Request for Proposals Update

November 19, 2024

1. Due to a formatting error in the RFP documentation the deadline to submit proposals has been extended to **November 27, 2024**.
2. Questions posed by potential vendors during vendor meeting:
 - a. **Question:** When does the city plan to begin implementation of the services requested?
Answer: Once a service provider is selected and contracting is complete the city shall implement services as soon as possible.
