### Departure(s) from the Chief or Director

COUNT	OPS#	COMPLAINANT	INVESTIGATOR	RECOMMENDATION	CHIEF'S DECISION
1	2022-210	Spates	Ouk	<p><b>P.O. Antwuan Wells, #1330</b></p> <p><b>Allegation:</b> Lack of Service <b>Recommendation:</b> Sustained/Group II Violation</p> <p><b>Rationale:</b> The Civilian Police Review Board (CPRB) is recommending that the allegation of Lack of Service violation be sustained. The CPRB asserts that on August 25, 2022, you, Patrol Officer Antwuan Wells #1330, failed to provide service when you responded to a call for service and observed several people who were engaged in an argument that became an assault on the complainant. You failed to prevent the crime and arrest the suspects in the assault, violating</p>	<p>Because Patrol Officer Wells was Sergeant Wells while this incident occurred, he will be referred to as Sergeant Wells as it regards to this incident.</p> <p>Sergeant Wells responded to a scene regarding a missing juvenile. While Sergeant Wells was interviewing the located missing juvenile, the complainant was assaulted away from where Sergeant Wells was conducting the interview. Because officers on scene quickly separated the combatants, I find that Sergeant Wells did not fail to give full attention to his duties or was remiss in preventing the assault which caused superficial injuries to the complainant. Patrol Officer McFadden completed an Assault report for the victim and explained the procedures for criminal charges. As this assault occurred in the presence of the officers, an arrest should have occurred.</p> <p>Because Sergeant Wells did have a police report made for the complainant, and officers stepped</p>

				Manual of Rules 4.01, 4.03, 4.14 and 4.18. (Group II Violation)	<p>in to ensure no further aggression occurred, <b>I am departing from the Civilian Police Review Board's recommendation that Specification #1 be classified as a Group II Violation. Sergeant Wells' actions comport more closely to a Group I Violation (conduct that has a negative impact on the operations or professional image of the Division or that negatively impacts relationships with other officers, agencies or the public.)</b></p> <p>As Patrol Officer Wells is no longer in a supervisory position, the discipline should reflect this change in responsibilities. As such, I recommend to the Civilian Police Review Board that Patrol Officer Wells #1330 be issued a Written Reprimand. This corrective action is within the Group I violation range of the discipline matrix when mitigating factors (no longer the supervisory rank that would have been responsible regarding this violation) outweigh aggravating factors (dissimilar active discipline at the time of the offense).</p>
