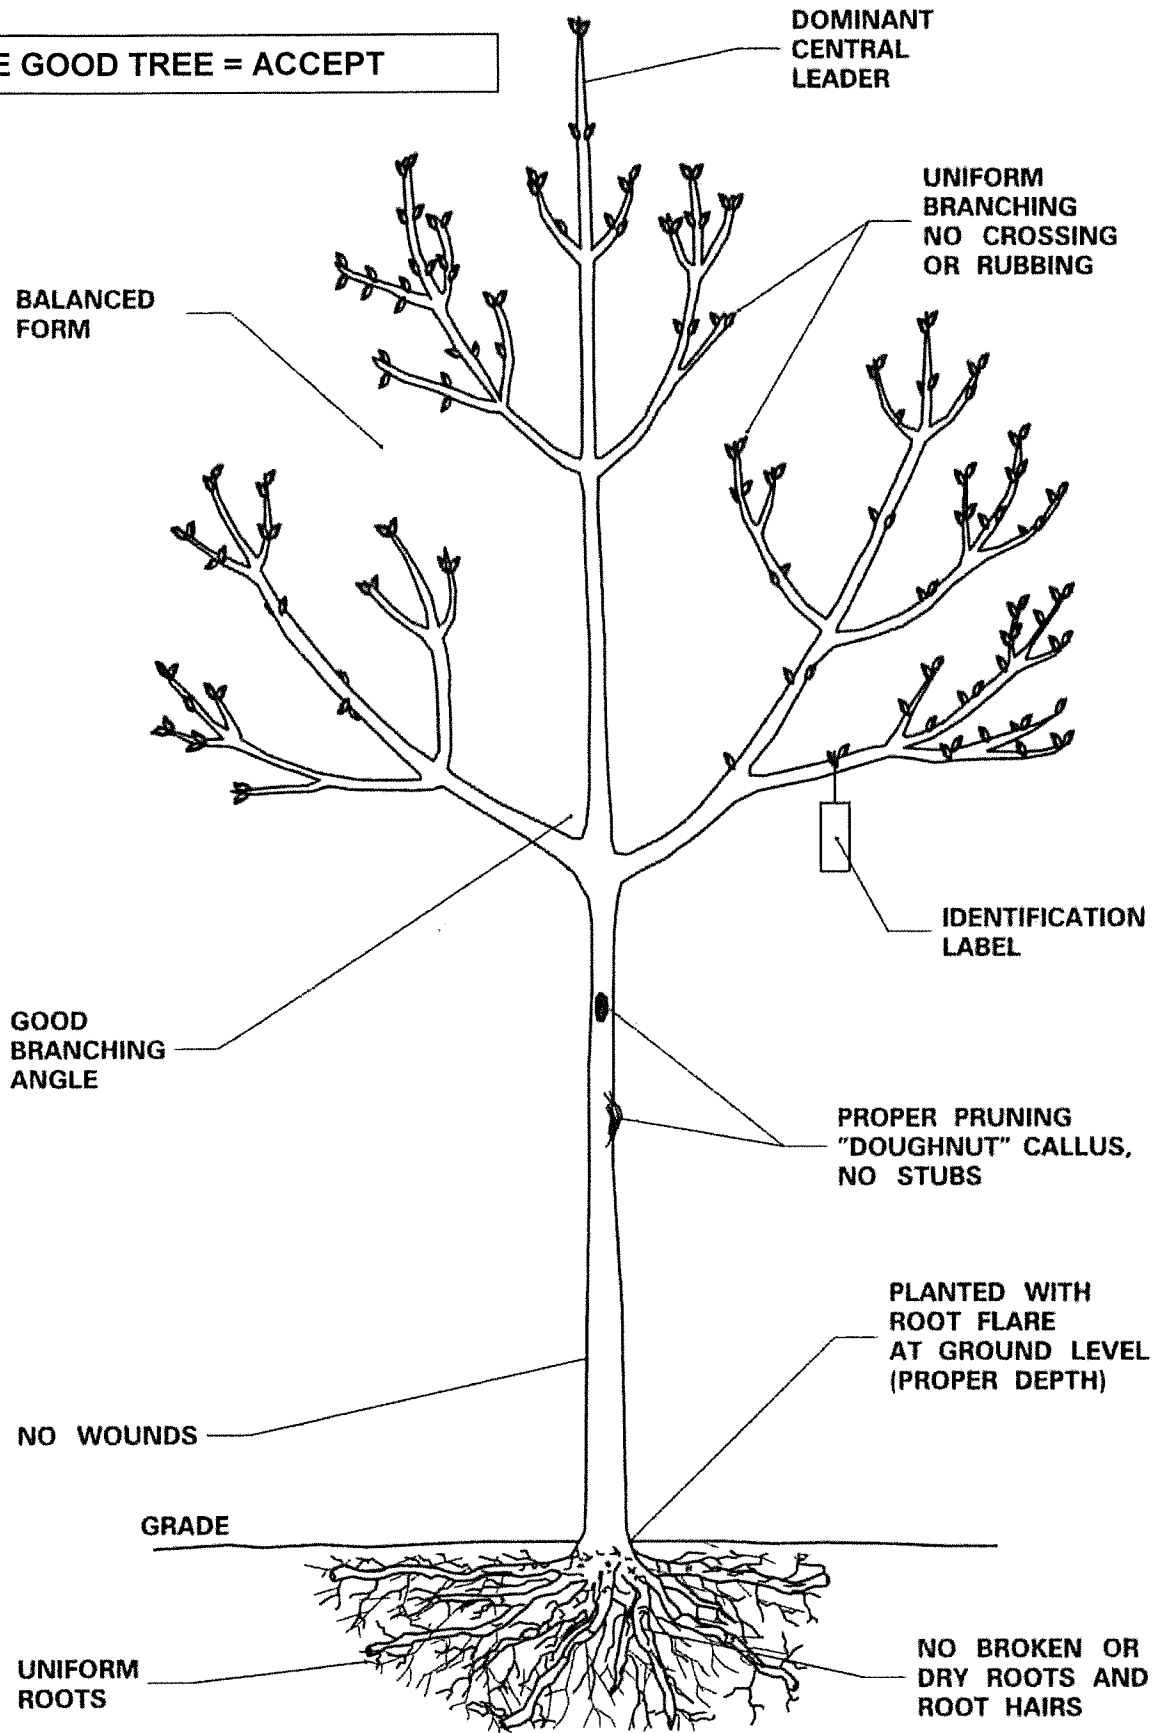

Comply/Exception: _____

D-45 TREE ESTABLISHMENT

There is a separate bid form for costs to maintain newly planted trees no longer under warranty. Young trees need ongoing stewardship to help them establish in the urban forest.

- Maintain mulch bed around tree – Division of Forestry will supply wood chips for us
- Keep mulched area free from weeds
- Weekly apply 15 gallons of water to each tree during June, July and August
- Secure trunk guards as needed
- Re-stake as needed
- Perform young tree training as endorsed by the International Society of Arboriculture. (Appendix B)
- The young tree training shall be performed by a qualified Tree Steward, Tree Corps member or ISA Certified Arborist who successfully completed a young tree training workshop during the last calendar year

7 Steps For Training Young Trees

By Alan Siewert

Adapted from Dr. Larry Costello, University of California Extension
Not for general distribution. To be used only with training class.

Step 1: Identify and subordinate or remove super dominant branches.

Step 2: Prune to leave one central leader.

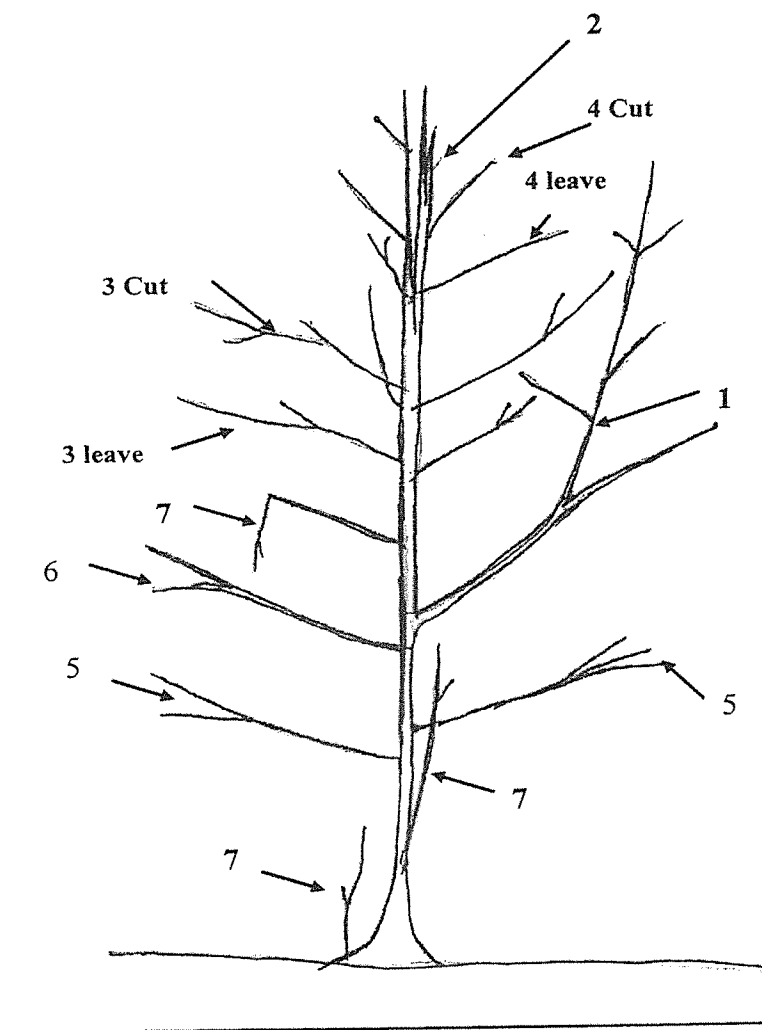

Step 3: Identify lowest permanent scaffold branch and prune to expose it to full sun and eliminate competition. Establish high enough to avoid land use problems. Clearance for truck traffic, contact with roll over protection device, etc.

Step 4: Identify permanent scaffold branches and prune to expose it to full sun and eliminate competition. Leave 18-24 inches between branches, leave only 1 permanent branch per node,

Step 5: Limb up temporary branches. Remove branches from bottom 1/3 of tree

Step 6: (Municipal step) subordinate branches that interfere with pedestrian or vehicular traffic. Only the portion that interferes with traffic, be conservative.

Step 7: Remove dead and broken branches from upper canopy and water sprouts and suckers from root and trunk

EXHIBIT D

CITY OF CLEVELAND
FAIR EMPLOYMENT WAGE LAW REQUIREMENTS

NOTICE TO BIDDERS:

Introduction

The Cleveland City Council passed the Fair Employment Law on June 19, 2000 to be effective on January 1, 2001.

A contract that may be awarded pursuant to this bid is subject to the City of Cleveland Fair Employment Wage Ordinance, Chapter 189 of the Codified Ordinances, which requires, among other things, that unless specific exemptions apply, Covered Employers, as defined, under contracts with the City shall provide payment of a minimum level of compensation to employees. Failure to comply with that chapter and/or any implementing regulations may result in termination of the contract or debarment from future contracts.

Bid Schedules

Schedule 1	Declaration of Number of Employees
Schedule 2	Declaration of Health Insurance Coverage
Schedule 3	Affidavit of Compliance with C.O. Chapter 189
Schedule 4	Statement of Current Contracts with the City

Fair Employment Wage

From October 1, 2024 to September 30, 2025, the Fair Employment Wage is at least \$15.85 per hour.

Covered Employers

The Fair Employment Law is applicable to employers described below. The applicable employers are referred to as "Covered Employers". Covered Employers include entities described below that contract directly with the City and any subcontractors of those entities. Subcontractors of Covered Employers are not restricted to those providing a particular good or service or those of a particular size.

1. You or your company will provide one of the following services to the City of Cleveland as a primary part of the contract to be awarded hereunder:

Food Service
Janitorial
Security Services
Parking Lot Attendants
Home Health Care Aides
Waste Management
Automotive Repair Services

Building and Maintenance Services
Carpentry
Clerical Services
Urban Forestry
Housekeeping
Street Maintenance and Repair
Sidewalk Maintenance and Repair;

and

2. The aggregate value of all such outstanding service contracts with the City and the bidder and the contract on which you are bidding is at least \$25,000;

and

or

(b) A non-profit employer with at least 50 employees at the time of execution of a contract with the City and the salary ratio between the highest and lowest paid employees is more than 5 to 1.

Covered Employees

A. Definition.

The Fair Employment Law applies to the following employees, who are referred to as “Covered Employees” in the ordinance:

1. Any person employed by or working as a trainee for a Covered Employer who is a for-profit contractor or subcontractor on a City Service Contract.
2. Any person employed by or working as a trainee for a Covered Employer who is a non-profit contractor on a City Service Contract if such person expends at least half of his or her time performing such services pursuant to such Service Contracts.

B. Exclusions.

The following categories of employees are not Covered Employees under the Fair Employment Wage Law.

1. Uncompensated volunteers
2. Individuals in job training programs with classroom instruction where the individual is a client of the program

8. Persons working, on average, less than 30 hours per week

Exemptions from Fair Employment Wage Law

The Cleveland City Council, by ordinance, may grant a partial or whole exemption from the requirements of the Fair Employment Wage Law based on hardship. You must demonstrate a specific, particular harm that would be felt uniquely by you if the law were to be applied. Economic harm alone will not suffice to demonstrate hardship unless it is of a type that would not affect any other actual competitor for the contract or subcontract. The following types of specific particular harm may provide grounds for a hardship exemption:

1. a loss of profitability that will result in the elimination of jobs
2. a loss in profits that will substantially impact your long-term stability
3. as to not-for-profit community or social service agencies or organizations, a substantial hindrance in the ability to deliver service

To apply for an exemption, you may direct your application to the Applicable Director through the Commissioner of Purchases and Supplies. Your request should include the wage paid by you to your employees, a detailed explanation of how the payment of the Fair Employment Wage will cause particular harm to you and supporting financial statements or other documents. A determination about whether to submit legislation to Council allowing an exemption will be made within ten days of your request. If legislation is submitted to Council to approve an exemption, the Council must then consider and pass that legislation before an exemption will be granted.

Health Care Insurance Preference

The bidder may be eligible for a preference if you provide reasonable health care insurance coverage to employees who work over 30 hours a week. However, no preference shall be given if the price bid for the service contract exceeds the lowest price bid by more than five percent (5%). Section 189.031 of the Codified Ordinances of the City of Cleveland defines reasonable health care coverage as a plan that is comparable or superior to the family health care plan offered by the City of Cleveland to its employees. In order for the plan to be deemed comparable or superior, the plan must meet or exceed the plan of the City of Cleveland in the following respects:

- The amount of the employee contribution
- The amount of any deductible
- The amount of any co-payments
- Whether dental insurance is provided
- The range of services covered

You or your company may also be eligible for a preference if you can demonstrate that you have offered reasonable health care insurance to your employees, but as a group they have refused that insurance.

3. Required OEO Schedules:

The following documents must be completed, signed and submitted as part of the Contractor's bid or proposal for any City of Cleveland contract over \$50,000.00. Failure to submit all OEO Schedules may result in the rejection of a bid.

Schedule 1: PROJECT CONTACT INFORMATION FORM

Schedule 1, the PROJECT CONTACT INFORMATION FORM, provides the Office of Equal Opportunity with the necessary contact information to conduct its monitoring responsibilities. Each Bidder or Proposer shall complete, sign and submit Schedule 1 and include it with its bid or proposal.

Schedule 2: CERTIFIED MBE/FBE/CSB SUBCONTRACTOR PARTICIPATION COMMITMENT

Schedule 2, the CERTIFIED MBE/FBE/CSB SUBCONTRACTOR PARTICIPATION COMMITMENT, identifies and verifies the certified MBE, FBE, and/or CSB subcontractors the Bidder or Proposer intends to use on the project. Each Bidder or Proposer must complete Schedule 2 for each and every certified MBE, FBE and/or CSB subcontractor that the Bidder or Proposer intends to use on the project. Bidders or Proposers shall include the contract specification item number(s) on which the subcontractor will participate in Part 1, the scope, or supplies/materials that the subcontractor will be responsible for will be documented on Part 2, with the corresponding dollar amount for the subcontract on Part 3. The total dollar amount in Part 3 should be an actual dollar amount, and should not be a range of values or a percentage of the contract. If an MBE or FBE plans to re-subcontract any of its work, it must indicate that on Schedule 3. Any work re-subcontracted to a non-certified subcontractor will reduce the Bidder or Proposer's participation credit to the extent of the re-subcontracting.

Schedule 3: SCHEDULE OF SUBCONTRACTOR PARTICIPATION

Schedule 3, the SCHEDULE OF SUBCONTRACTOR PARTICIPATION, documents the non-certified subcontractors that the Bidder intends to use on the project. Schedule 3 must include the contact information for the subcontractor, the Spec Item and Type of Work or Materials the subcontractor is expected to provide for the project, and the value of the subcontract. All non-certified subcontractors must be listed on Schedule 3, but certified CSB, MBE and/or FBE Subcontractors that have already been listed on a Schedule 2 do not need to be included on Schedule 3. Schedule 3 must be signed by an authorized representative of the Bidder.

Schedule 4: CSB/MBE/FBE UNAVAILABILITY/IMPRACTICALITY CERTIFICATION

Schedule 4, CSB/MBE/FBE UNAVAILABILITY/IMPRACTICALITY CERTIFICATION, allows the Bidder or Proposer to document its good faith effort to achieve the CSB, MBE, and/or FBE subcontracting goals identified for the project in the bid documents. If a Bidder or Proposer has met or exceeded the subcontracting goals for the project, the Bidder or Proposer shall indicate this in Section A of Schedule 4. If the Bidder or Proposer has not met the subcontracting goals for the project, the Bidder or Proposer shall indicate this in Section A of Schedule 4, and complete Section B.

Section B of Schedule 4 allows the Bidder or Proposer to document its efforts to solicit certified subcontractor participation for the project, thereby meeting the good faith effort requirement of the bid. Section B also allows the Bidder or Proposer to attach a written document explaining why subcontracting to the goals included in the bid or proposal documents is impossible or impractical due to the nature of the work, service or product being contracted by the bid or proposal.

Failure to submit and accurately complete OEO Schedules 1, 2, 3, and 4 may result in the rejection of all or part of the bid or proposal. Submission of incomplete, inaccurate, or inconsistent data in the Schedules may lead to a formal investigation, decertification of the Bidder or Proposer, decertification of the subcontractor, and/or a rejection of all or part of the bid. The City of Cleveland reserves the right to waive any informality or immaterial irregularity, and reserves the right to reject any or all bids.

4. Equal Employment Certification:

No Contractor shall discriminate against any employee or applicant for employment because of race, religion, color, sex, sexual orientation, national origin, age, disability, ethnic group or Vietnam-era or disabled veteran status. Contractors shall take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to race, religion, color, sex, sexual orientation, national origin, age, disability, ethnic group or Vietnam-era or disabled veteran status. As used in this chapter, "treated" means and includes without limitation the following: recruited whether by advertising or other means; compensated, whether in the form of rates of pay or other forms of compensation; selected for training, including apprenticeship, promoted, upgraded, demoted, transferred, laid off and terminated. Contractors shall post in conspicuous places available to employees and applicants for employment, notices to be provided by the hiring representative of contractors setting forth the provisions of this nondiscrimination clause.

Within 60 days after entering into a Contract, each Contractor shall file a written affirmative action program containing standards and procedures ensuring that the contractor affords all qualified employees and applicants for employment equal opportunities in the contractor's recruitment, selection, and advancement processes.

Each contractor's affirmative action program shall contain the following components:

- (1) A diagnostic component that includes quantitative analyses comparing the composition of the Contractor's workforce to the composition of the Cleveland Contracting Market employment pool according to the most current census data available, grouped by EEO occupations.
- (2) Each affirmative action program shall contain placement goals as follows:
 - (i) For each non-construction contract, placement goals equal to the availability percentage for women or minorities where the percentage of women or minorities employed by the contractor in a particular job group is less than would reasonably be expected given their percentage availabilities in the corresponding Cleveland Contracting Market employment pool. Placement goals are objective targets reasonably attainable by applying a good-faith effort to implement all aspects of the affirmative action program; they are not inflexible quotas. Placement goals do not authorize or require a Contractor to grant a preference to any individual or

adversely affect an individual's employment status for an unlawful discriminatory reason.

- (ii) For each construction contract, establish placement goals for minorities and women for each trade involved in the performance of the contract equal to the goals established by the Director. Placement goals are objective targets reasonably attainable by applying a good-faith effort to implement all aspects of the affirmative action program; they are not inflexible quotas. Placement goals do not authorize or require a contractor to grant a preference to any individual or adversely affect an individual's employment status for an unlawful discriminatory reason.
- (3) Identification of problem areas through analysis of the contractor's employment process to determine if it affords or incorporates, or contains impediments to, equal employment opportunities.
- (4) Action-oriented programs consisting of practical steps the contractor will implement to address any identified problem areas or the underutilization of women or minorities in relation to their availability in the relevant labor pool.
- (5) Internal auditing and reporting systems that monitor and examine the impact the contractor's employment decisions and compensation systems have on women and minorities and their progress toward achieving a workforce that would be expected in the absence of discrimination.
- (6) Policies, practices, and procedures that the contractor will implement to ensure that all qualified applicants and employees enjoy equal opportunity in recruitment, selection, advancement, and every other term and privilege associated with employment.
- (7) Any additional requirements the Administrator may require through the Regulations or on a case-by-case review of a contractor's proposed affirmative action program.

If, 60 days after entering into a Contract, a contractor has not filed an affirmative action program, has deviated substantially from an approved affirmative action program, or has discriminated against any employee or applicant for employment because of race, religion, color, sex, sexual orientation, national origin, age, disability, ethnic group or Vietnam-era or disabled veteran status, the Office of Equal Opportunity may take immediate enforcement action.

5. Good Faith Effort Evaluation

The Office of Equal Opportunity will evaluate OEO Schedules submitted as part of a contract bid or proposal to determine whether or not the Bidder or Proposer has demonstrated a good faith effort to meet the MBE, FBE, and/or CSB subcontracting goals established in the invitation to bid or request for proposal. OEO will submit this evaluation to the contracting City Department, which may consider the results of the evaluation in determining the lowest responsible bid submitted for the contract. The City of Cleveland may reject any bid where OEO has determined that the Bidder has not demonstrated a good faith effort to meet the subcontracting goals.

The City of Cleveland may award a contract to a Bidder who has not demonstrated a good faith effort to meet the subcontracting goals where the City determines that the bid otherwise remains the lowest responsible bid for the contract.

6. CSB Certification:

Each Bidder, Proposer or subcontractor representing itself as a Cleveland Area Small Business (CSB) in the OEO Schedules shall be certified with the Office of Equal Opportunity as a CSB prior to the bid opening. Certification applications must be completed online through the City's Certification and Compliance Monitoring System at <https://cleveland.diversitycompliance.com/>.

There are two classifications of CSBs:

A **City of Cleveland Small Business (CCSB)** is a CSB headquartered within the City of Cleveland.

A **Regional Cleveland Small Business (RCSB)** is a CSB headquartered within Cuyahoga County, but not within the City itself.

A business is eligible for certification as a Cleveland Area Small Business (CSB) if it meets the following criteria:

- (1) It is a Small Business Enterprise;
- (2) It has its principal office located physically in Cuyahoga County; and
- (3) Its chief executive officer and highest level managers maintain their offices and perform their managerial functions in Cuyahoga County.

A business qualifies as a Small Business Enterprise if it meets size requirements of the US Small Business Administration, or separate economic criteria as established by the Director of the Office of Equal Opportunity in the Regulations. You can find the current SBA size standards here: <http://www.sba.gov/content/small-business-size-standards>

7. CSB Contract Participation

In an effort to promote the participation of Cleveland-area Small Businesses (CSBs) in City contracts, each Contracting Department of the City will use its best efforts to contract with CSB Bidders and Proposers, and Bidders and Proposers that have committed to subcontracting with certified CSBs.

Where other, project-specific goals have not been set in the bid or proposal documents, the standard CSB subcontractor participation goals are:

Construction Contracts:	30% CSB Subcontractor Participation
Professional Services Contracts:	10% CSB Subcontractor Participation
All Other Contracts:	20% CSB Subcontractor Participation

The Contracting Departments may, in consultation with the Director, increase or decrease these participation goals for a particular contract. When the goals are changed, the change will be noted in the bid or proposal documents.

8. MBE/FBE Certification:

Each Bidder, Proposer or subcontractor representing itself as a Minority Business Enterprise (MBE) or Female Business Enterprise (FBE) in the OEO Schedules shall be certified with the Office of Equal Opportunity as an MBE and/or FBE prior to the bid opening. Certification applications must be completed online through the City's Certification and Compliance Monitoring System at <https://cleveland.diversitycompliance.com/>.

A business is eligible for certification as a Minority Business Enterprise (MBE) if:

- (1) The Business Enterprise is owned, operated and controlled by one or more Minority Persons who have at least 51% ownership;
- (2) The Minority Persons who own the Business Enterprise have operational and managerial control, interest in capital, and earnings commensurate with the percentage of ownership; and
- (3) The Business Enterprise is located and doing business in the Cleveland Contracting Market.

A business is eligible for certification as a Female Business Enterprise (FBE) if:

- (1) The Business Enterprise is owned, operated and controlled by one or more Females who

- have at least 51% ownership;
- (2) The Female owners have operational and managerial control, interest in capital, and earnings commensurate with the percentage of ownership; and
- (3) The Business Enterprise is located and doing business in the Cleveland Contracting Market.

9. MBE and FBE Contract Participation

The City of Cleveland is firmly committed to assisting Minority Business Enterprises (MBEs) and Female Business Enterprises (FBEs) through its contracting activities, and the City intends to Contract with firms that share that commitment. Under this policy, each Contracting Department will use its best efforts to promote the participation of MBEs and FBEs as both prime contractors and subcontractors in all City Contracts. In turn, Bidders and Proposers shall make every effort to use MBEs and FBEs as subcontractors where available and practical.

Some City contracts will have specific MBE and/or FBE subcontractor participation goals. **These goals will be expressly stated in the Invitation to Bid (ITB) or Request for Proposal (RFP) in each contract where the goals are applicable.**

When there are specific MBE and/or FBE goals on a City contract, those goals will be considered in lieu of an equivalent portion of the CSB goals for the contract. Please review the bid or proposal documents for the final MBE, FBE and/or CSB subcontracting goals for the project.

10. MBE/FBE Bid Discounts:

Contracting Departments may apply a Bid Discount of five percent (5%) for bids received from certified MBE and FBE Bidders to remediate past or present discrimination, where the City has developed or obtained a legally sufficient basis in evidence to demonstrate past or present discrimination. The CSB/MBE/FBE Registry denotes which MBEs and FBEs are eligible for Bid Discounts.

11. MBE/FBE Evaluation Credits:

Contracting Departments may apply an Evaluation Credit of five percent (5%) of the total points awarded for proposals received from MBE and FBE Proposers to remediate past or present discrimination, where evidence of contracting disparity has been adequately demonstrated.

12. MBE/FBE Subcontracting Bid Discounts and Additional Retainage:

Contracting departments may apply a bid discount for bids received for public improvement contracts in the amount of five percent (5%) of the portion of the total amount of the goods, labor, and materials that the bidder represents it will subcontract to one or more MBEs and FBEs, where the City has developed or obtained a legally sufficient basis in evidence to demonstrate past or present discrimination.

If a Contracting Department applies the MBE/FBE subcontracting Bid Discount to the bid of a Bidder that would not have otherwise been the lowest and the Bidder is awarded the Public Improvement Contract, the City shall retain as Additional Retainage an amount equal to the total dollar amount by which the bid was adjusted for bid comparison in addition to the contract retainage required under Section 185.41 of the Codified Ordinances of the City of Cleveland. Release of this retainage shall be managed under the provisions established in Section 187.05(e) of the Codified Ordinances.

13. CSB Bid Discounts:

If a Contracting Department does not apply an MBE or FBE Bid Discount to one or more bids for the award of a Contract, the Contracting Department may apply a Bid Discount in the following amounts for bids received from CSB prime contractors:

A Bid Discount of five percent (5%) for bids received from CCSBs.

A Bid Discount of five percent (5%) for bids received from RCSBs, provided no bids are received from

CCSBs.

14. CSB Evaluation Credits:

If a Contracting Department *does not apply an MBE or FBE Evaluation Credit* to one or more proposals for the award of a Contract, the Contracting Department may apply Evaluation Credits as follows for proposals received from CSB prime contractors:

- (1) An Evaluation Credit of five percent (5%) of the total points awarded for proposals received from CCSBs.
- (2) An Evaluation Credit of five percent (5%) of the total points awarded for proposals received from RCSBs, provided no proposals are received from CCSBs.

15. CSB Subcontracting Bid Discounts and Additional Retainage:

Contracting Departments may apply a Bid Discount to bids received for a Public Improvement Contract in the amount of five percent (5%) of the portion of the total amount of labor and materials that the Bidder represents it will subcontract to one or more CSBs. This provision does not apply, however, if a Bid Discount has been applied for MBE or FBE subcontractor participation,

If a Contracting Department applies the CSB subcontracting Bid Discount to the bid of a Bidder that would not have otherwise been the lowest and the Bidder is awarded the Public Improvement Contract, the City shall retain as Additional Retainage an amount equal to the total dollar amount by which the bid was adjusted for bid comparison in addition to the retainage required under Section 185.41 of the Codified Ordinances. Release of this retainage shall be managed under the provisions established in Section 187.03(d) of the Codified Ordinances.

16. LPE and SUBE Certification:

A Bidder or Proposer may qualify as a Local Producer, a Local-Food Purchaser or a Local Sustainable Business under the Local Producer, Local-Food Purchaser, and Sustainable Business Preference Code, Chapter 187A of the Codified Ordinances of the City of Cleveland. Each Bidder or Proposer representing itself as a Local Producer (LPE), or a Local Sustainable Business (SUBE) shall be certified with the Office of Equal Opportunity prior to the bid opening. Certification applications must be completed online through the City's Certification and Compliance Monitoring System at <https://cleveland.diversitycompliance.com/>.

17. LPE and SUBE Bid Discounts:

The Contracting Department shall apply a Bid Discount in the following amounts for bids received from LPE and/or SUBE prime contractors:

- A Bid Discount of two percent (2%) for bids received from LPEs.
- A Bid Discount of two percent (2%) for bids received from SUBEs.

18. LPE and SUBE Evaluation Credits:

The Contracting Department shall apply an Evaluation Credit in the following amounts for proposals received from LPE and/or SUBE prime contractors:

- An Evaluation Credit of two percent (2%) for proposals received from LPEs.
- An Evaluation Credit of two percent (2%) for proposals received from SUBEs.

19. Maximum Annual Subcontracting Program Benefit:

In an effort to encourage wide participation in the CSB, MBE and FBE subcontracting programs, the City of Cleveland has a policy which may limit the amount of subcontracting credit that a single CSB, MBE and/or FBE subcontractor can provide in a single year. When the CSB, MBE and/or FBE subcontractor has reached this maximum subcontracting dollar value, its participation in future contracts will not be

counted towards a Bidder or Proposer's CSB, MBE and/or FBE participation goals.

The Director may apply credit toward the CSB, MBE and/or FBE subcontractor participation goals upon written request of a Bidder or Proposer attesting that no other certified CSBs, MBEs or FBEs are available to perform the work or supply the materials required for the Contract, or in an emergency, or for such other reasons that the Director determines require use of that CSB, MBE or FBE.

Nothing prohibits a Bidder or Proposer from subcontracting to a CSB, MBE or FBE that has reached the cap, or prohibits the CSB, MBE or FBE from performing work or supplying materials under any contract. But that participation will not count towards the Bidder or Proposer's subcontracting goals.

20. CSB/MBE/FBE Manufacturer and Supplier Participation:

Under the Cleveland Area Business Code, the entire amount of expenditures to certified CSB, MBE, or FBE manufacturers will be counted towards CSB, MBE or FBE participation goals on the contract. A manufacturer is an enterprise that produces goods from raw materials and adds value by substantially altering them before resale.

Sixty percent (60%) of expenditures to certified CSB, MBE or FBE suppliers that are not manufacturers will be counted towards CSB, MBE or FBE participation goals on the contract, provided that the CSB, MBE or FBE supplier performs a commercially useful function in the supply process. A business enterprise is a supplier performing a commercially useful function in the supply process" when it:

- (1) Assumes the actual and contractual responsibility for furnishing the supplies or materials; and
- (2) Is recognized as a supplier, distributor or reseller by the manufacturer or producer of the contracted supplies and materials; and
- (3) Owns or leases a warehouse, yard, building or other facilities or uses such as means as are customary in the industry for the purpose of maintaining an inventory of or supplying such supplies or materials from which it supplies its customers; and
- (4) Distributes, delivers, and/or services products primarily with its own staff and/or equipment.

If a CSB, MBE or FBE supplier is not a manufacturer and is not performing a commercially useful function in the supply process, the supplier's participation will not be counted towards the CSB, MBE or FBE participation on the contract.

21. Joint Ventures:

Participation of CSBs, MBEs and FBEs in joint ventures is encouraged. To receive credit for CSB, MBE and/or FBE participation in a joint venture, the joint venture must be certified by the Office of Equal Opportunity. The CSB/MBE/FBE Joint Venture Certification Application is available from the Office of Equal Opportunity, and applications for joint venture certification must be received by the Office of Equal Opportunity no later than 10 days prior to the bid opening.

22. Use of General Contractors as Subcontractors for CSB/ MBE/FBE Prohibited:

Consistent with the U.S. Bureau of Census Standard Industrial Classifications, the City considers that a "general contractor" assumes responsibility for an entire construction contract, although it may subcontract part or all of the actual work to special trades or other contractors. The City does not consider that certification as a "general contractor" assumes or includes certification for any other trade or work. In order to qualify as a CSB, MBE or FBE Subcontractor, the CSB, MBE or FBE must be certified for the specific type of work indicated on Schedule 2, the Certified MBE/FBE/CSB Subcontractor Participation Commitment.

23. Subcontractor Participation Compliance Monitoring

Once a contract is awarded through the bid or proposal process, the winning contractor is obligated to use the certified CSB, MBE or FBE subcontractors listed on the OEO Schedules and in the same participation amount indicated in the OEO Schedules. OEO will monitor this subcontractor participation throughout the

course of the contract to ensure that the listed subcontractors are performing work on the project, and that they are being properly compensated for that work.

The City of Cleveland uses a web-based contractor certification and contract compliance monitoring system, colloquially known as B2Gnow, to monitor compliance on City contracts. Contractors can access the system at <http://cleveland.diversitycompliance.com>, or through a link on the Office of Equal Opportunity's website at <http://city.cleveland.oh.us/oeo>.

Each month during the contract, the prime contractor (or direct contract-holder with the City) will report payments to ALL subcontractors through the B2Gnow system. This monthly reporting information includes total payment in dollars made to the subcontractor, record of invoices satisfied, record of checks or other payment methods used to satisfy invoices, payment dates, and any additional information required by OEO to verify payment to subcontractors. The prime contractor will enter this payment information into the B2Gnow system, and the subcontractors will verify this payment information in the system.

OEO offers regular training sessions in the use of the B2Gnow system. Please contact OEO at 216-664-4152 to schedule training. Online training options are also available through the B2Gnow system.

Please note that use of the B2Gnow system requires an email account and access to a personal computer with internet connectivity. This requirement applies to both prime contractors and subcontractors. The City will provide for access to a computer and internet connection at Cleveland City Hall, upon appointment, for those contractors who do not otherwise have access to the required technology.

Questions about the certification process or the OEO Schedules should be directed to the Office of Equal Opportunity (OEO) at (216) 664-4152.

Bidder/Proposer Name:	

Note: Prime contractors are expected to make a good faith effort to utilize CSBs, MBEs and FBEs as subcontractors whenever there are CSB, MBE and/or FBE participation goals established in the bid specifications. There may be instances, however, where Prime Contractors will not be able to achieve the CSB, MBE and/or FBE participation goals for a particular contract. This Schedule 4 allows Prime Contractors to demonstrate their good faith efforts in identifying and soliciting CSBs, MBEs and FBEs to work on the contract. If the subcontracting goals for this contract are not met, failure to complete this schedule fully and completely may impact the evaluation of this bid or proposal.

Section A:
