Arrests, Charges Announced in Murder of Officer, Citizen

Today, Mayor Frank G. Jackson, Safety Director Karrie D. Howard and Cleveland Police Chief Calvin D. Williams announce three males have been taken into custody and charged with the murders of Cleveland Police Detective James Skernivitz and citizen Scott D. Dingess. David McDaniel, age 18, and a 17-year-old male were arrested by members of the Neighborhood Impact Community Engagement Unit and the Northern Ohio Law Enforcement Task Force on September

7, 2020. A 15-year-old male turned himself in to investigators today. Charges have been filed against all three individuals.

“The Cleveland Division of Police, their federal and local partners worked together on this case,” said Cleveland Mayor Frank G. Jackson. “I continue to ask that you join me in offering condolences to the family of Detective Skernivitz, his wife and their children.”

On Thursday, September 3, 2020 at approximately 10 p.m., Detective James Skernivitz was shot and killed in the line of duty along with Citizen Scott D. Dingess in the area of West 65th Street and Storer Avenue. Detective Skernivitz was assigned to the Gang Impact Unit and was recently sworn in as a Violent Crimes Task Force officer with the Federal Bureau of Investigation, working on the national law enforcement initiative Operation Legend. Three different persons of interest were identified and taken into custody on unrelated warrants early on, however they were not charged in this incident.

“I want to commend the investigators in this case who dedicated every waking moment to ensure that the individuals responsible for this terrible crime were properly identified and taken into custody,” said Cleveland Police Chief Calvin D. Williams. “I am thankful to the citizens who came forward with information. Furthermore, I want to thank the community members who have offered their kind words of support and prayers. They are truly appreciated.”

"It is with a heavy heart that we make the announcement of the three individuals arrested believed to be responsible for the shooting death of our law enforcement colleague, Detective James Skernivitz," said Special Agent in Charge, Eric Smith, Federal Bureau of Investigation. "The swift investigation completed by law enforcement, with numerous tips provided from the community, has been commendable – a true partnership. These three individuals will be held accountable for their heinous actions. Our continued thoughts and prayers to the Skernivitz family and our partners at the Cleveland Division of Police."

“The excellent work of law enforcement has made the city safer for its citizens,” said Captain Richard McIntosh, Crimestoppers of Cuyahoga County, Inc.

Funeral arrangements for Detective James Skernivitz will be made public once they are finalized.
