Pipeline Infrastructure Improvements Update

Monday, August 5, 2019

Dominion Energy Ohio Gas Pipeline Infrastructure Replacement Project - PIR 3113
Flowerdale Avenue
(City of Cleveland Ward 13)

CLEVELAND – On Monday, August 5, 2019 Dominion Energy Ohio’s gas pipeline infrastructure replacement project will begin on the following street:

- Flowerdale Avenue – From Ridge Road to Pearl Road.

The improvements include replacing the old steel mainline with a new plastic mainline in the sidewalk area on each side of Flowerdale Avenue. A work zone will be established which will allow two-way traffic with traffic control personnel present to help direct traffic flow. A Law Enforcement Officer (L.E.O) will be present at all signalized intersections. Access to adjacent driveways will be maintained throughout construction. All work zones will be removed at the end of each work day. The work on the project will take place Monday through Friday from 7 a.m. to 5 p.m.

This project is scheduled for completion in September 2019.

Should there be any questions, contact Dennis Scheid - Hill International at 216-701-2319.

***Editor’s Note:** Road construction invariably presents hazards to the public. All travelers are urged to use caution in construction zones. Public safety and the safety of workers is a top priority.*

About the City of Cleveland

The City of Cleveland is committed to improving the quality of life for its residents by strengthening neighborhoods, delivering superior services, embracing diversity and making Cleveland a desirable, safe city in which to live, work, play, and do business.
