

#	Video Surveillance Questions	City Response
1	Does the City have an appetite to look at the cameras that utilize cloud storage and don't need NVR like Meraki and Verkada?	The City currently stores video on physical devices Milestone Husky & Razberi NVRs (outlined in question 3). The City would possibly explore cloud storage in limited deployments. The City would be open to reviewing alternate cloud designs but the requested, required medium should be physical storage devices
2	Is the City NDAA Compliant?	Yes the City requires equipment that is not produced or does not contain components provided by the banned companies.
3	Equipment Specifications - Are there specific models of cameras and hardware that the City of Cleveland is requesting	<ul style="list-style-type: none"> • Avigilon(H4/H5 Bullet Camera, H4A/H5A Multisensor dome, H4/H5 PTZ dome) • Axis (Q1645-LE, Q6315-LE PTZ, Q61 PTZ, P3719 PLE, P3717 PLE, Q6055E PTZ) • Hanwha (Wisenet P series, Wisenet X series) • Milestone Xprotect Corporate License • Milestone Husky X8 • Managed Hardened PoE + Switches 8-10 port switch • Razberi ServerSwitch IQ CE2-XS-32-36T-S16 • Radwin Airmux (400 Broadband Wireless Multiplexer, 5000 Point to Multipoint Wireless System, Smartnode) • Fluidmesh (FM 1100 MITO, FM 3100 MITO, FM 3100 ENDO, FM 1200 VOLO) • Siklu Radios (MultiHaul, Point to Multipoint BU MT-B100-CCS TU MH-T200-CCC) • EtherHaul (EH-614TX, EH-2500FX)
4	Can you confirm the location of W. 73rd & Father Caruso Drive (Battery Park)	The locations should be W. 73rd & Father Frascatie; and W. 73rd & Battery Pk Blvd Ext
5	Can Fire Station 23 be used a location for a video recorder site	Yes, the City would provide the network connectivity. The vendor would provide the recorder and secured rack.
6	Could you provide an approximate timeline for the completion of the three phases	The City would work with the awarded vendor to establish a timeline and milestones. The expectation is this would be completed in 2025.
7	Will each line item/phase of the project be awarded individually or will be awarded all at once	The City is open to both options for awarding the entire project or splitting up the award to multiple vendors
