- Franklin Boulevard – From West 65th Street to West 58 Street
- West Clinton Avenue – From West 65th Street to West 58 Street

The improvements include replacing the old steel mainline with a new plastic mainline in the sidewalk area. A work zone will be established which will allow two-way traffic with traffic control personnel present to help direct traffic flow. A Law Enforcement Officer (L.E.O) will be present at all signalized intersections to help with traffic flow. Access to adjacent driveways will be maintained throughout construction. All work zones will be removed at the end of each work day. The work on the project will take place Monday through Friday from 7 a.m. to 5 p.m.

This project is scheduled for completion in August 2020.
